Proposal	Conversion of a dwellinghouse into 2 self-contained flats.

Case Officer	Mr Nathaniel Baker
Applicant	Mr Gilbert Awosika (Islington Borough Council)
Agent	N/A

# 1.0 RECOMMENDATION

The Committee is asked to resolve to GRANT planning permission:

- 1. subject to the conditions set out in Appendix 1; and
- 2. conditional upon the prior completion of a directors agreement securing the heads of terms as set out in Appendix 1;

.

# 2.0 SITE PLAN (site outlined in red)

# 3.0 PHOTOS OF SITE/STREET

Photo 1: Front elevation:

#### 4.0 SUMMARY

- 4.1 Planning permission is sought for the conversion of a single dwellinghouse into two self-contained flats.
- 4.2 The proposed conversion is considered to provide adequate provisions for two residential units and the two proposed units would be secured by a Directors Agreement to be affordable units.
- 4.3 Any permission would be subject to suitably worded conditions and a legal agreement set out in Appendix 1.

### 5.0 SITE AND SURROUNDING

- 5.1 The site is located on the north side of Ronalds Road and consists of a two storey midterrace property with accommodation in the roof. The property currently forms a Social Rented house in the control of the Council.
- 5.2 The site is not located within a Conservation Area and the building is not listed.

# 6.0 PROPOSAL (in Detail)

6.1 The proposal is the conversion of the property into two self contained flats (1 x 3 bed and 1 x 1 bed). There are no external alterations proposed.

#### 7.0 RELEVANT HISTORY:

#### **Planning Applications**

7.1 No relevant history at the site

**Enforcement:** 

7.2 None.

# **Pre-application Advice:**

7.3 None.

### 8.0 CONSULTATION

### **Public Consultation**

- 8.1 Letters were sent to occupants of 17 adjoining and nearby properties at Witherington Road and Ronalds Road on 22<sup>nd</sup> October 2013. The public consultation of the application therefore expired on 7<sup>th</sup> June 2013, however it is the Council's practice to continue to consider representations made up until the date of a decision.
- 8.2 At the time of the writing of this report no responses had been received from the public with regard to the application.

# **Internal Consultees**

# 8.3 Access and Inclusive Design Office –

The Design and Access Statement makes no mention of Inclusive Design or Accessible Housing policies or standards.

- The plans indicate a front garden (area of hard standing) and at least one step to the front door. The opportunity to deliver a step free approach has not been taken.
- It appears that the entrance hall is very narrow and does not facilitate a 300mm manoeuvring space beyond the leading edge of the door.
- Within the flats there is no furniture shown (it is therefore impossible to gauge their quality) and no attempt made to demonstrate that the units are either visitable or adaptable. Indeed the introduction of winding tread stair cases and eccentrically laid out bathrooms seem wilfully to disregard those objectives.
- In a development of this sort it is expected that provision is made for the installation at a later date of a lift to the upper flat. However, given the scale of the development and the site constraints this can be relaxed. However, there is no excuse as to why the lower flat could not be made visitable and adaptable.

The applicant should be encouraged to revisit the proposal with reference to our Accessible Housing SPD.

8.4 **Transport Officer** – No response received.

#### 9.0 RELEVANT POLICIES

Details of all relevant policies and guidance notes are attached in Appendix 2. This report considers the proposal against the following development plan documents.

#### **National Guidance**

9.1 The National Planning Policy Framework 2012 seeks to secure positive growth in a way that effectively balances economic, environmental and social progress for this and future generations. The NPPF is a material consideration and has been taken into account as part of the assessment of these proposals.

## **Development Plan**

9.2 The Development Plan is comprised of the London Plan 2011, Islington Core Strategy 2011, Development Management Policies 2013, Finsbury Local Plan 2013 and Site Allocations 2013. The policies of the Development Plan are considered relevant to this application and are listed at Appendix 2 to this report.

# Supplementary Planning Guidance (SPG) / Document (SPD)

9.3 The SPGs and/or SPDs which are considered relevant are listed in Appendix 2.

## 10.0 ASSESSMENT

- 10.1 The main issues arising from this proposal relate to:
  - Principle
  - Amenity
  - Highways and Transportation
  - Access
  - Affordable Housing

# **Principle**

- 10.2 Policy 3.4 of the London Plan encourages boroughs to optimise housing output, taking into account local context and character, design principles and transport capacity. This is supported by Core Strategy policy CS12 which seeks to provide more high quality, inclusive and affordable homes within the borough where there is an appropriate mix of unit sizes. The proposal would provide a three bedroom and a one bedroom flat, which would constitute an appropriate mix of unit sizes.
- 10.3 With regard to policy DM3.3, the existing property has a floor area in excess of 125 square metres. Furthermore, although the dwelling currently provides a single family unit, the proposal includes the provision of a three bedroom family unit.
- 10.4 As such, the principle of the development is acceptable subject to the assessment of the proposal in light of all other relevant policy, the site context and any other material planning consideration.

#### **Amenity**

10.5 Table 3.2 of policy DM3.4 of the Development Management Policies stipulates the minimum gross internal floor space required for residential units on the basis of the level of occupancy that could be reasonably expected within each unit. Details of each unit are set out in the table below against the minimum floor space standards.

Unit	No. Bedrooms	Expected Occupancy	Floor Space	Minimum Required floor space	Required Storage
Flat A	3	4	75	74	2.5
Flat B	1	2	52	50	1.5

- 10.6 Both of the proposed units would provide a sufficient floor area, would have dual aspect and all habitable rooms would have an adequate outlook.
- 10.7 The ground and first floor flat would provide family accommodation and would have the sole use of the rear garden. Whilst Flat B would not have any external amenity space, by reason of its small scale, the minimal occupancy level, site constraints and the proximity of the site to public open space at Highbury Fields to the east of the site, the provision of private amenity space is not considered to be reasonably required for the upper floor flat.

#### **Neighbour Amenity**

10.8 The resultant property would maintain the same number of bedrooms and would not result in an over intensification of the residential use of the building. Furthermore, although the first floor unit would have views over the rear garden, this would be a typical residential arrangement

#### **Highways and Transportation**

- 10.9 The site has a PTAL of 6a, which is 'Excellent' and although no cycle parking is provided at the site, the ground floor unit could be reasonably expected to store cycles securely within the rear garden space.
- 10.10 The first floor flat does not include any external space and therefore would not be reasonably expected to provide cycle storage.

#### **Access**

10.11 There would be no change to the access to the site and as the proposal consists of limited internal works to form the conversion, it is considered to be unreasonable to require the proposed residential units to meet the Flexible Homes Standards.

## **Affordable Housing**

- 10.12 The Council's Affordable Housing Small Sites Contributions Supplementary Planning Document (SPD) together with Core Strategy policy CS12 Part G states that development proposals below a threshold of 10 residential units (gross) will be required to provide a financial contribution towards affordable housing provision elsewhere in the borough.
- 10.13 The property is currently in use as a socially rented house and the two proposed flats would also be in this use. Core Strategy policy CS12 Part G seeks to provide affordable housing within the borough and the proposal would provide one additional affordable unit. A Directors Agreement has been made between the London Borough of Islington's Housing Department and Planning Department to ensure that the buildings retain in social rented use.

#### 11.0 SUMMARY AND CONCLUSION

#### **Summary**

- 11.1 The proposed conversion of dwellinghouse into two self-contained flats is considered to be acceptable with regards to land use, amenity, neighbour amenity, highways and transportation, access and affordable housing provision.
- 11.2 As such, the proposed development is considered to accord with the policies in the London plan, Islington Core Strategy, Islington Development Management Policies and the National Planning Policy Framework and as such is recommended for an approval subject to appropriate conditions.

## Conclusion

11.3 It is recommended that planning permission be granted subject to conditions and Directors agreement as set out in Appendix 1 - RECOMMENDATION.

#### **APPENDIX 1 – RECOMMENDATIONS**

#### **RECOMMENDATION A**

That planning permission be granted subject to the prior completion of a memorandum of understanding between the Service Director of the Council's Housing and Adult Services department and relevant officers in the local planning authority in order to secure the following planning obligations to the satisfaction of the Head of Law and Public Services and the Service Director, Planning and Development / Head of Service – Development Management or in their absence the Deputy Head of Service or Area Team Leader:

1. The two proposed units shall remain in social rented housing use and at no point shall be sold as marketable housing.

## **RECOMMENDATION B**

That the grant of planning permission be subject to conditions to secure the following:

#### **List of Conditions:**

1	Commencement
	CONDITION: The development hereby permitted shall be begun not later than the expiration of three years from the date of this permission.
	REASON: To comply with the provisions of Section 91(1)(a) of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004 (Chapter 5).
2	Approved plans list
	CONDITION: The development hereby permitted shall be carried out in accordance with the following approved plans: Location plan, OVR/21RON/GC/01, OVR/21RON/GC/02, OVR/21RON/GC/03, OVR/21RON/GC/04, OVR/21RON/GC/05, OVR/21RON/GC/06 and Design and Access Statement.
	REASON: To comply with Section 70(1)(a) of the Town and Country Planning Act 1990 as amended and also for the avoidance of doubt and in the interest of proper planning.
3	Parking
	CONDITION: All future occupiers of the residential unit known as Flat B hereby approved shall not be eligible to obtain an on street residents' parking permit except:
	<ul> <li>i) In the case of disabled persons;</li> <li>ii) In the case of units designated in this planning permission as "non car free"; or</li> <li>iii) In the case of the resident who is an existing holder of a residents' parking permit issued by the London Borough of Islington and has held the permit for a period of at least one year.</li> </ul>
	REASON: To ensure that the development remains car free.

#### **List of Informatives:**

1	Positive Statement
	To assist applicants in a positive manner, the Local Planning Authority has produced

policies and written guidance, all of which is available on the Council's website.

A pre-application advice service is also offered and encouraged.

Whilst no pre-application discussions were entered into, the policy advice and guidance available on the website was followed by the applicant.

The applicant therefore worked in a proactive manner taking into consideration the policies and guidance available to them, and therefore the LPA delivered a positive decision in a timely manner in accordance with the requirements of the NPPF.

# 2 Memorandum of Understanding

You are advised that this permission has been granted subject to completion of a memorandum of understanding between the Director of Housing and Adult Services and the Director of Environment and Regeneration.
