To whom it may concern

Islington Cyclists' Action Group (ICAG) welcomes any initiative in Islington that enables the use of safe and well maintained bicycles. We therefore support Cycle Systems Ltd application for a permanent designation of a pitch to provide bike checks and repairs.

Yours sincerely

ICAG is a local group of the London Cycling Campaign

To whom it may concern,

I fully endorse Cycle Systems' proposal to establish a licensed on street 'Bike Doctor' in Islington. The site at the junction of City Rd and Goswell Rd is perfect due to the high density of cycle traffic and the available space for the pitch.

Private initiatives like these will compliment policy and projects from TfL and the boroughs to help make cycling safer, more accessible and better supported for all Londoners.
