As part of the consultation process we are seeking your comments for a proposed designation of an area near the clock tower on the triangle at the Angel adjacent to 398 Goswell Road EC1V 7LQ (see attached map for exact location) for the purpose of street trading. You are probably aware that we have had, for a trial period, a trader at this location carrying out bicycle repairs etc. by the cycle path. This trial period has been extremely successful and we propose to designate this area for the purpose of street trading under The London Local Authorities Act 1990 (as amended) - Section 24, to Mr Sean Lally of Cycle Systems, 51 Eagle Wharf Road, N1 7ER. The trading days would be Monday to Friday, 7.30am to 1.30pm and 4.00pm to 7.30pm. The pitch dimension applied for are 3m x 3m (10 feet x 10 feet approx). The proposal includes the temporary erection of a gazebo on a daily basis.

We intend bringing this proposal to The Licensing Regulatory Committee of the Council on October 3rd 2011 for consideration. Public notices will be posted in next week or two. The latest date for any objections should reach us by Friday 9th September 2011.

I look forward to hearing from you. Alternatively you may contact Houriyeh Dervish on 020 7527 3046.

Dear Tracey

As part of the consultation process we are seeking permission from TFL for a proposed designation of an area adjacent to 398 Goswell Road EC1V 7LQ (see attached map for exact location) for the purpose of street trading. You are probably aware that we have had, for a trial period, a trader at this location carrying out bicycle repairs etc. by the cycle path. This trial period has been extremely successful and we propose to designate this area for the purpose of street trading under The London Local Authorities Act 1990 (as amended) - Section 24, to Mr Sean Lally of Cycle Systems, 51 Eagle Wharf Road, N1 7ER. The proposal includes the temporary erection of a gazebo on a daily basis.

We intend bringing this proposal to The Licensing Regulatory Committee of the Council on October 3rd 2011 for consideration. Public notices will be posted in next week or two. As the proposed site is by a red route, TFL (I assume), is the highway authority therefore we need your permission to continue with this process.

Could you let me know to whom I should be putting this proposal formally.

The latest date for any objections should reach us by Friday 9th September 2011.

I look forward to hearing from you. Alternatively you may contact Houriyeh Dervish on 020 7527 3046.
