To prevent public nuisance

We are making our representation for the minimisation and prevention of risk of noise pollution to neighbouring residential occupiers. We make the following observations:

I note there are residential properties in the vicinity of the licensed premises. The potential for noise outbreak to the annoyance of residents in these properties is highly likely.

I have concerns regarding the impact from such activities such as deliveries, rubbish, bottles removal and doors of the premise being left open allowing noise outbreak which will have a affect nearby neighbours.

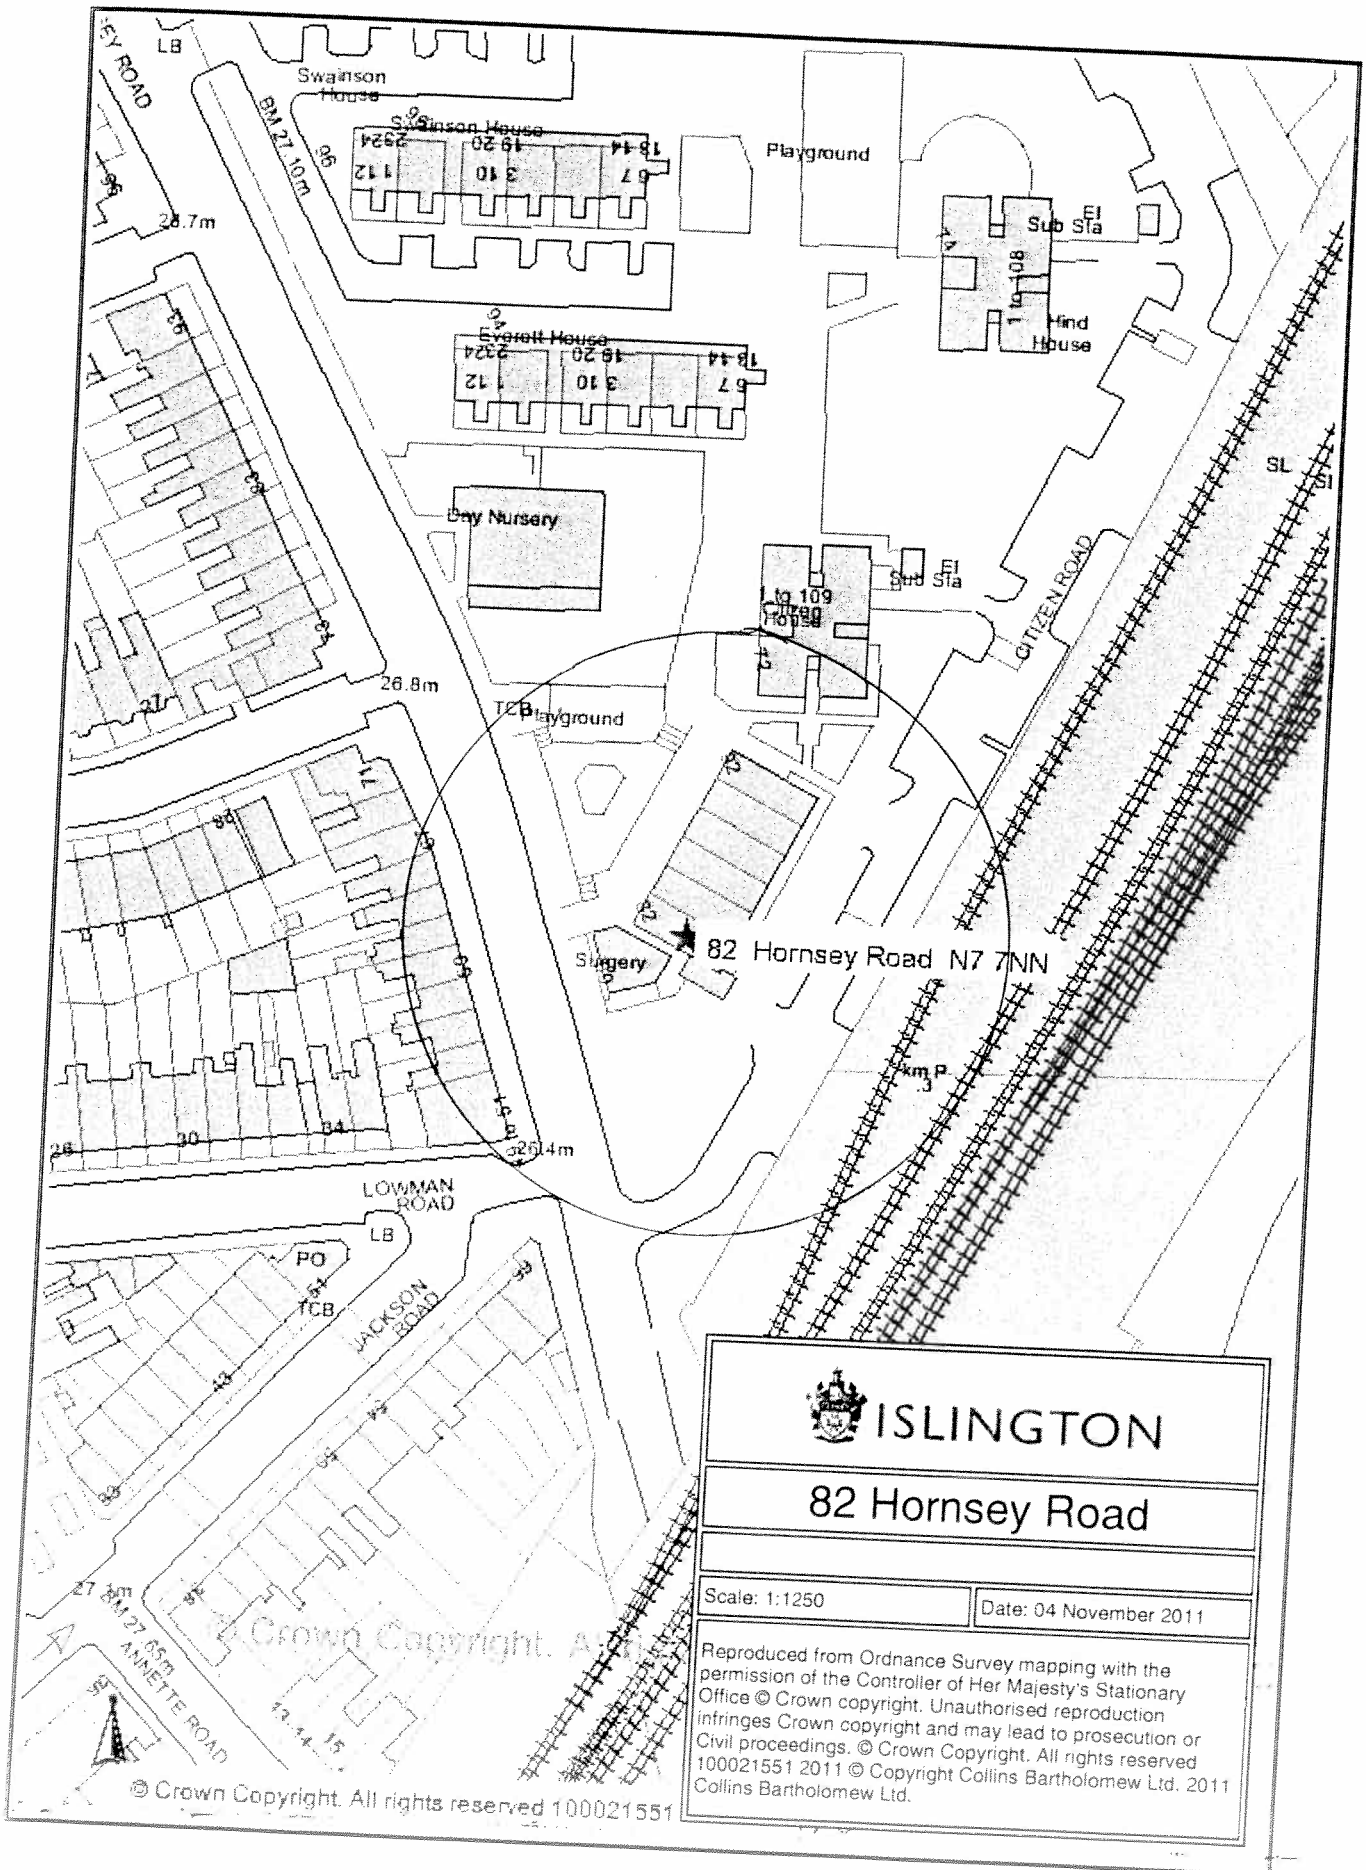

The Noise Team therefore object to this licence. I would add that the objection will be withdrawn provided the paragraphs below are accepted as conditions.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.
