LICENSING ACT 2003: REPRESENTATIONS BY RESPONSIBLE AUTHORITY

Arsenal Supermarket, 229 Blackstock Road, N5 2LL

I have examined the application for a licence for the above premises on behalf of the Trading Standards Section and I wish to make these representations. I understand that the applicant, Ms Guluzar Yavuz, is the licensee at Café Globe, 231 Blackstock Road (although I note that her first name is spelled Gulizar on that licence).

1. Enforcement action

- 1.1 A joint visit by Trading Standards and HMRC in November 2011 resulted in the seizure of nearly 100 litres of illicit alcohol and over 5000 illicit cigarettes. Trading Standards applied to have the licence reviewed and on 12 March 2012 the Licensing Committee decided to revoke the licence. The Committee said that they believed the licensee and DPS, Yucel Yavuz, was failing to take responsibility for his lack of management, which they considered to be the main cause of the non-compliance.
- 1.2 Very soon after the review application was sent to the business, Ali Yavuz contacted me. He told me that he had run Arsenal Supermarket before he went left the country for a couple of years, leaving his brother (Yucel) and father (Halil) to run the business. He said he had recently returned to the country and was running the restaurant next door to the shop. He told me he was angry at what had happened to the shop and was intending to manage the shop again to ensure nothing similar happened in future. I gave him a copy of the 'standard' conditions requested by Trading Standards and we talked about how they could be implemented. I supplied a uv torch and gave a demonstration about how to use it. It is fair to say that I was quite impressed with Ali Yavuz and I believe he was genuine in wanting to comply with the law in future.
- 1.3 I have heard nothing further from the business since this meeting.
- 1.4 The business is currently selling alcohol as an appeal against the decision to revoke the licence has been lodged.

2. Trading Standards' concerns

- 2.1 The applicant is believed to be the sister-in-law of Yacul Yavuz, the person whose licence was revoked. This should not prevent her from being granted a licence, but does make it very important that she is able to show the Committee that the standard of management

has improved. It is not clear to me why Ali Yavuz did not apply, given that he was the person who told me that he was assuming control of the business.

- 2.2 As it is a family business I do not believe that it would be appropriate for Yacul or Halil to be prevented from working in the shop, but I do not believe that it is appropriate for them to take a role in the management of licensable activities.
- 2.3 In light of the amount of illicit alcohol Trading Standards have found across the borough over the last 18 months, it is vital that new licensees are not only aware of the issue and how to ensure that they do not stock illicit alcohol but are prepared to actively promote the licensing objectives by taking reasonable steps to deter sellers of illicit alcohol.
- 2.4 There appear to be no issues arising from Café Globe at 231 Blackstock Road at which Ms Yavuz has been the premises licence holder since February 2010.

3. Proposed steps to prevent crime and disorder and to promote the protection of children from harm

- 3.1 The operating schedule is robust on precautions to prevent underage sales, but I am surprised that the operating schedule on the application does not contain anything relevant to illicit alcohol, given that a version of the 'standard' TS conditions have been supplied to the applicant's husband. I would invite the Committee to add these conditions:
 - No alcoholic goods will ever be purchased or taken from persons calling to the shop.
 - No spirits shall be purchased in a resealed box.
 - The licensee will immediately report to Trading Standards any instance of a caller to the shop attempting to sell alcohol.
 - Invoices (or copies) for all alcoholic goods on the premises will be kept at the shop and made available to officers from the council, police or HMRC upon request.
 - A stock control system will be introduced, so that the licensee can quickly identify where and when alcoholic goods have been purchased.
 - An ultra-violet light will be available at the premises for the purpose of checking the UK Duty Stamp on spirits as soon as practical after they have been purchased.
 - If any spirits bought by the business have UK Duty Stamps that do not fluoresce under ultra-violet light, or are otherwise suspicious, the licensee shall identify the supplier to Islington Trading Standards and HMRC as soon as possible.
 - The licensee shall adopt the Challenge 25, the Retail of Alcohol Standards Group's advice for off-licences.
 - The licensee shall ensure that staff are trained about age restricted products and ensure that they sign to confirm that they have understood the training. The training shall include the assessment of age; making a challenge; acceptable proof of age; and recording refusals. The licensee shall keep records of training and instruction given to staff and make them available for inspection upon request by the licensing team, police or trading standards.
 - The licensee shall put arrangements in place to ensure that before serving alcohol to young persons, staff ask to see accredited proof of age: that is proof of age cards

carrying the 'PASS' logo (and no others), a Passport, or UK Driving Licence bearing the photograph and date of birth of the bearer.

- The licensee shall require staff to note any refusals to sell to young people in a refusals log. The refusals log shall be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the licensing team, police or trading standards.

3.2 Further, to allay concerns about the previous management at the shop, I request that this condition is also added:

- Neither Yacul Yavuz nor Halil Yavuz will have any role in the management of licensable activities at the premises.

3.3 I would welcome confirmation that these proposed conditions are acceptable to Ms Yavuz.

4. Conclusion

4.1 Should confirmation that Ms Yavuz accepts the conditions be forthcoming, I would not have reason to speak against the application at the time of writing. However, I believe that the Committee should have the opportunity to assess for themselves whether the likelihood of improvement in the management of the business is sufficient to grant this licence, so I believe that the application should be heard by them.

4.2 I believe these representations are specific and proportionate to the known trading characteristics of this retail sector and are consistent with the Islington Council Statement of Licensing Policies 32, 39 and 28.
