Subject: PREMISES LICENCE REVIEW APPLICATION
RE: MEM & LAZ, 8-10 THEBERTON STREET, LONDON, N1 0QX

1. Synopsis

- 1.1 This is an application by *The Theberton Street Residents' Association* for a Review of the Premises Licence under Section 51 of the Licensing Act 2003. A copy of the review application is attached as Appendix 1.

This application has been put before the Licensing Committee previously but was adjourned.

- 1.2 The grounds for review are related to the licensing objectives:

i) *The prevention of Public Nuisance.*

2. Recommendations

- 2.1 To determine the application to review the premises licence under Section 52 of the Licensing Act.
- 2.2 The Committee must have regard to the application and any relevant representations. The Committee must take such steps as necessary for the promotion of the four licensing objectives.
- 2.3 The steps stated in Sections 52(4) of the Act are as follows:
- a) to modify the conditions of the licence; and for this purpose the conditions of the licence are modified if any of them are altered, omitted or any new condition is added;
 - b) to exclude a licensable activity from the scope of the licence;
 - c) to remove the designated premises supervisor;

- d) to suspend the licence for a period not exceeding three months;
- e) to revoke the licence;
- f) the Committee also have the option to leave the licence in its existing state;
- g) the Committee also has the power in relation to steps a) and b) to provide that the modification and exclusion only has effect for a limited period not exceeding three months..

3. Background

3.1 The premises currently holds a licence allowing:

- i) The sale by retail of alcohol, on & off supplies, Mondays to Saturdays from 10:00 until 00:00 and Sundays from 12:00 until 23:30;
- ii) The playing of recorded music, Mondays to Sundays from 12:00 until 00:30 the following day; and
- iii) The provision of Late Night Refreshment, Mondays to Sundays from 23:00 until 00:30 the following day.

3.2 Papers are attached as follows:-

- Appendix 1: application form and supporting photo evidence;
- Appendix 2: current premises licence;
- Appendix 3a: name & address details of those persons making representations;
- Appendix 3: representations;
- Appendix 4: licensee correspondence:
 - i. response to Licensing Authority proposals;
 - ii. invite to meeting – 22Aug13;
 - iii. invite to re-arranged meeting – 13Sep13; and
 - iv. conditions to be proffered by the premises licence holder to be placed on the premises licence- 03Oct13.
- Appendix 5: council officer inspection notes;
- Appendix 6: warning letter dated 17th July 2013;
- Appendix 7: case history – tables & chairs on Theberton Street
- Appendix 8: photos illustrating the area authorised for the placing of outside furniture for restaurants between 8 and 18 Theberton Street;
- Appendix 9: planning comments;
- Appendix 10: suggested conditions and map of premise location.

3.3 Brief licensing history at the premises:

8-10 Theberton Street:

- 24th November 2005, premises licence granted by way of conversion under the Licensing Act 2003 for number 8 Theberton Street;
- 23rd July 2008, new premises licence application submitted so as to allow the restaurant to encompass numbers 8 to 14 Theberton Street;
- 10th September 2008, application refused at Licensing Committee hearing;
- 26th September 2008, appeal received by Highbury Corner Magistrates;

- 18th November 2008, after discussions between all interested parties an amended application was granted by way of a Consent Order authorising the use of numbers 8-10 Theberton Street only;
- 10th May 2011, minor variation application approved to extend the licensable area into the rear extension of number 10 Theberton Street.

10-16 Theberton Street:

- 22nd January 2013, new premises licence application received;
- 1st February 2013, Section 19 Closure Notice served. Closure notice refers to the illicit use of the non-licensed parts of the restaurant;
- 20th March 2013; new premises licence application suspended whilst on-going planning issues are resolved.

- 3.4 The Licensing Authority has received 13 letters of representation, none of which are from people who requested that they remain anonymous.

4. Planning Implications

- 4.1 See appendix 9 for details.

5. Conclusion and reasons for recommendations

- 5.1 The Council is required to consider this application for review in the light of all relevant information from the applicant and the licence holder. It may attach such conditions necessary to promote the licensing objectives.

Please state the ground(s) for review (please read guidance note 2)

Prevention of public nuisance. The licensee persistently places tables and chairs on the pavement outside the premises, beyond the curtilage of the buildings. Tables are also placed on the pavement outside 12 Theberton Street and extend onto the pavement outside that building. Tables are also placed outside 14 Theberton Street, which is not permitted under the existing licence terms. Furthermore, tables outside 14 also extend out to the pavement. This makes it difficult for pedestrians to pass easily and extremely difficult for wheelchairs and pushchairs to pass. Customers of the restaurants also block the pavement with personal items, such as pushchairs positioned by tables.

In addition, the chairs at times partially block the door to 10a Theberton Street, which is a nuisance and also a potential hazard if this doorway needed to be used as an emergency exit.

Please provide as much information as possible to support the application (please read guidance note 3)

This has been an ongoing problem for many years and warning letters have been issued before to the Licensee, from Julia Olinski, dated 16/12/2008 and we understand more recently from the Network Management Team in the week beginning 22nd April 2013.

There have been numerous complaints to the Licensing Team and to the Network Management Team at Islington Council. The email complaints have included photographic evidence of tables blocking the pavement. Most recently complaints, with supporting photographic evidence, were sent to these teams on 1/6/13, 31/5/13, 27/5/13, 26/5/13, 25/5/13, 19/5/13, 6/5/13, 5/5/13, 4/5/13, 2/5/13, 1/5/13, 24/4/13.

This application is supported by Islington Council's Network Management Team. It is also supported by the Moon Street and Studd Street Association.

If you have made representations before relating to the premises please state what they were and when you made them

The Theberton Street Residents' Association made representations in 2006 objecting to an application for a late night licence at 8 Theberton Street. It also made representations in January 2013 objecting to a licensing application for a licence variation (this application is currently suspended). The grounds for objection to this application are based on public nuisance and breach of Islington Council's Location, Cumulative Impact and Saturation guidelines in the Council's Licensing Policy (2011-14).

Annex 1 - Mandatory conditions

1. No supply of alcohol may be made under the premises licence:
 - a) at a time when there is no designated premises supervisor in respect of the premises licence, or
 - b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
3. All door supervisors shall be licensed by the Security Industry Authority.
4. The admission of children to the exhibition of a film shall be restricted in accordance with the recommendation of a film classification body as defined in the Video Recordings Act 1984 or Islington Council acting as the licensing authority where it has given notice in section 20(3) of the Licensing Act 2003.
5. The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any "irresponsible promotions" in relation to the premises.

In this condition, an "irresponsible promotion" means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children:

 - a) games or other activities which require or encourage, or are designed to require or encourage, individuals to:
 - i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
 - c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;
 - d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on:
 - i) the outcome of a race, competition or other event or process, or
 - ii) the likelihood of anything occurring or not occurring;
 - e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
6. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
7. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
8. The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.

The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.

9. The responsible person shall ensure that:
- a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures:
 - i) beer or cider: ½ pint;
 - ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
 - iii) still wine in a glass: 125 ml; and
 - b) customers are made aware of the availability of these measures.

Annex 2 - Conditions consistent with the Operating Schedule

1. Unless otherwise specified on this licence no regulated entertainment shall take place at the premises with the exception of pre-booked private events limited to the provision of music and dancing for pre-invited guests.
2. This licence is subject to such further conditions as are consistent with any restrictions imposed on the use of the premises for the existing licensable activities under the licence by virtue of the enactments hereinafter set out:
 - Children and Young Persons Act 1933
 - Cinematograph (Safety) Regulations 1955
 - Sporting Events (Control of Alcohol Etc) Act 1985
3. The times that the licence authorises the supply of alcohol does not prohibit:
 - a) during the first twenty minutes after the above hours the consumption of the alcohol on the premises;
 - b) during the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;
 - c) during the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;
 - d) the supply to, or consumption by, any person of alcohol in any premises where they are residing.
4. Suitable beverages other than alcohol, including drinking water, shall be equally available for consumption with or otherwise as an ancillary to meals served in the licensed premises.
5. The premises must be bona fide used for the purpose of habitually providing the customary main meal at midday or in the evening, or both for the accommodation of persons frequenting the premises.
6. Alcohol shall not be sold or supplied on the premises otherwise than to persons taking table meals there.

7. There shall be a member of staff at the door employed to show people to their seats, monitor noise, ensure noise is kept to a minimum, deal with any noise complaints and who shall report any incidents of crime to the police.
8. There shall be no promotions that encourage illegal, irresponsible or immoderate consumption of alcohol.
9. The maximum number of persons accommodated at any one time outside the premises shall not exceed the following: 18
10. Recorded music shall be limited to background music only.
11. No new customers shall be accepted in the premises after 23.30
12. The premises shall make a dedicated licensed taxi/mini cab service available for customers.
13. No children under the age of 18 shall be allowed in the premises without adults after 18.00.
14. The licence shall extend to the curtilage areas of No.10 and part of No.12 Theberton Street with the written permission of the relevant freeholder, or occupier as necessary, though not including the curtilage of No.10a Theberton Street which must be kept clear of activities relating to the Premises.
15. The licensee shall meet with local residents on a regular basis to discuss issues of mutual concern.
16. Regular staff training shall be carried out, all training shall be documented.
17. Polite notices shall be displayed to discourage noise from patrons arriving at, queuing outside or departing from the premises.
18. The licensee shall put arrangements in place to ensure that when staff are dealing with young people they ask for valid proof of age. E.g. National Passport or Photo Drivers Licence before selling alcohol to them.
19. The premises shall be constructed and maintained in accordance with the Technical Standards for Places of Entertainment.
20. The maximum numbers of persons accommodated at any one time in the premises shall not exceed:
 - Number 8 Theberton Street:
 - Ground & 1st floors – 60
 - Number 10 Theberton Street:
 - Ground floor only – 35.
21. The Licensee shall:
 - a) appoint an acoustic consultant registered with the Institution of Acoustics or the Association of Noise Consultants to undertake a noise impact assessment for the premises for proposed operating hours;
 - b) provide a report of the noise impact assessment which will address both amplified noise breakout from the premises and disturbance arising from the use of the outside areas; and

- c) the report to be submitted to and approved in writing by the Council's Noise Team before the variation shall have effect.
22. Should the upper parts of any of the premises be converted to residential use then the premises shall not be used for regulated entertainment until the Council has confirmed in writing that a scheme of measures, capable of preventing nuisance from amplified music, have been implemented to their satisfaction.
23. No deliveries or collections of goods will take place on Sundays or Bank Holidays and between the hours of 9pm and 7am other days of the week.
24. No rubbish will be placed outside the premises on Sundays or Bank Holidays and between the hours of 9pm and 7am other days of the week.
25. Notices will be prominently placed at the premises exits requesting the public to respect the needs of local residents and to leave quietly.
26. Members of the public shall not use the outside seating area after 23:00 and notices shall be displayed on the premises to that effect.
27. Tables and chairs shall be made unusable after 23:00.
28. The premises kitchen extraction plant and ductwork shall not cause nuisance to neighbouring residential occupiers.

Licensing Act 2003- Representation from the Licensing Authority
Application: 8-10 Theberton Street London N1

I am submitting a representation on behalf of the Licensing Authority with respect to the review application submitted by the Theberton Street Resident Association

The grounds for the representation are:

- Public nuisance
- Crime and disorder
- Public Safety

Licensing Policy Considerations

<i>Licensing Policy 9</i>	<i>Operating Schedule</i>
<i>Licensing Policy 10</i>	<i>Operating Schedule</i>
<i>Licensing Policy 20</i>	<i>Smoking, drinking and eating outside</i>
<i>Licensing Policy 30</i>	<i>Review of Licences</i>

Recommendation and Reasons

The Licensing Authority supports this review and can confirm that it has:

- received complaints from residents
- observed tables and chairs being provided for customers on the pavement outside, over and above that which is authorised as a result of them having a private curtilage area outside the premises
- little control over the management of the area outside the premises owing to the lack of conditions attached to the premises licence

The Licensing Authority recommends:

1. That a revised layout plan of the premises be produced to include the external area of the premises showing the authorised curtilage of the premises (plan to be agreed by the Licensing Service).
2. That the following additional conditions be attached to the licence:
 - a. Tables & chairs serviced under the premises licence must not extend beyond the authorised curtilage of the premises, as shown on the layout plan at Annex 4 of this licence
 - b. Alcohol supplied under the premises licence must not be consumed outside of the licensed area, which includes the outside curtilage, shown on the layout plan at Annex 4 of this licence
 - c. The maximum number of persons to be seated outside the premises, at any one time, shall not exceed the following:
 - i. If A-Boards are used - 4 tables and 8 chairs (1 table and 2 chairs outside 14 and 12, none outside 10 due to parking meter and lamp column, 2 tables and 4 chairs outside 8), and 3 A-Boards (one for 10, 12 and 14); or

- ii. When no A-Board is used - 4 tables and 8 chairs (1 table and 2 chairs outside 14, 1 table and 2 chairs outside 12, none outside 10 due to parking meter and lamp column, 2 tables and 4 chairs outside 8).
 - d. Staff shall regularly monitor the outside seating area whilst the premises is open and:advise
 - i. any customer seated outside of the authorised curtilage to move back within it; and
 - ii. advise any customer whose items or possessions are found to be outside of the curtilage that they must be moved back within it.
 - e. Tables and chairs outside the premises shall be cleared by 22:30 and shall be made unusable after 23:00.
3. Remove the following conditions and authorisation from the licence if item 1&2 above are agreed:
- a. Off sales to be removed;
 - b. Annex 2, Condition 9 - The maximum number of persons accommodated at any one time outside the premises shall not exceed the following: 18;
 - c. Annex 2, Condition 14 - The licence shall extend to the curtilage areas of No.10 and part of No.12 Theberton Street with the written permission of the relevant freeholder, or occupier as necessary, though not including the curtilage of No.10a Theberton Street which must be kept clear of activities relating to the Premises; and
 - d. Annex 2, Condition 27 - Tables and chairs shall be made unusable after 23:00.

Licensing Committee 3 October 2013

As a result of discussion with the licensee's representative the Licensing Authority would like to propose the following licence conditions as an alternative to those submitted in the representation:

8-10 Theberton St

The Licensing Authority recommends:

1. That a revised layout plan of the premises be produced to include the external area of the premises showing the authorised curtilage of the premises (plan to be agreed by the Licensing Service).
2. That the following additional conditions be attached to the licence:
 - a. Tables & chairs serviced under the premises licence must not extend beyond the authorised curtilage of the premises, as shown on the layout plan at Annex 4 of this licence
 - b. Alcohol supplied under the premises licence must not be consumed outside of the licensed area, which includes the outside curtilage, shown on the layout plan at Annex 4 of this licence
 - c. The maximum number of persons to be seated outside the premises, at any one time, shall not exceed the following:
 - i. If A-Boards are used - 4 tables and 8 chairs (1 table and 2 chairs outside 14 and 12, none outside 10 due to parking meter and lamp column, 2 tables and 4 chairs outside 8), and 3 A-Boards (one for 10, 12 and 14); or
 - ii. When no A-Board is used - 4 tables and 8 chairs (1 table and 2 chairs outside 14, 1 table and 2 chairs outside 12, none outside 10 due to parking meter and lamp column, 2 tables and 4 chairs outside 8).
 - d. Staff shall regularly monitor the outside seating area whilst the premises is open and:advise
 - i. any customer seated outside of the authorised curtilage to move back within it; and
 - ii. advise any customer whose items or possessions are found to be outside of the curtilage that they must be moved back within it.
 - e. ***The tables and chairs outside the premises shall be cleared and made unusable after 23.00 hours.***
 - f. ***The sale of alcohol for consumption off the premises shall be by way of sealed bottles only. Customers shall not be permitted to purchase alcoholic drinks for consumption immediately outside the licensed area.***
3. Remove the following conditions and authorisation from the licence if item 1&2 above are agreed:

- a. Annex 2, Condition 9 - The maximum number of persons accommodated at any one time outside the premises shall not exceed the following: 18;
- b. Annex 2, Condition 14 - The licence shall extend to the curtilage areas of No.10 and part of No.12 Theberton Street with the written permission of the relevant freeholder, or occupier as necessary, though not including the curtilage of No.10a Theberton Street which must be kept clear of activities relating to the Premises; and
- c. Annex 2, Condition 27 - Tables and chairs shall be made unusable after 23:00.

To Whom it May Concern,

We are customers of 'Mem & Laz Brassiere' 'Kilis Kitchen' 'La Vita E Bella'.

Spells of warm weather, our short and sweet in British Summers and dining Al Fresco is both enjoyable and desirable and would influence were I chose to dine on a summer's day. We would like the option to be able to dine outside in any of the above three restaurants and thoroughly support exterior tables and chairs.

We are residents of Gibson Square.

I understand the licencing for Mem & Laz's use of the footpath for tables is under review. We would like to express our opinion that we think the tables are not a concern, and in fact are a benefit to the area by making it more lively. We would hope that Mem & Laz's ability to use the footpath in this way is not removed.

We support the limiting of tables and chairs and all the other paraphernalia on the pavements of the restaurants above.

We feel the limits should also apply to 12 and 14 Theberton Street.

When the restaurants restrict the tables and chairs, it is a pleasure to walk down the pavement with our grandchildren and buggy and scooters, without having to negotiate around tables, chairs, A-boards, waiters, and some indignant customers.

Dear Sir/Madam

I am advised that you are considering permitting Mem & Laz to extend their internal restaurant provision outside onto Theberton Street. I am writing to express my concern that this will significantly obstruct the footpath with chairs, tables and advertising boards on what is quite a narrow pathway.

We have noticed over the past months that it is now impossible on the footpath in this part of Theberton street with the run of restaurants for two people walking abreast, or a single person wheeling a pushchair, or a person in a wheelchair, to safely walk through the encroaching array of obstructions and remain on the footpath. This is because the restaurants have expanded their operations with two tables abreast and a range of advertising boards such that walking there is impossible. I have no problem with outside operations where the pavement is wide, and people can safely walk without having to move onto the street and around the parked cars. I fear an accident along this stretch because the road is busy.

I would be grateful if you would please take this concern into consideration as you deliberate on this application.

MEM & LAZ
8-10 THEBERTON STREET
LONDON
N1 0QX

I wanted to write and state my objections:

It is currently difficult to pass when there are double layers of tables, large sandwich boards, and often waiters or people standing smoking outside these premises.

Although we no longer have a buggy it would be almost impossible to get by on this side of the street in the evening. When my mother in law was in a wheelchair she found it very frustrating and humiliating to have to wait or ask people to move.

It was very noticeable when the review notices first went up how much clearer the pavements were with just single tables and no sandwich boards. It was a revelation. At the first weekend it was however back to normal.

Subject: Restaurant licencing review: Mem & Laz

Dear Sir/Madam

We are writing to you regarding the restaurant on Theberton Street 'Mem & Laz'. The restaurant places tables on the pavement, these are sometimes 1 person deep and sometimes 2 people deep.

This restricts the pavement width significantly. We have children 1 and 3 years old and regularly use push chairs. It is very difficult to pass the restaurant tables and especially difficult with staff standing in our way serving the customers. It is impossible for 2 push chairs to pass each other and if someone stops in the remaining path, we are unable to pass.

We don't want to cross over to use the other pavement as we prefer to not cross the road with small children unless absolutely necessary, so we prefer to wait for the waiter to move, the customers standing around to move, or for other oncoming pedestrians to pass.

The restriction is exacerbated by the location of a pay and display machine opposite their restaurant.

Are you able to enforce the restaurants along Theberton Street to cease occupying the pavement with their tables? perhaps by revoking their licence?

Thank you for your time.

Yours sincerely,

Dear Sir/Madam,

Licence review 8-10 and 16 Theberton Street

We strongly support this review for the reasons set out below.

Problem of tables, chairs and 'A' boards blocking pavement

Between 8 and 16 Theberton Street there are ten and sometimes eleven tables on the pavement in front of the restaurants. At the start of the day, 2-seater tables and chairs are placed close to the restaurant frontages. However, the size of the tables and the seating arrangements frequently change as the day progresses. If demand for outdoor eating is high, additional tables are brought out. These are joined to the 2-seater tables to form larger tables that extend half-way across the pavement to create space for three or four customers. This happens mainly in the evening, when the weather is fine, but also regularly occurs at weekends and on bank holidays, when there is increased demand for outdoor tables. It also occurs when parties of three or four include smokers. Because they cannot smoke in the restaurants, they often choose to eat outside and outdoor tables are enlarged to accommodate them.

At busy times, it is difficult to walk along the pavement in front of these restaurants and there is no possibility of wheelchair users or anyone with a push chair or buggy passing when the tables are fully occupied. Most pedestrians use the pavement opposite or walk along the road itself rather than attempt to walk between the extended tables and the cars parked at the kerbside.

Apart from the tables and chairs, pavement space is taken up by 'A' boards. At the start of the day, these are usually placed directly in front of the restaurants. When, however, the tables are enlarged to provide seating for three or four customers, the boards are often moved further out towards the kerb to make room for the additional tables and chairs. As a consequence, pedestrians have to negotiate their way between the tables and 'A' boards and walk along the remaining narrow strip of pavement between these obstructions and the parked cars. If any of the outside diners has a buggy or wheelie bag, the pavement space available to pedestrians is reduced even further.

To add to the congestion problem, there are always restaurant staff bustling around, either serving food and drink or encouraging passers-by to eat at the restaurants. At busy times, the problem is further exacerbated by people queuing up outside the restaurants as they wait for a table and by smokers who stand outside the restaurants chatting.

Conversion of 10-16 Theberton Street into a single unit without planning permission

When considering this review, it should be noted that 10-16 Theberton Street are now a single planning unit, which does not benefit from planning permission.

In view of the management's policy of maximising table space on the pavement, with total disregard for pedestrians, and the conversion of the premises into a single planning unit, which has no planning permission, we strongly support the Theberton Street Review Proposals.

Yours faithfully,

Whitton, Daniel

Dear Sirs

Review of Premises Licence – Mem & Laz (8-10 Theberton Street)

I understand that Islington Council are undertaking a review of the premises licence for a number of properties on Theberton Street, and in particular Mem & Laz. As a long term resident of Theberton Street, I am glad you are undertaking this review.

It would be fair to say that the restaurants at that end of Theberton Street have not been good neighbours. Regularly throughout the summer and at any time when the weather improves, the restaurants regularly place an excess of tables and chairs on the street. These are generally placed well beyond the curtilage of the buildings which house the restaurants. Often there are four person tables, and in especially busy times, two and four person tables set side by side (with a gap between them, naturally), so that patrons of the restaurant are sitting three abreast. These tables, coupled with the impact of waiting staff standing on the pavement, advertising boards (placed to capture the eye, and hence to block the pavement), people stepping outside of the restaurant to smoke and people waiting to get into the restaurants, means that the pavement is often blocked to passers-by. Consequently pedestrians who are not going to the restaurants often are obliged to walk in the street in order to gain move between Upper Street and the rest of Theberton Street. For mothers with prams, or disabled individuals, the situation must be even worse. The conversion of the Oddbins shop into a restaurant, with its "new" external seating area, creates a further impediment by the Upper Street/Theberton Street junction, compounded by the presence of a tree. At some point, somebody will get hit by a car as a consequence of this informal "rerouting".

When I have tried to raise this with staff of the restaurants in the past, at best I have been ignored and in other circumstances the staff have been outright rude. Certainly it is clear that the management of the restaurant are aware of their obligation and choose to ignore them.

I don't have any problem with the restaurants operating here, and indeed they add to the streetscape and provide employment and amenity to the area. However it would be nice if they complied with their licence obligations. Currently, while this review is being undertaken, they are acting with some sense of responsibility. One suspects that once the threat has passed, "normal service" will be resumed. I believe some regime of ongoing inspection is required to ensure these

people comply with their obligations, potentially with the threat of withdrawal of their licence if they continue to flout their obligations.

Yours sincerely

RE: MEM & LAZ / Theberton Street
[REDACTED]

To Whom it May Concern:

We are writing in regards to postings in our immediate neighborhood.

First: MEM & LAZ and the obstruction that the larger tables create on the sidewalk on Theberton Street.

We appreciate and enjoy the atmosphere which the Mem & Laz restaurants bring to Theberton Street. However, we believe the atmosphere can be sustained with tables that only seat two at a time.

The addition of tables for four (and five when someone pulls up a chair) have made walking on the sidewalk uncomfortable, and frankly hazardous. Between, the customers (many with their baby carriages being parked beside them), and the various hosts to the restaurants, standing at the curb edge to entice us into the restaurants as well as the wait staff navigating through customers and pedestrians; walking along that section of Theberton street has become downright farcical.

Please do not grant them permission to have these larger tables, there simply isn't enough room for pedestrians to navigate their way down the street.

Thank you for listening.

Dear Dan,

RE: 8-10 AND 16 THEBERTON STREET, LONDON N1 0QX - REVIEW OF PREMISES LICENCES UNDER THE LICENSING ACT 2003 ("LA 2003")

As you know, we act for Mehmet Kocakerim, the proprietor of the above premises the subject of these review proceedings.

As discussed, we are writing to set out the extent to which our client is prepared to agree to the proposed additional licence conditions put forward by the licensing authority in the context of these matters. We take each of the premises in turn.

Mem and Laz Restaurant 8 – 10 Theberton Street, London, N1 0QX

1 - Agreed (on the basis of curtilage as marked prior to street works) unless our client obtains a pavement licence.

2a - Agreed unless our client obtains a pavement licence.

2b - Not agreed – unnecessary with 2a in place.

2c - Only agreed in the event our client does not obtain a pavement licence and with revised figures, to allow two tables and four chairs to be permitted outside each of numbers 8, 10, 12 and 14 Theberton Street. We question the figures put forward by the licensing team, as the numbers in 2c (i) and 2c (ii) appear to be identical, whether or not A-Boards are used.

2d - Agreed in the event that our client does not obtain a pavement licence.

2e - It is agreed that tables and chairs outside the premises shall be cleared by 22:55 p.m. and made unusable after 23:00 p.m.

3a – The removal of this condition is not agreed as this is irrelevant to the issues raised by these proceedings and would completely prevent alcohol being sold by way of off sales, even in sealed containers.

3b - The removal of this condition is not agreed as its removal would serve to remove existing rights. Our client wishes to retain this condition to cover the situation pertaining to the outside area, should all table and chairs be removed, for example.

3c - We request clarification of this proposal. What is the objective sought? Which part of number 12 Theberton Street is meant? Is what is being proposed that a table may be placed outside number 14 Theberton Street (see 2c) but that alcohol may not be sold to patrons using that table? Why is 10a sought to be kept clear? Our client is the freeholder of the upstairs flat at 10 Theberton Street, which is not in use.

3d - The removal of this condition is agreed, subject to agreement being reached on 2e above.

16 Theberton Street

1- As above

2a - As above

2b - As above

2c - It is agreed that two tables and four chairs should be permitted.

2d - As above

3a - The removal of this condition is not agreed, for the reason stated above

3b - Agreed, subject to agreement being reached on the extent of the authorised curtilage.

We should be grateful if you would supply the clarification request above in relation to 8-10 Theberton Street to the writer, Anna Mathias. For your information, Anna is on holiday from 24 August to 15 September 2013 inclusive but will be picking her emails sporadically. Do please feel free to contact Anna after her return from holiday to discuss the matter generally, should you so wish. Upon her return, Anna will liaise with you in relation to preparation for the hearing including, as previously discussed, the submission of any supporting documentation on the license holder's behalf. In Anna's absence, we should be grateful if you would contact Niall McCann of these offices in the event of any query, either on the above number or at nmm@joelsonwilson.com.

Dear Sir/Madam

RE: 8-10 AND 16 THEBERTON STREET, LONDON N1 0QX - REVIEW OF PREMISES LICENCES UNDER THE LICENSING ACT 2003 ("LA 2003")

We act for Mehmet Kocakerim, the proprietor of the above premises which are currently the subject of review proceedings under LA 2003 in respect of which you are either the applicant or have made a representation.

Our client is extremely keen to be a good neighbour and, in the spirit of fostering co-operation and dialogue, something which is encouraged by the relevant legislation, he has taken various steps to ensure that the use of tables and chairs at his premises is controlled in such a manner so as not to cause a nuisance or obstruction to others living and working in, and visiting, the vicinity.

Our client would value the opportunity to discuss matters surrounding tables and chairs on the pavement, and the use of the pavement in the locality generally. To this end, he would be delighted to meet with you, if you are able to attend, at a meeting at 7 pm. on Wednesday 18 September 2013. This meeting is to be held at Mem and Laz Brasserie, 8 Therberton Street.

We should be most grateful if you would contact Anna Mathias of these offices on the above number or at ahm@joelsonwilson.com to confirm whether or not you will attend this meeting, or, indeed, to discuss the matter generally, should you so wish.

We look forward to hearing from you.

**CONDITIONS TO BE PROFFERED BY THE PREMISES LICENCE HOLDER TO BE
PLACED ON THE PREMISES LICENCES**

1. A management policy for the outside area at the premises and that outside nos. 12 and 14 Theberton Street shall be agreed with Licensing and implemented.
2. All members of staff will be reminded of the requirements of the licence relating to the outside area.
3. A dedicated member of staff with responsibility for the management of the outside area will be on duty and capable of being identified to officers of the Licensing Authority at all times although he or she will also fulfil other duties.
4. From 11pm each evening the outside tables and chairs will be rendered unusable by stacking and a member of staff shall remain outside the premises at all times from that time until all customers have departed the premises to ensure that customers do not use them.
5. The aforementioned management policy will include, during the summer of 2014, trialling of a rope and pole arrangement to demarcate the curtilage of the premises to see whether it is workable while still affording to customers safe access to the tables and chairs. The results of this trial will be discussed with the Licensing Authority.

Licensing & Noise officer inspection notes – 8-16 Theberton Street

1st June 2013 - Dan Whitton & Niall Forde

- We arrived on Theberton Street at approximately 13:05. The restaurants situated at 4, 6 and 8-10 Theberton Street all had tables and chairs on the pavement area in excess of what their private curtilage allows. I advised restaurant management of this and staff proceeded to remove the illegally placed furniture. I reminded management of the areas where outside tables and chairs could be placed.

Subsequent to this visit, local residents provided photos, taken later that day, showing that tables and chairs had again been positioned in areas outside of what was permitted. These photos can be found within the photo evidence in support of this application.

13th July 2013 – Terrie Lane & Simon Gallagher

- Midnight - 00:10, Theberton Street. Tables and chairs all along the pavement plus A boards and several bags of rubbish were piled up along the street between cars. The majority of tables were for four people and they were being served drinks, coffees and paying their bills out on the pavement. All Mem and Laz premises (Inc La Vita E Bella) in use except the deli. New premises at 101 Upper St on the corner of Theberton Street was open with tables and chairs outside. 4 A Boards outside Mem and Laz. A wheelchair or large buggy would have had trouble getting through. Noticed the licensee of 8-10 & 16 Theberton Street at entrance to no.10 talking to customers.

None of these premises should have tables and chairs outside on the highway after 23:00.

Subsequent to this visit, warning letters were sent to the licensees of all relevant premises reminding of their licence conditions.

19th July 2013 – Dan Whitton & Katie Tomashevski

- Midnight – 00:20 – Theberton Street

Tables and chairs were positioned outside all restaurant premises situated between 4 and 18 Theberton Street as well as 101 Upper Street on the corner of Theberton Street. Some seats were being used by customers, others were simply available for use. I spoke to the licensees and reminded them of their responsibilities in relation to licence conditions and that all tables and chairs must be cleared and/or rendered unusable after 23:00.

It was noted that although tables and chairs were available outside after permitted hours they were within the permitted areas.

28th July 2013 – Anne Brothers (Noise Patrol)

- Call received via Controller timed at: 00:00. Ref No: 874466.

Re: "Party in basement between 10-16. Caller says they have no licence to serve alcohol or have parties in the basement. Neither do they have planning permission for the restaurant. Caller says this restaurant is due to have their licence challenged and

they are due to attend a council hearing on 13/8 because of their constant breach of the licence."

Music levels had been reduced when I called the resident back at 00:05 as he had spoken to the licensee about the noise.

Called him again at 00:20, still no noise but he said he still wanted us to visit however as he said the premises was in use contrary to planning permission and he wanted us to witness the premises in use.

Visited at the above time and noticed customer noise from premises in the middle of the terrace – the frontage was all open, no customers were visible but the noise was very noticeable immediately outside.

Entered premises and staff present got the licensee to speak to me.

In his company we had a look and over a balcony at the rear I could see a large dining area in the basement with a long table occupied with people who had dined there that night. The licensee told me it was a private party for his family and friends – I asked him why wasn't he there with them then? No answer.

Asked him how many were present and he said 37 people. I counted at least 45 people in my range of vision from the balcony overhead. He then said a group of people at one end of the long table were paying customers that he had sat there due to lack of space in his restaurant.

He said that Rebecca in Planning was due to grant permission for the use of the premises as an officer decision.

I told him I thought Licensing had visited recently and had made him close the premises along Theberton Street. He denied this and said the matter was due to be resolved very soon by means of planning officer decision and that it was a private party.

I asked him to get everyone to leave and that I believed that part of the premises should not be in use. He told me the party was now over and that customers would be leaving very soon.

No music and no continuing noise so left it at that.

Resident also mentioned lots of bags of refuse in the street and I mentioned this to the licensee. He said refuse had not been collected the previous night for some reason. Saw bags all up the street – large pile by the junction of Studd Street – but the licensee maintained it wasn't all theirs.

Dear Mr Mehmet Kocakerim

LICENSING ACT 2003

RE: MEM & LAZ, 8-10 THEBERTON STREET, LONDON, N1 0QX

I write to you as the licensee and designated premises supervisor in respect of the business situated at 8-10 Theberton Street, London, N1 0QX.

It has been reported by Council officers that on the 13th July 2013, between 00:00 and 00:10, outside tables and chairs, on the pavement area of Theberton Street, were available and being used by customers of this business. Licensable activities, the sale of alcohol and provision of hot food, were witnessed.

I remind you of the following conditions of your premises licence:

Annex 2:

Condition 26, Members of the public shall not use the outside seating area after 23:00 and notices shall be displayed on the premises to that effect; and

Condition 27, Tables and chairs shall be made unusable after 23:00.

You are advised to ensure that all the premises licence conditions are complied with at all times that licensable activities are provided at your premises. It is an offence to allow the provision of licensable activities other than in accordance with a premises licence.

I must inform you that this investigation is on-going and upon witnessing further contraventions evidence gained on this visit may be used in any subsequent enforcement action taken against you.

Should you have any queries on any of the above licensing matters then please do not hesitate to contact me.

Yours sincerely

Dan Whitton
Licensing Officer

Case history Theberton Street

Tables and chairs along Theberton Street are on their own private forecourts and do not require a license for tables and chairs. There is not sufficient space where they overlap onto the public highway to justify granting a licence

The complaints varied from obstruction of the footway, doubling up on tables and chairs and general rudeness to residents when approached

In 2007 we had our first complaint received regarding Mem and Laz encroaching onto the Public Highway from the licensing team. Officers visited the premises and instructed them to move them onto their own private forecourt.

2008 Mem and Laz Obstructing the Public Highway. Officers visited premises and asked them to move tables and chairs onto their private forecourt

2009 complaint received from our waste management team regarding Mem and Laz placing rubbish in the wrong sacks. Waste dealt with this issue.

September 2012 complaints received from the police regarding Mem and Laz placing tables and chairs onto the Public Highway. Officers visited premises asked to move tables and chairs onto their private forecourt

Monday 22nd April 2013

Georgina and Wing visited Mem and Laz as we had received a complaint regarding tables and chairs encroaching onto the public highway. Officers visited premises and asked to move them in onto their private forecourt.

Tuesday 23rd April 2013

Warning letters were given to Kilis, Parveen, Le Sacre Coeur, Mem & Laz, La Vite e Bella, Biskuvi and Daphne Room regarding furniture causing obstructions on highway. Officers visited premises and asked to move them in onto their private forecourt.

Wednesday 24th April 2013

Removal requests send to SES @ 8.48am to remove furniture encroaching onto public highway. SES confirmed @ 17.04 that no furniture encroaching onto public highway.

Friday 3rd May @ 3pm

Georgina and Wing visited Theberton Street and spoke to Mr Kocakerim regarding tables and chairs placed on the public highway needs to be removed as they are obstructing pedestrians. They rearrange the furniture so they are not encroaching onto public highway.

8th to the 31st May on going complaints from residents regarding premises along Theberton Street with photos attached. Officers visited premises and instructed manager to move them in onto their own forecourt.

1st to the 19th June on going complaints from residents regarding premises along Theberton Street with photos attached. Officers visited premises and asked to move them in onto their private forecourt.

Friday 19th July 2013 @ 12.30pm

PC Buffy, Georgina and Wing visited La Farol regarding unlicensed tables and chairs placed on Upper Street – manager not on site but spoke to Chef and staff who were in charge at the time. Furniture was removed.

Spoke to manager at Mem and Laz he confirmed the owner at Mem would not be in until 5pm. We explained to him unlicensed furniture encroaching onto public highway and instructed him not to do it again. PC Buffy confirmed she will be working tonight and tomorrow and monitor the situation. Same again as Sedir with additional tables and chairs.

Friday 19th July and 20th July email received from PC Buffy to inform us all furniture is being kept within the private forecourt.

Spoke to duty manager @ the bull and told them to remove unlicensed furniture from public highway as their agent have not contact us about applying for licence.

Dear Licensing,

The Planning & Development Section have received a consultation in relation to a review of the premises licence at La Vita e Bella and Mem & Laz. It is my understanding that local residents have requested a review following noise and disturbance resulting from chairs and tables being placed outside the premises, encroaching onto the highway.

Planning permission is not required to place chairs and tables on the forecourt or highway providing the premises is operating lawfully as a restaurant. However, as your officers will be aware, Nos. 10-16 Theberton Street are NOT operating lawfully. Currently, all activities taking place at these premises are in breach of planning control. Furthermore, planning application P2013/1041/FUL (to amalgamate Nos. 10-16 Theberton Street to form a 'super restaurant') was refused on 5 June 2013 due to the unacceptable increase in the level of noise and disturbance experienced by neighbours.

I have attached a copy of my representations to a previous licence application in February 2013. The enforcement investigation into this site is ongoing.

Kind regards

Rebecca Neil

**ISLINGTON COUNCIL PLANNING & DEVELOPMENT
RESPONSE TO LICENSING APPLICATION L001/19
SITE: 10-16 THEBERTON STREET**

The Planning & Development section have the following comments to make regarding the above licensing application.

1. Planning Use Issues

The lawful use of each property, in planning terms, is as follows:

- **10 Theberton Street**
Planning permission exists (Ref: P090273) for the change of use of the basement and ground floor to A3 (restaurant). There is a condition restricting opening hours to between 10.00-23.00 Mon-Sat, and 10.00-22.30 on Sundays and Bank Holidays.
- **12-14 Theberton Street**
The lawful use of these properties are A2 (financial and professional services) or A1 (retail). They were previously in operation as a solicitor's office.
- **16 Theberton Street**
Planning permission was granted on appeal (Ref: P081361) for change of use to A3 (restaurant). However, none of the conditions imposed by the Planning Inspectorate have been discharged, and the use is therefore unauthorised.

A site visit was made on 12 February 2013 by representatives from the Planning Enforcement and Conservation & Design Teams. On this visit, the situation was as follows:

- **10 Theberton Street**
The basement was fully furnished and contained a restaurant seating area. The ground floor was in use as a restaurant serving Turkish food.
- **12 Theberton Street**
The basement was not in use, and appeared to still be in the process of being refurbished. The ground floor was not in use, but contained a large table laid with wine glasses and cutlery.
- **14 Theberton Street**
The basement was full of stacked chairs. The ground floor had a small counter and a couple of tables, and the applicant stated that this, in conjunction with No. 12, was going to be a 'patisserie' falling within Class A1. The layout, when taking Nos. 12 and 14 together, was clearly not something one would associate with a retail use.
- **16 Theberton Street**
The ground floor was in use as a restaurant serving Italian food, and the basement was in use as a kitchen.

At the rear of these properties was a large basement extension. Planning permission does exist for basement extensions at the rear of Nos. 10, 12, 14 and 16. However, these were submitted as three separate planning applications: one for 10, one for 12-14, and one for 16. It is clear from the submitted drawings that these extensions were to be used in connection with the property for which the application was submitted - the lawful use of those basements would have been the same as their 'host' site.

The plans for these applications show the following:

- In respect of No. 10, toilets in the basement and a wall on the boundary with No. 12 (the approved plans show double doors within the wall allowing access into No.12 at basement level);
- In respect of No. 12-14, walls on both the boundary with No. 16 and No. 10;

- In respect of No. 16, a wall on the boundary with No. 14.

This is not the situation on site. The basement extension is now one single space, which stretches across the rear of Nos. 10-16 and contains a very large banqueting table in addition to other seating. There are no partition walls at all at basement level to the rear. The original basements beneath the actual buildings (except No.16, which is a kitchen) now all have very wide (four double-door width size openings) between them. All parts of the premises are now connected via the basement, the balcony, staircases and a series of doors. The applicant advised us that people seated in the basement can order food from either the 'Italian' kitchen at No. 16, or the 'Turkish' one at No.8 (the food is passed through an opening in the wall). All things considered, it is clear that these are now a single undertaking.

It is established planning law that where two or more uses on adjacent sites are amalgamated into one, and the resultant combined activity is materially different to that which formerly took place on the land, a change of use requiring planning permission is likely to have occurred. This might not be the case if the uses to be combined are very similar, but in this instance we are not talking about the amalgamation of four lawful, identical uses (as 12 and 14 were never restaurants).

In any event, even if they did all have a lawful A3 use, the cumulative impact of such a large seating space is likely to be far greater than four basements used in connection with individual properties. The basement 'atrium' appears to have a rather substantial carrying capacity. It is not much of a stretch to imagine this space holding a very large number of people late into the evening, with consequent impacts for residential amenity.

To conclude, it appears that the applicant does not have planning permission to operate the premises in the manner indicated on the plans submitted with the licensing application (drawing nos. 309 (1) K.001 and 309 (1) K.002).

2. Listed Building Issues

In addition to the change of use of the site, there are also several physical alterations which have been made without the necessary Listed Building Consent. These include (but are not limited to) cladding to the walls, floors and ceilings, the insertion of large openings in the original basement walls, the new balcony at the rear, wrought iron work on the stall risers and other accretions on the shop fronts.

In addition, Condition 8 of listed building consent P090274 and several conditions attached to P090257 and P090258 (relating to the basement extensions at Nos. 10, 12 and 14) have not been discharged.

3. Conclusion

The properties 10, 12, 14 and 16 Theberton Street are now a single planning unit, as shown on drawing nos. 309 (1) K.001 and 309 (1) K.002. The use of this property, which probably falls within the A3 use class or constitutes a mixed use as a restaurant/bar, does not benefit from planning permission. The lack of a valid planning permission means that we have not been able to attach planning conditions to mitigate public nuisance (for example, conditions requiring the installation of sound insulation or controlling the hours of operation).

In addition, several alterations have been made to the listed building without the benefit of listed building consent.

The Planning Enforcement team has spoken with the owner's agent about this, and will prepare a formal letter outlining what needs to be done to make the premises compliant with listed building and planning legislation.

Suggested conditions of approval recommended by the Licensing Authority:

1. That a revised layout plan of the premises be produced to include the external area of the premises showing the authorised curtilage of the premises (plan to be agreed by the Licensing Service).
2. That the following additional conditions be attached to the licence:
 - i. Tables & chairs serviced under the premises licence must not extend beyond the authorised curtilage of the premises, as shown on the layout plan at Annex 4 of this licence
