Annex 1 - Mandatory conditions

1. No supply of alcohol may be made under the premises licence-
 - a) at a time when there is no designated premises supervisor in respect of the premises licence, or
 - b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
3. If door supervisors are employed they shall be licensed by the Security Industry Authority.

Annex 2 - Conditions consistent with the Operating Schedule

1. Alcohol shall not be sold, supplied, consumed in or taken from the premises except during permitted hours. In this condition permitted hours means the authorised hours specified on this licence for the sale by retail of alcohol. This restriction does not prohibit:
 - a) during the first twenty minutes after the above hours the consumption of the alcohol on the premises;
 - b) during the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;
 - c) during the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;
 - d) consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;
 - e) the ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;
 - f) the sale of alcohol to a trader or club for the purposes of the trade or club;
 - g) the sale or supply of alcohol to any canteen or mess, being a canteen in which the sale or supply of alcohol is carried out under the authority of the Secretary of State or an authorised mess of members of Her Majesty's naval, military or air forces;
 - h) the taking of alcohol from the premises by a person residing there; or
 - i) the supply of alcohol for consumption on the premises to any private friends of a person residing there who are bona fide entertained by him at his own expense, or the consumption of alcohol by persons so supplied; or
 - j) the supply of alcohol for consumption on the premises to persons employed there for the purposes of the business carried on by the holder of the licence, or the consumption of liquor so supplied, if the liquor is supplied at the expense of their employer or of the person carrying on or in charge of the business on the premises.

2. No person under fourteen shall be in the bar of the licensed premises during the permitted hours for the sale by retail of alcohol unless one of the following applies:
 - a. He is the child of the holder of the premises licence.
 - b. He resides in the premises, but is not employed there.
 - c. He is in the bar solely for the purpose of passing to or from some part of the premises which is not a bar and to or from which there is no other convenient means of access or egress.
 - d. The bar is in railway refreshment rooms or other premises constructed, fitted and intended to be used bona fide for any purpose to which the holding of the licence is ancillary.

In this condition "bar" includes any place exclusively or mainly used for the consumption of intoxicating liquor. But an area is not a bar when it is usual for it to be, and it is, set apart for the service of table meals and alcohol is only sold or supplied to persons as an ancillary to their table meals.

3. Unless otherwise specified on this licence no regulated entertainment shall take place at the premises with the exception of pre-booked private events limited to the provision of music and dancing for pre-invited guests.
4. This licence is subject to such further conditions as are consistent with any restrictions imposed on the use of the premises for the existing licensable activities under the licence by virtue of the enactments hereinafter set out:
 - Children and Young Persons Act 1933
 - Cinematograph (Safety) Regulations 1955
 - Sporting Events (Control of Alcohol Etc) Act 1985

Tarmon, 270 Caledonian Road

Objection to the variation to the license

The Tarmon, although a nice, local, old-fashioned pub is already a nuisance in the area in terms of noise at closing times. Often large groups of adults gather outside laughing and shouting in a drunken fashion. They do not disperse immediately. I am often woken or otherwise disturbed by this noise. Any extension to the licensed hours would cause further disturbance in the early hours which would be most unpleasant for close neighbours such as myself.

Additionally customers often exit the pub during its opening hours and after they have taken a fair amount of drink and they shout into mobile phones. These "conversations" can last up to 30 minutes, taking place just outside the pub (which is noisy inside). Swearing and cursing is usual and repeated at high volumes. At the end of the conversation the customer will re-enter the pub.

I am not aware of any crime and disorder caused by drunkenness although I do often hear cars starting up after the pub has closed and it may be that customers are drink driving.

Subject: FW: Tarmon, Caledonian Road

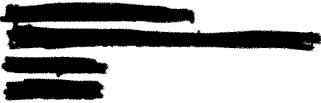

Dear Sir or Madam

I am writing to object to the recent licence application from the Tarmon pub on Caledonian Road.

The reasons I object are:

The pub always plays loud music and karaoke on Friday, Saturday and Sunday nights which we can hear from our flat. Currently this ends at 11pm prompt and therefore we do not object. However, if the pub is to have extended hours till 1.30am we will be unable to sleep with loud music playing like this, especially in the summer when we have the windows open. As things currently stand we can hear the music with the windows closed and it easily keeps us awake until after 11pm at the weekend. My flatmate works at the weekend and I work all week and am studying some weekends so we both regularly have to get up early and I think we should have the right to some sleep!

Yours faithfully

Dear Sir Madam

Application to vary a premises license for Tamron, 270 Caledonian Road, N1 1BA

We live at [REDACTED]. We strongly object to an extension of the license for Tamron. The pub already causes a lot of nuisance to what is a very residential area, the noise at night is significant and the police are often called to intervene in brawls outside of the pub. The existing late license is bad enough but to consider extending it would be very detrimental to the area. We have 4 children and they are frequently kept awake by the late night noise as their bedrooms are at the front of the house. We urge you to reject this proposal.

Yours faithfully

Dear Sir/Madam,

I am responding to your invitation to make a representation in relation to the Tarnon pubs application for an extension to their licence.

The Tarnon is located on 270 Caledonian Rd at the corner of Richmond Avenue and as I live at [REDACTED] this places my house practically opposite the pub. At present the pub hosts karaoke nights on Friday/Saturday nights which can be extremely loud for all inhabitants of the first blocks of street although especially for just three or four houses opposite. This is bearable up until the present closing time of 11.30 but would be unacceptable to me up until 01.30. This is a question of public nuisance. Loud music at unsocial hours and noisy revelles affects one's sleep and right to weekend relaxation. Please consider the needs of residents here.

PTO →

→ However I want to make the point that I am not
against the pub receiving a licence to serve drinks
late, just the ~~imp~~ late night DJ's and karaoke
that might accompany it.

Regards

Dear Sir / Madam

RE:- Variation Application - The Tarmon , 270 Caledonian Road, N1 1BA

With reference to the above application, I am writing to inform you that the Islington Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the 'Caledonian Ward', a locality where there is traditionally high crime and disorder and there are concerns that this application will cause further policing problems in an already demanding area.

It is for these reasons that we are objecting to the application.

Should you wish to discuss the matter further please contact your details on **0207 421 0194/0248** or via email, ni_licensing@met.police.uk

Further to our telephone conversation today. Following a meeting with Detective Superintendent Usher it has been agreed to allow your variation application subject to the following conditions being added to the licence.

1. A digital CCTV system shall be installed, operated and maintained inside and outside the premises [subject to planning permission] in agreement with the Police. The system will enable a frontal head and shoulders image of every person entering the premises. The system shall record in real time and operate whilst the premises are open for licensable activities. The recordings shall be kept available for a minimum of 31 days. A working copy shall be supplied free of charge to a Police Officer within 24 hours of any request to assist in the investigation of a crime or apprehending or prosecuting an offender
2. Premises to adopt BII Challenge 25 The National Proof Of Age Standards Scheme.
3. No drinks to be taken outside after 10pm.
4. Refusals register to be kept and maintained.

I understand that the CCTV system is already in place, please revert if you are happy to accept the proposed conditions and I will withdraw our objection.

Regards

Dear Sir

**Licensing Act 2003
Representation from Responsible Authority for Health and Public Safety
The Tarmon 270 Caledonian Road N1 1BA**

With reference to the recent application to vary the premises licence under the Licensing Act 2003 at the above named premises, as the health and safety consultant for the responsible authority for health and public safety I will be making a representation to this application.

At a survey of the premises on 8 April 2011 it was found that the requirements specified in the attached schedule are in need of urgent attention to ensure the existing arrangements at the premises are adequate for health and public safety.

The premises should be maintained in good condition. Staff should be trained in the health and safety measures applicable to the premises and the action to be taken in the event of an emergency or evacuation. Enclosed for your attention / the attention of the licensee are **Health and Safety Standards for Places of Assembly, Shops and Commercial Premises**.

This communication is without prejudice to the necessity of complying with any other statutory controls which may be applicable, whether administered by the council or by any other authority.

Please give notification of the commencement and completion of the works.

Should you require any advice or information please contact me at the above address.

Yours faithfully

**Licensing Act 2003 – Requirements schedule dated 11 April 2011 for
The Tarmon 270 Caledonian Road N1 1BA**

- (1) In addition to the lighting, emergency lighting in compliance with BS 5266 – 1 should be provided in public areas of the ground floor.

Note: Non-maintained emergency lighting should be wired to the local lighting circuit in such a manner as to operate not only in the event of failure of the mains supply but also on failure of the supply to the local lighting circuit.

- (2) Existing emergency lighting luminaires within the toilets and cellar and exit route from the cellar should inspected and tested to ensure that each luminaire is wired to the local lighting circuit in such a manner as to operate not only in the event of failure of the mains supply but also on failure of the supply to the local lighting circuit.

- (3) The internally illuminated maintained exit signs over the two exit doors should be overhauled and put into full working order and the graphic symbols should comply with the Health and Safety (Safety Signs and Signals) Regulations.

Note: The colour of the graphic symbols on these exit signs is not in compliance with the Health and Safety (Safety Signs and Signals) Regulations. The signs should have green back ground with white graphic symbols.

- (4) In addition to the smoke alarms in the public area of the ground floor, mains operated smoke alarms with a standby power supply such as a rechargeable or replaceable battery or capacitor in accordance with BS 5839 – 6 should be provided in the cellar.

Smoke alarms should be sited so that no point is further than 7.5m from the nearest smoke alarm. Smoke and heat alarms should not be mounted within 500mm of any walls or obstructions.

Smoke alarms should be linked so that detection of smoke by one unit operates the alarm signal in all of them. Smoke alarms should be wired in compliance with BS 7671 to a single independent circuit at the main distribution board. The circuit should be clearly labelled **Fire Alarm do not isolate**.

- (5) Copies of the inspection and test certificates specified below, certified by an approved competent person, should be submitted to the responsible authority for health and public safety.

Electrical installation for the smoke alarm system
Emergency lighting
Fire fighting appliances

An approved competent person for the testing and certification of electrical installations and emergency lighting should be one of the following:

A contractor enrolled with the National Inspection Council for Electrical Installation Contracting, or a member of the Electrical Contractors Association, or a competent person from an appropriate approved organisation.

Inspection and service certificates for fire fighting appliances should be obtained from an organisation certified by the British Approvals for Fire Equipment (BAFE), or a competent person from an appropriate approved organisation.

Suggested conditions of approval consistent with the operating schedule

1. All employees will be provided with training relating to alcohol and the Licensing Act 2003. The Licensee shall ensure that staff signs to confirm that they have understood the training. The licensee shall keep records of training and instruction given to staff.
2. In the absence of adequate daylight, the lighting in any area accessible to the public shall be fully in operation when they are present..
3. A dedicated licensed taxi/mini cab service shall be available with the premises for customers.
4. There shall be no live music after 00:00 midnight.
5. When food is not being served children shall not be allowed in the premises.

Suggested conditions of approval recommended by Police (Agreed)

1. A digital CCTV system shall be installed, operated and maintained inside and outside the premises [subject to planning permission] in agreement with the Police. The system will enable a frontal head and shoulders image of every person entering the premises. The system shall record in real time and operate whilst the premises are open for licensable activities. The recordings shall be kept available for a minimum of 31 days. A working copy shall be supplied free of charge to a Police Officer within 24 hours of any request to assist in the investigation of a crime or apprehending or prosecuting an offender
2. Premises to adopt BII Challenge 25 The National Proof Of Age Standards Scheme.
3. No drinks to be taken outside after 22:00.
4. Refusals register to be kept and maintained

Suggested conditions of approval recommended by the Health and Safety Officer (Agreed)

1. The premises shall not be used under the variation to the licence until the requirements specified in the schedule dated 11 April 2011 have been completed and approved in writing by the responsible authority for health and public safety
