Subject: Re: Sam's Chicken, 328 Holloway Road

Dear Mr Forde,

Further to our telephone conversation this morning, I confirm that my colleague Mr Joe Balasingham will attend the Premises Licence hearing in my absence on 19th July. Joe is the Operations Manager for Sams Chicken, and can answer questions should they arise. I also have written to you formally to confirm this.

In the meantime, may I take this opportunity to briefly address the concerns raised in the representations received, such that you can reply to them on our behalf prior to the hearing.

1. We have installed a digital CCTV system both inside and outside our shop, complete with monitors and recording, as approved by the police. Recordings are made, checked and kept for a minimum of 3 months, available for responsible authorities to review.
2. We have upgraded the sound insulation between our ground floor shop and the first floor by the addition of acoustic hangers to the underside of the first floor joists suspending 2 layers of 15mm soundbloc board and 100mm of rockwool, designed to give sound insulation of 63dB airborne and 54dB impact. In addition, we have acoustic ceiling tiles in a suspended grid below that.
3. The kitchen extract system has been thoroughly checked over and cleaned/refurbished by specialist contractors, all as stated in our design and access statement. Any replacement components were an improvement on existing in terms of efficiency and or quiet running characteristics. The old system was found to be totally clogged with grease, had no anti-vibration mounts, nor any silencers. It was also a fire risk. Our contractor changed the fan for a quiet running 'Woods' type, installed with the correct anti-vibration mounts and silencers. (Exact specification is available if required). Therefore the problems of smells and noise should be greatly reduced.
4. We re-advertised our application with new notices on the shopfront for a second 28 day period from 16th May, due to the first notice being partially obscured behind the open grid shutters for part of the day during the first period.
5. We will invite building control to review the test and installation certificates for gas electrical lighting and fire alarm. If required they can also check our appliances and fire risk assessment in the shop.
6. Please note that should we be successful in our request for this premises licence for late night refreshment (to 1am Sunday - Thursday, and 3am Friday and Saturday), we will of course reapply for planning approval to stay open beyond midnight.
7. It may be worth repeating a few of our objectives intended to reduce customer noise. Staff to ensure door closed after 10pm at night. No music or TV will be played on the premises. Staff will remind customers to leave quietly after 10pm, & respect local residents. Notices to this effect will be displayed.
8. The rear yard to our shop has been renovated to provide a hygienic staff only area, for waste storage etc, (ie not a place where parties will be held).
9. I confirm we have not stayed open after 11pm since opening, and will not do so until such time as we are granted a licence and planning approvals to do so.
10. We wish to make it clear that we do not seek a liquor licence. Sam's Chicken serves only soft drinks.

Please do not hesitate to contact me to in the event you should have any further questions. Many thanks, Tim

Hi John, many thanks for your prompt attention.

I intend to personally attach new notices on the property on Monday 16th May. I will do two as you suggest, allowing until 14th June for representations. I trust this meets with your approval. A pdf of the notice is attached here.

I also take the opportunity to attach a scan of the newspaper advertisement. Any other questions, please ask, thanks Tim

Mr Benians,

Niall has agreed that you do not need to re-advertise in the newspaper (though please provide us with a copy of the original ad).

Please ensure that a notice is displayed in the premises window and that another, waterproofed, is attached to the shutters so that a notice is visible at all times. Representations already received from local residents have stated that no notice was visible. The last date for reps will be 28 days from the date that new notices are displayed - please advise us of the date once this is arranged.

Dear Licensing,

Apologies, we are a bit behind in the obs for our area: However, only one triggers an objection from Planning:

328 Holloway Road; Planning permission was granted on 30/11/10 for hot food takeaway (ref P102232), but subject to the opening hours of: 0700 - 2400. Therefore we object to the proposed licensing hours as they would lead to noise and nuisance to residential neighbours.

Planning has no comments on the following:

Morrisons, 10 Hertslet Rd

North Library, Manor Gardens

McDonalds, 13/15 Seven Sisters

17 Green lanes

270 Caledonian Road

18 Fonthill Rd

Bemerton Villages Mgt Orgn.

345 Holloway Rd

Best Regards, and sorry again if some of these are too late.

SAMS CHICKEN 328 HOLLOWAY ROAD LONDON N7 6NJ

My address

Dear Mr Forde

I object to the granting of a premises licence for Sams Chicken on the grounds that it is a potential nuisance.

The council never seem to consider the residents that live behind the shops. An example is Best Kebab which is next to Sams Chicken. If they are open then they make noise and smell. Extractor fans are noisy and meat grilling smells. Sams Chicken have a new extractor which is ready to be fired up. There are so many extractor fans and the accumulative noise is large. If the premises have a licence on certain nights to the early hours of the morning then noise has to emanate from the business for longer than if they did not have a licence. I object very strongly to them even being there. The liquor licence makes it worse.

Yours faithfully

Subject: Representation Re: Application for Premises Licence Sams Chicken REF WK/111223642

Dear Mr. Forde

We wish to make a representation against the application for premises licence ACT 2003 (REF: WK/111223642) for Sams Chicken at 328 Holloway Road, London, N7 6NJ.

We, [REDACTED] are residents of [REDACTED] Our flat, and specifically our bedroom, backs on to the premises in question.

We object to the approval of this licence on the basis that it would cause a public nuisance in a residential area. As residents, we have the right to expect the peace and quiet necessary for a good nights sleep after 11pm. It is clear that the functioning of these premises during the opening times proposed would create noise after 11pm, which we believe will affect our sleep.

We know from experiencing the disturbance caused by neighbour's voices in their gardens late at night, that the acoustics of the space the premises back on amplify even low level noise. Hence we are extremely concerned that even if the applicants try to ensure noise is kept to a minimum, it will be the existence of any noise after 11pm, however low level, that will disturb our sleep.

Please note that we wish to keep our name, address and contact details anonymous.

Thank you in advance for considering our representation. We are very concerned about this matter, and ready to take all necessary action to protect our right to an undisturbed night sleep after 11pm.

Kind regards

Subject: objection to premises licence

Dear Mr Forde,

I am writing with regard to the application for a premises licence (REF: WK/111223642) for Sam's Chicken, located at 328 Holloway Road, N7 6NJ.

I am the owner of a flat at [REDACTED], and object to the approval of this licence on the grounds that my flat backs onto the back of Sam's Chicken premises. Therefore, should Sam's Chicken hold evening entertainment at the back of the premises (this seems to be their plan, since they have refurbished the back of the building and constructed a patio), this will seriously disturb the peace in my flat, especially since my bedroom is located at the back of the building.

I should be most grateful if you could take my serious concerns into consideration.

Yours sincerely,

DEVELOPMENT PLANNING

Licensing Policy 9

The Licensing Authority expects applicants to ensure that they have planning consent for the intended use and hours of operation, or otherwise have lawful planning status, before making an application for a premises licence. The Licensing Authority will only grant licences for premises without planning consent in exceptional circumstances.

61. The Planning Consent for a premise determines its use and the hours of operation. If this is not in place at the time the licensing application is heard, there may be a conflict between the two and the applicant will be required to comply with any planning consent granted. It is expected that the necessary planning consent will be in place to ensure that this conflict does not arise and applicants receive a decision from the licensing process which they can immediately implement.
62. Where the terminal hour has been set as a condition of planning permission and these hours are different to the licensing hours, applicant must observe the earlier closing time. The granting of a licence by the licensing committee does not mean the applicant will not need to apply for planning permission. Premises operating without the necessary planning permission will be liable to prosecution under planning law.
63. Planning permission is usually granted for the permitted opening hours of the premises and will include the time it takes customers to leave the premises. This time will normally be later than the time when licensing activities cease so that there is sufficient time for customers to leave the premises gradually to minimise impact on nearby residents.
64. The process of applying for a licence or varying an existing licence should not be a re-run of the planning process. Where premises have obtained planning permission prior to the submission of a licence application, the determination of the licence will focus on controls necessary to achieve the licensing objectives. Objectors within the planning process who are dissatisfied with the planning outcome may still object through the licensing process but their objections will only be relevant where they relate to one or more of the four licensing objectives.
65. Where appropriate (e.g. as part of planning policy), the licensing committee will report to the Planning Committee; relevant area committee or other devolved arrangements on the situation regarding licensed premises in their area, including the general impact of alcohol related crime and disorder. The council's planning policies are set out in the Unitary Development Plan, the emerging Core Strategy, the Development Planning documents, the Supplementary Planning Documents and local planning guidance, together with national and strategic policies and guidance. Together with other council policies, they set out the overall strategy for shaping the future of the borough.
