7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.

I formally oppose the granting of this licence application on behalf of Islington Police. This statement provides the rationale for my decision.

Over recent years Islington has experienced rapid growth in its night time economy. The cumulative effect of this is a heavy footfall of persons who are not resident in Islington Borough but who are present between the hours of 8pm and 6am to take advantage of the extremely vibrant night-time economy.

Unfortunately there has not been commensurate increase in public services. Each new license or extension of an existing license will create additional demand on a range of public services. There is a direct link between the number of persons in public places who have consumed alcohol and the number of violent assaults that take place in that public place. This 'new' business for the police will involve reporting and investigating more instances of theft, anti social behaviour, drunkenness and serious assaults. No additional police resource will be available to cope with this extra demand. More people will be the victims of crime and more people will be injured.

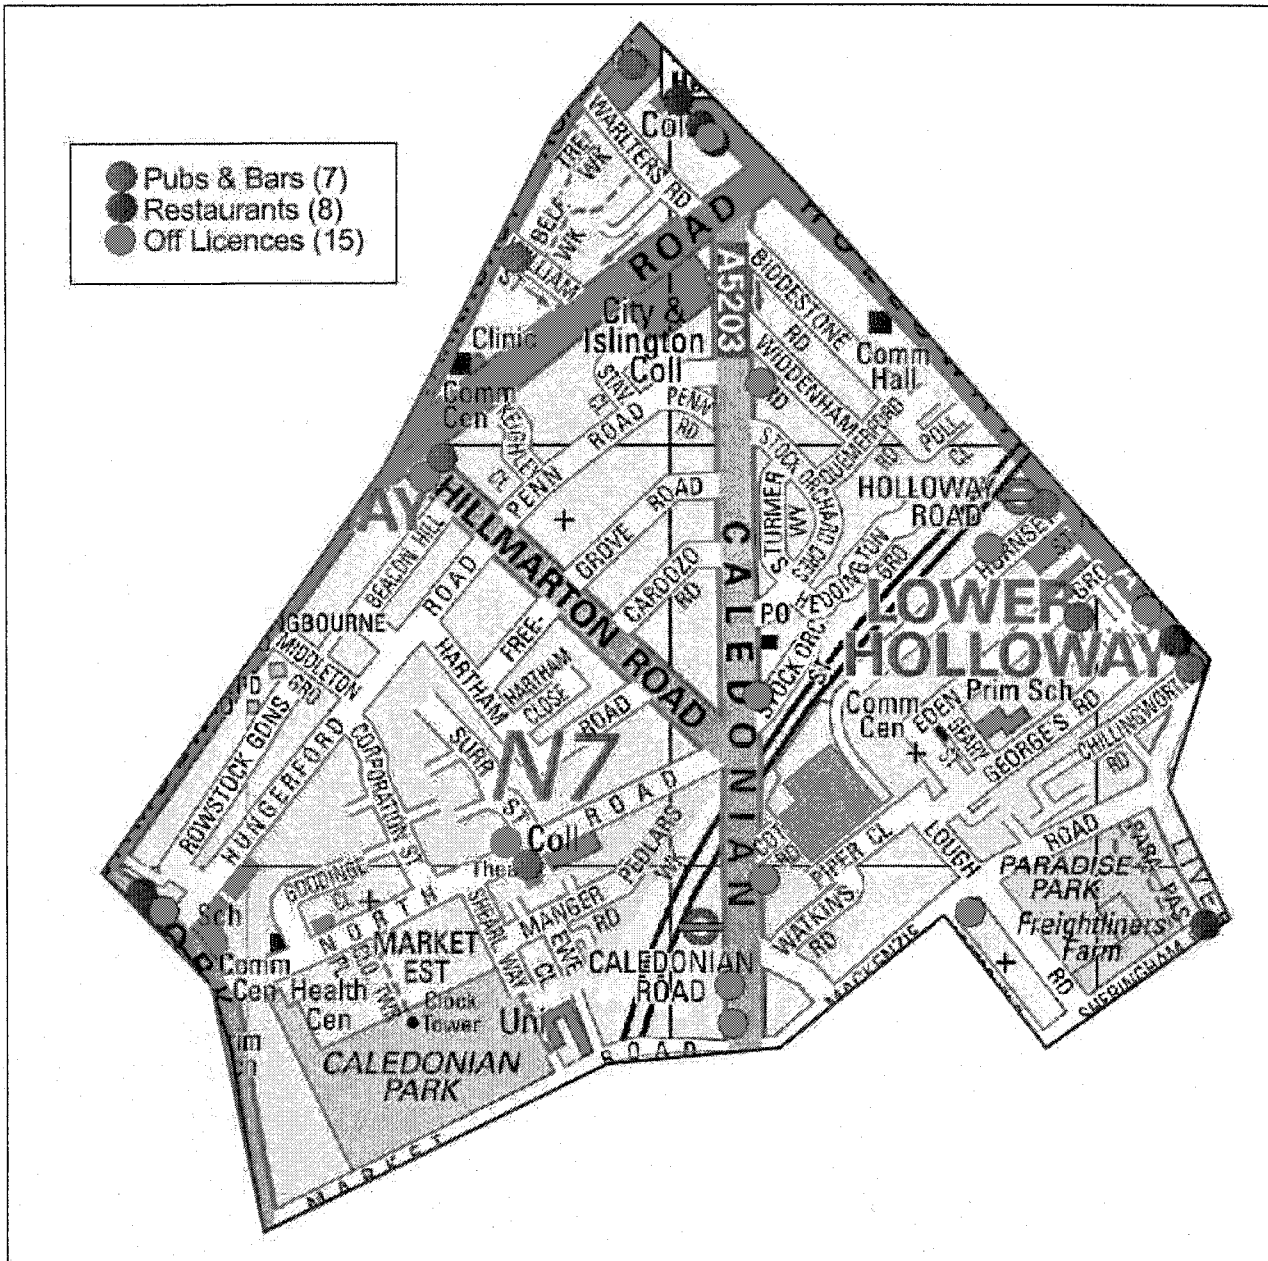

The number of Police personnel available both in terms of uniform deterrence and investigative capacity is at its lowest between the hours of 11pm and 8am. At a time when both Police resources are being severely squeezed long with the resources available to NHS I would strongly resist increasing the number of persons who have consumed alcohol onto the streets of Islington. I have dwindling resources to deal with the consequences. The average investigation into an allegation of Grievous Bodily Harm costs Islington Police £2000 to investigate. Last year Islington investigated over 350 such crimes. This takes no account of the costs to the NHS. It also takes no account of the thousands of alcohol-related Actual Bodily Harm and Common Assault investigations that are taken on by Islington Police every year.

In an area that is already saturated with Licensed Premises it is just not sustainable to keep increasing the number of people on those streets after midnight. No matter how well any establishment is run internally their very business case is based on growing the number of people who end up on the streets of Islington having been drinking. As local public services are already stretched then the inevitable consequence of granting more post-midnight licences is an increase in the number of victims of serious violence. I would ask that the licence application be rejected.
