Police were called to Caledonian Road j/w Copenhagen St to a large fight between males armed with sticks. The males dispersed on arrival of police. The victim was found crouching on the pavement with lacerations to the back of his head. Victim refused to assist police. Informant came forward, stated he didn't see what happened in the venue but saw the victim being dragged from the venue by 3-4 males. He saw them beat the victim with a bottle. They then decamped in a vehicle.

Mr Tesfa has been spoken to twice by the Police Licensing Officers in relation to this assault. On the first occasion he stated that it was not his customers that were involved but patrons of the nearby Sweet Café. On the second occasion Tesfa was interviewed under caution and gave a different account of what happened. He was asked to provide CCTV footage from inside the venue which would confirm that those involved were not patrons of Marathon; he stated no one at the venue can operate the system but police were welcome to seize it.

Part of this incident is captured on the Council CCTV , it shows a small fight outside the restaurant involving patrons of Marathon prior to the main event. The males are seen crossing Caledonian Rd where they go out of camera shot. They are picked up again in Copenhagen Street where the main attack takes place. The CCTV will be made available to the Committee and Mr Tesfa for viewing.

**DIALOGUE.**

Mr Tesfa has held the licence for Marathon for a considerable time both under the new and old regimes. During this time he has been spoken to by police and the Council licensing officers on several occasions regarding his ability to operate his licence in accordance with the licensing objectives.

On the 23rd February 2007 Mr Tesfa was invited into a Licensing Officers Panel as he was found trading in breach of his licence, there were also concerns regarding the sobriety of his patrons. Advice was offered to assist him to promote the licensing objectives.

On 18th October 2007 Mr Tesfa was again invited into a panel hearing following further breaches of the licence. Again concerns were expressed regarding the sobriety of the patrons of Marathon.

Following the GBH on 11th September 2011 the police licensing officers attended Marathon. Mr Tesfa was not present at that time. A female who eventually admitted to being the manager and Mr Tesfa's estranged wife was informed that should further serious assaults occur that were connected to the venue then police would consider calling for a review of the licence. She was also advised re allowing drunkenness on the premise.

Mr Tesfa was to be invited into a third panel hearing following the assault in December, however due to an administration error the invite was never sent out.

**SUMMARY**

Mr Tesfa has been the owner of Marathon for a number of years. During this time he has been spoken to by police and Council Officials on several occasions regarding his ability to manage a licensed premise.

He has attended 2 panel hearing where advice has been offered but still the venue comes to notice for all the wrong reasons.

Mr Tesfa has installed a CCTV system at the venue but has not taken any steps to get him or any member of his staff trained to operate the system.

Door Supervisors are employed at the weekend; however they appear to have no control of the door. They can be seen in the CCTV footage opening the door and allowing the perpetrators of the latest crime back into the venue. They also make no attempt to stop the fight at the door which escalates into the serious assault in Copenhagen St.

The assaults connected to Marathon all take place in the early hours of the morning between 1am and 3.30am and all involve high levels of intoxication.

It is the contention of Police that there have been too many incidents of violence perpetrated by the patrons of Marathon.

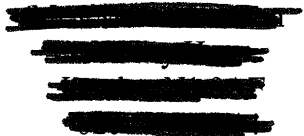

The venue is in a residential area so also gives cause for complaint by the public.

We realise the implications for such a business that does not attract it's customers until after midnight but we feel that in the interests of public safety and the prevention of crime and disorder we have no other option than to seek a cut back in the operating hours of the venue to 11pm.

Dear Sir/Madam,

One of the negatives of living at my address is that I have to live opposite the Marathon night club.

During the past seven years I have seen a change in the clientele at the Marathon from couples to groups of males.

This has led to an increase in drunken fighting and shouting in the areas around these premises... a lot of which occurs around the 3 am closing time.

To me this increase in violence/noise is unacceptable in my neighbourhood.

Therefore, I would like measures put in place in order to stop the fighting, noise and drunken behaviour.

I don't want the owners of this night club to move elsewhere, I would just like its patrons to have to behave themselves better.

If nothing is done what could happen is that one of the customers themselves could get seriously hurt.

Yours sincerely,

Re: The Marathon

Sat 20th Aug 2011 approx 3am...A big fight started between customers leaving the Marathon..began on corner of Cally & Copenhagen St...bottles thrown etc..An Ethiopian man was chased down Copenhagen St.by 2 Marathon customers & on the pavement outside my flat punched to the ground...He was then repeatedly kicked, until he lost consciousness. The 2 other males ran off in the direction of York Way... A big crowd had gathered outside the Marathon but nobody crossed the road to help him..so I put my shoes on to go downstairs..the beaten man then recovered got up unsteadily & staggered down Copenhagen St.

Sat 27th August 2011 approx 1am...Some kind of disturbance outside front door of Marathon..didnt see incident..Police called I think by Door Security at Venue..3 Police arrived..noisy for rest of evening.

Sat 3rd September 2011 approx 2.15am...Very busy night outside the Marathon..on the Cally the Merkato was also open to 2am..Very noisy..people urinating in the street..some younger customers admitted to venue when so drunk could hardly stand..people in & out of building singing etc..cars pulling up outside customers still being admitted at 2am..some customers refused entry but still standing outside venue...At 2.15 am some kind of fight occurred inside Marathon..people running from venue via main door & fire escape..women screaming etc..fighting males then followed!..Venues lights on & Venue then closed..Door man called police..2 police cars & ambulance attended..males outside asked to leave..police still there at 3am...incident also witnessed by my son.

This is only a small bar!..living opposite it especially this summer has been difficult..far too many young drunk males standing outside..large groups of males are the main customers,

not the families that used to go there..insufficient security to control the customers, only one doorman..somebody, unless something is done soon is going to get seriously hurt at the Marathon. This year the amount of fighting has really increased.
