Subject: Granting of Alcohol License to Budgens

Please note that I wish to object in the strongest terms to an alcohol licence being granted to Budgens in what is a quiet residential area. Some years ago there was a lot of alcohol related problems around an off-licence in the New North Rd which I believe the Police closed down as a result.

There are quite a lot of disengaged youths in the area and it would be detrimental to all residents to have disruptive street behavior as a result of easy accessibility to alcohol which happens especially when the weather is warmer.

Yours faithfully,

Dear Sir

I would like to object to the application for a license to sell alcohol at Budgen's of the Angel, 77-49 Packington Street, N1 7FZ.

My objection is based on the Council's policy on saturation of premises selling alcohol, and also the position on cumulative impact. I believe there would be a negative impact locally to allow a further retail outlet to sell alcohol in the area when there are already 3 licensed retailers selling alcohol within 200yds of the proposed location which I believe is more than sufficient for the area. This location is also close to City of London Academy and it would be reasonable to expect that this supermarket will experience extensive usage by the pupils.

Please accept this email as my formal objection to this application.

Dear Sirs,

I am writing to object strongly to the grant of a further licence to sell alcohol in this area. In addition to numerous pubs and wine bars in this area, including several pubs very close to the Arc, there are also many shops selling alcohol, including newsagents, only a couple of minutes' walk away, plus the Co-Op and other stores on New North Road, Essex Road and Upper Street. Why the need for more?

Every morning the streets are littered with empty bottles discarded after the previous night's drinking sessions and local residents have to put up with late night alcohol-fuelled noise and vandalism.

Yours faithfully

Dear Islington Licensing officers

I understand that the proposed Budgen store on the corner of Packington and Rheidol St in N1 has applied for an off-sales license to sell alcohol

Based on the COuncil's own policy on saturation of premises selling alcohol and on cumulative impact, I wish to object to this application.

In an area where 3 retailers within 200 yards already have licenses to sell alcohol there can be no need and indeed there must already be saturation.

Increased alcohol sales lead to ASB and nuisance for local people. As an N1 resident I feel we already suffer saturation levels of alcohol related ASB.

PLEASE do not approve this license

Dear Sirs,

I live in [REDACTED] and I have the following concerns with respect to the above application:

- there is no need for an additional "minimarket" or grocery store to serve our residential area;
- as alcohol will be on sale until late in the evening, this may attract noisy customers in an otherwise very quiet area, creating nuisance to the residents of the area;
- there will be increased traffic and demand for parking in the area as more drivers will go through Packington street and/or will want to stop and park near the shop - also on Saturdays and Sundays when there are no parking restrictions in the area.

I remember when I went to a public meeting a few years ago in the local church hall with Hyde and the Council and there was a proposal, then rejected, to have a larger supermarket in the area, the council representative assured the public that if there was going to be a shop in the area then, this being a residential area, the shop would not be allowed to be open late at night. I hope this is still the case.

I trust you will taking into account my concerns when considering the application.

Kind regards,

Dear Sir/madam,

I see with the greatest regret that Budgens are applying for an alcohol licence for there new proposed premises at 42-49 Packington Street.

Please take this as my formal objection to such a licence being granted;

- a) It contravenes the Council's own policy on saturation of licensed premises in one area,
- b) There are already three other premises selling alcohol within 200 yards of this area
- c) There is a secondary school almost directly opposite. The granting of a licence to a supermarket is bound to increase underage sales. Unlike a small retail shop where individual relationships can be built up a chain store is not going to have either the will or ability to discern who is buying it alcohol,
- d) There have been problems in the area already with underage alcohol purchases
- e) There have been problems in the area already with anti social behaviour in the area as a result of cheap alcohol being served.

I would ask respectfully that this licence is declined. If there is to be a public meeting I would like to make further representation orally.

I understand that an application has been received for a licence to sell alcohol at the budgens store.I object to this appllication

This property is in the council's saturation zone so unless there is good cause no new licence should be granted.

As there are 3 other retailers selling alcohol within 200 there is no good cause and no need for a new licence. Indeed one could argue that there are already too many outlets selling alcohol in this location.

It is well documented that one of the major issues of ASB is alcohol abuse and that one of the reasons for this is the cheap alcohol sold by supermarkets .

Please do not grant this licence.

I am emailing you with regards to the licensing of the following :
47-49 Packington Street, London N1 7FZ

We have been sent a letter asking us if we have any objections for the Licence Application of the above premises to permit the sale of Alcohol, for consumption off the premises.

I would like to make it clear of my objection to this happening for the following reasons :

The location that has been picked is only meters away from COLAi secondary school to which my grand daughters attends. Having a supermarket that sells alcohol so close to the school could possibly encourage children to try and buy it. It was only this week that it was reported that children as young as 10 are drinking one alcoholic beverage a week. For the safety of our children, I would be very wary of a shop so close.

As well as this, we, the residents, although are being asked about this licence, were not asked about the actual supermarket, and whether we wanted the supermarket there in the first place.

This would dramatically increase the amount of people coming to the area, increasing the noise, not only to the surrounding area, but also the noise disruption to those living above the supermarket. And what about the delivery lorries arriving early in the morning, how much noise disruption will that bring? We have up to now been involved in many decisions concerning our new housing and surrounding neighbourhood, we should have been involved in this too.

Thanks
