## **2. Recommendations**

2.1 To determine the application for a variation of the premises licence under Section 34 of the Licensing Act 2003.

2.2 To consider the representation from the Police in the light of the revised Secretary of State Guidance to Local Authorities issued on 25th April 2012 namely:

The Licensing Authority should accept all reasonable and proportionate representations made by the Police unless the Authority has evidence that to do so would not be appropriate for the promotion of the Licensing Objectives.

2.3 To consider that this address is in the Angel and Upper Street Saturation or "Cumulative Impact Policy" of Islington. This special policy creates a rebuttable presumption that applications for new premises licences, club premises certificates, or variation applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact or otherwise impact adversely on the promotion of the licensing objectives.

2.4 If the Committee grants the application it should be subject to:

- i. conditions of the current premises licence;
- ii. conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (See appendix 4);
- iii. conditions recommended by responsible Authorities (see appendix 4);
- iv. any conditions deemed necessary by the Committee to promote the four licensing objectives.

Dear Sir **Re: Cabana, 56 Upper Street, London N1 0NY**

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the 'Angel, Upper Street Cumulative impact zone', a locality where this is traditionally high crime and disorder and there are concerns that this application will cause further policing problems in an already demanding area.

There are no proposals within this application to satisfy us that if the requirement for Door Supervisors was to be removed there would not be a potentially negative impact on the levels of crime and disorder within and directly outside the premises.

It is for these reasons that we are objecting to the application and propose that it is refused.

If the Committee is of a mind to grant the application then we would ask for the following conditions.

1. There is to be no vertical drinking within the premises or outside.
2. The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for the consumption by such a person as ancillary to their meal. ( Exception see 5 below )
3. Alcohol consumed outside the premises building shall only be consumed by patrons seated taking a table meal and ancillary to their meal.
4. The supply of alcohol shall be by waiter or waitress service only. ( Exception see 5 below )
5. Alcohol may be supplied and consumed by patrons prior to their meal and seated in the designated bar area, by up to a maximum at any one time of 10 persons dining at the premises.
6. There shall be no sales of hot food or hot drink for consumption off the premises after 2300hrs.
7. All tables and chairs shall be rendered unusable by 2300hrs each day.
8. All tables and chairs will be removed from the outside area by 2300hrs each day.

Should you wish to discuss the matter further please contact us on Mobile 07799133204 or via email, Licensingpolice@islington.gov.uk

Dear Sirs

**Licensing Act 2003  
Representation from Responsible Authority for Health and Public Safety  
Cabana 56 Upper Street N1 0NY**

With reference to the recent application to vary premises licence under the Licensing Act 2003 at the above named premises, as the health and safety consultant for the responsible authority for health and public safety I will be making a representation to this application.

The proposed arrangements for the premises as shown on the submitted plan do not show compliance with the Technical Standards for Places of Entertainment; will require a reduction in the accommodation figure and will prejudice the fire safety separation between the ground floor emergency exit route and the living accommodation exit route.

The premises should be inspected and approved by the responsible authority for health and public safety before the premises can be used under the licence.

When approved the premises should be maintained in good condition. Staff should be trained in the health and safety measures applicable to the premises and the action to be taken in the event of an emergency or evacuation. Enclosed for the attention of the licensee are **Health and Safety Standards for Places of Assembly, Shops and Commercial Premises**.

This communication is without prejudice to the necessity of complying with any other statutory controls which may be applicable, whether administered by the council or by any other authority.

Please give notification of the completion of the works so an inspection of the premises can be made. Should you require any advice or information please contact me at the above address.

Yours faithfully

> I understand that Cabana plan to operate the premises as a restaurant but would be entitled, at any time, to use them as a bar / club instead or as well. I therefore object to removal of any conditions that Islington Council deemed necessary when the premises were operating as a bar / club.  
>  
> The reasons are obvious- the conditions are imposed for good reason (avoidance of disorder and nuisance). These issues remain legitimate for as long as the owners of the property have the right to use the premises in such a way as could cause disorder or nuisance.

> I live opposite the property and therefore my amenity would be significantly affected if this were to become the case. I presume it would also cause a lot of problems for the council and result in needless expenditure of tax payers money.  
>

> The appropriate and proper step for Cabana to take would be to apply to vary the licence conditions to reflect their apparent planned usage of the property- namely as a restaurant. Otherwise, all of the safeguards currently in place should remain.

>> I can confirm that there is nothing volunteered within the application that would restrict the premises operating as a bar/club at any time it was not operating as a restaurant.

>>

>> Please note that the last date for representations for this application is 20th November so any objection must be received before that date.

>> Hi Daniel,

>>

>> Thanks for this prompt response and for clarifying the point. I do have another question. It appears that the property will change from being a bar to a restaurant. It seems, however, that Cabana would like to keep the bar licence. They are applying to remove conditions that, in the event that the premises are used as a bar, have been deemed necessary by yourselves.

>>

>> Cabana offer no guarantee anywhere within the licence that they will not also use the premises as a bar or drinking venue, e.g later in the evening. This would mean that they would have the lawful right to use the premises as a bar just like Rattlesnake, should they so desire, without any obligation to comply with the conditions that were imposed on Rattlesnake.

>>

>> Please let me know if I have this right as, if so, I would like to make representations.

>>

>>

>> Thanks
