With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the 'Holloway Road and Finsbury Park Cumulative impact area', a locality where there is traditionally high crime and disorder and there are concerns that this application will cause further policing problems in an already demanding area. Although we cannot object based solely on this we have concerns that this event has the potential to cause problems. The event is due to take place in the early hours of new years day and is immediately adjacent to the Finsbury Park over ground and underground station entrances. It is not uncommon for persons to congregate in this area after being out on this night celebrating the new year and not being able to get transport home. We have concerns then that these persons will then buy more alcohol from this premises and continue to drink and become involved in ASB and crime, not necessarily being responsible for committing crime but also becoming the victims of crime due to their consumption of alcohol. These persons will have nowhere to go to drink apart from on the street and Islington Borough has a Designated Public Places Order (DPPO). We believe that making alcohol available to persons in this area will hinder the dispersal of people away from the area leading to a strain on emergency services at a time when their resources will already be stretched to the limit.

It is for these reasons that we are objecting to the application.
