Subject: RE: Temporary Event Notice: Gunners Public House, 204 Blackstock Road, Islington, London, N5 1EN.

Pollution Team objects to this event on grounds of public nuisance.

We have a copy of an e mail to the DPS where we gave advice on setting maximum levels of sound in order to begin to come to agreements on sound levels dated 4/7/14. This was due to reports of noise nuisance from residents in the vicinity. A Minded To letter was sent in June.

There has been no response from the DPS. Therefore we are not confident that sound levels will be suitably restricted during the event so as to prevent noise nuisance to neighbours.

Dear Sir

NOISE NUISANCE FROM AMPLIFIED MUSIC, THE GUNNERS, 204 BLACKSTOCK ROAD, LONDON N5 1EN. ENVIRONMENTAL PROTECTION ACT 1990. LICENSING ACT 2003

We are in receipt of calls from local residents in relation to loud amplified music from the Gunners.

The only relevant noise conditions on the premises licence in relation to noise are as follows:

- Doors and windows to the premises will be kept closed, so far as practicable, at all times when noise generating regulated entertainment is taking place i.e. film showing, live and recorded music.
- That the beer garden be closed and cleared by 11:20pm

We are concerned that in the event of further noise nuisance being witnessed we may need to take formal enforcement action. This could be by service of a Section 80 noise abatement notice on you and the DPS Mr Hoyle as being the persons responsible for the noise nuisance. In addition an application for a review of the premises licence could be applied for which could result in the licence being modified. Either of these measures could have a serious effect on the business. The effect of a review could be that hours could be reduced and permitted licensable activities such as the provision of entertainments could be curtailed. Contravention of a Section 80 abatement notice is a criminal matter. Current maximum fines for offences are up to £20,000 per offence.

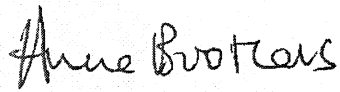

In order to avoid possible enforcement action we are suggesting that the premises management participate in a sound setting exercise with us in order to set maximum music volume at the premises.

This would require the installation of a noise limiter, we would attend by appointment and set maximum sound levels by visiting residents in close vicinity of the premises. These visits take place on Tuesday nights from 22:30 onwards. You would need to appoint an acoustic consultant accredited by the Institute of Acoustics or Association of Noise Consultants in order to source a suitable limiter and set it so that maximum agreed sound levels would not be exceeded.

I have to warn you that in the event of further noise nuisance being witnessed we are minded to move to enforcement action as described above without further warning.

Please contact me within 10 working days to inform me whether you are interested in participating in a sound setting exercise at the premises. I look forward to hearing from you.

Yours faithfully,
