COUNCIL MEETING – 3 DECEMBER 2015

NOTICES OF MOTION – Revised Motion 1

1 Revised Motion – Keeping Islington safe by protecting Policing in Islington

Moved by Cllr Paul Convery

Seconded by Cllr Flora Williamson

This council notes that the Metropolitan Police Service has faced cuts of £600million since 2010 and, as a result, London's police service has lost 2,443 police officers and 3,170 PCSOs from the streets of London since 2010.

Despite the announcements made in the Comprehensive Spending Review, The Met still faces the challenge of finding £400million of savings by 2020.

This council further notes that, since May 2010, London has lost over 70% of the dedicated neighbourhood Police Community Support Officers (PCSOs) in the capital, and the Metropolitan Police Service is currently considering a plan to either axe every PCSO in London or to reduce PCSOs to just one dedicated officer per ward.

This council believes that when neighbourhood policing was introduced by London's former Labour Mayor, it represented a fundamental improvement in policing strategy. PCSO's represent the core part of each neighbourhood policing team and we believe that cutting them would significantly damage neighbourhood policing in this Borough.

This council resolves to call on the Executive to –

- make representations to the Mayor of London and the Home Secretary about the damage which will be caused by removing the community model of policing;
- oppose further cuts to London's policing system;
- make representations to the Commissioner of the Metropolitan Police to properly consult with Londoners before taking any decision to dismantle vital neighbourhood policing teams.

This council further resolves to continue working with Islington's dedicated police officers and PCSOs, the Borough Commander, and the local community, to ensure that Islington is made safer and criminal activity confronted when it takes place.
