287 MINUTES OF THE MEETING HELD ON 25 MARCH 2014 (ITEM A6)

RESOLVED

That the minutes of the meeting held on 25 March 2014 be confirmed as an accurate record of proceedings and the Chair be authorised to sign them.

288 ESSEX FOOD AND WINE, 78 ESSEX ROAD, N1 8LT – APPLICATION FOR A PREMISES LICENCE VARIATION UNDER THE LICENSING ACT 2013 (Item B1)

The licensing officer reported that the hours requested were outside the licensing hours detailed in the cumulative impact policy. The noise team and the police supported the licensing authority and asked the Sub-Committee to refuse the application. They asked that further conditions be added to the licence should be granted. The licensing authority stated that an increase in hours until 02:00 would increase the amount of alcohol on the streets and undermine the local authority's efforts to promote the licensing objectives.

The applicant amended the application for the sale of alcohol from 08:00 to 23:00 hours Monday to Thursday, from 08:00 to 02:00 on Fridays and Saturdays and 10:00 to 22:30 on Sunday. He reported on a number of additional conditions which included limiting the strength of alcohol and restrictions to sales of single cans after 23:00 hours. He asked the Sub-Committee to consider the home office guidance and reported that with the training and conditions in place there would be no addition to the cumulative impact in the area. He considered that the additional conditions verbally reported would not be appropriate before 23:00 hours.

In response to questions, the applicant stated that, with hindsight the additional conditions outlined should have been included in the original application.

Licensing Sub-Committee A – 15 May 2014

In summary, the licensing authority reported that whilst the amendments to the application were welcomed, she had not been convinced that the affect on the cumulative impact area had been fully addressed and considered that the application would increase the alcohol on the streets after 23:00 hours.

The applicant submitted that conditions could be put in place after the hours of 23:00 hours and the licensee would not serve customers who were causing trouble.

The Sub-Committee left the room to deliberate and returned to announce their decision.

RESOLVED:

That the premises licence in respect of Essex Food and Wine, 78 Essex Road, N1 8LT be refused.

REASONS FOR DECISION

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee took into consideration licensing policy 2. The premises fall under the Angel and Upper Street cumulative impact area. Licensing policy 2 creates a rebuttable presumption that applications for variations to premises licences that are likely to add to the existing cumulative impact will normally be refused, unless an applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact or otherwise impact adversely on the promotion of the licensing objectives.

The Sub-Committee noted that the amended application was for the sale of alcohol from 08:00 to 23:00 hours Monday to Thursday, from 08:00 to 02:00 on Fridays and Saturdays and 10:00 to 22:30 on Sunday. The applicant outlined additional conditions to those proposed in the agenda which they considered would ensure that the premises did not add to the cumulative impact to the area. These included restrictions to the strength of alcohol and restrictions to sales of single cans after 23:00 hours.

The Sub-Committee heard evidence from the police who confirmed that if the application was successful, a CCTV condition had been agreed with the applicant. However, the police were still seeking to oppose the application.

The Sub-Committee heard evidence from the licensing authority that, despite the conditions proposed by the applicant, there would still be additional alcohol sold in the area after 23:00 hours on Fridays and Saturdays, which would increase alcohol on the street and undermine the local authority's efforts to promote the licensing objectives.

The Sub-Committee was concerned that the granting of the variation to the licence, notwithstanding the conditions offered, would not promote the licensing objectives.

The Sub-Committee noted that the licensee had offered conditions to overcome the concerns regarding cumulative impact but concluded that the increased hours sought would allow for alcohol to be available on the streets in a cumulative impact area which already had several licensed premises with late operating hours. In the view of the Sub-Committee the licensee had failed to rebut the presumption that, were the application to be granted, it would not add to the cumulative impact area. The applicant had not shown any exceptional circumstances as to why the Sub-Committee should grant the application.

289 CUBANA CAFÉ LIMITED, 59-61 CHARTERHOUSE STREET, EC1M 6HJ – APPLICATION FOR A NEW PREMISES LICENCE UNDER THE LICENSING ACT 2013 (Item B2)

The licensing officer reported that the noise team had withdrawn their objection as conditions had been agreed by the applicant. The local business objection had been withdrawn. The planning officer had advised that there would be no breach of planning use if the primary use was for a coffee/roasting house.

The licensing authority reported that the applicant had amended the application which had addressed many concerns but the objection had not been withdrawn as the Sub-Committee would need to consider the management of the premises.

Councillor Allan reported that this application was in a cumulative impact zone and additional hours would lead to increased amounts of alcohol in the area. He considered that it may become an alcohol led premises. More premises would contribute to the early evening drinking problem. The local resident reported that a sister establishment in Waterloo was a loud boisterous place and drew large crowds of people outside the premises. She considered that the licensee would not be able to prevent people from sitting outside and the applicant would request later hours in the future.

Phillip Kolvin, barrister, stated that the café would bring into use long dormant premises. It would supply a small range of alcohol and the application was amended to midday until 20:30 hours. The application for regulated entertainment had been withdrawn and there were to be no off sales. The premises at Waterloo was open until 03:00 am and this was to be a completely different operation. He stated that he had agreed conditions with the noise team although there would be no regulated entertainment. This business was not the type of operation that would cause concern in a cumulative impact zone.

In response to questions it was noted that this premises had a high staffing ratio as it had an extensive kitchen for an artisan bakery. The space for making drinks was small. It was not intended to open a replica to the Waterloo operation as this application was for a coffee roasting house/café/bakery. The applicant stated that they would not wish the restriction of a condition to have alcohol with a plated meal as this would have a competitive disadvantage.

In summary, the local representatives expressed concerns about customers when they left the premises and considered that the business would change into a drinking establishment in the evening. The applicant stated that a coffee roasting café could not change into a bar. A previous application had been refused and following amendment to the previous scheme, the authorities were now happy with the new proposals. Regarding concerns about the ability of the designated premises supervisor to work in two premises a condition was offered by the applicant.

The Sub-Committee left the room to deliberate and returned to announce their decision.

RESOLVED

a) That the new premises licence in respect of Cubana Café Limited, 59-61 Charterhouse Street, EC1M 6HJ to allow the sale of alcohol for consumption on the premises only: 12:00 to 20:30 on Monday to Sunday.

b) Conditions as tabled at the meeting shall be applied to the licence with the amendment of condition 13 to avoid duplication with condition 18 and the following amendment.

- That the designated premises supervisor shall work solely at the premises.

Licensing Sub-Committee A – 15 May 2014

REASONS FOR DECISION

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee noted the amendments proposed by the applicant, that there would be no off-sales, there would be no regulated entertainment on the premises, alcohol would not be sold after 20:30 each evening and the premises would be closed by 22:30 each evening. Alcohol would only be consumed by seated customers and would only be consumed inside the premises.

The Sub-Committee noted that as a result of the amended application before the Sub-Committee, the noise team and the business representative had now withdrawn their objections to the application. The licensing authority reported that the amended application had reduced their concerns regarding the cumulative impact but considered that the Sub-Committee would need to satisfy themselves that the management practices would uphold the licensing objectives in a cumulative impact area.

The Sub-Committee heard concerns from Cllr Allan and a local resident that the premises would be an early evening drinking establishment which would add to the cumulative impact in the area. The resident had concerns that the premises would emulate the sister establishment at Waterloo, which she stated, was a loud drinking premises which drew large crowds outside.

The Sub-Committee heard evidence from the applicant that the operation was for a coffee roasting house, bakery and café and alcohol would be ancillary to the provision of food. This would be a completely different operation from the premises in Waterloo as it was primarily a coffee led operation. The Sub-Committee noted that, although the music played would be background only, the noise levels would be set and agreed with the noise team.

The Sub-Committee took into consideration Licensing Policy 2. The premises were located in the Clerkenwell cumulative impact area. Licensing policy 2 creates a rebuttable presumption that, applications for new premises licences that are likely to add to the existing cumulative impact would normally be refused, unless an applicant could demonstrate why the operation of the premises involved would not add to the cumulative impact or otherwise impact adversely on the promotion of the licensing objectives.

The Sub-Committee was satisfied that the grant of the application with the amended hours and the conditions would not undermine the licensing objectives. The Sub-Committee noted licensing policy 8 and considered that the application fell within the exceptions to the policy as it was not alcohol led and would operate within the hours specified.

290 BONNIE GULL SEAFOOD CAFE, 146 HOLLOWAY ROAD, N7 8DD – APPLICATION FOR A NEW PREMISES LICENCE UNDER THE LICENSING ACT 2003 (ITEM B3)

RESOLVED:

a) That the new premises licence in respect of Bonnie Gull Seafood Café, 55-57 Exmouth Market, EC1 be granted to permit the premises to sell alcohol from Monday to Saturday from 12:00 to 23:00 and Sunday 12:00 to 22:30.

b) Conditions as outlined in appendix 3 as detailed on page 119 of the agenda shall be applied to the licence.

REASONS FOR DECISION

The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee noted that there had been one resident objection and this had now been withdrawn following negotiation between the applicant and the resident. The application was granted on the papers.

Licensing Sub-Committee A – 15 May 2014

291 A & B FOOD AND WINE, 146 HOLLOWAY ROAD, N7 8DD – APPLICATION FOR A NEW PREMISES LICENCE UNDER THE LICENSING ACT 2003 (ITEM B4)

The Sub-Committee noted that this item had been adjourned.

292 MARUTHY'S 69 HOLLOWAY ROAD – APPLICATION FOR A PREMISES LICENCE REVIEW UNDER THE LICENSING ACT 2003 (ITEM B5)

Councillor Gary Poole declared he was the ward councillor for this ward and advised that he had not considered any other representations on the application.

The licensing officer reported that no other information had been received regarding the application. The trading standards officer reported that advice had been given regarding underage sales. At the PACE interview in January 2014 an interpreter had been offered to the applicant but had not been accepted. There was no written training record and the licensee reported that training had been given verbally. He reported that there was a comprehensive refusals record but considered that, the applicant, after already having a four week suspension of the licence for four weeks, should consider compliance a much higher priority.

The police officer asked that, should the licence not be revoked, two conditions be added to the licence regarding CCTV and the selling of high strength alcohol. The Sub-Committee noted that the licensee had not had notice of the condition regarding the selling of high strength alcohol as this was not detailed in the police representation.

Tim Munro, supporting the licensee Mr Keethananthapillai, spoke against the review. An interpreter was also present. Mr Munro advised that it was generally accepted that the illicit alcohol previously found at the premises had been old stock from the previous owners of the business. He stated that two employees that had committed offences and not the licensee. He was not a persistent offender and he therefore submitted that revocation was not a proportionate response.

In response to questions, Mr Munro stated that the licensee had not seen letters from Trading Standards. He considered that it was often difficult for licensees from a different culture to engage with council officers. The licensee had taken on board advice given in 2011 and it was acknowledged by trading standards that this was one of the better refusal books he had seen. He stated that there would now be CCTV, there would be a record of challenges and staff would be trained and would sign the document to indicate that they had received the training. The Sub-Committee expressed concern that training had not been recorded previously and that, although underage sales had been made by employees they were ultimately the responsibility of the licensee. Mr Munro asked that the Sub-Committee consider the home office guidance regarding persistent offending.

In summary, the trading standards officer stated that help was always available and if the licensee considered it was difficult to engage with council officers this was a matter that should be overcome when managing licensed premises. He had not heard anything at the meeting that had overcome his doubts about the management of the premises. He had concerns about how long any arrangements made by the licensee would last in the future.

Mr Munro stated that the licensee was in a difficult position managing a small business but had done reasonably well although below the standard required. He was working towards a higher standard. He considered that three mistakes in a period of four years was not catastrophic.

RESOLVED:

That the premises licence in respect of Maruthy's, 69 Holloway Road, N7 8JZ be revoked.

Licensing Sub-Committee A – 15 May 2014

REASONS FOR DECISION

The Sub-Committee heard evidence from the trading standards officer that there had been an underage sale in August 2010. A review had been called in August 2011 following a seizure of illicit alcohol from the licensed premises and breaches of conditions witnessed by the licensing team. The Sub-Committee on that occasion suspended the licence for four weeks and added conditions to the licence. Since then, two further underage sales had taken place in December 2011 and November 2013 respectively. The refusals book had been inspected and was found to be comprehensive, however, there was no written record of training given to staff. The trading standards officer recommended that the licence be revoked. The police supported the application.

The Sub-Committee heard evidence on behalf of the licensee. He acknowledged that in relation to the earlier review the Sub-Committee was told that the licensee had recently taken over the business and had not fully understood the responsibilities that being a licensee entailed. It was accepted that the illicit alcohol had not been bought by the licensee but had been included with the business when it was sold. A verbal warning was given to the seller in respect of the underage sale in December 2011 as there was evidence that the appropriate precautions had been taken by the licensee. No further action was considered necessary by trading standards. In respect of the underage sale in November 2013 no action was taken against the seller by the local authority and the licensee was not informed by the seller that it had taken place. It was submitted that the police and trading standards could have taken alternative action against the licensee having described him as a persistent offender but had chosen to review the licence with a recommendation to revoke which would affect his livelihood.

The Sub-Committee considered the home office guidance relating to persistently selling alcohol to children, specifically to the section relating to good practice in conjunction with the home office guidance relating to reviews. The Sub-Committee was of the view that the licensee had failed to have in place sufficient management supervision.

The Sub-Committee considered that two underage sales in three years, whilst Mr Keethananthapillai was the licensee, was sufficient in itself to revoke the licence and that it was an appropriate and proportionate response. The Sub-Committee noted that conditions on the licence had been breached and had no confidence that to modify the licence with additional conditions or a suspension would uphold the licensing objectives.

The meeting closed at 8.40 pm

Please state the ground(s) for review (please read guidance note 1)

I am police Constable Peter CONISBEE 575NI a licensing officer acting on behalf of the Commissioner of the Metropolitan Police.

This review of XOXO is based on the grounds of Crime and Disorder, to prevent further crimes being committed at the venue and in turn to protect patrons and staff alike.

There have been a number of very serious incidents at the venue within the last twelve months which give rise to concerns over the licensees ability to operate a safe venue. The level of violent crime associated with this venue is wholly disproportionate to similar well managed venues in the area. Despite previous advice from police and council officers, the management have failed to improve the situation.

There have been a number of fights within the last year, in and outside the venue the majority of which occur after midnight. These incidents have generated numerous crime reports including two GBH's and five ABH's. The most serious affray taking place the morning of 9th March 2014, 15-20 people were involved in a fight inside the venue, which then spilled into the street.

The venue has a comprehensive licence permitting the exhibition of films, performance of live and playing of recorded music, making music, facilities for dancing, late night refreshment and the sale of alcohol. There is a long list of mandatory conditions and also conditions consistent with the operating schedule and a condition attached after a hearing by the licensing authority.

The police invite the sub-committee to remove the Designated Premises Supervisor, and to amend the hours of the venue to that which falls within the Islington Licensing Policy

Nightsafe.

Sunday 15th November 2013 - Full police licensing visit conducted under operation Nightsafe

Saturday 14th December 2013 @ 0200 hours - Crime reference 2727601/13 - Subject has spent the evening drinking in the venue, exits and is assaulted, receiving injuries consistent with that of ABH. The subject leaves the area, but is later found by a member of the public to have collapsed. The subject is too drunk to inform any next of kin.

Saturday 4th January 2014 @ 0118 hours. Staff from a nearby bar call stating large fight between males and females o/s XOXO, 10-15 people fighting. No trace on arrival of police, security spoken to and stated there were no issues, no offences alleged to police. Cad 495 and 504 refer.

Friday 21st February 2014 @ 2320 hours - Crime reference 2704433/14 - Victim notices her phone has been taken, sees it in a nearby group and calls the mobile number. It then lights up but the suspect states it's theirs. The police investigation centred around CCTV evidence, of which was limited as cameras were found to be not working. As a result of this poor CCTV suspects identified by the victim have to be released. We have received a statement from PC OBIJI in relation to this.

Sunday 2nd March 2014 @ 0215 hours - Crime reference 2704982/14 - Suspects leave XOXO, walk to another nearby venue, and due to their levels of excessive intoxication, they are refused entry. The suspects then proceed to assault door staff at the venue, before making off back to this venue, where they are joined by door staff from XOXO - a short conversation takes place before the suspects make good their escape. Seen on CCTV from venue.

Saturday 8th March 2014 - Police accompanied by licensing officers watch the dispersal of patrons from XOXO.

It was noted that there was a very young crowd, this seems a regular feature of the premises, and customers at their oldest seem to be in their very early twenties. The vast majority of people exiting the bar seemed to be very intoxicated, making a lot of noise and not dispersing, nor being dispersed. One female seen exiting the club runs straight off the pavement into passing traffic, thankfully a potentially fatal accident is avoided by the emergency braking of the motorist, the vehicle comes to a stop with the female resting her hands on the bonnet! The extreme intoxication of customers is evident as we move from viewing across the road, to speak to Mr KOHLI the Designated Premises Supervisor (DPS). The vast majority of people, who had exited the club and were still stood around, were extremely drunk. Council licensing officers advised Mr KOHLI with regard to his customer base, dispersal and door staff.

Sunday 9th March 2014 @ 0155 hours - Crime references 2706524/14 - 2705625/14 - Shortly before 2 a.m. a mass brawl erupts within the venue involving fifteen to twenty people. CCTV footage shows the large affray continuing for several minutes, during which door staff are totally ineffective. On arrival of police the incident spills onto the street, taking over the entirety of the huge pavement area outside the venue. Arrests are made for ABH, Affray and Assault on Police.

Sunday 9th March 2014 - PC208NI HOPPE (Licensing officer) sends Mr KOHLI a letter with requesting CCTV footage of the aforementioned incident. And also asks for his action plan as to how best to prevent this in the future. Four days later Mr KOHLI had not replied, PC HOPPE attended the venue to ask for CCTV in person. Mr KOHLI was not present, but did speak to PC HOPPE on the phone stating that he neither had the action plan ready, nor the CCTV. PC HOPPE reiterated the importance of his requests, Mr KOHLI stated that he was en route to do both immediately. On leaving the premises PC HOPPE spoke to the door supervisor who contradicted MR KOHLI by stating both had been done! PC HOPPE requested that both the action plan and the CCTV be sent to our offices by the weekend, (15/16 March). On Monday the 17th March 2014 Mr KOHLI finally supplied the CCTV to PC HOPPE at the council offices,

of entry, stop patrons from drinking so much, and employ firmer controls at the door.

It is the opinion of the police that Mr KOHLI is neither running a safe nor professional venue. This is demonstrated by the large amount of violent crimes committed either in or outside the venue by his customers. The police cannot afford to permit a venue to operate which in its current state generates so much violent crime - much of which remains unsolved, due in part to the extreme level of intoxication of the victims.

Mr KHOLI has been spoken to and advised by police twice in 2013 and yet these incidents are still occurring.

The police seek the following:

1. Mr KOHLI is removed as the DPS.
2. Amend the permitted hours for all licensable activities to 10.00 to 00.00 Monday to Saturday and 12.00 to 22.30 on a Sunday
3. The door security team currently employed by the venue, to be no longer be engaged in providing door supervisor services to the premises situate at XOXO

Details of calls received and visits carried out.

To summarise Noise Team has been in receipt of consistent calls from local residents in connection with noise from the premises since June 2012. A warning letter was sent in June 2012 to the Licensees in relation to the noise reported.

The noise reported has been loud music and customer noise throughout the night and particularly at closing time. The customers appear to be a young age group who are very boisterous when they step outside at the end of trading. Despite advice given, the noise from customers leaving the premises appears to remain an issue at closing time.

I refer to Licensing Policy 18 in relation to noise from the premises and Licensing Policy 21 in relation to the dispersal of customers.

Also attached is an e mail to the premises dated May 2013 and a copy of notes of a telephone conversation with the licensee in relation to noise outside and dispersal at closing time which are relevant to this review application and reports of noise nuisance from neighbours.

I also attach the calibration certificate received in early 2013 in response to the first visit listed below. This is the most recent calibration certificate.

5/5/13	Proactive visit	<p>XOXO, Upper Street, 02:05</p> <p>Complaint received on Friday regarding noise outside at closing</p>																														

		<p>time so visited to have a look at closing time. On arrival there was a noisy group of 10 people directly outside. The DS was inside the premises throughout the period of monitoring outside. Stood watching for about 10 minutes. The noisy group of people made no move to leave and the DS remained inside. Lots of passers-by who were also quite noisy and some interaction between passers-by and the noisy group outside premises. All good natured. Spoke To DPS. Told him that noisy group of people were cause of sustained noise directly outside and that we had a complaint about noise outside at closing time last night. He claimed they had not been busy the previous night. Not too busy tonight from the look of it. There were a few customers inside finishing their drinks but if that was the total amount of customers (including the people outside) it wasn't busy at all but the noise was going on outside..... Told him the DS should be outside actively talking to customers as they leave in order to disrupt any noise and disperse them quickly. Discussed closing down plan. He said they have until 02:30 for drinking up. Suggested to him that he should use that time to talk to customers inside to ask them if they want cabs and to call cabs for people so they could step outside, into the cab and go away straight away if at all possible. While I was talking to him someone came over and asked for a cab to be called. DPS went outside to talk to noisy group of customers and they moved away northbound. N.B. had noticed a Police van park up just north while we were watching outside. When we walked away, the Police were talking to the noisy group who had stopped by the Screen on the Green cinema - telling them to move on. All good natured but very noisy. Licensee not there tonight.</p>
22/9/13, 01:56	Call received	<p>"xoxo bar lots of people out in the street - bouncers are making no effort to control or organise the crowd - lots of shouting" NP report: No time to visit by the time we were free it was 02:45 and the noise would have ended.</p>
6/10/13	Proactive visit to residents.	<p>XOXO Upper Street, 01:30 On approach could hear music from the premises. Noted Police presence across the road by the bus stop opposite, they were talking to some people there. Called resident and went to the flat to watch proceedings and listen to music noise. Music noise could be heard faintly in the bedroom with the window open. The resident stated the music was usually much louder than it was tonight. Notes taken as follows: General comment: Warm night, bedroom window open, can hear some people noise from the front but can't see what's going on from this rear room. VERY NOISY IN UPPER STREET TONIGHT. Can hear faint bass from XOXO from the bedroom. Music noise was audible from the front on approach. 0135: Saw DS check the alley and the rear of the premises. Man sitting in the alleyway quietly. 0140: Group of men have just walked up the alley - 6 of them, gathered at the top. Then they walked back down again - 6 of them in total. Saw the DS approach 2 of them. They walked away talking loudly. Noted DS's radio noise is quite loud. Moved to the Page 30 chairs, they had called the resident above</p>

		<p>and we agreed to go there. Better view of frontage from their bedroom.</p> <p>Notes from lower 1F flat as follows:</p> <p>0202: People are gathered on the frontage outside. The DS is standing at the head of the alley most of the time which is stopping people going up there. Residents state they have never seen this happening before. Some brief laughter and raised voices. Some brief cheering. Could see people gathered on the frontage but others were constantly passing by - some quite noisy and nothing to do with the premises.</p> <p>Residents stated DS is usually never seen outside and it's usually bedlam at this time - could multiply this noise by 4 times usually.</p> <p>0208: Raised voices and some pushing and shoving going on in connection with a car that has just pulled up outside. DS intervened. Saw him push a screaming woman away from the fracas, out of sight.</p> <p>Noted plenty of raised voices, laughter all throughout the period of observation. All the people outside look quite young, all under 25. Another DS came into view outside.</p> <p>At this time no people were visible on the frontage and the original DS came back into view standing at the head of the alley. Then heard lots of shouting from the frontage but the people were not visible. The view is partially obstructed.</p> <p>Noise elevated again and I saw a very drunk male with aggressive body language being bundled away by others.</p> <p>0218: Addison Lee cab ushered out of alley by the DS. Residents were incredulous at the attention from the DS. They said this has never happened before. People are still on the frontage but it's getting a bit quieter now. 2 X Addison Lee cabs pulled up outside the frontage, noted 2 beeps from them.</p> <p>0221: Woman walked into alley with shoe malfunction with a small group of friends. They were swiftly moved on by the DS.</p> <p>The residents all stated that tonight was not representative of what usually happens, they said it had not been busy at XOXO but there had been a massive fight at about 01:00 that erupted from Ladybird. They said there were crowds of people fighting in the street and they saw a Police officer had been hurt in the fighting. They had seen a couple of women taken away in handcuffs.</p> <p>They said the DS's are never so attentive to activity outside and customers are usually left to make a load of noise, fight and take/deal drugs in the alleyway, often with the DS's knowledge but they allegedly do nothing about it.</p> <p>At one stage I saw the licensee outside with the DS. Noted one of the DS's was familiar to me. He used to work at the old P&P up the road. Also recently came across him at O'Neill's down the road and I had disagreement with him that night.</p> <p>The residents have a theory that the majority of the customers had emigrated to XOXO when the old P&P shut down. They were frustrated that the noise was quieter tonight and repeatedly said something had "spooked" the premises as they had never noticed such attentiveness from the DS's. Assured them I have not been in touch with the premises and the purpose of the visit was to catch them out. Suggested a repeat of this exercise in 2 weeks time when I am working again and they were all for it. Will contact them nearer the time to confirm.</p> <p>Left the flats at about 01:25.</p>
22/10/13	Proactive visit	<p>XOXO Upper Street, 01:50</p> <p>On approach w Page 31 the vehicles going south down Upper</p>

		<p>Street all sirens blazing, they pulled up by the Green. Stood by the bus stop opposite and observed outside XOXO and watched closing time.</p> <p>Up until about 02:20 there were groups of quite noisy people coming out of XOXO. There was a group of people outside as we arrived. A woman was sitting in the alleyway, completely drunk, she eventually moved to the shop doorway of the ex Blacks shop and sat there. We saw various people step outside and some went up the alleyway to relieve themselves. Saw a group go into the alleyway and they looked quite animated near the top of the alley - couldn't see what they were doing. Saw DS's go into alleyway intermittently during closing down period</p> <p>People eventually dispersed at about 02:20 but they hung around in the vicinity. At one stage my colleague and I considered the group to be similar to a youth club. They all looked young. All quite good natured however but noisy. They took a long time to disperse, some went south to stand outside Ladybird; others went off in different directions. At one stage a very noisy group of men walked through the side road to the Green from Essex Road, all singing very loudly but the main source of noise in the area was XOXO customers leaving.</p> <p>After people had gone away I took some photos of the state of the alleyway and spoke to the licensee about the mess there. There had been a sweep up on the frontage but there were a lot of cigarette butts and trails of urine in the alleyway. I told the licensee the alleyway should be swept and the urine trails should be cleaned away with hot detergent water.</p> <p>Staff came out to clean the alleyway. Discussed noise seen briefly with the licensee and told him his customers were very young and too noisy outside. He said they were all over 21, told him he should go for an older age group and perhaps implement a Challenge 25 scheme. They haven't learnt how to drink yet and don't know how to behave.</p>

DS's appeared to be doing a decent job of looking after outside and ropes were up for queue and smoking area. Premises wasn't very busy though.</p> <p>Licensee discussed a need for some lighting in the underpass area to the side of the building. 15/12/13	Reactive visit	<p>XOXO, Upper Street, 02:35 Call received via Controller timed at: 02:15. Ref No. 990224. Re: "Patrons of XOXO are stood outside making a lot of noise. Can be heard in callers bedroom. Does not want to be disturbed today" No telephone number given tonight for a call back. Visited at the above time and watched from the opposite side of the road. Saw a group of about 10-15 people directly outside. Did not see any DS outside from across the road. Watched for a couple of minutes and decided to visit. There was a very loud exchange between a woman outside and another person and I considered that was enough to warrant a visit. On approach I saw the DS outside trying to move people on. I heard the loud woman saying he couldn't do anything to move them because the road was a public place and he couldn't move her on. The rest of the group outside did not appear to be too noisy but the noisy woman was egging them on a bit and they were all hanging around. Went inside the premises and licensee came out of the office at the rear to speak to me. He claimed that all his customers had moved on and the group outside were nothing to do with him. This was contradicted by the DS who came in and said that 4 of the people outside had definitely been at XOXO. The group were not prepared to move on and were continuing to be noisy outside. At that point in order to try to resolve things I called 101 and told the DS to inform the people outside the Police had been called. He didn't go back outside. CAD Ref: 1292 (and date 15/12/13) Police arrived a couple of minutes later and after some persuasion on their part, the people outside moved away. The sergeant told me the loud woman was particularly annoying and she only shut up and walked away when he got his fixed penalty book out. After that, the others all moved away south. Gave the sergeant my card, he initially thought I was a local resident that had called in. Told him we called because residents were being disturbed by noise outside and had called NP. I then alerted the Police to another couple of women - I don't think they were connected to XOXO group - who were screaming and shouting at each other a few metres away up the road. The police intervened with the two women and they seemed to calm down.</p>
22/12/13, 02:27	Call received	<p>"Large number of people gathered outside XOXO Bar arguing and fighting" NP report: Ttc 0232 noise stopped. People moved on. C described it as pandemonium and like a riot. He said door staff overwhelmed by number of people. CM12 (ALO)</p>
23/12/13, 00:45	Call received	<p>"patrons of XOXO stood outside making a lot of noise. lots of shouting and screaming. caller says the bouncers do nothing to control their customers. does not want call or visit. just wants the exit monitored and the bouncers spoken to NP passed by an hour later and it was quiet outside. 18/1/14	Proactive visit	<p><u>XOXO, Upper Street, 02:05</u></p> <p>Visited to watch closing time. We watched from the bus stop opposite, moving just north for a little while. Notes as follows:</p> <p>0205: Quite a large group immediately outside on approach. Could see a DS on the door and caught a brief glimpse of the licensee on the door.</p> <p>0215: Door closed. A few moments later a DS came outside and closed the awning using a pole. Then he went back inside. Noted that quite a few people have gone away, there were groups of people just to the south and north of the premises with a constant flow of passers-by. Noted there were about 25 people still directly outside but from our perspective just south of the bus stop they didn't seem to be too noisy.</p> <p>Colleague noticed a deal going down from a car parked just south. Noted car details: Blue BMW 5 or 7 series. Reg'd No. (REDACTED). Colleague saw a man get out of the car and approach premises.</p> <p>0220: Still approx 25 people outside the premises – counted hem but may be a couple more or less, difficult as there are some passers-by.</p> <p>0223: Noted loud voices outside premises just south and a lot of shouting from the south side of the Green by Essex Road. No-one outside premises to shoo the group of people who are still standing outside. Someone (bar staff) is outside with the people but they are just sweeping the pavement to the front.</p> <p>02:25. Still approx 25 people outside. DS just came to the door and looked out briefly, then closed the door again. Noticed a man walk up the alleyway. The man was a passer-by and not from the group outside the premises.</p> <p>02:26: saw a DS come out and stand outside but he wasn't engaging with people, not asking them to move away. He went back inside very quickly.</p> <p>02:27: We changed position to the north of the bus stop and the noise from the people outside was louder. The man was in the alleyway relieving himself for a couple of minutes. He was very drunk, staggering around.</p> <p>02:30: Counted 14-15 people outside now. Loud conversation and laughter. Heard them talking about where to go next.</p> <p>02:35: Now only about 5 outside. Saw an extremely drunk woman in the road with her boyfriend – don't know where she came from. They eventually sat on the kerb close to the premises. Left at this time.</p> <p>Would comment that dispersal was not efficient and noise from the customers outside was likely to result in noise to the residents.</p>
2/3/14	Proactive visit	<p>XOXO, 23:30 and 02:00</p> <p>Passed by at 23:30. Noted outbreak of loud music when the door was opened. Group of people on the frontage. 3 people in the alleyway. Quite noisy intermittently, noise went up and down; think it was possibly from a group of people who were leaving. DS came out and moved people from alley when he saw me</p>

		<p>standing there. Noted curtains in use again, covering the side and front windows.</p> <p>Visited again at 02:05. Premises closing down for the night. Exuberant crowd of people coming out. Noted lots of people outside. Agreed with colleague they all looked under 25. Noted DS was doing his best to get them away but they weren't taking much (if any) notice of him.</p> <p>Saw the DS stopping people standing in the alleyway but also saw a man go up here to relieve himself which was missed by the DS.</p> <p>We had to leave promptly in order to visit another premises in response to call.</p>
30/3/14	Proactive visit	<p><u>XOXO, 02:25</u></p> <p>Had a look but missed their main closing time. Noted quite a few people around in close vicinity, by 5 Guys, Cuba Libre and the kebab shop by the bus stop to the north.</p> <p>DS saw me outside and as we walked away I saw him step outside the premises.</p>
11/5/14	Proactive visit	<p><u>XOXO, 02:00</u></p> <p>Visited to watch closing time as follows:</p> <p>0200: Counted at least 43 people outside in close vicinity on arrival with more coming out. They are moving away in groups. Noted they are quite noisy. There is an additional DS working outside. Saw the 2 previously noted DS's still there during the period of observation. Noted a handful of customers are standing at the head of the alley - in the alley by the side of the ex-Blacks shop. Also noticed the Licensee was standing at the door.</p> <p>0208: They have successfully moved the majority away from the immediate frontage. The larger group has gone away south - noted they were very noisy as they went away. Noted just a handful in the immediate vicinity now.</p> <p>0210: Still a few stragglers coming out. Another group has moved away south, noted lots of shouting and some screaming from them.</p> <p>Noted a man standing at the head of the alleyway in hi-viz at this time.</p> <p>0212: More stragglers coming out. Noted most customers moved away south. Noted very noisy group of young women have stopped in close vicinity to Ladybird. Noted a group still hanging around north near Euphorium but noted they are moving away.</p> <p>0218: It looks like the premises has emptied now. Thought I saw the last of the stragglers leave a couple of minutes ago - then saw some more come out. Noted there are a few hanging around in front of La Forcetta next door to the south. Another group is outside Euphorium at this time.</p> <p>0220: Euphorium group has now gone towards Essex Road and noted DS's are now engaging with the group outside La Forcetta - they then went south and are now standing by the phone boxes near to ladybird.</p> <p>0230: Noticed the group that were outside Ladybird have now gone south, I don't think any of them got in - if they even tried to, they just seemed to be continuing to enjoy themselves out in the street after they had left XOXO. We left the area at this point, noticed the DS's were still outside XOXO.</p>

E mail to (Ex) DPS regarding Closing Down Plan

Subject: Late TEN application XOXO 25-26 May 2013 02:00 - 03:00 each night

Importance: High

Dear Mr Krasniqi

I note your application for the above two events and that the application is a late one.

Therefore I seek your assurances that the sound levels at the premises will be within the agreed sound levels and that you will have taken some action to disperse your customers more efficiently than I noticed the other week when I visited the premises and spoke to you about dispersal of customers.

I will be writing formally to the licensee about dispersal of customers but in the meantime I am pasting below some details of a closing down plan that you need to consider adapting to your premises.

Closing Down Procedure

1. Reduce the volume of music for the last half hour prior to the bar closing; this can be done gradually so that by the time the bar closes, the music volume is reduced to background levels.

2. Slow the tempo of the music played out during the last half hour.

3. From the time the bar closes for sales and drinking-up time ends, the lighting should be gradually increased so that by the time the drinking-up is over, the lighting has been brought up to full beam. You can continue playing out music at background levels while people are drinking-up.

DO NOT keep the music going at loud levels and then just put the lights up to full beam. This is not conducive to a quiet and calm dispersal of customers from the premises as required.

4. As people begin to leave, door supervisors should be outside, encouraging people to disperse from the area and not allowing them to loiter on the frontage.

5. Management should be actively involved with seeing customers off the premises, your manager could stand by the door as people are leaving and wish them goodnight and ask them to be considerate to neighbours as they leave. Managers should supervise the Door Supervisors during dispersal. Door supervisors should remain outside and engage with customers until they have all left the immediate vicinity of the premises.

6. We would advise that customers should be more proactively monitored for rowdiness outside generally and a "three strike" rule could perhaps be implemented where if rowdy customers outside (and inside) will not quieten down, they are warned about their behaviour. If rowdy behaviour continues they should be warned a further one time and then if there is still no improvement they should be barred from the premises.

Please contact me back to confirm that you will be limiting the volume of music to the agreed sound levels and let me have your thoughts on the closing down plan pasted below and how you can put it to use at XOXO.

Notes of telephone conversation with Licensee 14/5/13

Call from Santosh in relation to TEN application, told him we need assurances from the applicant who is the DPS not him.

Also discussed visit in the early hours of 5 May and underlined the need for dispersal of customers and not the display that I witnessed outside the premises of consistent noise from a group of people. Told him he is responsible for the behaviour and noise from his customers in the immediate vicinity of his premises and that includes the public highway outside.

Told him his DS was inside for the entire time I was outside watching the noisy group of people and the DS should be outside at closing time and at later hours engaging with customers outside and asking them to be quieter if need be.

Recommended that in the event of a really noisy person outside they speak to them the next time they come to the restaurant at the beginning of the evening and warn them re: their previous ASB while they are sober and tell them in the event of any repeat they will be barred. Told him the DPS or manager could be on the door at closing time getting people to move on along with the DS. He discussed getting hi-viz jackets etc, told him that may help a bit but emphasised the need for a joined-up consistently enforced policy at closing time and the consistent control of noise outside in order to change the culture of the premises and reduce the likelihood of further complaints. He said the previous evening there had been a domestic dispute between a couple who had come from Ladybird.

Told him that residents are likely to associate them with his premises and a couple are hardly the gangster types he has previously been unwilling to intervene with. Advised him to be more proactive regarding noise outside.

Certificate of calibration. March 2013

This is a certificate of calibration for the sound controlling equipment installed at the XOXO restaurant bar, Upper st Islington, under the management of Mr.Santosh. The noise limiting device installed is a Formula Sound AVC sound limiter for the sound system, to control internal sound levels in the bar. The sound system comprised cd player and connected to the cloud zoner mixer CX 242, then a graphic equalizer and then to AVC 2 sound limiter and then to the power amplifiers. These were a QSC RMX 1450 feeding small speakers in the ceiling of the toilets in the basement, and a QSC RMX 850 feeding two small KR full range loudspeakers and four KR medium sized full range loudspeakers, the front speaker on a separate volume control, and a small bass unit under the dj.

To fulfill the conditions of the local authority entertainment licence for this establishment, and to keep external noise breakout to a minimum, with near inaudibility at the residents, a limit on the internal sound levels from amplified music has been agreed.

The limiter has been set to an internal music sound level limit of 89 dB Leq _{1 min.} linear, 83 dBA Laeq _{1 min.}, 77 dB at 63 Hz, 82 dB at 125 Hz. measured at around center of room, at rear, at 2m from the main speakers. These levels are below the levels allowed on the licence for a safety margin. This calibration was made with a Bruel and Kjaer type 1 sound level meter in accordance with relevant British Standards, at around noon on 1st March 2013, and witnessed by bar owner Mr Santosh Kohli, and Shaun Murkett. This to be confirmed acceptable by the Local authority noise team as convenient.

This calibration is valid only for the equipment as specified above, and for one year only. It is part of the licence conditions to inspect and re-calibrate the limiters annually by a professionally qualified consultant accredited by the Institute of Acoustics to satisfy local authority requirements.

Licensing Authority Representation

Licensing Act 2003

Application: XOXO, 74 UPPER STREET, LONDON, N1 0NY

This is a representation on behalf of the Licensing Authority in respect of the application to review the premises licence submitted by the Police.

The grounds for the representations are:

- Preventing crime and disorder
- Prevent public nuisance.

Licensing Policy Considerations

<i>Licensing Policies 9 & 10</i>	<i>Management standards and operating schedule</i>
<i>Licensing Policy 13</i>	<i>Drunkenness on the premises</i>
<i>Licensing Policy 30</i>	<i>Review of Licences</i>

Reasons

The licensed premises has regularly come to note in relation to local resident complaints and London Metropolitan Police reports. Council Officers have as a result regularly monitored and inspected the premises over the last year. The general standard of management and customer controls found during these assessments was repeatedly found to be below that which is expected.

The management was regularly given advice by Council officers and Police officers in relation to licensing related issues, specifically focusing on the conduct of their clientele both inside and outside the venue. Additionally, concerns were regularly raised in relation to the age profile of their customers and the level of drunkenness observed at the premises.

The licensee, Rathiba Limited, and Designated Premises Supervisor (DPS), Mr Santosh Kohli, were called into the Council offices to attend a Licensing Officer Panel meeting to discuss these concerns. The licensee and DPS stated a Minor Variation application would be submitted seeking to attach additional premises licence conditions, which were agreed could tackle the on-going problems.

Despite this agreement and reminders sent to the Licensee and DPS on 11th December 2013 and 13th February 2014 the Minor Variation application was not received until 20th March 2014. During this time period there were a number of serious incidents at the premises that may have been prevented had previous advice in relation to the clientele and these conditions been in effect and adhered to.

There was a further crime & disorder incident outside the premises believed to involve customers of the premises on 13th April 2014. The CCTV footage viewed in relation to this recent incident shows that the management of customers outside the premises remains poor and indicates levels intoxication that are unacceptable.

Recommendations

The Licensing Authority has serious concerns over the licensee's ability to effectively manage a late night premises of this type. The level of crime and disorder incidents linked to the venue over the last year has been significant and there is little confidence that lessons

have been learned. This is in spite of regular and detailed advice having been provided to the management.

The Licensing Committee is therefore asked to consider a reduction in the licensable hours authorised by this premises licence, the removal of off-licence sales and the removal of the DPS, Mr Santosh Kohli, as an appropriate measure to promote the licensing objectives. The proposed reduction in the licensable hours authorised by this premises licence are in line with Licensing Policy 8 and would be as follows:

- Sale by retail of alcohol, on sales only, Sundays to Thursdays from 10:00 until 23:00 and Fridays & Saturdays from 10:00 until 00:00;
- The provision of live music, recorded music and the showing of films, Sundays to Thursdays from 10:00 until 23:00 and Fridays & Saturdays from 10:00 until 00:00;
- The provision of late night refreshment, Fridays & Saturdays from 23:00 until 00:00; and
- Opening hours, Sundays to Thursdays from 10:00 until 23:30 and Fridays & Saturdays from 10:00 until 00:30

Dan

I wish to register my support for the Police application to review this licence.

This premises has been the source of considerable nuisance to residents for a long period. They have frequently been disturbed and had their sleep broken by fights and uncontrolled patrons of XOXO. The licensee appears unable to properly uphold the licencing objectives despite numerous warnings and support from officers.

Today I noticed what I consider to be further inducement to irresponsible drinking with a new 'Happy Hour' promotion at this premises (see attached photo).

It is my intention to speak at Committee on this application.

Dear Sirs,

XOXO 74 Upper Street Licence Review

I am writing to you as the landlord on behalf of flats 75a and 75b Upper Street.

I have been made aware of the fact that there is a constant stream of problems relating to XOXO. Apparently this includes fights in St. Albans Place, the use and dealing in drugs, alcohol related issues, and excessive noise into the early hours on a regular basis.

Despite protests from our tenants and myself, these problems have not been addressed and I would urge a Committee to take proactive steps to ensure that this situation does not continue and that my tenants and other people affected in the area are guaranteed that nothing will *interfere with the peaceful enjoyment of the property* (Human Rights Act).

Yours faithfully

Subject: Representations in respect of the XOXO premises licence review (email 1 of 4)

Dear Sirs,

Please find below our representations in support of the licence review which has been requested for XOXO at 74 Upper Street, Islington.

Our interest in the review is as a local resident - we live [REDACTED] premises in question and we have been directly affected by the issues at XOXO since it opened for business.

First, we would like to express our thanks to the team that has initiated the review mentioned above. After several years of complaining about the premises in question it finally appears that something might be done to bring to an end the crime, anti-social behavior and noise problems which we have had to live with since XOXO opened.

We have lived in our flat for over 10 years and in all of that time we have never experienced the problems which we have experienced since XOXO opened for business. Our bedroom window [REDACTED] XOXO hence why we have been particularly badly affected.

Our support of the licence review is based on three of the four objectives as set out below.

Public Nuisance

Excessive noise from customers drinking outside the premises and leaving the premises - customers screaming and shouting all evening and into the early hours of the morning (it being particularly bad on Friday and Saturday nights) many of which appear to be very very intoxicated. We have called the Islington noise patrol team on numerous occasions and had the team in our flat to assess the noise levels. Anne Brothers is aware of the noise issues which we have experienced from the customers of XOXO and the team will, no doubt, be able to provide an accurate log of all of the calls which they have received in relation to the premises in question.

General anti-social behaviour - fights, arguing, excessive noise, drunk and disorderly behaviour etc which causes a public nuisance to local residents and other people enjoying a night out in Islington.

Vomit - having to face piles of vomit outside our front door on a Saturday and Sunday morning. Photographic evidence is attached in the emails following this one. We often lie in bed at night and listen to the intoxicated customers of XOXO vomit, urinate etc in St Albans Place in the early hours of the morning.

Crime and Disorder

Disorder in the street outside the premises including fights, drunk and disorderly behaviour etc - we have contacted the police on numerous occasions to report fights outside XOXO - it seems to be a regular event on a Friday and Saturday night.

Drug taking by customers of XOXO in St Albans Place - on occasions this has been clearly witnessed by the door staff who did nothing. In fact, once we saw the door staff asking the customers to move further up St Albans Place to do the drugs before letting them back into the premises. Evidence of the drug taking seen the morning after outside our front door is attached in the emails following this one.

Drug dealing - we have witnessed drug dealing in St Albans Place on occasions. There has also been suspicious behaviour involving the owner and staff at XOXO on occasions in the past around the back of the premises with people come and going from the street and cars stopping in St Albans Place.

Underage drinking - we note that alot of the customers of XOXO are very young. We don't know the age of such customers but it is sometimes questionable as to whether they are in fact over 18.

We would like it noted that we visited our local police station in desperation last year to see if it was possible to get the local police to keep an eye on the premises for us because of the crime and disorder issues which were regularly occurring in connection with XOXO. It has got to the point where we no longer go out late at night on a Friday and Saturday because of the fear of having to negotiate XOXO and its customers on the way to our front door.

Public Safety

Fights and very very intoxicated customers on the pavement outside XOXO makes the place a public safety hazard to other people enjoying a night out on Upper Street.

Rubbish - it is not usually to have bags of rubbish from the bar piled on the pavement in St Albans Place in the morning (we have reported this on one occasion to the relevant Council department). Photographic evidence is attached in emails following this one. The rubbish is a safety issues as it often contains alot of glass bottles etc not to mention a general public health issue. It also blocks the pavement meaning that people have to walk in the road instead.

We would also like it noted that the owner and door staff of XOXO do nothing to control its customers and prevent the fights, noise, drug taking etc from happening or escalating. We have lost count of the number of times that we have watched them just stand and do nothing while complete mayhem breaks out in the street and St Albans place.

We could write a very long email about the issues that we have experienced over the past couple of years thanks to XOXO however, we hope the information above will give you an idea of the problems. In addition, the licensing team already has copies of emails we have sent in the past complaining about XOXO. We would like it noted that we have had to deal with this while pregnant and in the last 6 months since our daughter was born. It is not fun trying to care for a very young baby who is often woken at night by the customers of XOXO screaming, shouting and fighting. At times we have had no option but to leave our flat and stay with family at the weekends.

In addition, we would draw your attention to some of the reviews of XOXO, which have been independently logged, on various websites such as tripadvisor and viewlondon.co.uk, which just show what the place and its management, are like.

In conclusion, we support the review that has been initiated 100 per cent. and we would strongly ask the review committee to consider revoking the premises licence and shutting the place down. A business such as XOXO has, in our opinion, no place in Islington. The management has been given numerous opportunities to improve its impact on the local area and has time and time again failed. The local residences, including us, have had enough.

Please note that we wish our representations to be treated as anonymous for the following reasons:

Please do not hesitate to contact us if you would like any further information or assistance from us.

We look forward to hearing the outcome of the review.

Kind regards,

Subject: Review of XOXO License

Dear Dan,

I, [REDACTED] Street, Islington, would like to submit a representation in support of the police review for the license held by XOXO at 74 Upper Street.

I would like my representation to focus on the Prevention of Public Nuisance as the alleyway either side of the two properties in question is regularly filled with loud and drunk individuals until the early hours of the morning, especially on Friday and Saturday nights. Whilst I have never had any conflict with the clientele, that is not to say it will not happen in the future and I urge you to take this in to consideration when reviewing their license.

Yours Sincerely,

You do not have to make any comment, and comments may be made in support of as well as against the application, providing they refer to one or more of the licensing objectives (please see the guidance notes for further advice).

Public Nuisance

I have contacted Islington Noise Patrol, Licensing, local councillors and Emily Thornberry MP many times over XOXO and the noise and anti-social behaviour emanating from the premises. My bedroom faces onto the side of XOXO and I have witnessed many fights, drug dealing, noise and general anti-social behaviour. The door staff do not adequately prevent problems or indeed get involved early enough in preventing disruption to neighbours. It is significantly more problematic than it was as 'The Green', the previous licensed business run from the same premises. Customers are let into XOXO already drunk and disorderly and late at night in particular it is noisy and dangerous outside. There are many licenced premises on Upper Street that have a very different atmosphere and do not have the extent of police call outs and problems I have witnessed living next door to XOXO since its opening.

I do not like walking home late at night past XOXO or up the lane of St Albans place where our flat door is as I often feel unsafe and the clientele are rowdy and overly intoxicated and aggressive. XOXO should have a responsibility to ensure customers do not cause noise and anti-social behaviour. There is regularly glass smashed in the lane of St Albans Place and evidence of drug taking as well as vomit – not something anyone appreciates on their doorstep.

The drinks promotions and offers at XOXO seem to draw a clientele who drink to excess and staff do not put limits on this consumption.

According to the new Licensing Policy 2013-2017 adopted in Islington last year - 'The Licensing Authority is determined to impose strict licensing controls **until the impact of alcohol consumption on the community, emergency services and local hospitals has reduced significantly.**' This 'impact' has not been significantly reduced and I think given this policy action needs to be taken so that business interests do not outweigh or encroach on the lives of residents any longer in the borough. I was saddened, though not surprised, to read in this plan that in 2011 Islington:

- was the second highest London Borough and well above the London

average, for violent crimes attributable to alcohol per head of population

- was above average in London for sexual offences in which the suspect had been drinking alcohol
- had the highest hospital admission rates in London due to alcohol attributable conditions
- had the sixth highest rate of alcohol related ambulance calls in London
- had 40% of its alcohol-related ambulance calls between 11pm and 4am with a peak callout on Fridays and Saturdays.

Something needs to be done so that the time and effort put into drafting this plan actually makes a positive difference to this community.

Crime and Disorder

I have met with several colleagues in Islington Council and local councillors and I strongly feel that a very serious incident at XOXO is inevitable if the current management (mal) practices of the premises continue and licensing arrangements. I have witnessed many fights and had to call Noise Patrol or the Police to report many times. I have also been disturbed by and watched very public drug dealing taking place beneath my window outside XOXO on St Albans Place.

It should not be up to residents to have to constantly police and keep this premises in check, licensing legislation should ensure that only those capable and responsible can 'manage' licensed premises in the borough. As a resident I have obligations to my neighbours to not infringe their quality of life, as do businesses in the area.

Protection of Children from Harm

Families living in the area should have the right to sleep peacefully without being woken up to violence, disorder and noise.

Broken glass, rubbish, remnants from drug deals and vomit on the street surely pose a danger to children playing in the area. This laneway is utilised by residents of Old Royal Free estate where many families and young children live and play.

Public Safety

XOXO and St Albans Place/ Upper Street have frequently been home to many large brawls and police call outs over the years. I am convinced it is only a matter of time before someone is seriously hurt or killed, and I would not want this to happen given residents have alerted the authorities consistently to the problems arising from the premises and used the channels and mechanisms we are given. To date this has largely seemed futile to me as little has been done, how bad does it have to get?

Upper Street is not only a commercial but a residential street where many residents like me should feel safe at home and in the area. Upper Street to me feels more dangerous in the almost ten years that I have lived in this area which saddens me. XOXO is not the only premises of concern but from my vantage point I see each weekend the impact XOXO and poor management and lack of adequate control by local authorities has on my quality of life and that of other residents and visitors.

Islington Council and the Metropolitan Police have a duty to protect residents and visitors in the

area, to maintain basic standards of public safety on Upper Street – the costs to the public purse in terms of policing and ambulance call outs emanating from XOXO's business are high. Public services would be better utilised preventing the problems rather than emergency services being regularly deployed at a huge costs to taxpayers.

I have been vocal as well as other residents on this premises and the negative impact it is having on the community. My now ex- flatmate [REDACTED] (who also sent a representation on this) moved out because of the noise and disturbance caused to her directly by XOXO and I don't think residents should have to move. I do not want to have to leave my home because local licensing plans and licensing laws are not effectively implemented.

I wish my identity to be kept anonymous Yes

We will treat representations as anonymous where there is a genuine reason to do so; if you wish your name and address details to be withheld then please explain the reason:

I want my name and details withheld as I live [REDACTED]

Hi Dan,

I was debating about writing to as I can't really comment on his application officially as a business operator I guess my comments would be discarded as I have a business next to Mr Santos.

However in my view, the excessive happy hour price offers coupled with the wrong choice of door security and the music policy makes a devastating combination.

As a business owner's view we have lost a lot of passing trade after midnight, because this section of upper street has become unwelcoming and intimidating. Locals and visitors after seeing many many time violence

and crimes from a particular type of crowd have deserted this portion of upper street. At 2am the police vans presence (for which I am grateful) caused by major scuffles and fights, is a major source of turbulence not only to the residents but to the visitors who would probably think twice before returning on Upper street at night.

We know the night economy is good for the area, we know people choose to dine out in certain areas more than others because there are places open late.

I can suggest on the license a mention about the music policy that in my view can help a lot. I know certain venues in central London are banned from playing RnB, hip hop and drum and base. Also an age restriction if possible to be lifted to at least 21.

This will help a lot to reduce the wrong crowd XOXO is attracting to come to the venue.

Please note that security XOXO is currently using is the same as the ones who were in Pitcher and Piano, for which I am sure you have a record of all the incidents. The issue with security is that they follow the instructions of the manager most of the time.

The main issue with Mr Santos is that he has no sense of what crowd and what sort of people we need to attract in the area. The understanding of the music styles, the trends and fashions are a key element to running a bar. I can suggest also that he should focus on serving food, the area is boiling with more and more people visiting upper street to catch a bite to eat. In the last year my restaurant on Essex Road is doing much much better than before.

In Ladybird we operate a very strict door policy and we make sure every night we do not let any people who we consider as trouble makers to set a foot in our place. I monitor personally and give strict instructions to my door staff. For me this is essential to 1st be part of a good, and respectable community and also it is beneficial to my venue's reputation, therefore my business.

I do apologies for my lack of vocabulary and poor expression to explain my view it is extremely frustrating for me to see that one or two venues poorly run can spoil a whole section of a street.

Please feel free if you think it is helpful to share my views with the committee and the residents who have issues with XOXO, I d be happy to get more involved, as i said earlier as a business operator, my views can be seen as biased by the committee and who ever will defend Mr Santos. Then I am not against him, I m just upset that we lost a lot of business due to his choices of crowd.

Best Regards

Dear all,

Please see the below notification of a review application submitted by the Metropolitan Police in relation to XOXO, 74 Upper Street.

I am writing to you as you have previously corresponded with the Licensing Authority in relation to this premises.

Licensing Inspections – XOXO, 74 Upper Street

5th October 2013 – 01:20 - Anthony Baptiste & Niall Forde in attendance.

We parked up and walked past XOXO at 01.20 (morn of 5th October) noted 1 door supervisor and a small crowd outside the premises. Walked down the side alley and noted music outbreak to the side of the premises as well as the rear door. A young girl was sitting on the pavement in the alleyway. We walked up to the top of the alley, the girl who was sitting on the pavement also walked to the end of the alley near to a residential block. We observed her for a while as we suspected she may have been taking drugs. After standing for approx. 10 minutes it was clear that the girl was using her phone and we did not witness her using drugs.

Then walked back down the alley towards XOXO, noted two young men and one young women standing near to XOXO (right outside Blacks camping shop). One of the two young men was rolling a cannabis joint which he then lit. The smell was fairly strong and we noted that the doorman did not react to this. Then observed the three people walk back into the club when finished. We walked around the block and noted what we thought were the same 3 who were smoking come out of the premises again.

Whilst this was taking place we noted one car parked almost in front of the premises, the car had 3/4 young men inside and did not move. Also noted one car immediately outside the premises with two young men leaning against the car.

While making observations, Niall noted that Cuba Libra had tables and chairs with people still outside. Niall spoke to them and had to show his ID. One of the men leaning on the car observed this and when we walked past again, he asked if I worked for the Council. We decided to leave at this point, the time was 01.45.

27th October 2013 - 01:45 – Dan Whitton & Simon Gallacher in attendance

Arrived in the vicinity and observed the premises from the bus stop opposite on Upper Street. There are two door supervisors working on the entrance. The smoking area appears to have been allocated to the area beneath the awning of the business unit next door, 73 Upper Street, a group of 8 persons smoking at the time of arrival. None of those persons in the smoking area have drinks with them. One of the door supervisors occasionally checking St. Alban's Place, the area is clear at this time.

Clocks went back at 2am, it is now 1am. Door supervisors are still doing a good job controlling the outside area and customers have now been contained behind a roped barrier (I guess that could be because they have spotted they are being watched).

01:15, a fight breaks out within the smoking area. The fight appears to be between two or three women. There is a lot of pulling and pushing, a mass of four or five people including a Door Supervisor fall to the ground over the rope barrier. The door supervisors get it under control but there is still shouting and people being held apart. A guy and two of the women involved are staggering around, look to be very intoxicated and are having an argument. The guy seems to want to go inside the XOXO venue, which is still open. These three people leave the immediate area and wander off towards Islington Green where they are still arguing. The other woman we believe was involved in the fight left the area with friends and is waiting at the bus stop where we are positioned.

01:25, the Police arrive in association with paramedics. We speak to Police and advise them what we had seen. Apparently a man at the scene is maintaining that he was stabbed and has his top off. There is blood from a neck wound. We had not observed the guy before and can only think that he was involved in the tussle. I thought that maybe he had fallen to the floor and been caught with a stiletto heel as the women we has seen earlier had very high spikes on. Apparently the guy has advised Police he does not want to take the

issue further and the Police decide to depart the area, the guy is now being treated in an Ambulance that has turned up. The Police did not speak to the venue staff.

01:30, there are about 7 people standing in St. Alban's PI who have exited the venue which is now closing, there are being quite loud. The door staff move them back onto Upper Street. There are now 3 DS's at the entrance of the venue along with the person I believe to be the owner of the bar.

01:30, a brief disturbance takes place on Islington Green o/s the Slug and Lettuce. We can identify people who have come from XOXO and another fight is thankfully avoided as the people involved go opposite ways. One group went up Upper Street, the other towards Essex Rd. These people also appeared to be intoxicated.

01:45, XOXO closes.

NB. The frontage of the venue has two CCTV cameras however these are not covering the smoking area outside of 73. If the premises wishes to use this area one the current cameras needs to be rotated.

1st March 2014 – 00:45 – Terrie Lane & Katie Tomashevski in attendance

22 people outside the premises in front of the shops, nobody in alleyway. Very young crowd, noisy, shouting and swearing. 2 Door staff saw us and told people to stand nearer to XOXO as they were spread along pavement. Music noise break-out from the premises. 1 cab outside and four young males standing around speaking on mobiles and to a car driver. Two young looking girls immediately outside XOXO were shouting and pushing against each other, they then both fell over and were then allowed to enter the bar. Hardly any control of people outside.

8th March 2014 – 02:00 – Dan Whitton & Niall Forde in association with Peter Connisbee of the Licensing Police

We arrive in the vicinity at approx 02:00. We observe o/s the venue for approximately 25 minutes. The door staff make efforts to get customers to move away from the venue as they exit but appear to be being ignored (A greater level of effort was made after we were observed by Door Sups but level of success was poor).

The customers generally appear to be under the age of 21 and many appear to be highly intoxicated, whilst we are observing the premises a female customer runs out into the road to catch up with her friends who are on the opposite side of the road near the bust stop. This individual, who is highly intoxicated, comes very close to being run-over by a car making it's way up twds Highbury on Upper Street, she ends up with her hands on the bonnet. We did observe a number of customers outside the venue with drinking glasses, on later investigation we were advised they had come from O'Neills (we were unable to confirm this).

The dispersal of customers is completed by about 02:25.

During the final stages of dispersal we approached the venue and spoke with the DPS, Santosh Kohli, who was outside the venue and had been involved in the slow dispersal of customers from the vicinity. We advise him of our concerns in relation to the length of time it took for dispersal and the level of intoxication amongst the customers. I advise him that it is my view that the age of his clientele is an issue in relation to the level intoxication and their reaction when told to leave the area, I also remind him that Anne Brothers of the Council's Noise service has raised these concerns previously.

Richard,

Thank you for your email.

I'm not going to agree with you as regards proposed condition two as I do feel it is 'proportionate' however if your Acquisitions Team can point to the Planning provision and reassure me as to meeting reasonable requirements to prevent noise breakout from the premises use then yes I will be able to withdraw. We did previously discuss plant criteria and sound insulation.

Condition one and Condition three as proposed and agreed are fine.

Eryka,

Further to our conversation , I have spoken to my clients and we can agree your proposed condition 1 . So far as condition 2 is concerned , my view is that this is not appropriate for inclusion within a licence allowing the sale of alcohol and sits better with planning . For this reason I don't think that it is either ' appropriate or proportionate ' as licensing conditions must be . That being said , I have asked Brian Fuller of my client's Acquisitions Team to contact you directly to discuss plant and machinery and he will be able to give you the comfort that you need .

With regards to condition 3 , we're able to agree the same wording as was applied (and agreed between us) at City Rd , being

No alcohol deliveries will be received by the store between the hours of 2300 and 0700 Monday to Sunday . No alcohol deliveries will be received by the store other than between the hours of 1300 and 1900 on Sundays or Bank Holidays .

On this basis , can you please confirm that you are able to withdraw?

Kind Regards

Richard

Subject: representation- Co-operative, 27 North Road

Dear Sir or Madam,

I am writing to make a representation against the granting of a premises licence COOPERATIVE SUPERMARKET
27 NORTH ROAD, N7 9GF

I am a resident of the building directly above the premises in question.

Name: [REDACTED]

Address [REDACTED]

I OBJECT to the licence on these grounds:

PROTECTION OF CHILDREN FROM HARM

- Most of the flats above the premises were targeted at young families (when they were marketed as shared ownership properties) and as a result contain at least 7 families (possibly more) with infants and children under the age of 8. A late licence such as the one proposed (until 11pm every day) will mean noise on the streets when these children are meant to be asleep.

PUBLIC NUISANCE

-recent community meetings have focused on anti-social behaviour on the street centring around one of only two shops that sells alcohol currently, this potentially could then centre on the new co-op instead.

Drug-dealing,late night noise,under-age drinking, bike theft and vandalism and street drinking have all been problems,the bike shed belonging to our building has been burgled and vandalised at least 3 times. Recently the police announced the North Road area to be a hot spot and increased their patrols.

One of the staff at the local shop was assaulted by one of the gang-members but did not press charges.

CRIME AND DISORDER

-the police blocked a late licence (until 11pm) for the Food & Wine store 400m down the road due to the recent high levels of anti-social behaviour on the street. These same reservations should also apply to the co-operative.

PUBLIC SAFETY- see above.

Subject: representation regarding new application by Co-operative Food, 27 North Road, London, N7 9GF

Dear Sir/Madam,

I write regarding the new application for licence by Co-operative Food, 27 North Road, London, N7 9GF

I write to oppose the granting of this on the following basis:

-this is an area fraught with social problems, which have so far not been successfully addressed by the local council. these problems are exacerbated by the manner in which the local community centre is used; the centre is located immediately opposite to the proposed licence premises. As it is, young people are gathering until early hours of the morning here and providing them with an immediate resource of alcohol is likely to lead to further social problems and criminal behaviour.

-our children are already exposed to the foul language of the young people gathering and shouting on North Road, having a licence to sell alcohol would just fuel this behaviour further

-my concerns are exacerbated by the proposed hours for the licence to sell alcohol, i.e. every day until 23:00. this is a residential area with very serious social problems - noise, anti-social and criminal behaviour. granting the requested licence would mean that such behaviour is exacerbated and fuelled by alcohol. indeed it means that we would not be able to make full use and peacefully enjoy our homes, but be exposed to nuisance, crime and disorderly behaviour and our children would have to witness such behaviour and be exposed to foul language.

Best regards

Subject: BLOCK ONE, UNIT A AND B NORTH ROAD-Application for sale of alcohol

I wish to place an objection to an alcohol license being granted to co op foods to be sold at the above site. I live off North Road so feel my comments are valid.

I have a number of reasons for this objection:-

1. The store will be directly next to the Gower School
2. The store is directly opposite both the Bridge and Hungerford schools.
3. On North Road itself there are already two stores that sell alcohol as well as Shillibeers bar.
4. 200 yards from North Road on York Way there is an off licence, a grocery store that sells alcohol and a Nisa store that is open 24 hrs and sells alcohol.

I feel the area is reaching saturation point for alcohol sales.

If you contact the police I'm sure they would tell you that we have particular problems in the area with youths and gangs and opening yet another store that sells alcohol will only exacerbate the problem.

I would ask you to take all these points into consideration when making your decision.

Many thanks

Dear Licensing Team,

As you are aware of, a new Off Licence has applied to open its market at North Road. However we are definitely opposed to this decision. North road is already a troubled street and a busy area with many residents and opening a new market that sells alcohol goods till late night times will mean increasing the conflict between troubled teenagers and bringing more teenage people to the district which will impact and play a role on the locals' peace and comfort. Moreover, the Off Licence will be opening its market right in front of a School which should also be taken into consideration. Due to already being a concerned road, we do not want the Off Licence to operate for now as we do not want to upsurge the number of problems we already face with and disturb the comfort of our neighbourhood residents. I hope you take this into consideration, and if you have any queries please contact me on [REDACTED]

Thank You

Yours sincerely

Health and Safety	No

Trading Standards	No
Public Health	No

3. Background

3.1 Papers are attached as follows:-

- Appendix 1: application form;
- Appendix 2: representations;
- Appendix 3: suggested conditions and map of premises location.

3.2 The premises is currently unlicensed.

4. Planning Implications

4.1 The property was granted a certificate of lawfulness for existing use of the ground floor as a café (A3) on 16 February 2005. There are no opening hours restrictions. If the sale of alcohol will be associated with the sale of food there is a change of use to A4.

5 Recommendations

5.2 To consider that this address is in the Bunhill Saturation or "Cumulative Impact Policy" of Islington. This special policy creates a rebuttable presumption that applications for new premises licences, club premises certificates, or variation applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact or otherwise impact adversely on the promotion of the licensing objectives.

5.3 If the Committee grants the application it should be subject to:

- i. conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3)
- ii. any conditions deemed appropriate by the Committee to promote the four licensing objectives.(see appendix 3)
- iii. any conditions deemed necessary by the Committee to promote the four licensing objectives.

6 Conclusion and reasons for recommendations

6.1 The Council is required to consider this application in the light of all relevant information, and if approval is given, it may attach such conditions as appropriate to promote the licensing objectives.

Mr Mehmet ALI

Dear Sir

Re: Premises Licence Application 132 Whitecross Street, EC1Y 8QJ

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives, being the Prevention of Crime and Disorder.

The venue is situated in the designated 'Bunhill Cumulative Impact Area'; a locality where there is traditionally high crime and disorder and a large number of licensed bars and off-licenses in the immediate area. There have been over 20 crimes recorded in Whitecross Street alone, in the last six months. Islington has almost double the national average of licensed premises per resident, and this is why the Police supported the implementation of the Council's Cumulative Impact Policy. This large number of licensed premises and the issues associated with these impacts greatly on the Police and all other emergency service's resources.

There are already over 35 licensed premises within a 250 metre radius of your proposed premises.

It is only for the above reasons that we are objecting to the application and propose that it is refused.

Should you wish to discuss the matter further please contact me on Mobile 07799133204 or via email, licensingpolice@islington.gov.uk

Yours sincerely

Dear John

REPRESENTATION FOR MARKET CAFÉ 132 Whitecross Street

I have no problem with the said premises licence as long as the tables and chairs outside are not allowed to serve food or alcohol after 21:00 Hours.

We already have to endure noise from the Market Cafe from 06:30 in the Morning when people arrive to sit outside and have Breakfast I think it only fair that as a local resident we have 9 hours of non disturbance from the premises in order to have a decent nights sleep.

Kind Regards

Please comment on the licensing objectives below relevant to your concerns or observations, you may also wish to include suggestions how your concerns could be addressed:

Public Nuisance FIRSTLY I DO NOT OBJECT TO THE ABOVE NAMED PREMISES BEING GIVEN AN ALCOHOL LICENCE. BUT DO CONSIDER THE HOURS OF OPENING FOR SUCH LICENCE FAR TOO LONG, TAKING INTO CONSIDERATION THE VERY CLOSE PROXIMITY OF GEORGE GILLET CT. 4 OF THE FLATS IN GEORGE GILLET ARE SITUATED ON TOP OF THE MARKET CAFE. ALSO THERE HAS BEEN NO MENTION OF ANY MUSIC THAT MAY BE PLAYED. LIVE, TAPED, OR OTHERWISE. I DO NOT THINK THIS WOULD BE SUITABLE AT ANY TIME, OWING TO THE FLATS BEING SO CLOSE TO THE ABOVE-NAMED CAFE.

Crime and Disorder THE SEATING PLAN SHOWS ALCOHOL TO BE SERVED DURING MON-SAT. 12.00 TO 23.30 - SUNDAY 12.00 TO 22.30. FIRSTLY MANY TENANTS ARE UNAWARE THAT SEATING OF TABLES AND CHAIRS WILL BE OUTSIDE ON THE PAVEMENT OF BANNER ST AND DIRECTLY UNDERNEATH THE FOUR FLATS MENTIONED ABOVE. NO GROUND FLOOR PLAN WAS ATTACHED TO THE INFORMATION FORWARDED TO THE TENANTS. I HAVE SEEN THIS PLAN, AS IT WAS GIVEN TO ME BY THE CHAIR OF THE T.A. I THEREFORE THINK IT ONLY FAIR THAT THE OUTSIDE TABLES IN BANNER ST, AND UNDER THE WINDOWS OF THE FOUR FLATS DIRECTLY ABOVE THE CAFE SHOULD BE TAKEN INSIDE BY 9.00 P.M. THEREBY GIVING THE TENANTS A LITTLE BIT OF PEACE FROM ANY NOISE. ALSO ANY TROUBLE THAT MAY BE CAUSED BY ROWDY PASSERS BY.

Protection of Children from Harm

THE FOUR FLATS MENTIONED PREVIOUSLY, THAT ARE SITUATED DIRECTLY ABOVE THE CAFE, TO MY KNOWLEDGE, THREE OF THESE FLATS HAVE CHILDREN OF SCHOOL AGE. SURELY IT MUST BE APPRECIATED THAT IT IS HARDLY SUITABLE TO EXPECT A CHILD TO BE PUT TO BED, AND HAVE THE NOISE OF CUSTOMERS FROM DIRECTLY BELOW, CONTINUING UNTIL 23.30PM. MON-SAT. AND 22.30PM SUNDAY. I THEREFORE THINK IT QUITE FAIR TO ASK THAT THESE TABLES, ALONG WITH THOSE IN BANNER ST. BE TAKEN IN BY 21.00 HRS. (9.00 P.M)

Public Safety AS STATED. I DO NOT OBJECT TO THE MARKET CAFE HAVING AN ALCOHOLIC LICENCE. BUT UNFORTUNATELY THERE IS QUITE A LOT OF NUISANCE EXPERIENCED, WITH LOUD AND ROWDY YOUTHS FROM TIME TO TIME. AND I WOULD NOT WISH TO SEE ANY TROUBLE ARISING FROM THESE TYPE OF INDIVIDUALS AND INNOCENT DINERS. THEREFORE MY REASONS FOR OUTSIDE DRINKING UNTIL SUCH LATE HOURS SHOULD BE CONSIDERED FAR TOO LATE, ALONG WITH TENANTS BEING ABLE TO RETIRE EARLY, IF SO WISHED, AND BEING ABLE TO OPEN THEIR WINDOWS, AND GET A GOOD NIGHTS SLEEP.

I wish my identity to be kept anonymous ~~Yes~~/No -

We will treat representations as anonymous where there is a genuine reason to do so; if you wish your name and address details to be withheld then please explain the reason:

[Empty box for providing reasons for anonymity]

Copies of this representation will be sent to the applicant, or their agent/solicitor, including name and address details (but other personal contact information such as telephone numbers and email addresses will be removed) unless you have specifically requested anonymity. Copies of this representation will be included in a report that will be available to the public and will be published on the internet; however the published on-line version of the report will have name and address details removed.

Dear Katie

Here is our objection under the heading public nuisance. A hard copy is in the post.

Public Nuisance

Islington council has made this a saturation zone and seeks to limit the cumulative impact on this area. However, although this application is exempt it will still add to the cumulative impact as it is so close to residential properties which surround this venue and this venue is, in fact, within the same block as social housing. It is also within an area of several other housing estates. The street layout also has the effect of amplifying any noise especially at night and has a detrimental impact on the lives of residents.

There are concerns that if this licence application is approved that this venue will cause a public nuisance as it is within the same block as social housing: George Gillette Court where shift workers, vulnerable adults and children reside just a few feet above. For this reason there are concerns about the tables and chairs outside and a few feet beneath people's homes. Therefore, if tables and chairs are made unusable as diners vacate tables from 9 pm until 10 pm when all tables are made unusable then this would lessen the impact (Licencing Policy 20).

There are concerns about the noise inside the venue as noise may seep up through the ceiling and affect the neighbours above and the increased foot traffic outside as diners leave would also have an impact. It is well-known that the flats in George Gillette Court – the block most effected – has bad soundproofing. Therefore, has sound proofing been installed within the venue as noise inside may seep up to the homes above affecting vulnerable tenants, children and shift-workers (Licencing Policy 18)? There is also the problem of increased foot traffic and taxis being so close to other residential properties.

Because of increased foot traffic and the noise of revelers leaving the venue and the noise of taxis pulling up. In line with Islington Council's Licencing Policy 8 the TRA would oppose drinks being served until 11.30 pm and would prefer they stopped serving drinks at 11 pm during the week and 12 midnight at weekend and the proprietor rigorously preventing noise nuisance of those leaving the premises (Licencing Policy 21).

There is also concern about the other premises in this row of shops. As shops are vacated the granting of this licence may set a precedent making the lives of those living above unlivable.
