43 **NAGS HEAD COVERED MARKET, 22 SEVEN SISTERS RD N7 6AG (Item B1)**

The licensing officer explained there has been an amendment to the application to remove Off Sales of alcohol and amend the opening hours, so these were now consistent with Planning. She reported that additional papers had been circulated following agenda despatch. These included papers from the applicant and their representative, and further representations from residents.

Objectors expressed concerns to another premises in the cumulative impact area serving alcohol. They explained this area was already a 'hot spot' for crime which included drug dealing, assault, public urination as well as already issues with noise and nuisance. There were already 4 pubs and 10 licensed restaurants in the area and therefore the objectors felt another one was not needed. There was also congestion in the area already with daily deliveries for the surrounding shops and premises and another premises will only worsen this, as there was not a tube stop close by so patrons would likely arrive by car. Objectors also stated they were concerned over the dispersal of patrons and the noise and nuisance

Licensing Sub Committee C - 8 June 2023

this created. They also felt they had not been properly consulted on matters and did not feel as though the communication with residents in the vicinity had been good enough.

In response to questions the objectors expressed that they would prefer the space to be used for retail purposes and they did not want any more motorised delivery drivers. They also explained that the incident log did not allay their fears but understood there were Anti-Social Behaviour issues in the area that did not arise just from this premises.

The applicant's representative understood the issues faced in the Nag's Head area and wanted to help improve the area, not worsen it. The applicant had no partnership with previous applications or the area downstairs other than wanting the use of the upper level for the street food stalls and bar. This was a well 'tried and tested' means of operation and would not be an alcohol-led style of operation. Alcohol would only be able to be purchased ancillary to food and there would be no vertical drinking or Off Sales of alcohol. The space would also be used for family friendly activities such as cooking classes and an exhibition space for artists to display their work. The applicant and their representative believed it promoted the Licensing Objectives and had received no objections from the Responsible Authorities despite being in a cumulative impact area.

In response to questions, the applicant and their representative explained they had reduced numbers from 400 to 130 in response to the initial refusal. They also explained there would be an automatic and manual headcount controlled by management and SIA door staff would be on site. Once the premises had reached 70% capacity an hourly headcount would take place. As for queues, these would be directed to the seven sister's road and managed by staff to elevate noise and nuisance. They explained an alcohol token would be given to be exchanged at the bar only when a substantial meal had also been purchased. Their main objective is to bring regeneration to the area and provide a new space for people to come and experience different cultures of food and activities.

Interested parties spoke in support of the application and explained the area was in desperate need of regeneration and there was a duty to encourage small businesses, which this space allowed. It was refreshing to see a new space in the area to make use of something which has previously not been used to its full potential. They did not feel as though there would be any increased Anti-Social Behaviour as it was not alcohol-led.

In summary the objectors felt as though the premises would only increase Anti-Social behaviour in the area and they did not feel the applicant met all the licensing objectives especially being in a cumulative impact area.

The applicant summed up explaining there had been masses of support for the application and premises and they had proven and would have continued to prove they meet all licensing objectives. They were also happy to liaise more with residents to help allay their concerns.

RESOLVED

That the application for a new premises licence, in respect of Nags Head Covered Market, 22 Seven Sisters Rd, N7 6AG be GRANTED

REASONS FOR DECISION

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

Licensing Sub Committee C - 8 June 2023

The Sub-Committee took into consideration Licensing Policies 2 & 3. The premises falls within the Finsbury Park and Holloway cumulative impact area. Licensing policy 3 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

14 local resident objections had been received and 19 local residents made representations in support. 3 ward Councillors made representations against the proposal. Conditions had been agreed with the Police and there had been an objection from Planning, based on a discrepancy with the proposed hours of operation and the condition about windows being closed except for maintenance. This condition and the hours were agreed by the applicant prior to the hearing.

The Sub-Committee heard evidence that there were serious problems already associated with cumulative impact in the vicinity of the premises. The residents opposed, described urinating in the street and anti-social behaviour including drug use and were concerned about dispersal of a large number of people from the premises. However, residents in support, argued that this proposal might benefit the area.

The Sub-Committee took into account that this was already a cumulative impact area and Licensing Policy 3, paragraph 54, refers to adverse impacts associated with late night venues in the Holloway and Finsbury Park area. Cumulative impact is concerned with the potential impact on the licensing objectives of a significant number of licensed premises concentrated in one area. Licensing Policy 3, paragraph 14 states that as a general rule the Licensing Authority does not consider the fact the premises will be well managed and run nor that the applicant operates similar premises elsewhere without complaint as an exception to the cumulative impact presumption. Under paragraph 54, the Licensing Authority recognises that it has to balance the needs of businesses with those of local residents.

Licensing Policy 3, paragraph 56, refers to possible exceptions to the policy where the premises are not alcohol-led, where cultural activities are offered and the premises were implementing match and event day controls, as recommended by the police. These premises would operate as a food hall and dining area with alcohol only being provided with a substantial meal.

The Sub-Committee was concerned there could be increased congestion by the use of cars and possible queuing into the Seven Sisters Road and the premises are some distance from the nearest underground station. The Sub-Committee was also concerned by the complaints of residents that the applicant had not sufficiently engaged with them and felt that quarterly meetings with residents as proposed would not allay the concerns of residents. The meetings should be more frequent, and efforts should be made to make sure local residents were informed of these meetings. To avoid late night problems, the Sub-Committee felt that hours should be reduced in this particular case. With these amendments the Sub-Committee considered that the granting of the license would not add to the cumulative impact on any of the licensing objectives.

The Sub-Committee was satisfied that granting the premises licence with the reduced hours and conditions agreed and added was proportionate and appropriate to the promotion of the licensing objectives

44 **D & D RESTAURANT AND LOUNGE, 347 HOLLOWAY RD N7 0RN (Item B2)**

The Licensing Officer introduced the case and explained there had been a recent resident concern regarding noise from building at the rear of the venue.

The Applicant explained they had installed noise insulation at the request of the previous committee this item was deferred from. The building work for this was now complete so there should be no more noise pollution. He further explained the recent noise the resident heard was from cleaning not building work and he had explained this to her at the time. He expressed that he had done everything he now could to reduce noise pollution.

Officers from the Noise Team had been to check the noise levels in residents' properties since the sound proofing had been completed and confirmed there was no longer concern for noise bleeding into surrounding properties.

The Sub-Committee asked the applicant what his understanding of the Licensing Objectives were. He explained it was not an alcohol-led business and would not be rowdy like a club, they also had a closing time of 11PM. He also explained there would be no Off Sales of alcohol and alcohol would only be consumed ancillary to food.

The Sub-Committee had further questions on how he would control Anti-Social Behaviour. He explained staff would be trained and that he would be happy to employ SIA security staff when needed on weekends. He would also place signs in the windows to remind patrons to respect the neighbours. There would also be a limit of 6 people allowed to smoke outside. The only music would be background music.

In response to a question from the Sub-Committee, the applicant explained the business model was a restaurant with a bar and lounge with a capacity of 35 to 45 people. They would have served Ethiopian food and alcohol would be served only with a meal.

RESOLVED

That the application for a new premises licence, in respect of D & D Restaurant and Lounge, 347 Holloway Rd N7 0RN be refused.

REASONS FOR DECISION

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee took into consideration Licensing Policies 2 & 3. The premises falls within the Finsbury Park and Holloway cumulative impact area. Licensing Policy 3 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

5 local resident objections had been received. There had been no representations made by the responsible authorities. Conditions had been agreed with the Noise team and the Police. Planning were considering an application to vary the conditions and there was an open enforcement case. Licensing had confirmed that sound proofing works were completed, and the premises had operated under a Temporary Event Notice (TEN) without complaint. Many of the objections related to past building works which had now been completed. However, the Sub-Committee were concerned that the applicant in his opening

Licensing Sub Committee C - 8 June 2023

address appeared aggrieved at a representation by a local resident, bearing in mind previous ill feeling between residents and the applicant.

The Sub-Committee noted that the hours sought were within the hours specified in licensing policy 6.

Under Licensing Policy 2, the Sub-Committee took into account the following matters:

- The fact the premises was in a cumulative impact area where a presumption against granting a new license applied
- The location of the premises and the character of the area, which is in a busy commercial area
- The proximity of the premises to residential flats and the potential impact on those residents
- The past compliance history of the current management
- Whether the applicant could demonstrate commitment to a high standard of management

Licensing Policy 2, paragraph 8, refers to the fact that Islington has one of the highest densities of licensed premises in England and careful consideration must be given to adding to them particularly in a cumulative impact area.

Licensing Policy 8 refers to management standards and whether he could demonstrate commitment to them. The Sub-Committee was not satisfied that the applicant demonstrated comprehensive knowledge of best practice, understood legal requirements, or could demonstrate knowledge of the licensing objectives and his responsibility under the Licensing Act 2003. He was unable to identify any of the licensing objectives and seemed unclear on what was meant by the question. Although one of the conditions he had agreed to was to operate Challenge 25, he said he would challenge people up to the age of 21, which was not what was required. The applicant spoke of future training of staff but did not go into detail and although he was prepared to use SIA door supervisors, he said he would use them at weekends 'if needed'. He did not seem to have a clear idea of what was needed.

The Sub-Committee concluded that the applicant had failed to rebut the presumption against granting a license in a cumulative impact area and it was likely that because of his lack of good management standards in that challenging Holloway Road District, that the licensing objectives of public nuisance or crime and disorder would be impacted. Granting the license would not promote licensing objectives and would be likely to add to the cumulative impact.

The meeting ended at 9.50 pm

2. Recommendations

- 2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;
- 2.2. These premises are located in the Holloway and Finsbury Park Cumulative Impact Area therefore the Licensing Sub-Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Sub-Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 2.3. If the Licensing Sub-Committee grants the application, it should be subject to:
 - i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and

3. Background

- 3.1. This property has not previously been licensed.
- 3.2. This application was received by the Council's Licensing Service on 7th June 2023.
- 3.3. Conditions were agreed with the Council's Noise Service, the Licensing Authority also received representations from two residents and two local ward councillors, copies of which can be found at Appendix 2

4. Implications

- 4.1. **Financial Implications**

4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

4.5.1. The Planning & Development section has the following comments to make in relation to the above license application.

4.5.2. The property is not a listed building or in a conservation area.

4.5.3. Relevant Planning History

Planning permission was granted on 23/07/1992 for the “Alterations to shopfront.” ref: (911391). No relevant restrictive conditions affecting the Use and opening Hours.

Planning permission was granted on 06/09/2021 for the “Proposed erection of new extraction and ventilation duct system for restaurant premises. ref: (P2021/1047/FUL). No relevant restrictive conditions affecting the Use and opening Hours.

4.5.4. Historical Google Street View records, it is confirmed that the property has been historically utilised for retail A1 use as a shop named “Bright House” from May 2009 to Nov 2020 and more recently A3 Use as restaurant “Amigos Burgers and Shakes” from July 2021 to date. It is important to note that A3 use falls within Class E of the Use Classes Order 1987 (as amended).

4.5.5. Additionally, there are no open enforcement cases associated with the property at this time.

4.5.6. As such, no objection is raised.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Licensing Authority Representation

Licensing Act 2003

Application for a new premises licence in respect of:

FOODY LIFE LIMITED/AMIGOS, 43-45 Seven Sisters Road N7 6AX

Licensable activities and timings applied for are to provide late night refreshment, on the premises from 2300 to 0300 each day. (Within the operating schedule it states delivery through Uber, therefore off sales would be required)

The grounds for the representation are:

Public nuisance

Prevention of crime and disorder

Licensing Policy Considerations

Licensing Policy 5 and 6 - Licensing Hours

Licensing Policy 22 - Public Nuisance

Licensing Policy 23 and 25 - Noise associated with licensable activities and deliveries

Issues of Concern

The applicant has not put forward any mitigation or information in the operating schedule to demonstrate that these premises would not have a negative impact in an area saturated with outlets for take away and delivery of food.

Licensing Policy 5 and 6 - Licensing Hours- The hours applied for are outside of the recommended policy hours for premises selling hot food and drink supplied by takeaway and fast-food premises, which is Sundays to Thursday 11pm to midnight and on Fridays and Saturdays 11pm to 1am.

Licensing Policy 23 and 25 - The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises, particularly when late hours have been sought. Where relevant representations are received, the Licensing Authority will impose appropriate restrictions and controls on the premises licence to prevent public nuisance and undue disturbance to residents from licensed premises

Recommendations

The Licensing Authority suggests that the Committee consider the effect of delivery drivers in the local area and ask that all deliveries be by non-motorised vehicles, and, that the management of the premises supervise the behaviour of the drivers and act on any drivers causing anti-social behaviour.

Management also to supervise customers at the premises to prevent gatherings outside, noise and anti-social behaviour and consider employing SIA registered security, to assist in the control of customers and delivery drivers.

The Licensing Authority recommends that the Licensing Sub Committee consider the application and the lack of information in the operating schedule as to how the premises would be managed, especially during the later hours, bearing in mind that the premises could attract customers from late night drinking premises in the area. To consider any representations from interested parties, any conditions suggested by the Council's Pollution Team, the Police, and Islington Council's Licensing Policy.

Dear Licensing Team

I wanted to object to this application to serve food until 3am. I believe that the current hot food license up to 11pm is sufficient. I was not sure if the license application also included alcohol? If it does, then I would also strongly object to this.

This restaurant is on a part of Seven Sisters road that is in the middle of a CIA and is also already quite busy with delivery riders in the evening. We have just spent a number of years attempting to get McDonalds (which is close to this restaurant) to take responsibility for their delivery riders late at night, which resulted in a license review and a reduction in the hours they can have take away deliveries.

I believe that granting this license would result in an increase of delivery rider ASB and noise nuisance. So I am objecting to it.

I am also worried about having spaces that allow people to congregate late at night, and I believe granting this license would create a focus for new footfall and late night activity on the Seven Sisters road that will raise community safety and ASB concerns.

Thank you
Asima

Licensing Team,

I wanted to object to this application to serve food until 3am. I believe that the current hot food license up to 11pm is sufficient. I was not sure if the license application also included alcohol? If it does, then I would also strongly object to this too.

This restaurant is on a part of Seven Sisters road that is in the middle of a CIA and is also already quite busy with delivery riders in the evening. We have just spent a number of years attempting to get McDonalds (which is close to this restaurant) to take responsibility for their delivery riders late at night, which resulted in a license review and McDonalds eventually agreeing with the council to not use moped delivery drivers.

I believe that granting this license would result in an increase of delivery rider ASB and noise nuisance. So I am objecting to it.

I am also worried about having spaces that allow people to congregate late at night, and I believe granting this license would create a focus for new footfall and late night activity on the Seven Sisters Road that will raise community safety and ASB concerns.

Regards,

Cllr Gary Heather

To the licensing service,

I'd like to comment on the application for the new license at the above address, as a resident of [REDACTED], directly [REDACTED] AMIGOS, on several grounds:

Public Nuisance: the ventilation fan on the flat roof above AMIGOS is not fit for purpose. During busy periods there is already thick acrid-smelling smoke billowing from them. There is an unpleasant smell and the level of noise is disturbing to those in the flats immediately above the restaurant. They already continue to operate past the existing closing time of 23.00, in contravention to the original license conditions. Residents of the 6 flats at [REDACTED] [REDACTED] are already disturbed every night between midnight-01.00 by the slamming of the service doors into the yard at the back of the property, and at Sunday night by refuse trucks emptying the commercial bins in the yard. If license hours were extended to 03.00 they would cause a disturbance longer into the night while residents are trying to sleep, both in smell/smoke and in noise, and more commercial waste would be produced so the bins would need to be emptied more frequently. Further noise disturbance is caused by delivery driver traffic to and from the restaurant, and customers leaving. To extend the hours of this noise disturbance to 03.00 would not be tolerable.

Crime and Disorder: since the restaurant has opened, we have twice had break-ins to [REDACTED] where bicycles have been stolen from the communal hallway. Extending the opening hours would mean there would be more activity around the entrance door to [REDACTED] during the early morning, leaving the residents of the 3 flats vulnerable to more crime.

Public Safety: the pavement immediately outside AMIGOS was turned into a bus stop during the Covid pandemic. The pavement space therefore is already uneven, and very restricted by the bus stop, the public rubbish bins, and the residents' front door for the 3 flats at [REDACTED]. There is already a volume of litter from the restaurant that can be seen on the pavement outside the restaurant. Extended hours would increase the amount of litter in the public bins and on the pavement, causing potential vermin problems. Within the past week a bus at the bus stop outside AMIGOS has had it's door glass shattered - proof of the lack of ample space on this stretch of pavement. Delivery drivers (both pedal cycles and mopeds/scooters) frequently drive up onto the pavement to stop directly outside the restaurant door to pick up orders. In itself this is extremely dangerous to pavement users, particularly the residents of [REDACTED] whose street door opens directly onto this stretch of pavement with no visibility. For this to continue during extended opening hours during the night would be increasingly dangerous.

I am surprised that AMIGOS was granted a license at all, considering Islington's Cumulative Impact policy. Extending the opening hours would further exacerbate the existing problems of smell/smoke, noise disturbance, litter & public health, crime, public safety.

Regards,

Dear Sir/Madam

REFERENCE: AMIGOS BURGERS & SHAKES, 43-45 SEVEN SISTERS ROAD, ISLINGTON LONDON N7 6AX

I hereby enclose my objection to the Amigos Burgers & Shakes application, and have done so by not including my address so as to guarantee myself complete anonymity as a [REDACTED] resident living [REDACTED]

I trust my choice of complete anonymity will not impede my response and reasons as to my objections.

Can you please kindly acknowledge my email, and further communicate to me via email should you need to do so.

The proposal is completely unacceptable due to the late proposed hours of opening and playing music. Salterton Road is a residential road and will have a huge negative impact on people's lives and will cause more stress/anxiety to the local residents. The possibility for this premises to be allowed open into 3am is totally out of character for a residential road.

The proposal will cause the following issues and therefore I strongly object to the licence proposal.

he crime rate will increase and will be detrimental to people's lives and residents living on the road. Residents/people will not feel safe to walk on the road late at night. There will be more people drinking on the streets and causing arguments/fights/loud noise and it's clearly not fair for the residents. There are some elderly/vulnerable residents living on Salterton Road – this is not the quality of life they will want to live through during the night – they will be terrified with the noise and disruption on a daily basis. The residents have the right to enjoy night-time peace and quiet!

here is already a high level of violence/crime on Seven Sisters Road/Holloway Road, this will add to crime problems (ie car thefts and damage to properties after midnight) by allowing such use of these premises and as a result more innocent people and their lives will be affected. These opening hours do not show any respect or consideration for being in a residential area, whereby some households are going to work early in the morning. This will be an added danger to children, elderly residents and the younger residents with school age children and children under school age living on the road, when their night sleeps could be severely disrupted and disturbed. We do not need the extra anxiety which is being caused by this inappropriate application.

here will be an increase in anti-social behaviour and the noise until the early hours and will impact negatively to the residential roads nearby to Amigos.

ack of parking this will cause on the road (this is not fair for residents that pay for valid permits).

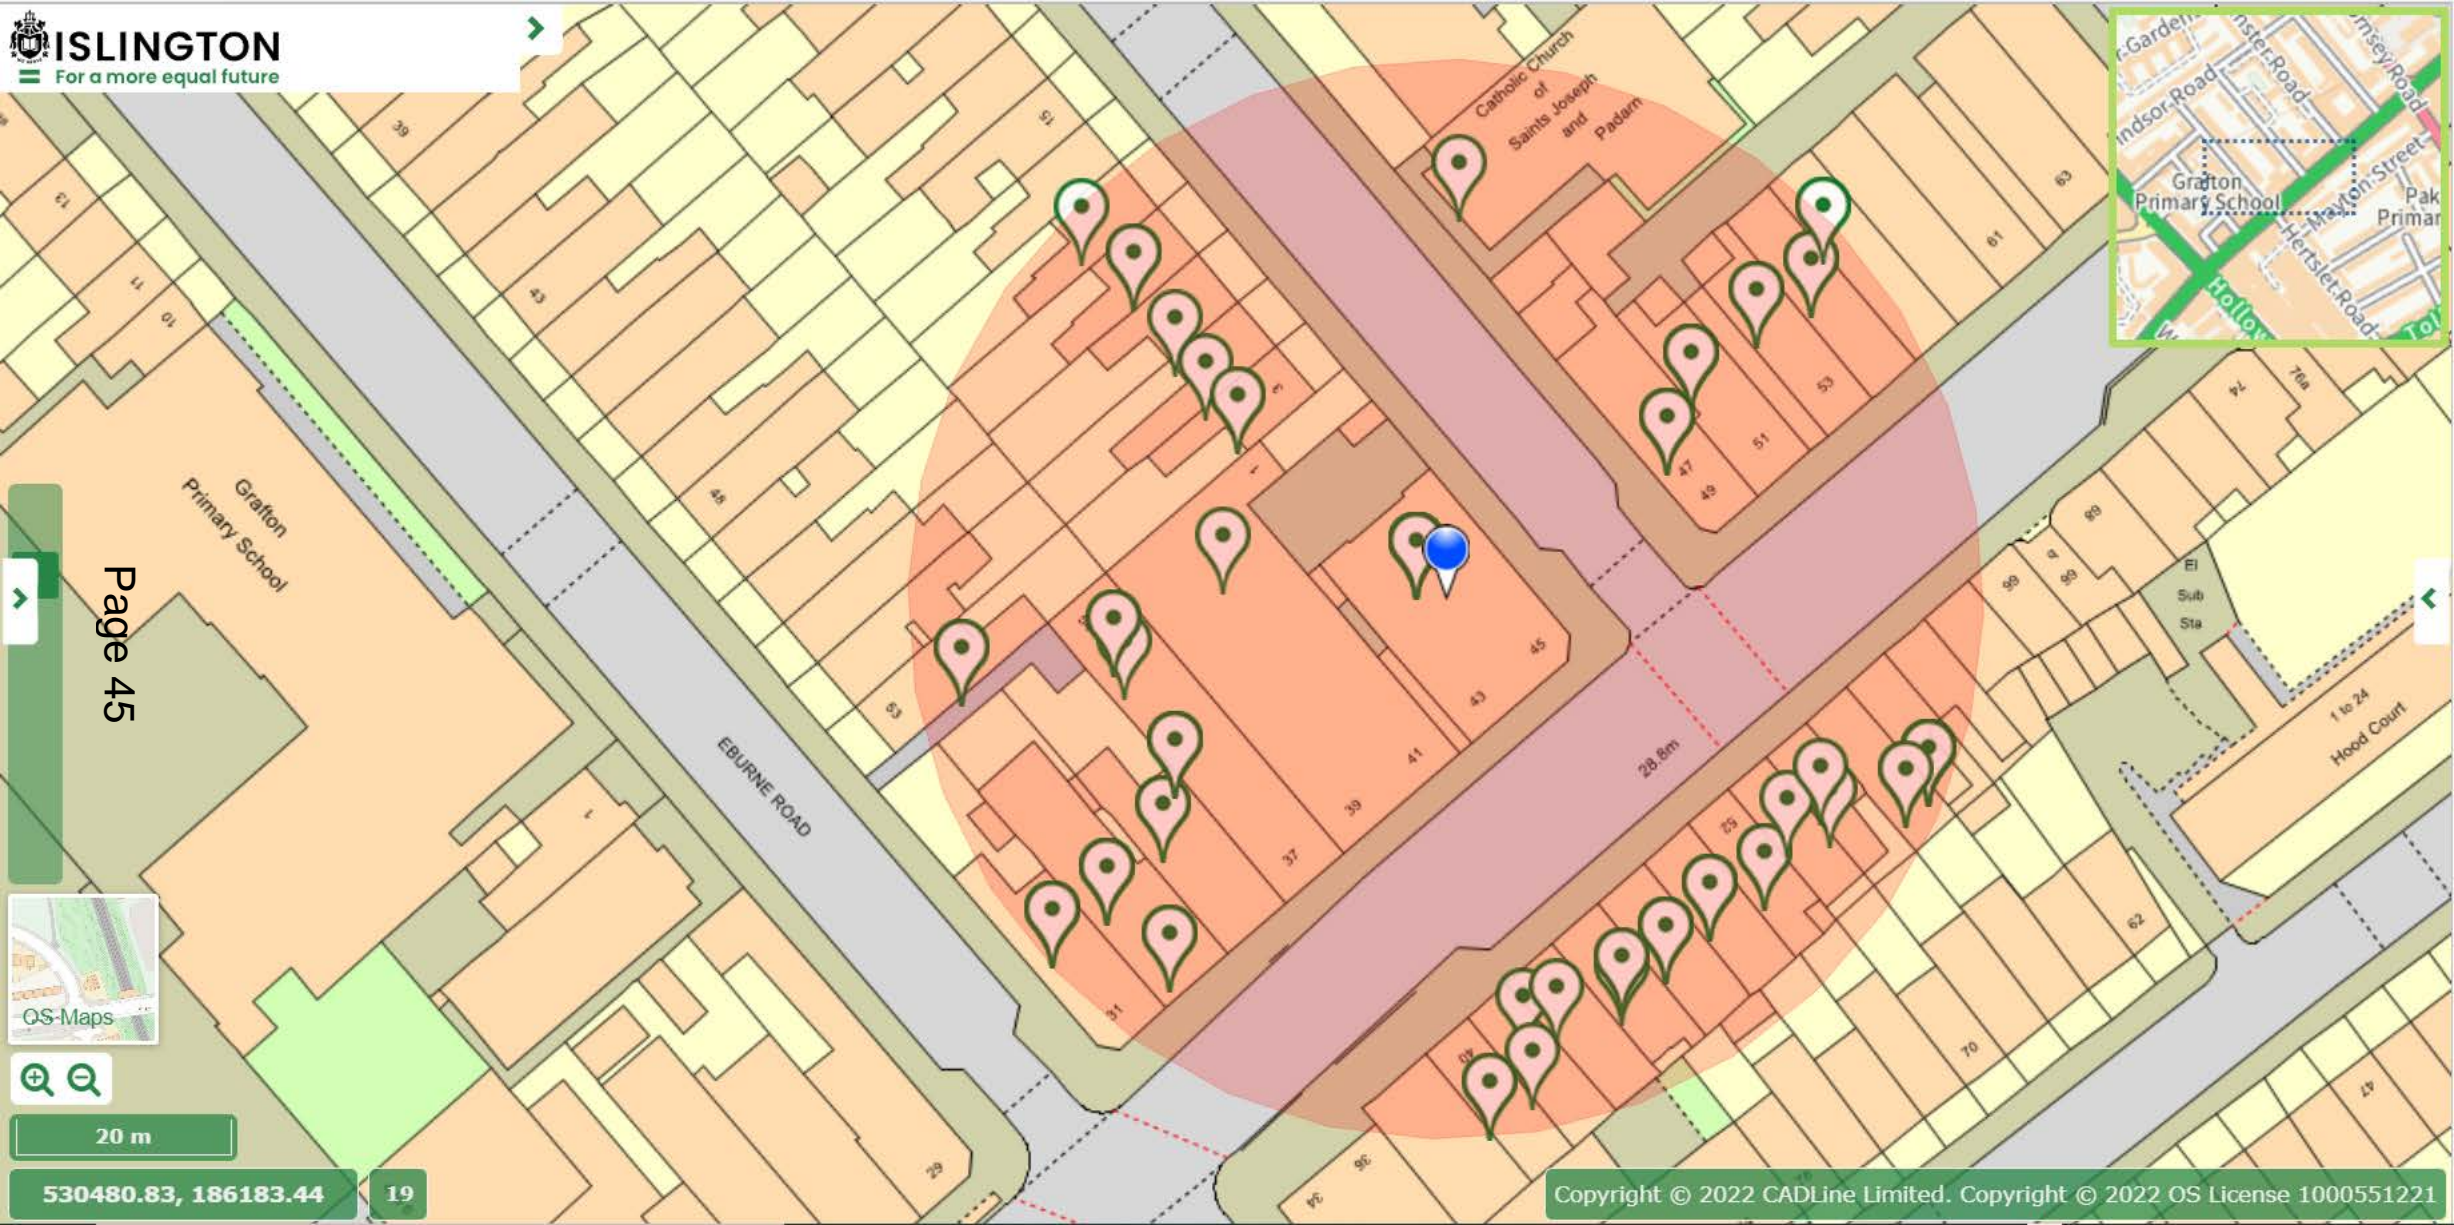

rresponsible drinkers/trouble makers and rowdy behaviour will add to distress to the local residents

Vill lead to drug problems at night and will make matters worse
here will be an increase in drunken people urinating on the roads
ittering is also likely to increase and this will be a concern for residents
I trust my objection will be taken into account when reviewing this license application.
Kind regards

[REDACTED]
