Carouse London Ltd – Proposal for the Hopsmiths 29 Crouch Hill N4 4AP

Introduction

In the spring of 2014 Carouse London Ltd was formed with the initial motivation of converting the Torriano, a small under loved pub in Kentish Town, North London into a thriving public house serving the community a diverse range of craft beers from all around the country, further afield and most importantly to showcase the wealth of craft breweries that have sprung up in the city over the past 7 years whose products we were noticing were in considerable growth around the capital.

Carouse London Ltd comprises Ben Caudell, Theo Caudell & Chris Hurd.

By Summer of the same year we had bought the lease on the premises, completely upgraded the décor, dispense system, sourced a whole range of bespoke products and some fantastic staff to serve them. On July 23rd 2014 The Rose & Crown was born, re acquainted with its original name, ready to serve the public.

The pub's previous guise had lost its way and was no longer a part of the broader community, we wanted to re-open the business to all sections of the area's population so that the pub could be used as a community hub.

The Rose & Crown provides a quality product range across the board including showcasing the best breweries across London & further afield. A bespoke wine and spirit range to compliment. Our food offer showcases the best in London Street food, operating pop up kitchens on a 3-6 month rotation. Giving Local business a platform from which to grow & springboard. An example of this is www.coqfighter.com who operated their first long term pop up kitchen at the Rose & Crown and have since moved on to operate two restaurants, one in Croydon boxpark and one in Shoreditch.

The opening and subsequent operation of the Rose & Crown has not gone unnoticed, winning best pub in Kentish town & Tufnell park 2014 and 2015 <http://www.timeout.com/london/things-to-do/kentish-town-a-locals-guide>

also appeared in the top ten new openings of 2014 in the Kentish town area

Moving forward Ben would look after the financial and administrative side of both sites

Theo Caudell (Purchasing manager)

For the past six years Theo has been working for Barmetrix as a consultant in the bar/pub/club industry with clients spread all over London. As part of his job specification, Theo has been studying and analysing the sales quantities for itemized products.

Theo spearheads the companies purchasing in terms of new products. With an ever-growing number of breweries in the uk, spread across London and more further afield. Theo keeps us ahead of the game in terms of our beer list which will bring custom from a further flung audience seeking out rare and hard to find examples of beers from artisan breweries near and far

The Hopsmiths

The Hopsmiths (formally known as the Nobel) has been vacant now for around 9 months. In its latest incarnation whilst introducing a diverse beer list to the small cornerstone pub it failed to impress the community with its shortfalls in terms of comfort and product range. Being part of a company that operated number of other venues alongside a small brewery the collapse of the brewery in mid 2016 led to the liquidation of Hopsmiths and the unfortunate expiration of its license.

Following an extensive period of research on the surrounding area, investigating historic reviews and forum comments relating to the pub we believe we have the perfect formula to provide the area with a new community hub that we feel can serve the inhabitants of crouch hill with a quality product in terms of comfort, drinks, food, ambiance and atmosphere.

As well as providing a new personality and offer for the pub and completely repositioning the venue in the marketplace we will also go to great lengths to ensure that the new incarnation of the pub and its management, led by myself, goes to great lengths to align with the community and work alongside agencies to ensure the long term health of the business and position within its locality

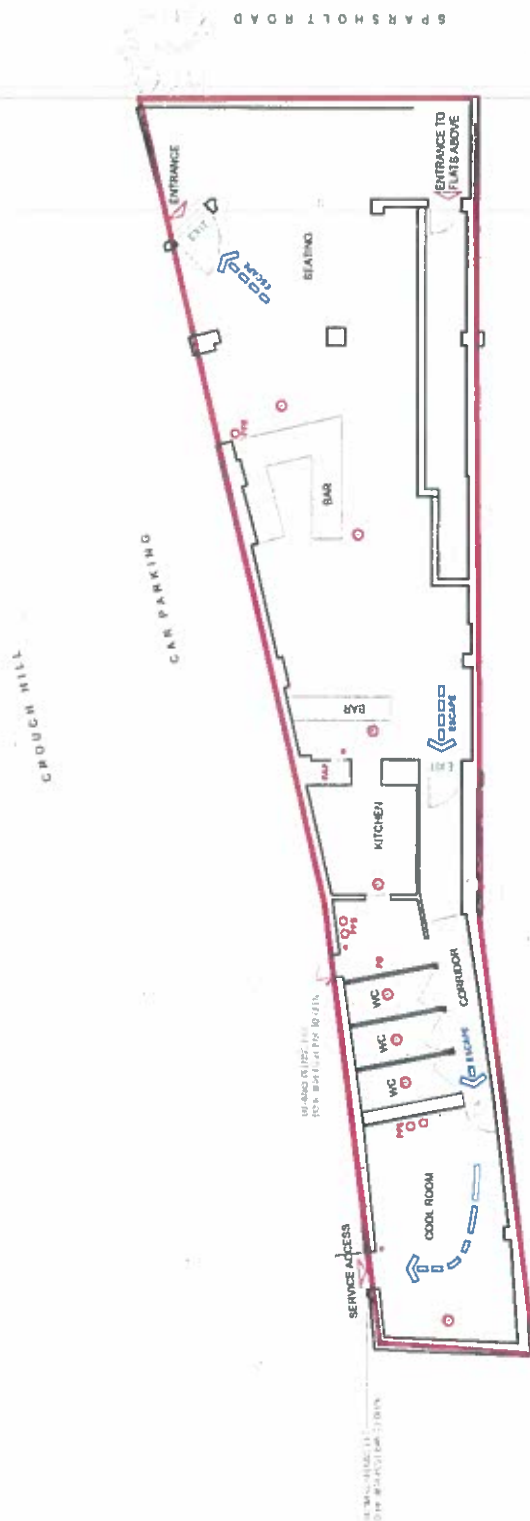

Look forward to hearing from you

Many thanks

Dear Sir

Re: Premises License New: HOPSMITHS 29 CROUCH HILL LONDON N4 4AP

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application to vary the License as it is our belief that if granted the application would undermine the Licensing Objective, The prevention of Crime & Disorder.

Upon receipt of the above application I emailed the applicants agent on 25/07/2017 putting forward suggested conditions concerning the use of CCTV and the reporting of serious assaults, both conditions aimed at assisting in the prevention of crime and disorder. I also asked a question about what form the proposed off sales would take. I requested a response within 7 days to allow me to fully process the application. At the time of writing this representation I have still not had a response from neither the applicant nor their agent. I am disappointed at this lack of response as it does not bode well for future communication with the venue if a license was to be granted.

It is for these reasons that we are objecting to the application and propose that it is refused.

If the Committee is minded to grant the license then I would put forward the following.

No off sales, unless the applicant can give a full and detailed explanation as to what form these sales will take and how they will be controlled.

CCTV:

- **CCTV shall be installed, operated and maintained, at all times that the premises is open for licensable activities, so as to comply with the following criteria:**
- **The licensee will ensure that the system is checked every two weeks to ensure that the system is working properly and that the date and time are correct. A record of these checks, showing the date and name of the person checking, shall be kept and made available to Police or authorised Council officers on request;**
- **One camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering;**
- **The system will provide full coverage of the interior of the premises and any exterior part of the premises accessible to the public;**
- **The system shall record in real time and recordings will be date and time stamped;**

- **Recordings will be kept for a minimum of 31 days and downloaded footage will be provided free of charge to Police or authorised Council officers on request (subject to the Data Protection Act 1998) within 24 hours of any request; &**
- **At all times, there will be a person on the premises who can operate the system sufficiently to allow Police or authorised Council officers to view footage on request and to supply a copy of footage immediately to Police to assist with the immediate investigation of an offence.**

Serious Assaults:

- **In the event that a serious assault is committed on the premises (or appears to have been committed) the management will immediately ensure that:**
- **The police (and, where appropriate, the London Ambulance Service) are called without delay;**
- **All measures that are reasonably practicable are taken to apprehend any suspects pending the arrival of the police;**
- **The crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and**
- **Such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.**

Public Nuisance. This premises is on the corner of a quiet residential street. It has open-air areas both front and back. When it was open before, the noise from these areas was sometimes very disturbing, with drinkers thick on the pavement. I can accept this in an established place - within reason - but would object very strongly to the opening hours being extended at night.
