3. **Background**

3.1 Papers are attached as follows:-

Appendix 1: application form, including current licence;

Appendix 2: representations;

Appendix 3: map of premises location.

3.2 The licensee was first granted a licence for these premises by the Licensing Sub-Committee on 15 December 2011. There was a subsequent variation application for extension of hours refused by Licensing Sub- Committee on 10 March 2012.

3.3 The premise is located in the Finsbury Park Cumulative Impact Policy Area.

3.4 The applicant has proposed no additional measures in their operating schedule to promote the licensing objectives.

4. **Planning Implications**

4.1 Planning has reported that they have no objections to the application.

5 **Recommendations**

5.1 To determine the application for a variation of the premises licence under Section 34 of the Licensing Act 2003.

5.2 To consider that this address is in a Saturation or "Cumulative Impact Policy" of Islington. This special policy creates a rebuttable presumption that applications for new premises licences, club premises certificates, or variation applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact or otherwise impact adversely on the promotion of the licensing objectives.

5.3 If the Committee grants the application it should be subject to:

- i. conditions of the existing premises (see appendix 1).
- ii. any additional conditions deemed appropriate by the Committee to promote the four licensing objectives.

6 Conclusion and reasons for recommendations

- 6.1 The Council is required to consider this application in the light of all relevant information, and if approval is given, it may attach such conditions as appropriate to promote the licensing objectives.

Application: 231 Seven Sisters Road. N4 2DA

I am submitting a representation on behalf of the Licensing Authority with respect to the variation application for the above premises to extend the hours for sales of alcohol off the premises:

- On Friday and Saturday until 01:00.

The grounds for the representation are:

- Public nuisance
- Crime and disorder

Licensing Policy Considerations

Location, cumulative impact and saturation

Licensing Hours

Issues of Concern

1. The premises are located within the Finsbury Park Cumulative Impact policy area. The onus is on the applicant to demonstrate that these premises will not add to the cumulative impact. The applicant has not done this in the operating schedule. There are a high number of licensed premises in the vicinity and it is our opinion that the proposed application will add to the cumulative impact.
2. The premises currently operate within the Council's framework hours. Extending these hours would add to the impact on the emergency services and local residents.
3. The licensing authority receives regular complaints from local residents and businesses about anti-social behaviour emanating from late night premises in the area. Licensing officers regularly visit the area and have worked with local licensed operators to minimise the impact their businesses have on the local environment, for example through the successful introduction of the "reduce the strength" campaign. There is a specific concern about the impact of street drinking in the area.

Recommendation

In order to promote the licensing objectives, it is recommended that this application is refused unless the applicant is able to demonstrate a rebuttal of the Council Licensing Policy.

These premises are located in the Holloway and Finsbury Park Cumulative Impact Area therefore the Licensing Committee will need to consider Licensing Policy 2, which states that there is a presumption of refusal unless the Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.

Dear Sir

Re: Premises License Variation GUNAY SUPERMARKET 231 SEVEN SISTERS ROAD N4 2DA

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application to vary the License as it is our belief that if granted the application would undermine the Licensing Objectives, The prevention of Crime & Disorder & The prevention of Public Nuisance

The venue is situated in the 'Finsbury Park/Holloway Road Cumulative Impact Area' (CIA), a locality where this is traditionally high crime and disorder and there are concerns that this application will cause further policing problems in an already demanding area. Islington has almost double the national average of licensed premises per resident, and this is why the Police supported the implementation of the Council's Cumulative Impact Policy. This large number of licensed premises and the issues associated with these impacts greatly on the Police and all other emergency services resources.

The applied for hours fall outside of the Council's Licensing Policy 2013-2017 frame work hours.

Off-Licenses - Closing time 2300hrs.

The venue is currently licensed to sell alcohol from 0800hrs - 2300hrs and close at Midnight Monday – Sunday.

We cannot see how an extension of the current hours will fail to increase the cumulative impact in the area, yes there are other premises nearby that have later licenses but these licenses were in place before the cumulative Impact areas began and were one of the reasons the CIAs were put in place. Increasing the hours at this venue will not bring anything new or exceptional to this area apart from an increase of the availability of alcohol to persons who are out late at night. These persons frequently become the victims of crime due to the vulnerable state they are in or become the perpetrators of crime.

It is for these reasons that we are objecting to the application and propose that it is refused.

Yours sincerely
