Subject: RE: Premises Licence Application: Ed's Easy Diner

I object to this application. The premises were formerly unlicensed. The licence, if granted, would create one more outlet serving alcohol, in this case for 14 hours, in a saturation zone. The premises overlook both Upper Street and the pedestrian passage through the N1 centre and no doubt the applicant will want outside seating and an area for smoking which will lead to drinkers and smokers congregating outside on the balcony area.

The business of Ed's East diner is described by the applicant as a retro/American diner. There is therefore no need for a licence to serve alcohol unless it is served to diners taking a main meal. What seems to be envisaged at the moment is another public house albeit one which is waitress service. There are already more than sufficient number of drinking venues in the immediate location and another one should not be permitted. For the same reasons an off licence should not be granted.

9am in the morning is too early for serving alcohol if the establishment is a diner and too early if is a drinking establishment masquerading as a restaurant.

The application should be refused.

Attachments: App.form.pdf; Plan.pdf

Dear Sirs I write to object to the granting of the application for a new premises license for Ed's easy diner, N1 centre.

I am disappointed that a retail tenant could not be found for this site: that this is one more step in the creep towards a food-and-drink only economy in angel.

Most importantly I object to the application for off sales and to any sale of alcohol other than with a full meal. With the amount of ASB we have in this cumulative impact zone, the last thing we need is another source of off-sales or indeed another drinking establishment. We have off licenses at the top of Goswell Rd and St Johns st and 3 supermarkets in Liverpool Road so there is absolutely no excuse for the further provision of alcohol other than as part of a full meal

Please tun it down

Regards
