Standards of Conduct

The role of Pension Board members requires the highest standards of conduct and therefore the “seven principles of public life” will be applied to all Pension Board members and embodied in their code of conduct.

These are –

- **Selflessness** - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.
- **Integrity** - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- **Objectivity** - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- **Accountability** - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
- **Openness** - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands it.
- **Honesty** - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.
- **Leadership** - Holders of public office should promote and support these principles by leadership and example.

As members of a publicly-funded body involved in the discharge of public business, all members of a Board should comply with these principles in the exercise of their functions. They require the highest standards of conduct.

Members of the Board will also be expected to adhere to the Council’s Code of Conduct which will be issued to them upon appointment

Conflicts of Interest

The Corporate Director of Finance and Resources shall be responsible for maintaining a conflicts of interest policy for the Board.

The Public Service Pensions Act 2013 and the Local Government Pension Scheme Regulations 2013 require that members of the Board do not have conflicts of interests. All members of the Board will be required to declare any interests and any potential conflicts of interest in accordance with these requirements on appointment and at regular intervals thereafter so they can be included in the Board’s register of interests.

An appointed member of the Board is under a duty to provide the Scheme Manager with such information as the Scheme Manager reasonably requires to satisfy itself that such person has no conflicts of interest.

Conflicts of interest will be included as an open agenda item at Board meetings and revisited during the meeting where necessary.

Members of the Board should review conflicts of interest at least annually and maintain their entry in the Board's register of interests.

Conflicts of Interest shall be treated akin to, and have the same effect as, disclosable pecuniary interests under the Members' Code of Conduct.

Knowledge of Members and Training

All employer and member representatives on the Board are required to have capacity (i.e time to commit to the preparing for and attending the Board and training) to represent scheme employers or scheme members (as appropriate).

All members of the Pension Board must be conversant with –

- The legislation and associated guidance of the Local Government Pension Scheme (LGPS).
- Any document recording policy about the administration of the LGPS which is for the time being adopted by the Islington Pension Fund.

A member of the Pension Board must have knowledge and understanding of –

- The law relating to pensions, and
- Any other matters which are prescribed in regulations.

It is for individual Board members to be satisfied that they have the appropriate degree of knowledge and understanding to enable them to properly exercise their functions as a member of the Board.

Board members are required to be able to demonstrate their knowledge and understanding and to refresh and keep their knowledge up to date. Pension Board members are therefore required to maintain a written record of relevant training and development.

Board members will undertake a personal training needs analysis and regularly review their skills, competencies and knowledge to identify gaps or weaknesses. Board members should draw to the attention of the Corporate Director of Finance and Resources any areas in which they consider they need training or information.

Board members will comply with the Scheme Manager's training policy and are required to promptly complete any training designated by the Board as mandatory.

The Board should prepare and keep updated a list of the core documents recording policy about the administration of the Fund and make sure that the list and documents (as well as the rules of the LGPS) are accessible to its members (see publication of pension board information below).

Termination of Board Membership

Appointments will terminate at the expiry of a member's term of office.

Membership of the Board shall automatically terminate in the event that:

- a member who is a councillor is appointed to the Pensions Sub-Committee as a member or a substitute member;
- a member is appointed to the role of an officer of the Scheme Manager with responsibility for the discharge of functions under the Regulations;
- a representative member ceases to represent his constituency, for example if an employer representative leaves the employment of his employer and therefore ceases to have the capacity to represent the Fund's employers;

Any appointment to the Pension Board may be terminated by the Council or the Audit Committee if any of the following situations arise:

- a member has a conflict of interest which cannot be managed in accordance with the Board's conflicts policy;
- a member fails to attend meetings or otherwise comply with the requirements of being a Board member, for example fails to attend the necessary knowledge and understanding training;
- a member is not adequately meeting their duties in some other respect after this having been drawn to their attention and an adequate time being given for improvement;
- continued membership of a member is likely to cause damage to the reputation of the Board and/or of the council.

Where issues of this nature arise, the chair of the Board will have lead responsibility for an initial informal discussion with the member about the concerns. The Chair of the Board will be advised by the Corporate Director of Finance and Resources. If the issue cannot be satisfactorily resolved, the Board may recommend to the Council or its Audit Committee that the Board Member be removed from the Board.

Undertaking

Board members will be required to sign a written undertaking that they understand the requirements of the role and commit to those requirements. This will include without limitation:

- disclosing all dual interests and responsibilities which have the potential to become conflicts of interest and providing the Scheme Manager with such information as and when the Scheme Manager requires to ensure that any member of the Pension Board or person to be appointed to the Pension Board does not have a conflict of interest
- committing to attend meetings as required;
- committing to undertake and attend the necessary knowledge and understanding training;
- undertaking to abide by the Board's terms of reference and wider constitutional documents.
- complying with the Council's code of conduct
- complying with the Councils obligations and policies on data protection, information security and acceptable use.
- agreeing that they have read and understood a knowledge and policy document including a list of the core documents recording policy about the administration of the fund as set out by the Corporate Director of Finance on behalf of the Scheme Manager

Advisers to the Board

The Board will primarily be supported in its role and responsibilities by officers of the Council. Subject to any applicable regulation and legislation from time to time in force and to their use and any fees being agreed by the Corporate Director of Finance and Resources on behalf of the Scheme Manager in advance, the Board may consult with other advisors to help it better perform its duties including:

- The Fund's Actuary;
- The Fund's Administrator;
- The Fund's Investment Adviser(s);
- The Scheme Manager
- Other advisers, as approved by the Scheme Manager.

Reporting Breaches

Any breach brought to the attention of the Board, whether potential or actual, shall be dealt with in accordance with the procedure set out in a separate policy document.

Publication of Pension Board information

Up to date information will be posted on the Islington Pension Fund website showing

- The names and information of the Pension Board members

- The responsibilities of the Pension Board as a whole
- The full terms of reference and policies of the Pension Board and how they operate
- The Pension Board appointment process
- Who each individual Pension Board member represents
- Any specific roles and responsibilities of individual Pension Board members.

Pension Board papers, agendas and minutes of meetings will be published on the Islington Pension Fund area of the Council's website. These may at the discretion of the Scheme Manager be edited to exclude items on the grounds that they would either involve the likely disclosure of exempt information as specified in Part 1 of Schedule 12A of the Local Government Act 1972 or it being confidential for the purposes of Section 100A(2) of that Act and/or they represent data covered by the Data Protection Act 1998.

The Scheme Manager will also consider requests for additional information to be published or made available to individual scheme members to encourage scheme member engagement and promote a culture of openness and transparency.
