2. Recommendations

- 2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;
- 2.2. If the Licensing Sub-Committee grants the application, it should be subject to:
 - i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and
 - ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

3. Background

- 3.1. This property currently holds a premises licence, which was granted at the Licensing Committee Hearing on 31st October 2023. A copy of the current licence can be found at Appendix 2.
- 3.2. This application was received by the Council's Licensing Service on 21st March 2024.
- 3.3. Representations have been received from the Licensing Authority and Islington's Licensing Police; which are at Appendix 3 and conditions have been agreed with the Council's Noise Team.

4. Implications

4.1. Financial Implications

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190.00. Should the application be refused, the fee is not refundable.

4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. Environmental Implications and contribution to achieving a net zero carbon Islington by 2030

- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly, or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. Equalities Impact Assessment

- 4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.
- 4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. Planning implications

- 4.5.1. The Planning and Development Section have no comments on the above application.

5. Conclusion and reasons for recommendations

5.1. That the Licensing Sub-Committee determines this application.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Premises licence application Fairbridge Mini Market, 163a Fairbridge Road N19 3HS
Date: 15 April 2024 14:47:57

Dear Sirs,

I write to make a representation on behalf of the Licensing Authority against the application for a new premises licence for the above premises.

Reason being that a new Premises licence was granted to the applicant for this premises by the Licensing Sub Committee on 31/10/23.

The Sub-Committee concluded that the granting of the licence with the agreed conditions would promote the licensing objectives.

This new application seeks to remove some of those agreed conditions.

In particular, the following omitted conditions raise concern:

1. The premises licence holder, a personal licence holder or a fully trained member of staff authorised in writing by the DPS shall be present at the premises at all times during the permitted hours for the sale of alcohol.
 - a) After 18.00 on Fridays & Saturdays the premises licence holder, DPS or a personal licence holder shall be on duty until close.
4. Appropriate notices shall be clearly displayed by the entry / exit door and behind the counter advising customers:
 - e) That the shop does not buy alcohol or tobacco goods from unsolicited (cold) callers to the premises at any time and that details of any such unsolicited (cold) callers including CCTV images will be passed to the Police.
7. There shall be no supply of alcohol for consumption off the premises except in sealed containers.
8. **No beers, lagers, or ciders above 5.5% ABV** (alcohol by volume) shall be sold at the premises except for premium / craft products agreed in writing with the Licensing Authority.
9. **No spirits shall be sold in bottles of less than 20cl (centilitres).**
10. **All spirits must be displayed behind the counter and all other alcohol shall be displayed in clear line of sight of the counter.**
11. **All displays of alcohol must be specifically covered by CCTV at all times.**
12. **A maximum of 20% of the retail display space may be used for the display of alcohol at any time.**
13. **All alcohol not on display will be stored in a lockable store.**
14. All containers of alcohol shall be marked with a label stating the name and postcode of the shop
15. The premises will actively engage with and work with the local Police Team and the Police and Council Licensing Teams.
16. Invoices or copies of all invoices relating to all alcohol and tobacco goods shall be kept

on the premises for at least a year after the date of purchase. Alcohol and tobacco must never be purchased from a cold caller to the shop. A notice will be clearly displayed advising persons entering the shop that no alcohol or tobacco is purchased from unsolicited callers and that their details will be provided to the Police.

19. Management and staff will proactively discourage persons from drinking or loitering outside the shop both by monitoring the CCTV system & physical checks, politely asking persons drinking or loitering outside the shop to leave the area quietly.

21. No deliveries will be received or removal of rubbish especially glass take place between **20.00 and 08.00** daily.

22. A telephone number will be clearly displayed for residents to contact with any concerns and the details including the outcome recorded in the Incident Book.

25. A written refusals record will be kept as part of the Incident Book and made available to Police or Authorised Officers on request. The refusals record shall contain details of date & time, description of the person attempting to buy the age restricted products & the products that they were attempting to purchase, reasons why the sale was refused and the name and signature of the person refusing the sale. The refusals book is to be examined on a weekly basis by the premises licence holder / DPS and the data and time of each examination is to be endorsed in the book. Analysis of staff refusals and data such as the time / day is to be carried out by the premises licence holder / DPS on a weekly basis in order to predict trends and identify staff training and compliance issues.

26. All staff Training will include the operation of the CCTV system including downloading images & footage and the Challenge 25 proof of age scheme. Challenge 25 training will include identifying persons under 25, making a challenge, acceptable proof of age, making and recording a refusal, proxy sales, avoiding sales to intoxicated persons, avoiding conflict, responsible alcohol retailing and safeguarding children, vulnerable people, girls, and children. A written training record shall be kept for each member of staff and produced to Police or Authorised Officers on request.

27. In the event that an assault is committed on the premises (or appears to have been committed) the management will immediately ensure that:

a) The police (and, where appropriate, the London Ambulance Service) are called without delay.

b) All measures that are reasonably practicable are taken to apprehend any suspects pending the arrival of the police.

c) The crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and

d) Such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.

The Licensing Authority suggests that the conditions imposed on the existing licence for the premises should remain, as they do promote the licensing objectives, in an area saturated with alcohol outlets, in an area which is popular with street drinkers.

This licence has only been in force since 31/10/23 and since that time the Licensing Authority or ASB teams have not received reports of nuisance or anti-social behaviour, which may be due to the robust conditions in place.

Dear Sir,

Please accept this email as my initial representation.

As you will be aware, police hold responsibility for ensuring that with any application the local authorities licensing objectives are adhered to, and that proposals do not invite any heightened risk or likelihood of crime, disorder or antisocial behaviour.

I thank you for your entries promoting the licensing objective. I note this application is for a new premises licence to replace the existing one already in place and that a number of conditions currently on the licence have now been omitted. Below I have detailed the conditions/wordings police would like you to consider resubmitting on the new licence.

2. An age till prompt system will be utilised at the premises in respect of age restricted products.
3. An incident log shall be kept at the premises, and made available on request to the police or an authorised officer, which will record the following:

4. CCTV shall be installed, operated and maintained, at all times that the premises is open for licensable activities, so as to comply with the following criteria:

The licensee will ensure that the system is checked every two weeks to ensure that the system is working properly and that the date and time are correct. A record of these checks, showing the date and name of the person checking, shall be kept and made available to Police or authorised Council officers on request;

The Police must be informed if the system will not be operating for longer than one day of business for any reason;

One camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering;

The system will provide full coverage of the interior of the premises and any exterior part of the premises accessible to the public;

The system shall record in real time and recordings will be date and time stamped;

Recordings will be kept for a minimum of 31 days and downloaded footage will be provided free of charge to Police or authorised Council officers on request (subject to the Data Protection Act 1998) within 24 hours of any request;

At all times, there will be a person on the premises who can operate the system sufficiently to allow Police or authorised Council officers to view footage on request and to supply a copy of footage immediately to Police to assist with the immediate investigation of an offence.

5. In the event that an assault is committed on the premises (or appears to have been committed) the management will immediately ensure that:

(a) The police (and, where appropriate, the London Ambulance Service) are called without delay;

(b) All measures that are reasonably practicable are taken to apprehend any suspects pending the arrival of the police;

(c) The crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and

(d) Such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.

6. There shall be no sale of beer, lager or cider with an ABV of above 6.5% sold at the premises, other than artisan/craft beer, lager or cider.

This was previously 5.5%

7. No miniature bottles of spirits of below 50 cl shall be sold from the premises except where it is a mixed spirit with a non-alcoholic mixer or where it forms part of a multipack or gift pack.

This was previously 20cl

8. The premises licence holder shall endeavour to eliminate or minimise any nuisance arising out of its licensable activities. In doing so the premises licence holder will work with enforcement authorities where any issues are identified. Local residents will be provided with contact details if necessary.

Please do get back to me as soon as possible with your acceptance of these suggested conditions/rewordings. I would of course be very happy to discuss or clarify any queries or reservations you have by return e-mail.

This application is obviously time sensitive and a prompt response would be appreciated. Please bear in mind the date for last representations on this matter stands at **18th April 2024**. If we have not reached agreement by that date, the matter will be heard before a licensing committee.
