Re: Junction Cafe, Basement And Ground, 95 Junction Road, Islington, London, N19 5QX

Dear Islington,

I am a close neighbour of this address and am writing to oppose this application.

This cafe has a garden at the rear and my flat is just [REDACTED] garden away, less than 50 meters, my front door is [REDACTED] doors away. I can currently hear noise from this area and am extremely concerned there will be an increase in the general noise and disturbance both at the back and the front of the Cafe. I live [REDACTED] St. John's and already experience considerable noise from both their outside drinking area but also their customers outside the premises, both while smoking and coming and going. I feel that to have another licensed premises so close by would make it impossible for residents in the immediate vicinity to ever get any respite from the noise, during either day or night. There is also another pub, The Oak and Pastor, on the other side of Junction Road in close proximity to the cafe and this also generates disturbance and noise.

I am concerned about the cumulative impact of noise and disturbance from customers both drinking and smoking outside Junction Cafe or in the garden at the back, adding to the noise of St. John's and The Oak and Pastor. I'm concerned about the impact that deliveries and recycling will have on the residents. Additionally, I am concerned about the increased risk of crime and disorder created by excessive alcohol consumption in the area. There is often shouting and noise late at night from people leaving the various pubs and, at St. John's, additional noise when the pub is open earlier in the day at the weekend. There have also been acts of vandalism locally at night around the corner of St. John's Grove and Junction Road and I frequently hear people shouting before and after closing time when I am in bed.

There is no shortage of places to buy alcohol in Junction Ward and no shortage of licensed eating places and I believe a Saturation Policy exists in this area. My view is that it would be to the detriment of the residents to have yet another one licensed to provide alcohol.

I would be most grateful if you could take my comments into account when you are making your decision about granting a licence.

Kind regards

[REDACTED SIGNATURE]

Premises at  
95 Junction Road  
London  
N19 5QX

Dear Sir/Madam

**Re: Premises License Application: 95 Junction Road, N19 5QX**

With reference to the above application, We are writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The premise is situated within the Junction Cumulative Impace Zone. There are already 19 other licensed premises within a 250 metre radius of the venue in question, 9 of which have on sales.

Police immediately contacted the applicant upon receipt of the application to arrange a meeting at the site to discuss the application in further detail. There was no response until a second email was sent. This, to the police, gives the impression of poor management, not a sign that is looked upon favourably within a potential licence holder. A meeting has since taken place.

As a result of this meeting a number of conditions were discussed. Should the applicant agree to these conditions the police will withdraw this representation

- CCTV shall be installed, operated and maintained in agreement with the Police. Maintained means that the system will be regularly serviced (at least once a year) and checked every two weeks to ensure that it is storing images correctly and a log kept and signed by a supervisor to this effect. The system will provide identifiable full frontal head and shoulder image of everyone entering the premises and will operate in any light conditions within the premises. The system will cover the full exterior of the premises and shall record in real time, date and time stamped and will operate whilst the premises is open for licensable activities. The recordings will be kept for a minimum of 31 days and copies will be made available to an Authorised officer or a police officer (subject to the Data protection Act 1998) within 24hrs of any request free of charge. There will always be a member of staff on duty who can operate the system, to allow officers to view recordings and if required by a Police Officer, provide a copy of images immediately free of charge to assist in the immediate investigation of offences. If the system malfunctions and will not be operating for longer than one day of business then Police must be informed
  
- The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for the consumption by such a person as ancillary to their meal.

- A challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
- A maximum of 6 people to be allowed to consume alcohol at tables outside the front of the venue at any one time until 2100 hours. After which this outside area will be closed.

Yours Sincerely

Nick Pamboris  
Steve Harrington  
Pete Conisbee

Dear Mr Cemgil and Akdag,

Further to your application submitted in October 2015, the licensing officer has informed me that you now intend to have drinking outside the venue. I am therefore inclined to object to your licence subject to the suggested condition below:

**There shall be no outside drinking after 21:00 hours.**

If this is not acceptable to you please let me know by 5pm today. Otherwise I will have to make a representation to the council's licensing team, formally objecting to your application.

Regards,

Fanos Santis

Please comment on the licensing objectives below relevant to your concerns or observations, you may also wish to include suggestions how your concerns could be addressed:

.The Junction ward in Archway has one of the highest concentrations of off licences of any ward in the borough with an average of one off licence per 317 residents. It is widely recognised that as the density of licenced premises increases, so does the number of alcohol related ambulance call outs and incidents of alcohol related crime and disorder. Residents continue to report problems of street drinking and other alcohol related crime and nuisance in the area and they have actively been campaigning to control the number of off licences in the area. The Licensing Authority is of the opinion that the area has reached saturation point in terms of alcohol sales and believes that a cumulative impact policy for this area is appropriate to manage the sale of alcohol so as to avoid any further expansion in the area causing a negative effect on the licensing objectives .

In the same neighbourhood A licence application for a small Sainsbury's supermarket was recently refused for the above reasons. And this application should be denied for the same reasons
