Dear Terry,

RE: Complaint against you from Councillor Phil Kelly

I write to confirm the outcome of the Initial Assessment sub Committee's consideration of Councillor Kelly's complaint against you. I attach a copy of the decision notice from which you will note that the sub committee has decided not to refer the matter to me for investigation but they have exercised their discretion to ask me to take other action. The first of these relates to the party whips and I will be writing to them separately. The second action is to invite you to remove the article about Councillor Spall from the website.

I am required to report back to the Standards Committee within three months to let them know the outcome of their direction so should be grateful for an indication of whether you are prepared to remove the article as suggested.

I look forward to hearing from you.

Yours sincerely,

Louise Round
