SUNLIGHT KEBAB, 177 BLACKSTOCK ROAD, N5 2LL - NEW PREMISES LICENCE (Item B1)

The licensing officer advised that the planning implications detailed on page 12 of the report related to an earlier planning consent. A subsequent consent had been granted to permit the premises to open between the hours of 8.00am and midnight Monday to Saturday. It was advised that these hours were not compatible with the licensing application, which sought a licence for the provision of late night refreshment Monday to Sunday from 23:00 to 03:00.

The licensing officer advised that an out of hours visit had been conducted and the premises appeared to be serving customers after 23:00 without a licence. This resulted in a warning letter being issued.

The licensing officer advised that the applicant had submitted a detailed letter responding to the representations made in objection to the application. This had been circulated to the Sub-Committee and interested parties. This letter stated that the applicant wished to amend the application hours to Monday to Thursday from 23:00 to midnight, Friday and Saturday from 23:00 to 02:00, and Sunday and Bank Holidays from 23:00 to midnight. The licensing officer advised that one local resident had responded to this letter, advising that they maintained their objection to the application.

The licensing authority confirmed that out of hours visits were conducted on 7 June at 23:46 and 23 August at 00:23 and on both occasions the premises appeared to be open. The premises did not have a licence to provide late night refreshment and therefore should cease trading at 23:00. It was advised that the applicant had admitted to trading after 23:00 and this indicated that the premises was not well managed.

The licensing authority noted that the application sought the provision of late night refreshment until 03:00 however the premises' planning permission only permitted the premises to be open until midnight. It was advised that the council's Licensing Policy requires that applicants should have the relevant planning permissions before submitting a licensing application and this had not happened in this instance.

The Sub-Committee noted that representations from interested parties referenced loud noises from an extractor fan and asked if this had been investigated by officers. In response, the licensing officer advised that this would be a matter for the Noise Team.

The interested parties addressed the Sub-Committee and advised that they had a good relationship with the applicant. The interested parties commented that there were loud noises from an extractor fan in the vicinity of the premises, however the interested parties acknowledged that the noise may originate from a neighbouring property. The interested parties advised that there were issues related to drug taking and drunkenness in the area and residents were concerned that these issues could be exacerbated by the provision of late night refreshment. It was also advised that the pavement outside of the premises was narrow and was sometimes blocked

by fast food delivery drivers congregating outside of the premises. The congregation of delivery drivers on mopeds was a source of noise nuisance.

In response to questions from the Sub-Committee, the interested parties advised that the noise from the extractor fan had worsened in recent years and they had previously engaged with the local authority on this issue.

The applicant advised that the economic situation presented a very challenging environment for his business and he wished to trade later into the evening to generate additional revenue.

In response to a question, the applicant advised that his extractor fan was regularly cleaned and serviced by a specialist engineer. The applicant advised that another resident had complained about extractor fan noise directly to the premises and on that occasion it was concluded that the noise originated from a nearby property.

In response to a question, the applicant stated that he was unaware of the need to apply for planning consent separately to applying for a licence. It was also advised that the premises may have been open beyond midnight on occasion, however this would have been to clean the premises and to allow customers to finish their meals before leaving the premises.

In summary, the licensing authority expressed concern that the applicant did not appear to understand the difference between the planning and licensing regulatory regimes. The interested parties reiterated concerns about noise nuisance.

RESOLVED:

- a) That the application for a new premises licence in respect of Sunlight Kebab, 177 Blackstock Road, N5 2LL be granted to allow the provision of late night refreshment Monday to Saturday 23:00 to midnight, except bank holidays;
- b) The conditions detailed in Appendix 3 on pages 48 and 49 of the agenda pack shall be applied to the licence, with the deletion of Police Condition 2(g), which relates to the sale of alcohol and is not relevant in this instance.

REASONS FOR DECISION:

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Licensing Sub-Committee noted that the premises were not in a Cumulative Impact Area. The Licensing Sub-Committee also noted the planning permission conditions attached to the premises.

The Licensing Sub-Committee noted the representations from local residents and that the conditions proposed by the Police and the Noise Service were agreed by the applicant.

The applicant advised that he was making the application because of increased competition and business was down. The applicant advised that he regularly arranged for the extractor fan to be cleaned and the Sub-Committee noted that the applicant had put in a written response to the representations from interested parties and had a good relationship with local residents.

The Sub-Committee had some concern about the management of the premises in light of the out of hours operation that had been observed by licensing officers. However, as the applicant had accepted the conditions proposed by the Responsible Authorities, the Licensing Sub-Committee decided it was reasonable and proportionate to grant the application. In considering the terminal hour for Monday to Saturday, the Licensing Sub-Committee referred to Licensing Policies 1 and 6. In accordance with Licensing Policy 1, the terminal hour of midnight was in line with planning permission currently in place and no grant was made for Sunday or Bank Holidays as the applicant did not have planning permission in place. The hours agreed by the Licensing Sub-Committee were within the framework hours set out in Licensing Policy 6.

The Licensing Sub-Committee was satisfied that the agreed conditions were reasonable and proportionate and the licensing objectives would be promoted. The Sub-Committee noted in particular that the conditions would promote the licensing objective to prevent public nuisance, and in line with Licensing Policy 21, would address the concerns raised by the Noise Service and local residents.

68 SA PFC, 181 BLACKSTOCK ROAD, N5 2LL - NEW PREMISES LICENCE (Item B2)

The licensing officer noted that the applicant was not present at the meeting. It was stated that a letter inviting the applicant to the meeting had been hand delivered to the applicant on Friday 30 August. It was advised that officers had previously observed the premises trading without a licence for late night refreshment and representations from local residents had been received in relation to the application.

The licensing authority advised that the applicant had not engaged with the application process. It was noted that the premises only had planning permission to trade until 23.15, yet was seeking a premises licence for late night refreshment until 2:00.

An interested party commented that the premises had a strong smell of cooking oil and noisy extractor fans which impacted on the amenity of local residents. In response to a question, it was confirmed that these matters had not been raised with local authority environmental health officers or the premises owner. The interested party explained that they had been unable to raise these matters with the owner as they were not on site and the shop was staffed by employees.

RESOLVED:

- a) That the application for a new premises licence in respect of SA PFC, 181 Blackstock Road, N5 2LL be granted to allow the provision of late night refreshment Monday to Sunday from 23:00 to 23:15;
- b) The conditions detailed in Appendix 3 on pages 77 and 78 of the agenda pack shall be applied to the licence, with the deletion of Police Condition 2(g), which relates to the sale of alcohol and is not relevant in this instance.

REASONS FOR DECISION:

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The applicant did not attend the hearing and the Licensing Sub-Committee decided to proceed in their absence. It was noted that the applicant had not responded in writing to the representations made by local residents. The Sub-Committee noted the submission from the Licensing Authority that the applicant had not engaged with them.

The Licensing Sub-Committee noted that the premises were not in a Cumulative Impact Area. The Licensing Sub-Committee also noted the planning permission conditions attached to the premises.

The Licensing Sub-Committee noted the representations from local residents and that the conditions proposed by the Police and the Noise Service were agreed by the applicant.

The Sub-Committee had some concern about the management of the premises in light of the out of hours operation that had been observed by licensing officers. However, as the applicant had accepted the conditions proposed by the Responsible Authorities, the Licensing Sub-Committee decided it was reasonable and proportionate to grant the application. In considering the terminal hour, the Licensing Sub-Committee referred to Licensing Policies 1 and 6. In accordance with Licensing Policy 1, the terminal hour 23:15 was in line with planning permission currently in place. The hours agreed by the Licensing Sub-Committee were within the framework hours set out in Licensing Policy 6.

The Licensing Sub-Committee were satisfied that the agreed conditions were reasonable and proportionate and the licensing objectives would be promoted. The Sub-Committee noted in particular that the conditions would promote the licensing objective to prevent public nuisance, and in line with Licensing Policy 21, would address the concerns raised by the Noise Service and local residents.

**ALDI, 681- 689 HOLLOWAY ROAD, N19 5SE - PREMISES LICENCE
VARIATION (Item B3)**

The licensing officer advised that the Community Safety representative was not able to attend the meeting however had stated that they maintained the objections detailed in their representation.

The licensing authority advised of a typographical error in their representation on page 104 of the agenda pack, and clarified that the premises is currently authorised for the sale by retail of alcohol, off supplies only, on Mondays to Sunday from 11:00 until 22:00.

Public Health highlighted that there was a high level of alcohol related harm in the Junction ward and there was a significantly high level alcohol-related hospital admissions in the Junction ward. It was advised that the premises was close to the Whittington Hospital and, if the application was granted, it would increase the access to alcohol of vulnerable people leaving the hospital.

A member queried how many licensed premises there were in the local area. In response, the licensing authority advised that there was a high concentration of licensed premises and the premises was located in the Archway cumulative impact area. It was also highlighted that there was a high level of problematic street drinking in the area.

Following a question, the licensing authority advised that they considered that the application did not sufficiently address cumulative impact issues.

The applicant advised that a premises licence was granted in 2018 and therefore the applicant was well aware of cumulative impact issues in the local area. The applicant advised that they had engaged with the Police and additional conditions had been agreed to mitigate the impact on the cumulative impact area. The applicant advised that the purpose of the application was to provide morning customers with the choice and convenience of purchasing alcohol with their groceries. The application was part of an exercise to synchronise the licensable hours of all of their city centre stores and the premises was the only Aldi store in the country which was not allowed to sell alcohol until 11:00. The applicant contested that other competitor national supermarket chains operating in the local area were licensed to sell alcohol before 11:00. The applicant emphasised that the Police had not objected to the application and there were no crime or disorder issues associated with the premises.

The applicant had applied for Temporary Event Notices to test the proposed licensable hours; these were in place from 19 to 24 August and 26 to 30 August. During this period there were only three days when alcohol sales exceeded £100 before 11am, and these were around the Bank Holiday weekend. The average alcohol spend before 11am on all other days was between £28 and £66, which represented around 2.5% of sales. The applicant advised that they understood public health concerns, however they were a well-run national supermarket chain that sought to promote responsible alcohol consumption. It was advised that Aldi

had an unblemished enforcement record and took their responsibilities around the sale of alcohol very seriously. It was commented that the existing licence was already heavily conditioned and the new conditions agreed with the Police would mitigate the impact of the increase in licensable hours. The applicant advised that they were willing to work closely with the Responsible Authorities.

The Sub-Committee noted that the Temporary Event Notices were in place over the summer holiday period and considered if footfall would be higher or lower than during other periods of the year.

The Sub-Committee queried why the applicant was applying for the sale of alcohol until 23:00 on Sundays. In response, the applicant advised the premises was bound by the Sunday Trading Act and was only open between 11:00 and 17:00 on Sundays. The applicant indicated that they would agree to terminating licensable activity at 17:00 on Sundays.

The Sub-Committee queried if they applicant fully understood concerns related to vulnerable people, such as hospital patients, having easier access to low cost alcohol in the mornings. In response, the applicant advised that they were a responsible operator and did not sell alcohol cheaper than independent retailers operating in the local area. It was advised that the relatively low volume of alcohol sales during the periods covered by the Temporary Event Notices indicated that there was a minimal impact associated with extending the licensable hours.

In summary, the licensing authority commented that their concerns had been somewhat allayed by the information provided verbally by the applicant and it was regrettable that this information was not provided in the original application.

The applicant said that the modest increase in licensable hours would provide customers with increased convenience and that they understood and respected concerns about protecting vulnerable people from alcohol related harm.

RESOLVED:

- a) To grant the application for a premises licence variation in respect of Aldi, 681-689 Holloway Road, N19 5SE to allow the sale by retail of alcohol, off supplies only, Monday to Saturday from 08:00 to 23:00; and Sunday and Bank Holidays 11:00 to 17:00.
- b) The conditions detailed at Appendix 4, page 111 of the agenda pack, agreed with the Metropolitan Police and consistent with operating schedule, shall be applied to the licence.

REASONS FOR DECISION:

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to

the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee took into consideration Licensing Policies 2 & 3. The premises fall within the Archway cumulative impact area. Licensing policy 3 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

The Sub-Committee took into consideration Licensing Policy 4. The Council has adopted a special policy relating to cumulative impact in relation to shops and other premises selling alcohol for consumption off the premises. Licensing policy 4 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused or subject to certain limitations, following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

The Sub-Committee noted the representation from the interested party. The Sub-Committee also noted the representations from the Responsible Authorities. The applicant had agreed to the Police conditions and the applicant had demonstrated full engagement with the Police.

The Sub-Committee noted that the application had not assessed the impact of the proposed variation on the Archway cumulative impact area, however the applicant did address these issues during the hearing and in summing up the Licensing Authority submitted that these issues had been satisfactorily addressed.

The Sub-Committee noted that the applicant had applied for Temporary Event Notices leading up to the hearing to provide the Sub-Committee with evidence regarding alcohol sales during morning hours. The applicant demonstrated high standards of management in accordance with Licensing Policy 8.

The applicant offered to amend the application in relation to Sundays and Bank Holidays so that licensed hours would be from 11:00 to 17:00.

The Sub-Committee referred to the Home Office Revised Guidance and noted that cumulative impact policies should be considered for each application and that applications that are unlikely to add to the cumulative impact should be granted. In line with this guidance, and the council's Licensing Policy, the Sub-Committee was satisfied that the grant of the variation would not have a negative cumulative impact on the licensing objectives. The conditions were agreed with the Police and the Licensing Sub-Committee were satisfied that they were reasonable and proportionate to promote the licensing objectives.

The meeting ended at 8.25 pm

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: RE: Premises Licence Application: 790 Holloway Road

Dear John,

I am objecting to the length of operating hours into late night. It has residents above and around in the surrounding streets so noise from deliveries and customers would be disruptive. Does the application for outdoor provision mean that they will be serving food in an outdoor area or does it enable them to do off sales and deliveries?

Best wishes

Kaya

Hi Carol,

Thanks for your email.

To answer the points in your email:

1. Smoking – we will not allow customers to smoke on our demise
2. Diggs – the website is simply a holding page while we get the full one designed. Nevertheless we did change it on the 12th October – please ask the resident to refresh the browser.
3. Hours – the previous occupant’s license was for recorded music up to 24:00 every day and late night refreshment (food and drink) till 23:30 everyday. However in light of the comments from residents we would like to amend our application so the hours are 23.00 Sunday to Thursday and 23.30 Friday and Saturday.

Best regards,

Guy Holmes

Dear Sirs,

Re: Licensing application (ref: WK/190028335): Firebrand Pizza, Basement and Ground floor, 84-86 Rosebery Avenue, Islington, London EC1R 4QY

I am a local resident concerned about the impact of the above licensing application. I would like to register my objection to the proposed application. My objection is based on the impact of the application to the Clerkenwell Cumulative Area. Specifically to:

- The prevention of crime and disorder
- The prevention of public nuisance and
- Ensuring public safety.

Crime, disorder

The extended licence hours that the applicant is requesting will only worsen the level of crime, disorder, public nuisance in this area. Most premises in the Clerkenwell Cumulative Impact Area have a licence until 23.00, which is reasonable. The applicant has asked for a licence until 00.00 for every night, which is out of character for the area. A licence until 00.00 will attract people who are persuaded by such establishments to continue drinking alcohol after 23.00, thereby increasing and concentrating the negative impact on crime, disorder, public nuisance and risk to public safety around 84-86 Rosebery Avenue.

The Islington Council 'Statement of Licensing Policy 2018-2022' (Point 22, page 12) evidences that the applicant's request for a late-night licence will only add to an unacceptable level of public nuisance caused by bars and restaurants in the Clerkenwell Cumulative Impact Area:

- *Clerkenwell has the highest number of complaints about drinking in the street than any other ward in the borough*
- *Residents continue to experience adverse impacts of the late night licenced venues.*

Much of this activity centres on Exmouth market and Rosebery Avenue. There are over 20 bars and restaurants in this area that contribute to the issue that Islington Council acknowledges in the policy document above. As a local resident I am regularly woken up by drunk people coming out of the many bars that already operate in this area. There is shouting, fighting, urination, vomiting and property damage on an regular basis around 84-86 Rosebery Avenue. Another late-night bar, as proposed by the applicant will only serve to worsen such disorder.

The applicant's own web site promotes their separate bar to be opened on this site called 'Diggs', one that will be open "Morning-Noon-Night". This site has always been a restaurant which has closed at 23.00, consistent with the business practices of the Clerkenwell Impact Area around Exmouth Market. But the applicant wants to change the nature of the business from a sole restaurant to an additional bar, one that they are actively promoting for late-night drinking. It appears that this licence application is intended to serve more than just a local pizza restaurant, it is actually covering the intention of opening a late-night bar - one that will breach the objectives of Islington Council's licensing policy for the Clerkenwell Cumulative Impact Area.

Public Nuisance

A late-night licence will also increase the public nuisance of the restaurant's kitchen extractor fans and music that invade my flat via the lightwell at the centre of [REDACTED] Rosebery Avenue. A licence until 00.00 will increase the negative impact on environment and health for all residents of [REDACTED] Rosebery Avenue. In addition, public nuisance will be caused by the applicant placing debris in their proposed commercial bins. The noise of bottles being thrown into bins by restaurant staff past midnight, every night will certainly be a public nuisance.

In addition the entrance to the proposed bar area will exit onto a narrow pavement close to the east bound bus stop where late night drinkers are likely to congregate whilst waiting for the bus. It is almost certain that they will not wait quietly but further add to public nuisance and safety concerns.

Public safety

The proposed entrances of the two business (Firebrand Pizza and Diggs) will be on Rosebery Avenue. This will cause a public safety issue, as patrons of the two proposed establishments will exit straight onto a narrow pavement onto a busy main road. As a resident, I am already woken up frequently by the sound of screaming people, screeching car brakes and car horns as intoxicated people attempt to cross Rosebery Avenue at this point, after leaving The Old China Hand (opposite the applicant's premises on Rosebery Avenue). The applicant's intention to run a late-night bar will only add to the public safety risk at an already dangerous location.

Yours faithfully

Dear Sirs,

Re: Licensing application (ref: WK/190028335): Firebrand Pizza, Basement and Ground floor, 84-86 Rosebery Avenue, Islington, London EC1R 4QY

I am writing to register my objection to the application for a premises licence by Firebrand Pizza, 84-86 Rosebery Avenue, London EC1R 4QY. The basis for my opposition is that granting a licence for these premises will undermine Islington Council's objectives (pertaining to the Licensing Act 2003) for any new licence in the Clerkenwell Cumulative Impact Area, relating to:

- The prevention of crime and disorder
- The prevention of public nuisance and
- Ensuring public safety.

Dear Local Residents,

We have been forwarded the objections to our license from the local residents which we have read thoroughly and took every point raised seriously, as you can see from our detailed response below. I would also like to point out that we are a premium casual restaurant which will rely on the relationships we build within the local community. We consider ourselves part of the community in Marylebone building excellent relationships with local residents and businesses.

- 1) Diggs. Initially when taking the site we did plan to open a coffee shop and deli that was open in the evening for alcoholic drinks. However, after meeting Tim Livermore from Islington Police on 18/09/19 we agreed to drop this element and our license application makes no mention of a bar. We agree that any alcohol will only be served accompanied with food with no vertical drinking as per the police conditions. Residents have referenced the marketing material – but this wasn't updated to reflect the evolved business model. Apologies for the confusion.
- 2) Opening Hours: We reconsidered our opening hours as we don't want to cause any nuisance to the local residents and we will be sticking to 23:00 weekdays (less than the previous tenant's license) and 23:30 Fri & Sat as per the previous license.
- 3) Extraction: The extraction will be switched off at 23:00 as requested. Please note that the previous operator has not been servicing the extraction regularly as we found out when we serviced it which resulted in higher noise. Previously there was little insulation between the restaurant and the lightwell as an old window was boarded up. We have since blocked it off and insulated it, which will significantly reduce any noise which they may have experienced from the previous tenant.
- 4) Well run business. One resident mentioned they welcome a well-run business – this is us! Our existing restaurant in Marylebone has been open for over 3 years and in that time we have received no complaints from local residents. The restaurant is very well run – we have a 5 star food hygiene rating and ratings of 4.5 in Google and the vast majority of reviews on Tripadvisor are excellent.
- 5) We welcome regular conversations with the local residents about how to reduce our impact.

- 6) Local community. We believe in being a real asset and part of the local community. I would like to refer local residents to the community page on our website – we regularly support local charities and schools.

I believe all of the points above will mean the removal of most of the objections and welcome feedback and further dialog as necessary.

Many thanks,

Guy Holmes
