RESOLVED

That the minutes of the previous meeting be signed by the Chair as a correct record.

62 **OXFORD ARMS, 21 HALLIFORD STREET, LONDON, N1 3HB - NEW PREMISES LICENCE (Item B1)**

The licensing officer introduced all parties to the application. There were 2 residents present at the meeting and a further 4 representations had been received by email. These representations reiterated the conditions set out in pages 43 to 45 of the agenda. He stated that condition 2 was a stronger than what a resident had asked in their representation, which stated smoking would take place outside the front on the street rather than in the beer garden after 9pm.

The applicant's representative responded to questions from the interested parties explaining that, music would only be of background level, they were happy to stick

to condition 2 and 3 with a preference for smokers to not be in the beer garden after 9pm. He further explained the target audience was those that enjoyed organic wines and would be of a very different clientele to that of the previous establishment and it was highly unlikely they would cause disturbance or excessive noise pollution. He also responded to questions about opening hours and said these would be as the license application stated.

The applicant understood the concerns of residents and the historical nature of the previous premises, but he reassured residents that he was employing a very well experienced General Manager to run the premises and be the DPS. He further stated he could have applied for longer hours but recognised residents' concerns and wanted to reinstate what was deemed appropriate before and uphold the licensing objectives to a high standard. The applicant wanted to bring the 100-year premises back to life with a style of operation that was more in line with resident's views.

In response to questions from the committee, the applicant and his representative stated they were hoping to work collaboratively with residents on an appropriate dispersal policy and ensuring there would be no rubbish left on the streets, but they did not anticipate there to be much disruption from people leaving the premises. They also explained they wanted to make use of the outside seating area which could sit around 10 people but there would be no vertical drinking. Regarding the layout of the premises the applicant explained the plans reflected the previous layout but if the license be granted this had been subject to change. Concerns over underage drinking/theft of alcohol arose and the applicant explained the retail area of wines would be close to the fire door which would sound an alarm if anybody tried to leave via this exit, so the worker on shift would be aware of any such attempts.

In summary, the applicant stated he wanted to engage as much as possible with residents to ensure their concerns were being heard and would have the necessary procedures, such as a dispersal plan, to mitigate these.

RESOLVED

- 1) The Sub-Committee has decided to grant the application for a new premises licence in respect of Oxford Arms, 21 Halliford Street, London, N1 3HB
 - a) To allow the sale of alcohol on and off the premises on Monday to Saturday from 10:00 to 23:00 and on Sunday from 12:00 to 22:30.
 - b) The provision of late-night refreshment on Monday to Saturday from 23:00 to 23:30.
 - c) The permit the premises to open on Monday to Saturday from 10:00 to 23:30 and on Sunday from 12:00 to 23:00
- 2) Conditions detailed on pages 43 to 45 of the agenda shall be applied to the licence.

REASONS FOR THE DECISION

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to

the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee took into consideration Licensing Policy 4. The Council has adopted a special policy relating to cumulative impact in relation to shops and other premises selling alcohol for consumption off the premises. Licensing policy 4 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused or subject to certain limitations, following the receipt of representations, unless the applicant can demonstrate in the operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

Six local resident objections had been received. Conditions had been agreed with the Police.

The Sub-Committee noted that the hours sought were within the hours specified in licensing policy 6.

The Sub-Committee heard evidence that local residents were concerned about loud music and wanted further information about the exact times of operation and the target clientele and where customers would go to smoke. It was noted that one resident was objecting to smokers in the garden, and one was objecting to smokers outside the main entrance. Residents also voiced concerns regarding rubbish and dispersal of customers from the premises.

The Sub-Committee heard evidence from the applicant that music would be at background levels only. In terms of the smoking area, it had been agreed that the garden would be cleared by 9pm and the applicant would accept the decision of the committee in respect of smoking after 9pm. The applicant confirmed that his was a very different type of business from the previous operation and the premises would operate as a wine shop with a component allowing customer to drink wine and have food on the premises. The premises would be selling exclusively natural, organic wines. There was an open invitation for residents to engage with the applicant, who was dedicated to becoming part of the local community. The applicant confirmed that the basement area would be for storage only and that the business wanted to engage with residents in respect of a dispersal plan. There would be no vertical drinking. There would be much less waste than the previous operation.

The Sub-Committee concluded that with the hours of operation sought and the conditions proposed and agreed, the grant of the license would promote the licensing objectives. The Sub-Committee noted the applicant's ongoing willingness to engage with residents and was satisfied that the operating schedule demonstrated high standards of management.

The Sub-Committee was satisfied that granting the premises licence was proportionate and appropriate to the promotion of the licensing objectives. The Sub-Committee considered licensing policy 4, policies 5 and 6, in relation to operating hours and policies 7 and 8 in relation to standards of management.

2. Recommendations

- 2.1. To determine the application for a premises licence variation under Section 34 of the Licensing Act 2003;
- 2.2. If the Licensing Sub-Committee grants the application, it should be subject to:
- i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and
 - ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

3. Background

- 3.1. This property has held a licence since November 2005 when it was converted under the Licensing Act 2004 to a premises licence.
- 3.2. In February 2006, a variation application was made to extend the sale of alcohol from 07:00 to 03:00 and was subsequently granted at a Licensing Committee hearing on 19th April 2006.
- 3.3. In March 2010, an application to transfer the licence was made.
- 3.4. A minor variation application was made in June 2012 to add further conditions to the premises licence.
- 3.5. In July 2013, an application to transfer the licence from Kandasamy Sivananathan to Vanathy Food and Wine was made.
- 3.6. A transfer and vary DPS application, was made by Shadel Kamal Saeed in June 2017.
- 3.7. Following an Officers Panel in November 2018, a minor variation application was submitted in December 2018 to add conditions to the premises licence which included adding the condition of No high strength beer, lager, or cider of 6.5% abv or above shall be sold.
- 3.8. In February 2021, a variation application was made to amend the above premises licence condition and in consultation with Police it was varied to the current premises licence condition No.21 which is now subject to this variation application submitted on 14th March 2023.
- 3.9. The Licensing Authority received a representation from the Metropolitan Police which can be found at Appendix 2.

4. Implications

4.1. Financial Implications

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190.00. Should the application be refused, the fee is not refundable.

4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee, as necessary.

4.3. Environmental Implications and contribution to achieving a net zero carbon Islington by 2030

- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly, or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. Equalities Impact Assessment

- 4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.
- 4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. Planning implications

- 4.5.1. The Planning and Development Section have the following comments to make in relation to the above application.
- 4.5.2. The property is not a listed building but is located Stroud Green Conservation Area.
- 4.5.3. Relevant Planning History:

Planning permission and Advertisement Consent were granted on 19/05/2015 for the "Retention of an ATM installed through the glazed shop front. Replacement of part of the existing glazing with a white laminate finished composite security panel displaying ATM fascia with black bezel surround and white internally illuminated lettering 'Free Cash Withdrawals' on black background. Display of blue internally illuminates LED halo illumination to ATM surround. The premises (Advertisement Consent application P2014/4360/ADV also submitted)". Ref (P2014/4308/FUL & P2014/4360). There were no conditions restricting the use and opening hours of the property.

4.5.4. June 2008 – February 2022: Google Street View records show that the site has been occupied by two shops (Budget Supermarket) from June 2008 to February 2022. As such, the property has established use as shop now within Class E of the Use Classes Order 1987 (as amended).

4.5.5. There are no planning enforcement cases open in relation to the property.

4.5.6. As such no objection is raised.

Annex 1 - Mandatory conditions

1. No supply of alcohol may be made under the premises licence:
 - a) at a time when there is no designated premises supervisor in respect of the premises licence, or
 - b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
3. All door supervisors shall be licensed by the Security Industry Authority.
4. The admission of children to the exhibition of a film shall be restricted in accordance with the recommendation of a film classification body as defined in the Video Recordings Act 1984 or Islington Council acting as the licensing authority where it has given notice in section 20(3) of the Licensing Act 2003.

There are further 'Mandatory conditions' applicable to licences authorising the supply of alcohol. A full list of the current mandatory conditions is available from the licensing pages on Islington's web site, www.islington.gov.uk. This list is subject to change by order of the Secretary of State and licensees and other responsible persons are advised to ensure they are aware of the latest conditions.

1. CCTV shall be installed, operated, and maintained, to function all times that the premise is open for licensable activities, said CCTV will comply with the following criteria:
 - a) The licensee will ensure that the system is checked every two weeks to ensure that the system is working properly and that the date and time are correct.
 - b) A record of these checks, showing the date and name of the person checking will be kept and made available to the Police or other authorised officer on request.
 - c) The Police will be informed if the system will not be operating for longer than one day of business for any reason.
 - d) One camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering.

13. An ultra-violet light will be available at the premises for the purpose of checking the UK Duty Stamp on spirits as soon as practical after they have been purchased.

Dear Licensing Authority,

Please accept this as my representation.

As you will be aware, police hold responsibility for ensuring that with any application the Licensing Objectives are adhered to, and that proposals do not invite any heightened risk or likelihood of crime, disorder or anti-social behaviour.

The applicant seeks to vary condition 21 on their current licence from:

No beers, lagers or ciders of above 6.5% ABV shall be sold at the premises save for Premium beers and ciders supplied in glass bottles

To:

"Beers, lagers, or ciders with an alcohol by volume (ABV) above 6.5% shall not be sold at the premises, except for:

- a) Premium beers and ciders supplied in glass bottles*
- b) Products sold at a minimum unit price of 75p'*

Police object to a variation that's seeks to loosen this condition further on the following grounds;

- Reducing the Strength is a nationwide campaign to improve the health of local street drinkers and lives of local residents often blighted by ASB. The area this off licence is situated in has supported housing for vulnerable persons nearby. Allowing the sale of high-strength alcohol in such an area would only exacerbate the existing problems and contribute to a sense of unease and fear among residents.
- This condition was previously varied in 2021 to its current wording to allow the venue scope to supply Premium Beer and Cider, supplied in glass bottles. There is a clear distinction between the supply of these premium products and the high strength products typically

associated with street drinking. This suggested amendment requires us to look at unit pricing of products.

- Prior to the Variation application there was no consultation with the police on whether we could agree to a change of the wording. The application itself fails to demonstrate how the change is a positive one. While it may be a profitable business decision, it is not necessarily the right decision for the local community.

In conclusion, selling high-strength beers and ciders in cans above 6.5 percent alcohol content in an area with anti-social behavior and supported housing is not only irresponsible but can also have negative consequences for the community. Shop owners should prioritize the welfare of their customers and the local community over profit and comply with legal obligations to ensure the safety of all.

Kind regards
