7 **MR CHANS, 21 CLERKENWELL ROAD, EC1M 5RD - NEW PREMISES LICENCE (Item B1)**
The licensing officer reported that the police had agreed conditions with the applicant but this was subject to an amendment to the hours proposed. The noise team had also agreed conditions.

The licensing authority stated that the applicant had not put forward any mitigation in their application. The application was sparse and they had not completed section 18 which should form the basis of licence conditions. They had not stated why they would need to operate until 3am and the licensing authority asked that, should the Sub-Committee be minded to grant, the hours should be framework hours. The police stated that they had offered the conditions but the hours proposed were well

outside framework hours and no mitigation had been provided. The applicant had agreed the conditions once they had been offered to them. During engagement with the applicant, the core hours had been explained and he had been asked if he wished to amend the application.

In response to questions, the licensing authority stated that the application was not incomplete but the applicant had not set out how they intended to operate. The responsible authorities did not know if they would operate to the highest standards of management. The police stated that if the applicant had reduced the hours to core hours they would not have objected to the application.

The applicant stated that he wanted the increased hours as they had made a loss over the past year. This was a takeaway business and they would not be selling alcohol. Customers would not make noise as they would order over the phone. There would be no noise disturbance to residents.

In response to questions it was noted that most delivery riders used electric bikes. They were unable to park directly in front of the shop due to the position of the traffic lights. He had not completed the application in full for fear of doing it incorrectly. He was aware that the objections had been mainly about noise and agreed to a condition to ensure that all deliveries would be made by non-motorised vehicles.

The licensing authority was concerned that the applicant did not show a great understanding of the licensing policy or objectives and if the Sub-Committee was minded to grant the application it should be within core hours. The police agreed with this summary.
The applicant stated that if the licence be granted until 2am, this would be a huge help for the business. They would ensure they mitigated any noise and not disturb the residents.

RESOLVED

1) That the application for a new premises licence, in respect of Mr Chans, 21 Clerkenwell Road, EC1M 5RD, be granted to allow:-

a) The sale of late night refreshment Sundays to Thursdays from 11pm until midnight and Friday and Saturdays from 11pm to 1am.
b) The premises to be open to the public Sunday to Thursday from 11.30 am until midnight and Friday and Saturday from 11.30am to 1am.

2) That conditions detailed on pages 39 to 40 of the agenda shall be applied to the licence with the following addition condition to replace condition 15 in the report.

- That no internal combustion engine vehicles be used for deliveries from the premises and the licensee shall ensure that drivers do not park or loiter in the vicinity of residential premises.

REASONS FOR DECISION

This meeting was facilitated by Zoom.

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee took into consideration Licensing Policies 2 & 3. The premises fall within the Clerkenwell cumulative impact area. Licensing policy 3 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

Conditions had been agreed by the noise team. The Sub-Committee noted that there had been one resident objection.

The Sub-Committee noted that the hours sought were not within the hours specified in licensing policy 6.

The Sub-Committee heard evidence from the Licensing Authority that the applicant had put forward little information to show that the premises would not have a negative impact on the area. The application itself was sparse and Section 18, which is the operating schedule, had been left blank. The licensing authority suggested that if the Sub-Committee was minded to grant a licence it should only be for framework hours.

The Sub-Committee heard evidence from the police that although agreement had been reached with regard to conditions, this was only for framework hours. Although the applicant had engaged with police, the hours sought were so far outside the framework hours, and there was so little in the application, that even with the agreed conditions it seemed best to put the matter before the Sub-Committee.

The Sub-Committee heard evidence from the applicant that the business was just a takeaway business and customers would not be staying at the premises making noise. Most business would be by delivery and most delivery drivers rode non-motorised vehicles. Any motorbikes would be unable to park directly outside the business as the premises were next to traffic lights. The applicant confirmed that he would be happy with a condition that no internal combustion engines would be used for deliveries.

The Sub-Committee concluded that the applicant had failed to demonstrate that a licence granted to the hours sought would not add to the cumulative impact in the area. However, the Sub-Committee was satisfied that a licence within framework hours with the conditions agreed with the responsible authorities and one further

condition relating to delivery drivers would promote the licensing objectives and would not add to the cumulative impact.

The Sub-Committee was satisfied that granting the premises licence was proportionate and appropriate to the promotion of the licensing objectives.

8 OMNON, 166N UPPER STREET, N1 1QP - NEW PREMISES LICENCE (Item B2)

The licensing officer introduced the applicants to the Sub-Committee. He clarified that the hours had been amended to be in line with the planning consent. Conditions had been agreed with the police and the noise team. One of the objectors had advised that they were generally happy with the application but required that conditions should be in line with the other restaurants in the area. The licensing officer advised that the main condition which applied would be that the entrance and exit after 8pm should be via Upper Street only and this would be in line with the planning consent.

The applicant's representative stated that this was a restaurant with a plant based food menu. Alcohol would be served ancillary to food and all customers would be seated. The premises was multifunctional. The application was for on and off sales. Hours had been reduced in line with planning consent. The premises did fall within the cumulative impact policy. There were robust conditions, the mixed use could be seen as an exception, the premises was not alcohol led. The police and noise team were in support and the applicant had asked for the removal of the condition, that one personal licence holder be on duty at all times, as it would be difficult to comply with this condition. The police had accepted this amendment. One resident had reported loud music every Friday evening. This event was a religious meditation class with chanting and would take place whether or not the licence was granted. The second objection was around planning policy. The hours were within licensing framework hours. This was a vibrant area and other premises were still trading after the hours applied for so it was not considered that there would a noise nuisance issue. He asked the Sub-Committee to grant the amended application.

In response to questions, it was noted that customers would not be able to wander through the premises with a drink in their hand although they would be able to take a drink with them if they wished to do another activity. The applicant stated that he did not see any issue regarding a condition to allow exit and entrance onto Upper Street after 8pm. Studd Street was guarded by security. All delivery drivers would need to walk into the development. The applicant was happy to accept a minimum food order of £25 with alcohol deliveries or takeaway.

In summary, the applicant's representative stated that this was a fairly comprehensive application and asked that the Sub-Committee grant the licence.

RESOLVED

1) That the application for a new premises licence, in respect of Omnon, 166N Upper Street, N1 1QP, be granted to allow:-

a) The sale of alcohol, on and off supplies, Monday to Thursday from 11am until 10.30pm, Fridays and Saturdays from 11am to 11pm and on Sundays from 11am until 10pm.

b) The premises to be open to the public, Monday to Thursday from 11am to 11.00pm, Friday and Saturday from 11am to 11.30pm and Sundays from 11am until 10.30pm.

2) That conditions detailed on pages 74 to 78 of the agenda shall be applied to the licence subject to the deletion of condition 7 as detailed below and the following additional conditions:

- Condition 7. There shall be at least 1 personal licence holder on duty on the premises at all times when open for licensable activities. **To be deleted.**

- The entrance or exit from the premises after 20:00 hours on any day shall be from Upper Street only.

- Where alcohol is ordered for takeaway or delivery there be a £25 minimum order of food spend.

REASONS FOR DECISION

This meeting was facilitated by Zoom.

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

The Sub-Committee took into consideration Licensing Policies 2 & 3. The premises fall within the Angel and Upper Street cumulative impact area. Licensing policy 3 creates a rebuttable presumption that applications for the grant or variation of premises licences which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

Two local resident objections had been received. Conditions had been agreed with the police and the noise team. The Sub-Committee noted that one of the agreed police conditions should be removed.

The Sub-Committee noted that the hours sought were within the hours specified in licensing policy 6 and had been amended to comply with existing planning consent.

The Sub-Committee heard evidence that the premises were a multifunctional space with a restaurant where the serving of alcohol would only be ancillary to food. The applicant had put forward a comprehensive operating schedule, had agreed 36

conditions and the application was within framework hours. The premises were mixed use and were not alcohol led. The Sub-Committee heard evidence from the applicant that there was no loud music on Friday evenings, just a meditation class with chanting. The applicant confirmed that they would be happy to agree a condition relating to access to the premises via Upper Street and confirmed that they operated a minimum spend policy in respect of the amount to be spent on food before alcohol could be delivered.

The Sub-Committee concluded that, with the reduced hours sought, the conditions agreed with the responsible authorities and the two additional conditions, the granting of the licence would promote the licensing objectives. The Sub-Committee was satisfied that the conditions to be attached to the licence would tackle the noise concerns raised by the objectors and that the premises would not add to the cumulative impact.

The Sub-Committee was satisfied that granting the premises licence was proportionate and appropriate to the promotion of the licensing objectives.

9 MEDITERRANEO 2 RESTAURANT, 43 NEWINGTON GREEN, N16 9PX - NEW PREMISES LICENCE (Item B3)

The licensing officer reported that the noise team and police had reached agreement with the applicant. There was one resident representation left outstanding.

The applicant stated that the closing time for this premises was 11pm and the resident had been concerned about noise up until 1am. Conditions had been agreed with the responsible authorities.

In response to a question about deliveries, the applicant stated that they would not really have takeaways or deliveries as this was a restaurant.

RESOLVED

3) That the application for a new premises licence, in respect of Mediterraneo 2 Restaurant, 43 Newington Green Road, N16 9PX, be granted to allow:-

   c) The sale of alcohol, on supplies only Monday to Sunday from 11am until 11pm.
   d) The premises to be open to the public, Monday to Sunday from 11am to 11pm.

4) That conditions detailed on pages 109 to 111 of the agenda shall be applied to the licence subject to the following additional conditions:-

   - Should deliveries commence, only non-combustion engine vehicles be used.
   - Should deliveries commence, where alcohol is ordered for takeaway or delivery there be a £15 minimum order of food spend.

REASONS FOR DECISION

This meeting was facilitated by Zoom.

The Sub-Committee listened to all the evidence and submissions and read all the material. The Sub-Committee reached the decision having given consideration to the Licensing Act 2003, as amended, and its regulations, the national guidance and the Council's Licensing Policy.

One local resident objection had been received. Conditions had been agreed with the police and the noise team.

The Sub-Committee noted that the hours sought were within the hours specified in licensing policy 6.

The Sub-Committee heard from the applicants' representative that the applicant had agreed conditions with the police. The objector had referred to noise after midnight but the premises closed at 11pm. The applicant ran another restaurant at Kings Cross with no trouble.

The Sub-Committee concluded that the granting of the licence with the agreed conditions would promote the licensing objectives. The Sub-Committee noted that the premises was not really operating as a takeaway or delivery but concluded that two additional conditions, to control noise in the event that deliveries started, should be imposed to protect the amenity of local residents.

The Sub-Committee noted that the hours sought were within the hours specified in licensing policy 5 and 6. The Sub-Committee was satisfied that granting the premises licence with the additional conditions was proportionate and appropriate to the promotion of the licensing objectives.

The meeting ended at 8.00 pm

2. Recommendations

2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;

2.2. These premises are located in the Holloway Road and Finsbury Park Cumulative Impact Area therefore the Licensing Sub-Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Sub-Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.

2.3. If the Licensing Sub-Committee grants the application it should be subject to:

i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and

ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

3. Background

3.1. This is an application for a premises licence to provide late night refreshment.

3.2. This original application was to provide late night refreshment on Monday to Sunday until 02:00 the day following. These hours were amended following representation from the Council Noise Team and the Police Licensing Team.

4. Implications

4.1. **Financial Implications**

4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190. Should the application be refused, the fee is not refundable.

4.2. **Legal Implications**

4.2.1. The legal implications are set out in Paragraph 2.

4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

4.5.1. The Council Planning Service have advised that Planning permission was granted on 25 July 1966 for the use of the property as a restaurant with a new rear extension (ref:- TP/10392)

4.5.2. There were no planning conditions restricting the opening hours of the premises therefore providing the restaurant remains the primary use of the property, then there is no objection

5. Conclusion and reasons for recommendations

5.1. That the Licensing Sub-Committee determines this application.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

© Queen's Printer and Controller of HMSO 2009

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination** with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

    - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
    - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
        (i) working e.g. employment contract, wage slips, letter from the employer,
        (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
        (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
        (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

(i) any page containing the holder's personal details including nationality;
(ii) any page containing the holder's photograph;
(iii) any page containing the holder's signature;
(iv) any page containing the date of expiry; and
(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Licensing Authority Representation

Licensing Act 2003

Application for a new premises licence in respect of:

Cheatmeals, 367 Holloway Road, N7 0RN

Licensable activities and timings applied for are late night refreshment from 2300 to 0200 each day on the premises.

The grounds for the representation are:

Public nuisance

Prevention of crime and disorder

Licensing Policy Considerations

Licensing Policy 5 and 6 Licensing Hours

Licensing Policy 8 Standards of Management

Issues of Concern

The applicant has applied to sell late night refreshments on the premises, however in the operating schedule in S18, has indicated that there will be no indoor eating after 2300. We assume they would want to provide take away meals and possibly deliveries of food after that time.

The applicant has not provided sufficient information to explain how the premises would be operated to high standards of management, in an extremely busy area with numerous premises opening until late at night.

Licensing Policy 5 - Where representations are received from responsible authorities or other persons the Licensing Authority may seek to restrict hours of opening where it is appropriate to promote the licensing objectives.

Licensing Policy 6 - Licensing Hours- The hours applied for are outside of the recommended policy hours for takeaways, which are to 1am Fridays and Saturdays and to Midnight Sundays to Thursdays.

The applicant has not put forward any mitigation or information in the operating schedule to support the application to open until 2am each day. He has not demonstrated that this premises would not have a negative impact in this high-risk area, with numerous late-night premises and this operation may attract customers from premises selling alcohol, causing them to remain in the vicinity causing anti-social behaviour.

The premises is in a mixed residential area with some residents very close by. The applicant has not demonstrated how the business intends to operate without causing them disturbance or nuisance.

Applicants who wish to provide licensable activities outside the hours specified above should ensure that the operating schedule specifies detailed measures to mitigate against crime, disorder and public nuisance.

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises. The Licensing Authority will seek to impose appropriate restrictions and

controls on the premises licence to prevent public nuisance and undue disturbance to local residents from licensed premises.

Recommendations

The Licensing Authority recommends that the Licensing Sub Committee consider the application and the lack of information in the operating schedule, the resident's representations, any conditions suggested by the Council's Pollution Team and the Police and Islington Council's Licensing Policy.

Rep 1

Dear Licensing Team,

Licensing Act 2003- premises licence application new re.Cheatmeals, commercial Unit 367 Holloway Road, Islington London N7 0RN

With regard to the above.

We residents have experienced considerable nuisance and disruption from previous occupants of the various restaurants at 367 Holloway Road and feel cautious as a result.

Building works for the refurbishment of the premises at 367 Holloway Road have now been going on for months. Eventually, after speaking on several occasions to the builders and asking them not to work out of hours, I reported to the Noise/ASB Islington Council Service the ongoing hammering and drilling which went on all day on the past 2 Sundays. I reported this on behalf of the the three of us most affected, i.e. [redacted]

I have spoken to one the owners of Cheatmeals, [redacted] about the out of hours building works but they continued unabated subsequently. I have also texted him about the rubbish being dumped in front of my garage/shed adjacent to the rear of Cheatmeals.

Rostam has told me that the premises will be a burger bar for takeaway and delivery. We hope that this will not be allowed to happen until 2 a.m.

Rostam is aware that loud music has been a problem for upstairs residents in the past and has told me that they will not be playing music as it is not appropriate in a takeaway bar. My neighbour [redacted] told me a few weeks ago that [redacted] had told her that he had applied for a late license as he intends to sell alcohol. This seems odd for a takeaway place.

Our request is that you do not immediately grant the late license. If there really is no nuisance from the premises, then they will be able to apply for the late license without any objection from us.

It is our sincere hope that there will not be any nuisance from our Cheatmeals neighbours and that they can enjoy a prosperous business while we can enjoy the ordinary rights of a peaceful, smell free domestic life.

We are also sending this application by post with both my and [redacted]

[redacted] is making a separate application to the Licensing Team.

With thanks for your consideration,

Yours sincerely,

Public Nuisance

I OWN ONE OF THE MAISONETTES ABOVE THE COMMERCIAL PREMISES ALONG NAGS HEAD PARADE. THE GRANTING OF A LATE NIGHT LICENSE WILL CREATE A PUBLIC NOISE NUISANCE AND AFFECT THE RESIDENTS AMENITY IN THE MAISONETTES IN NAGS HEAD PARADE.
HAVING A PREMISES LICENSED UNTIL 2.00 AM CREATES THE STRONG LIKLIHOOD FOR DAMAGE TO THE HEALTH & COMFORT OF RESIDENTS.

Crime and Disorder

LATE NIGHT ESTABLISHMENTS ARE SYNONYMOUS WITH UNRULY BEHAVIOUR AND THAT IS CERTAINLY TRUE ON THE HOLLOWAY ROAD WITH A LATE NIGHT MURDER HAVING TAKEN PLACE A NUMBER OF YEARS AGO JUST METRES FROM 367 HOLLOWAY ROAD.

Protection of Children from Harm
Public Safety A NUMBER OF THE RESIDENTS ARE YOUNG WOMEN. HAVING A LATE NIGHT VENUE A FEW DOORS FROM THE COMMUNAL ENTRANCES TO THE MAISONETTES IS HIGHLY UNDESIRABLE AND A THREAT TO THE SAFETY OF RESIDENTS.

2. Recommendations

2.1. To determine the application for a variation of the premises licence under Section 34 of the Licensing Act 2003;

2.2. If the Licensing Sub-Committee grants the application it should be subject to:

i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 4); and

ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

3. Background

3.1. Please include a brief explanation of the context of the report, any key considerations, and if a decision is being sought.

3.2. This is an application to amend the current layout plan for an existing licence.

3.3. The application does significantly increase the licensable area for the premises. The current licence at the premises was issued in 2005 so is quite historic. The application does not seek to amend any of the current licence conditions.

3.4. The application is subject to representations from a local resident, the licensing authority, and the Police licensing team.

3.5. The Council Noise Team made representation, but this representation was withdrawn after there conditions were agreed.

3.6. The original Police representation set 12 conditions. These conditions are set in Appendix 4 of the report, where the applicant has not agreed to the conditions are per the Police representation, there responses are marked in bold.

3.7. Officers have met with the applicants at the premises and suggested that the applicant should also look to amend the existing licence as part of the process, but this advice had not been acted upon.

3.8. If granted as sought, the conditions on the premises, such as limiting the overall capacity to 120 and the limitation on only 2 performers will not have been amended.

4. Implications

4.1. **Financial Implications**

4.1.1. The Head of Finance reports that the applicant has paid the application fee of £315.00. Should the application be refused, the fee is not refundable.

4.2. **Legal Implications**

4.2.1. The legal implications are set out in Paragraph 2.

4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

4.5.1. The Council planning and building control department has been asked for an update to be provided before the Committee to ensure that there are no implications for the working that have been undertaken at the site.

5. Conclusion and reasons for recommendations

5.1. That the Licensing Sub-Committee determines this application.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
3. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises, please tick ‘on the premises’. If you wish people to be able to purchase alcohol to consume away from the premises, please tick ‘off the premises’. If you wish people to be able to do both, please tick ‘both’.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant’s agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

Licensing Authority Representation

Licensing Act 2003

Application for a Variation to a premises licence in respect of:

M'nuchah, 392 Camden Road, N7 0SJ

The variation applied for is to extend the existing ground floor area to cover the entire ground floor of the property for bar use, functions and meeting rooms. There is no change to the operating hours or licensable activities, which are:

Sale of alcohol on and off the premises and live and recorded music from 1100 to midnight Monday to Thursday, Friday and Saturday 1100 to 0100 and on Sundays 1200 to 2330. Late night food up to 2330 each day. The opening hours are up to 30 minutes after the sale of alcohol ceases.

Previously the frontage of the premises was a garden with tables and chairs for customers, smoking, eating and drinking outside. This is now to be a car park.

The grounds for the representation are:

Public Safety

Prevention of crime and disorder

Public Nuisance

Licensing Policy Considerations

Licensing Policy 7 - The Operating Schedule

Licensing Policy 8 - Management Standards

Issues of Concern

The applicant has not completed the operating schedule within the application form, which would have laid out how they intend to run the business safely and to highest standards of management.

The lack of information is concerning to the Licensing Authority as it does not demonstrate any understanding or knowledge of licensing requirements or the relevant guidance in the Policy.

The Licensing Authority is committed to promoting high standards of management and public safety in all licenced premises and expects applicants and licensees to demonstrate this through their operating schedule and management practices. Experience indicates that where these requirements are not adhered to the licensing objectives are likely to be undermined.

Where the operating schedule does not provide enough details, the Licensing Sub Committee hearing the application will have insufficient information to satisfy itself that the application will promote the licensing objectives.

The plan submitted with the application shows only single inward opening exit doors, whereas all doors used for means of escape in case of emergency, should be outward opening. There is no fire

fighting equipment shown or where the bars or other fixtures will be situated. The applicant has not submitted a Fire Risk Assessment. Also, there is no toilets provision on the plan.

There are hotel or B & B rooms on the upper floors and we are concerned there may not be building regulations consent in place, or if it has been signed off by an Approved Inspector. We are concerned as it seems that work has been done to supporting walls.

Recommendations

The Licensing Authority recommends that the Licensing Sub Committee consider the application and take into account the lack of detail and information in the operating schedule, any representation by the Responsible Authorities and local residents.

The Licensing Sub-Committee must be satisfied that the premises will be operated safely, that the applicants understand licensing and other legal requirements, will promote the four licensing objectives and commit to the highest management standards.

Dear All,

16th August 2022

Dear Licensing Authority,

Police Objection to a major variation to a Premise Licence – 392 Camden Road N7 0SJ (ref; Wk/220019067)

I acknowledge receipt of a major variation for the existing premises licence with a different previous building footprint and aged public house licence.

Police are making a representation to the major variation being granted under the Licensing Objectives of preventing crime & disorder and public safety as it has not been possible to reach agreement with the applicant REHOBOTH PROPERTY INTERNATIONAL Ltd on suitable conditioning for their change of use at the premises which is not clearly defined or documented on the application ,

The application as it stands provides minimal details of the operation envisaged and included no relevant offered conditions when submitted. There has been an ongoing engagement with REHOBOTH over a number of years by the Licensing before this application and the declined minor variation that was recently declined so it was disappointing that no conditions were offered by them for this application as well as not being able to reach agreement here on points already covered. I am also concerned that to date they have not proposed a nominated designated premises supervisor with experience to manage the enlarged premises.

Two conditions proposed [11 & 13] remain unagreed at this time and it would seem the correct procedure in the circumstances to have the Licensing Committee look at the variation application in full and once they have heard in person from the applicant

or looked at any submissions made by the applicant determine any conditions as they deem appropriate .

Kind regards,

Tim Livermore
