3.3. In May 2019 the Designated Premises Supervisor (DPS) was varied to Sokol Toska.

3.4. On 19<sup>th</sup> September 2019 the DPS Mr Sokol Toska attended the Licensing Officers panel to discuss breaches of the capacity at the venue and the decision as to whether the premises will be split into 2 or 3 licences.

3.5. On 21 January 2020 a variation application was made to update the plans appended to the premises licence and to update the conditions of the premises licence.

- 3.6. On 29<sup>th</sup> September 2021 a new premises licence application was made by the Archway Tavern (ground floor pub) which would give the premises the benefit of a separate licence from the Club on the first floor.
- 3.7. On 3<sup>rd</sup> October 2021 a visit was made to the Club Bonbon by Police Licensing Officers where it was noted that the venue appeared to be very crowded, possibly over capacity, fire exits blocked and the visible use of indoor pyrotechnics.
- 3.8. On 11 October 2021, the DPS Sokol Toska attended a meeting with Police, Council Licensing Officers, and the Fire Brigade to discuss the issues noted at the premises visit on 3<sup>rd</sup> October 2021. There was an agreed undertaking by Mr Sokol Toska that the premises would not reopen until the Fire Brigade had completed a safety audit, a new door security team were in place and there was a dispersal policy with security staff fully aware and able to implement.

- 3.10. In December 2021 a minor variation application was submitted for Club Bonbon. - 3.11. In February 2022 an application for a minor variation was submitted to add additional conditions on to the premises licence in relation to the Metropolitan Police's Medical Critical Incident Standard Operating Procedure.
- 3.12. An application to vary the Designated Premises Supervisor (DPS) from Sokol Toska to Ardian Aliaj was made and granted in February 2022.

## 4. Implications

### 4.1. Financial Implications

- 4.1.1. The Head of Finance reports that there is no fee associated with this application type.

### 4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.

4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly, or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

4.5.1. The property is not a listed building but is it located within St John's Grove conservation area

4.5.2. Historical records confirm that the use of the first floor has been operating for some years as a night club (sui generis) and is, on the balance of probabilities, lawful. The proposed live music venue (also sui generis) would require planning permission for a change of use.

4.5.3. We have no planning history for the terraced area to the rear of the first floor and if any structures (fencing) have planning permission, again on the balance of probabilities, the terrace area and structure would appear to be lawful due to passage of time.

4.5.4. There are no ongoing enforcement investigations concerning the land.

## 5. Conclusion and reasons for recommendations
