remainder of the meeting should be exempt.

Councillor Khurana sought the views of the Investigating Officer and the Interim Monitoring Officer.

The Investigating Officer, supported by the Interim Monitoring Officer, stated that the subject of the meeting clearly relates to an individual and in considering if an exemption under paragraph 1 of Part 1 of Schedule 12A to the Local Government Act 1972, should be applied, Article 8 of the Convention on Human Rights (right to privacy) is engaged, among other Convention rights. No finding of misconduct has yet been made, and disclosure of the councillor's identity and the allegations against them could damage their reputation, even if they are not upheld by the committee. On balance, and considering that the findings of the committee will be made public if the allegations are substantiated, the Investigating Officer recommended that the remainder of the meeting be held in private.

Councillor Khurana moved the motion to a vote.

RESOLVED:
