PROCEDURES FOR PLANNING SUB-COMMITTEES

Planning Sub-Committee Membership

Each Planning Sub-Committee consists of five locally elected members of the council who will decide on the applications for planning permission.

Order of Agenda

The Chair of the Planning Sub-Committee has discretion to bring forward items, or vary the order of the agenda, where there is a lot of public interest.

Consideration of the Application

After hearing from council officers about the main issues of the proposal and any information additional to the written report, the Chair will invite those objectors who have registered to speak for up to three minutes on any point relevant to the application. If more than one objector is present for any application then the Chair may request that a spokesperson should speak on behalf of all the objectors. The spokesperson should be selected before the meeting begins. The applicant will then be invited to address the meeting also for three minutes. These arrangements may be varied at the Chair's discretion.

Members of the Planning Sub-Committee will then discuss and vote to decide the application. The drawings forming the application are available for inspection by members during the discussion.

Please note that the Planning Committee will not be in a position to consider any additional material (e.g. further letters, plans, diagrams etc.) presented on that evening. Should you wish to provide any such information, please send this to the case officer a minimum of 24 hours before the meeting. If you submitted an objection but now feel that revisions or clarifications have addressed your earlier concerns, please write to inform us as soon as possible.

What Are Relevant Planning Objections?

The Planning Sub-Committee is required to decide on planning applications in accordance with the policies in the Development Plan unless there are compelling other reasons. The officer's report to the Planning Sub-Committee will refer to the relevant policies and evaluate the application against these policies. Loss of light, openness or privacy, disturbance to neighbouring properties from proposed intrusive uses, over development or the impact of proposed development in terms of size, scale, design or character on other buildings in the area, are relevant grounds for objection. Loss of property value, disturbance during building works and competition with existing uses are not. Loss of view is not a relevant ground for objection, however an unacceptable increase in sense of enclosure is.

For further information on how the Planning Sub-Committee operates and how to put your views to the Planning Sub-Committee please call Theo McLean on 020 7527 6568. If you wish to speak at the meeting, please register by calling the Planning Department on 020 7527 2278 or emailing enquiriesplanning@islington.gov.uk.
