## 2. Recommendations

- 2.1. To determine the application for a variation of the premises licence under Section 34 of the Licensing Act 2003;
- 2.2. This premises is located in the Kings Cross Cumulative Impact Area therefore the Licensing Sub-Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Sub-Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 2.3. The applicant has accepted conditions suggested by Islington Council's Noise Service.
- 2.4. If the Licensing Sub-Committee grants the application it should be subject to:

- i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 4); and
- ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

## 3. Background

- 3.1 The property has held a premises licence for late night refreshment for the hours listed in 1.3 of the report since 28 January 2021.
- 3.2 The application for a new premises licence had been refused by Members of the Licensing Sub Committee on 20 July 2021.
- 3.3 The decision was appealed by the applicant on the grounds of
  - a) The respondent's decision was against the weight of evidence before it.
  - b) The respondent did not give sufficient weight to the Home Office Section 182 Guidance when arriving at its decision.
  - c) That the refusal of Premises Licence application was neither proportionate nor appropriate for the promotion of the licensing objectives.
- 3.4 On 28 January 2021 a Consent Order was agreed between the applicants Legal Representative and Islington Council. A premises licence was subsequently issued to the premises, to the agreed terms.
- 3.5 This is an application to vary that premises licence to extend the terminal hour for the provision of late night refreshment until 03:30 daily.
- 3.6 The application received two letters of representation, these were from the Licensing Authority and Islington's Police Licensing Team.
- 3.7 The applicant has accepted conditions requested by Islington's Noise Service.

## 4. Implications

### 4.1. Financial Implications

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190.00. Should the application be refused, the fee is not refundable.

### 4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.

4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

4.3.1. The Licensing Sub-Committee need to consider the impacts that the proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

4.5.1 The Planning & Development section have the following comments to make in relation to the above application:

The property is located within the Barnsbury Conservation Area but it is not listed.

The property has an established use within Class E of the Town and Country Planning (Use Classes) Order 1987 (as amended).

There are no planning conditions restricting opening hours.

There are no planning enforcement cases relating to the use of the property.

As such, there is no objection.

## 5. Conclusion and reasons for recommendations

5.1. That the Licensing Sub-Committee determines this application.

## Licensing Authority Representation

### Licensing Act 2003

Application for a variation to a premises licence in respect of:

#### **Crystal Pizza and Chicken, 4 York Way N1 9AA**

Licensable activities and timings applied for are to extend the hours for late night refreshments from 1am on Fridays and Saturdays and to midnight Sunday to Thursday, to 3.30am each day.

#### **The grounds for the representation are:**

Public nuisance

Prevention of crime and disorder

### Licensing Policy Considerations

Licensing Policy 6 - Licensing Hours

Licensing Policy 22 and 23 Public Nuisance and Noise associated with licensable activities.

Licensing Policy 25 – Noise relating to deliveries from the premises.

### Issues of Concern

The applicant has not put forward any mitigation or information in the operating schedule to demonstrate that these premises would not have a negative impact in an area saturated with outlets for take away and delivery of food. In fact, the applicant already has a late-night refreshment premises next door at 2b York Way which is open until 5am each day.

**Licensing Policy 6 - Licensing Hours-** The hours applied for are outside of the recommended policy hours for premises selling hot food and drink supplied by takeaway and fast-food premises, which is Sundays to Thursday 11pm to midnight and on Fridays and Saturdays 11pm to 1am.

**Licensing Policy 22 & 23-** The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises, particularly when late hours have been sought. Where relevant representations are received, the Licensing Authority will impose appropriate restrictions and controls on the premises licence to prevent public nuisance and undue disturbance to residents from licensed premises.

**Licensing Policy 25 -** Delivery drivers from this and the other food outlets very close by will congregate outside while waiting to pick up orders. Islington now has several areas where delivery drivers are congregating and causing noise and anti-social behaviour, leading to complaints from residents and businesses.

### Recommendations

The Licensing Authority suggests that should the Committee consider granting an extension of hours, the effect of delivery drivers in the local area be taken into account and ask that all deliveries be by non-motorised vehicles, there should be a plan of where riders would wait and pick up deliveries and, that the management of the premises monitor the behaviour of the drivers and operate a procedure for taking action on any drivers causing anti-social behaviour.

The Licensing Sub Committee should consider the application and the lack of information in the operating schedule, bearing in mind that the premises could attract customers from the many late night drinking premises in the area, who may loiter rather than leave the area and consider any resident's representations, any conditions suggested by the Council's Pollution Team and the Police and Islington Council's Licensing Policy.

Dear Licensing Authority,

With reference to the above application the Metropolitan Police, as a Responsible Authority, object to the Premises Licence Application for the extension of late night refreshment hours.

We believe if this application was granted it would undermine the Licensing Objectives as the application currently requests operating times out of framework hours for trading and does not provide any clear case for exceptional cultural or other reasons or additional safeguarding measures as to why there would be no adverse impact in regards to the potential for crime and disorder or anti-social behaviour resulting.

The applicant for this premises is also the Licensee for Crystal Kebab 2B YORK WAY N1 which is located next door.

The above premises Crystal Kebab initially came to Police attention in June 2023 following a number of incidents, I have provided a brief timeline of events.

On Thursday 01<sup>st</sup> June 2023 around 2005 hours, Police officers attended the venue following reports two customers had made threats towards a members of staff. The pair verbally racially abused them and referred to their ethnicity before throwing food (sauces) at them. One of the member stated to officers the suspects may have been armed as one was seen putting his hands in their pockets. The suspect left prior to police arrival. The investigation was closed as the victims did not wish to pursue the matter.

In the same month on Wednesday 15<sup>th</sup> June 2023 at 0140 hours police were called to the premises following a report of three suspects threatening staff members with violence. Further information was relayed that one of the suspects was armed with a knife. Police officers attended the venue and were informed by staff members that CCTV was not working and had not recorded the incident. The report was closed.

On Friday 16<sup>th</sup> June 2023 at 2235 hours the premises was visited by the Islington Licensing team. Pc Darren Emmanuel spoke to the PLH Mr Ahmet Terpak who stated the fault with the CCTV had been reported and an engineer was due to attend the following week to remedy the issues.

On Wednesday 12<sup>th</sup> July 2023 at 0119 hours police were called to reports of a fight. It transpired that an altercation had taken place between a male and staff from the venue after the male had asked to use the toilets. It transpired that a staff member has armed himself with a metal bar and hit the male in the shoulder as he believed he may have been in possession of a weapon due to his body language.

Staff informed officers that there was a fault with the CCTV system and it would not have recorded the incident.

---

Mr Toprak was invited in for a panel to discuss the incident and subsequent concerns.

When discussing the matter concerning the CCTV system Mr Toprak had contacted an engineer following the visit by Pc Emanuel in June 23.

Mr Toprak stated that he did not check the CCTV system as there was never any trouble at the venue and assumed the system was recording. He could not produce any documents to support that any CCTV system checks were being conducted. Mr Toprak did not produce any documents to support that incidents were being recorded/documented. It was pointed out to Mr Toprak that he was not adhering to the conditions Annex 2 1, 2 and 3 under the premises licence.

It was agreed the licence required updating to include further conditions to assist Mr Toprak to promote the licensing objectives and demonstrate that he is a responsible operator.

The premises is located in the Kings Cross area and is considered to be one of the busiest and challenging areas in Islington. It is therefore paramount that any premises seeking to operate in this area with extended hours does so to a high standard.

I respectfully ask the committee to take into account the serious concerns raised in this representation and not grant the extension of hours.

## 2. Recommendations

- 2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;
- 2.2. If the Licensing Sub-Committee grants the application it should be subject to:
- Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and
  - Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

## 3. Background

- 3.1. This new premises licence application was received by the Council's licensing service on 7<sup>th</sup> August 2023. The applicant has amended the hours of operation from the hours on the application to: Mondays to Thursday, from 12:00 to 23:00, Fridays and Saturdays from 12:00 to 00:00 and on Sundays, from 12:00 to 22:30
- 3.2. This property has previously been licensed.
- 3.3. Carouse London Limited were the previous licence holder, however due to the company being dissolved, the premises licence lapsed. A copy of that licence is attached at Appendix 2.
- 3.4. The licensing authority received four letters in opposition to the application from local residents. On receipt of the representations, the applicant wrote to each of the representors responding to the concerns they had raised along with a copy of the conditions that have been agreed with the Responsible Authorities, following that three of the representors withdrew their objection. Conditions have been agreed with the Council's Noise Service and the Metropolitan Police
- 3.5. At the time of writing this report no additional comments from the remaining representor have been received.

## 4. Implications

### 4.1. Financial Implications

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190.00. Should the application be refused, the fee is not refundable.

### 4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

### 4.3. Environmental Implications and contribution to achieving a net zero carbon Islington by 2030

- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

### 4.4. Equalities Impact Assessment

4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

#### 4.5. **Planning implications**

4.5.1. The Planning & Development section have the following comments to make in relation to the above.

4.5.2. The building is not statutorily listed, and it is located within the Stroud Green Conservation Area (CA39) which is subject to an Article 4 Direction removing certain permitted development rights regarding development fronting the highway.

4.5.3. The ground floor unit has been operating as a public house, since at least 1987 according to historic planning records, (sui generis) and is, therefore considered to be, lawful.

4.5.4. There is no planning history or planning conditions relating to the hours of operation for the ground floor unit.

4.5.5. There are no ongoing enforcement investigations concerning this site.

## 5. Conclusion and reasons for recommendations

5.1. That the Licensing Sub-Committee determines this application.

PREVENTION OF PUBLIC NUISANCE  
I OBJECT TO EXTENDING THE LICENSING HOURS BEYOND 23.00.

Sparsholt Road is a small residential road and many residents have their Bedrooms to the front of the street. The previous Pub had some outside tables for the smokers, however on busy evenings, noisy drinking crowds stood on the pavements, blocking the road. The noise at night and the mess and litter in the morning, I consider a public nuisance and therefore ask for 11pm closing closing time.

Thank you

[REDACTED]

Dear [REDACTED]

My name is Nick, manager of The Robin. I am in receipt of your email to the council. I acknowledge your fears and concerns. And I am delighted to let you know that after consultation with the Police and the Council Noise Team the following are agreed hours, which I think will go some ways to allaying your concerns about late hours.

Monday – Thursday  
12 – 2300

Friday & Saturday  
12 – 0000

Sunday  
12 – 2230

Further, no drinks to be allowed outside from 10pm. All tables/benches to be collapsed at 10 as well. At closing time management will ensure that all customers are not to congregate outside of the pub and Sparsholt Street but to disperse from the area.

I hope these conditions go some way in allaying your fears about noisy drinking crowds late at night.

Should you wish to talk further, I am happy to speak directly with you via the following email address [REDACTED] also happy to have a meeting in person at the pub should you wish it. And here is my mobile [REDACTED] you know you can reach me directly anytime now, or in the future should any issues arise regarding noise or litter, or anything else pub related. I take personal responsibility and will deal with any issues promptly.

Kind regards,  
Nick
