- 3.2 These premises are located in the Holloway Road and Finsbury Park Cumulative Impact Area therefore the Licensing Committee will need to consider Licensing Policy 2, which states that there is a presumption of refusal unless the Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 3.3 The Licensing Authority received three letters of representation in opposition to this application. These representations were from the Licensing Authority, Police and the Junction Ward Councillors. The representations were based on the licensing objectives of the prevention of crime and disorder, the prevention of public nuisance and the protection of children from harm.
- 3.4 Islington's Trading Standards service also made a representation. However, the applicant agreed conditions with the service and the representation was subsequently withdrawn.
- This premises held an alcohol licence from November 2006, the licence was reviewed by Trading Standards in July 2013, based on the licensing objectives of the prevention of crime and disorder and the protection of children from harm. Members of the Licensing Sub Committee revoked the licence on 10 September 2013. The hours for the sale by retail of alcohol for this licence were from 07:00 until midnight Monday to Sunday. The premises licence holder at this time was Nita Raikundalia.
- 3.6 An application was received for a new premises licence in March 2014, with application hours sought from 08:00 until 23:00 for the sale of alcohol off the premises only. The applicant at this time was Gagandeep Bedi. This application received representations and referred to a meeting of the Licensing Sub Committee for determination, where Members decided to refuse the application.
- 3.7 A further application for a new premises licence was made in May 2015 by Hiren Patel. The provisions sought were an on and off licence for alcohol to be sold ancillary to either a person taking a table meal or with a take away meal from a deli style premises.
- 3.8 Visits to the premises in February 2016 found the premises to be operating in breach of a number of premises the licence conditions. Warning letters were sent to the premises licence holder and in March 2016, the licence was surrendered.

Dear Sir

Re: AYA Supermarket, 599 Holloway Road, N19 4DJ - New Premises Licence Aplication

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives, being the Prevention of Crime and Disorder.

The venue is situated in the designated 'Holloway Road and Finsbury Park Cumulative Impact Area', a locality where there is traditionally high crime and disorder, and a large number of licensed bars and off-licenses in the immediate area. Islington has almost double the national average of licensed premises per resident, and this is why the Police supported the implementation of the Council's Cumulative Impact Policy. This large number of licensed premises and the issues associated with these impacts greatly on the Police and all other emergency service's resources.

There are already 12 other licensed premises within a 200 metre radius of the proposed venue. As referenced in the Islington Licensing Policy 2013-2017, this area still suffers with street drinking, and other alcohol related problems.

I attach to this representation a letter written by Detective Chief Inspector Steve Heatley referencing the problems that police and other emergency services encounter during the nighttime economy as a result of alcohol. Whilst we appreciate this proposed venue will be closing at 11pm, it is another venue selling alcohol to the public who may be taking that home and add to the issues covered.

It is only for these reasons that we are objecting to the application and propose that it is refused.

Should you wish to discuss the matter further please contact me on Mobile 07799133204 or via email, licensingpolice@islington.gov.uk

Yours sincerely

Re: GBH and the Nightime economy of Islington Borough

Over recent years Islington has experienced rapid growth in its night time economy. The cumulative effect of this is a heavy footfall of persons who are not resident in Islington Borough but who are present between the hours of 8pm and 6am to take advantage of the extremely vibrant night-time economy, especially over weekends.

We are now facing an increase in public transport services, with the introduction of the 'night tube', but there has not been commensurate increase in public services, such as Police or the London Ambulance Service.

Each new license or extension of an existing license will create additional demand on a range of public services. There is a direct link between the number of persons in public places who have consumed alcohol and the number of violent assaults that take place in that public place. This 'new' business for the police will involve reporting and investigating more instances of theft, anti social behaviour, drunkenness and serious assaults. No additional police resource will be available to cope with this extra demand. More people will be the victims of crime and more people will be injured.

Similarly we must engage with any business that has a disproportionate amount of need for the emergency services as a result of anti-social behaviour, or violence emanating from their premises. If the engagement is not successful, further action may be deemed necessary to reduce these serious issues.

The number of Police personnel available both in terms of uniform deterrence and investigative capacity is at its lowest between the hours of 11pm and 8am. At a time when both Police resources are being severely squeezed long with the resources available to NHS we strongly resist increasing the number of persons who have consumed alcohol onto the streets of Islington. We have dwindling resources to deal with the consequences.

The average investigation into an allegation of Grievous Bodily Harm costs Islington Police £2000 to investigate.

In the previous year to 31st October 2016, Islington police investigated over 580 such crimes. This does not include domestic related GBH offences (which increases by a further 250). 176 of these crimes occurred between the hours of midnight and 5am.

This takes no account of the costs to the NHS. It also takes no account of the thousands of alcohol-related Actual Bodily Harm and Common Assault investigations that are taken on by Islington Police every year.

In any area that is already saturated with Licensed Premises it is just not sustainable to keep increasing the number of people on those streets after midnight. No matter how well any establishment is run internally their very business case is based on growing the number of people who end up on the streets of Islington having been drinking. As local public services are already stretched then the inevitable consequence of granting more post-midnight licences is an increase in the number of victims of serious violence.

Detective Chief Inspector Steve Heatley

Licensing Authority Representation

Licensing Act 2003 Application: AYA Supermarket, 599 Holloway Road, London N19 4DJ.

lam submitting a representation on behalf of the Licensing Authority with respect to the new application in respect of the above premises.

The grounds for the representation are:

- Public nuisance
- Crime and disorder
- Protection of children from harm

Licensing Policy Considerations

Licensing Policies 1 & 2 - Location, Cumulative Impact and Saturation Licensing Policies 4 & 5 - Shops Selling Alcohol Licensing Policies 13 - Alcohol induced crime and disorder and anti-social behavior

Issues of Concern

- The premises are located within the Holloway Road and Finsbury Park Cumulative Impact Area. The onus is on the applicant to demonstrate that these premises will not add to the cumulative impact. It is my opinion that the proposed application will add to the cumulative impact.
- 2. Regular complaints are received from local residents about the impact of licensed premises in the area and Licensing Officers regularly visit premises and try to work with licensed operators to minimise the impact that their businesses have on the local environment, for example through the successful introduction of the "reduce the strength" campaign.
- 3. There is a specific concern about the impact of street drinkers in the area, who typically arrive in the area early and consume alcohol on the street and in the local parks. These drinkers are associated with antisocial and criminal behaviour such as fighting, public urination and littering. The premises is located in close proximity to Whittington Park.
- 4. It is the view of the Licensing Authority, that this application will undermine the licensing objectives and add to the cumulative impact principally because the proposed off sale hours will be attractive to street drinkers referred to above.

Recommendation

If the Licensing Committee is minded to grant the licence, I recommend that the licence be granted to allow off-sales between the following hours only: 10:00 until 23:00, Mondays to Sundays. I also recommend that the following additional conditions apply:

1. CCTV shall be installed, operated and maintained in agreement with the Police. Maintained means that the system will be regularly serviced (at least once a year) and checked every two weeks to ensure that it is storing images correctly and a log kept and signed by a Supervisor to this effect. The system will provide an identifiable full head and shoulder image of everyone entering the premises and will operate in any light conditions within the premises. The system will cover the full exterior of the premises and shall record in real time, date and time stamped and will operate whilst the premises is open for licensable activities. The recordings will be kept for a minimum of 31 days and copies will be made available to an Authorised Officer or a Police Officer (subject to the Data Protection Act 1998) within 24hrs of any request free of charge. There will always be a member of staff on duty who can operate the system, to allow Officers to view recordings and if required by a Police Officer, provide a copy of images immediately free of charge to assist in the immediate investigation of offences. If the system malfunctions and will

not be operating for longer than one day of business then Police must be informed.

- All staff responsible for selling alcohol shall receive regular training from the DPS (with
 refresher training not less than once every 6 months) with written records of the training be
 made available to the Police and other Responsible Authorities on:
 - a) in the Licensing Act 2003
 - b) Use of the CCTV,
 - c) Use of the Refusal Book,
 - d) Use of the Incident Book,
 - e) The Challenge 25 Policy and forms of acceptable ID,
 - f) Refusal of patrons who attempt to purchase alcohol or tobacco in breach of this operating schedule or Licensing Act 2003
- 3. The licensee will adopt a Challenge 25 scheme that ensures any person attempting to purchase alcohol who appears to be under the age of 25 shall provide documented proof that he/she is over 18 years of age shall be implemented at the premises. Proof of age shall only comprise a passport, a photo card driving licence, or Proof of Age Standards Scheme (PASS) approved proof of age identity card.
- 4. The premises licence holder shall ensure that notices shall be prominently displayed in the premises to advise patrons and staff that a 'Challenge 25' scheme operates in the premises.
- 5. A refusal book recording all refused sales of alcohol shall be kept at the premises and maintained at all times, which shall be made available to a police officer or an authorised officer of any responsible authority upon request. The register will contain:
 - a) details of the time and date the refusal was made
 - b) the reason for the refusal (including underage and attempted purchase by person who is drunk)
 - c) the dentity of the staff member refusing the sale
 - d) brief description of the customer concerned
- An incident book shall be kept and maintained at the premises at all times, which shall be made available to a police officer or an authorised officer of any responsible authority upon request.
- 7. No beer, larger, cider or similar cans to be sold in single units. Beer and cider only be sold in multiple packs of a **minimum of 4 cans**. No plastic bottles of cider will be sold.
- 8. There shall be no sales of spirits invessels of 30cl or less.
- 9. No super-strength beer, lager or cider of 6.5 ABV or above shall be sold at the premises.
- 10. Customers shall not be permitted to open or consume alcoholic products on the premises.
- 11. No open vessels shall be allowed off the premises.
- 12. No cups or vessels will be supplied to those purchasing alcohol.
- 13. Patrons shall be requested not to congregate or loiter inside/outside the premises and to leave the premises quietly. Notices to this effect must be prominently displayed at the entrances of the premises.

I wish to object on the following grounds:

Archway is one of the crime hotspots in the area.

I believe, therefore, that granting this application for a licence the sale of alcohol will be against the objectives of the Licensing Policy: prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm.

Our current Licensing Policy also points out that the Archway area has one of the highest concentrations of off licences of any ward in the Borough, with an average of one off-licence per 317 residents. The Policy therefore has designated it an area of cumulative impact and saturation. As such there should not be another licence granted. It is widely recognised that as the density of licensed premises increases, so does the number of alcohol related ambulance call outs and incidents of alcohol related crime and disorder.
