Dear Mr Emmerson

Islington Borough Council
Byelaws Regulating the use of Barbecues on Highbury Fields
Provisional approval

Thank you for Islington Borough Council's byelaw application of 14 June, seeking provisional approval to make byelaws under pleasure grounds, public walks and open spaces to regulate the use of barbecues on Highbury Fields.

The Department has carefully considered the Council's application in line with the Department's scrutiny role as set out on the Ministry of Housing, Communities and Local Government website at

<http://webarchive.nationalarchives.gov.uk/20100519235538/http://www.communities.gov.uk/localgovernment/360902/byelaws/localgovernmentlegislation/guidancenotesarrangements/>

Subject to the consideration of any objections which we may receive, the Council's draft byelaws submitted to the department on 14 June, provisional approval for the byelaws has now been granted.

In terms of next steps, subject to the consideration of any objections which we may receive, the byelaws may be submitted to the department for confirmation if they are formally adopted by the Council and submitted to us in accordance with the procedure set out in the guidance notes, which can be found on the Ministry of Housing Communities and Local Government website link referred to above.

Any representations and objections received by the department during the statutory consultation period, which the Council may now proceed with, will be forwarded to the Council for comments, and will be taken into consideration when determining any application for confirmation.
