PARKS EVENTS FEES & CHARGES					
The fees set out below cover a variety of services related to park events. They are a guideline only and are subject to variation depending on the site, the season, the nature of the event and various other circumstances. The fees will be confirmed upon application and submission of the required supporting documentation. An event will not be authorised until all necessary payments have been made.					
Application Fee					
This covers the cost of the event application management tool (EventApp) which is used to manage events, the annual charges that the Council pays for having music in our parks and the Officer time it takes to assess your application. This fee is non-refundable and must be made at the time of application.					
Community Event		£50.00	£50.00	0.00%	This is not being raised as we want to encourage more community events.
1 day events for up to 500 people without licensable activities		£110.00	£100.00	-9.09%	Price reduced to encourage smaller events
Events longer than 1 day, for more than 500 people or with licensable activities		£330.00	£350.00	6.06%	Price increased to take advantage of commercial events
Site Hire Fee					
This covers the hire of the park and is based on how the event impacts the everyday use of the site. Fees indicated are based on each person attending the event taking 2.5 square metres. If more space is required, for example for a rounder's pitch, sports track, obstacle course or temporary structures, fees will be higher. A proportion of the fee ensures the Council can maintain the parks as a valuable asset for local residents. The fee is also used to manage the impact on the park for example de-compaction and aeration of grassed areas, drainage etc. This fee must be paid at least two weeks before the event start date. If the event is cancelled cancellation fees may apply, see below for more information.					
These fees do not cover funfairs, circuses, markets/food fairs or promotional activities. Prices include an environmental impact fee. The environmental impact fee is charged for restorative works which are carried out throughout the year. If the site has gates this period is while the gates are open. If gates need to be opened early or closed late for access an additional set-up/down fee will be charged. Even if the event is for half a day there may be extra charges if the gates have to be opened early or closed late.
