

LONDON BOROUGH OF ISLINGTON
CHIEF EXECUTIVE'S DEPARTMENT SCHEME OF AUTHORISATION

In accordance with Part 3 Paragraph 8.1, 8.13 and Appendix 3 of the Constitution, I authorise:

1. all Directors and Heads of Service in the Chief Executive's Department to exercise the powers delegated to them in Appendix 3 of the Constitution in connection with the provision of the service for which they are responsible.
2. The Programme Director, Community Wealth Building, to make Key Decisions in relation to the Community Wealth Building Division.

Delegated powers which officers are authorised to exercise by this scheme:

- (i) are subject to the same restrictions that would apply to me when exercising powers as Chief Executive; and
- (ii) must be exercised in accordance with the Council's procedural rules and the other provisions set out in the Constitution, the Council's agreed policies and procedures and any specific instruction(s) I may issue.

With the exception of Point 2 above, this scheme of authorisation does not authorise the exercise of any delegated powers to make a **Key Decision** as defined in the Constitution. In cases where a Key Decision which may be made at officer level is to be made, a written report explaining the nature of the Key Decision, why it is to be made and the options to be considered shall be provided to me.

Signed

Linzi Roberts-Egan
Chief Executive
