The signs located at entrances should be placed on the exterior of the building at, and adjacent to, all public access doors. All signs must comply with the requirements of the Data Protection Act 2002.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

**Continued from previous page...**

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

  - evidence of the applicant's own identity – such as a passport,

  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

***Continued from previous page...***

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

To Whomever it may concern,

I am [REDACTED] and must object to this licensing application. I will outline my representation as per your licensing objectives in your letter to me.

#### **The Prevention of Public Nuisance:**

D & D Grooming has been conducting late night parties since opening at this location and on 30/31st August 2020 was already conducting a late night party with very loud music and alcohol provision until 2am. This is a huge nuisance and prevents me and any neighbours sleeping or resting easy. The bars location around so many homes (pictured) is an incredible nuisance and terribly placed. There are also drinkers outside on public pavements excess noise in what I guess is the outdoor 'smoking area'..

#### **The Prevention of Crime and Disorder:**

Since opening there have been people on the streets late at night and drug paraphernalia such as laughing gas canisters littered on the streets outside the barber. I have also seen empty drug sachets for drugs such as Cocaine. The Shisha bar is already breaking it's license by being open until the early hours, even though they have the front door shutter down (as pictured). I fear late night fracas and drug/alcohol use will not aid an already rough area.

#### **Public Safety and the Protection of Children From Harm:**

As above, drug paraphernalia out on the streets is not good or safe, nor excess drunk individuals. Furthermore the building itself is very unsafe and poorly constructed (see pictured), if [REDACTED] fell onto that roof they would go straight through and it cannot be safe against fire. It is a noise and fire risk.

#### **Closing Comments:**

This building is poorly constructed and does not have a solid roof, the roof is made of plastic and as a result the noise floods all the surrounding residences, it is also a fire and safety risk. Also the people at the parties come out screaming and laughing [REDACTED]. This is an unacceptable situation and will make living here untenable, the building is simply too close to residents and too poorly sound insulated. They've been having late night 'raves' before the lockdown and now big private parties despite no social distancing (August 30th/August 31st). This individual clearly flaunts laws and will make living in the area a nightmare.

I implore you to reject this application, I would also request you check the building standards of their shanty building, they cannot be meeting standards for safety or noise insulation.

In Good Faith

I am wiring with regard to the letter I received - dated 13.08.2020.  
regarding: D&D Grooming Lounge, Shop, 347 Holloway Road, N7 0RN.

As a local resident, [REDACTED] D&D Grooming Lounge premises, I would like to strongly object to the new license being issued for the above business.

Please see my comments against this application as follow - I am going to keep the format suggested in your letter for easier/clearer reference.

1. Public Nuisance is my major concern - D&D Grooming Lounge premises are a makeshift build of corrugated plastic & metal in place of a former back yard for the business premises, surrounded by at least 20-30 private flats with windows overlooking the place. This has never been intended to or geared up for being, what is essentially trying to be now, a night club.  
As such the 'lounge' does not meet any H&S or building regulations, has no sound proofing control in place nor light control or even a proper walls - the sound of music, shouts, screams & laughter late at night is already unbearable to the residents, and the premises are not even operate fully at the moment. The place has parties almost on a daily basis, which feel to us like being held literally on the window sill. This 'shanty town' construction in a present form is in no form or shape suitable to be considered a night club or late public gathering spot without bringing huge amount of noise and light pollution to all residents.
2. Crime & Disorder is a second major concern - the place has opened as a barber salon, with few hair cut chairs and washing station. As such, has no proper night club security or control in place. There is no security on the door, no proper, swift connection with police or cameras monitoring. This allows for all sorts of 'unsavoury' dealings there or on the street at the front if it. It is a potential hub for drugs, crime and violence with no protective measures in place to control or prevent it.
3. Public Safety is in jeopardy due to the makeshift 'shanty town' construction being an enormous fire hazard for both, party participants as well as surrounding residents. When alcohol and partying would go out of control - the location, construction and current set up of this business is in no shape or form not to turn into yet another 'Greenfield Tower'. The place does not even have a proper back route to the street (the back route takes you to fenced off another business premises, controlled by guard dogs at night). Please refer to the photo attached of a premises which are applying for a license to host public at night and sell alcohol... Surely, this is bordering on 'wild west' unregulated set up, where NO public Health or Safety is being considered?
4. All of the above are a great obstacles in Protection of all children (but also adults) from harm residing in the surrounding properties.

Dear Sir/Madam,

**Reference: WK/200029497 – License Application Rejection**

It is with regret that I write this letter in response to communications I received from Islington council dated 13.08.2020 with regards to: D&D Grooming Lounge, Shop, 347 Holloway Road, N7 0RN, application for a license to operate late hours as a bar/club type environment.

I am local resident, living close to the D&D Grooming Lounge premises, I strongly object to any new licence being issued for the above business.

I have listed below my immediate and main concerns for your reference as per the layout of your letter:

1. Public Nuisance - Over the last bank holiday weekend, the reverb sounds of loud music can be heard. I dread to think how people living closer or behind the area can tolerate that. During late evenings and weekends, it is visible that some of the crowds spill out side onto the Holloway Road. It becomes a smokers playground leaving cigarette butts, rubbish and sputum, clearly visible to all that frequent the area.
2. Crime & Disorder - The D&D Grooming Lounge is a barber salon not a night club. Without proactive action this venue will become a breeding place for crime. There's no security facilities in place. During late evenings and weekends, it is visible that some of the crowds spill out side onto the Holloway Road.
3. Public Safety – Unregulated venues where alcohol usage, drug usage and late night openings often lead to a string of unwanted upset and mayhem.

Please review any licence issue properly and carefully. Ensure local residents living along Warlters Road, N7 have been requested for opinions as they will likely be affected.

I would appreciate for my identity to remain anonymous to the applicant as I fear any ill repercussions of my feedback and observations, I have put forward for your reference.

Your sincerely

**Subject:** RE: Response to Objections

Dear Daniel Whitton and My neighbours,

I hope you and your family continue to be safe and well during this hard time.  
Thank you for highlighting your concerns, which I have listed using numbers alongside each concern is my response.

**Concerns related to the prevention of public nuisance**

1. **Open until 2am** – I do agree there were a couple of evenings where there were late night events due to my personal family members wanting to celebrate a graduation and a christening in a safe environment. I apologize for causing you any inconvenience. These incidents were one off and will no longer occur this late. We will only be open until midnight throughout the week.
2. **Noise and light pollution in general** – Alongside our music played being reduced to only being background music from the TV. We will soon be erecting brick walls, and sound insulated roofs to reduce the noise and light pollution to a minimum.
3. **Trying to be a Nightclub** – Apologies for the misunderstanding, you assumed right as you saw our application to have stated that we requested to open until 2am, however we have discussed and took the suggestion from Islington police licencing team after we discussed the application at length. I clarified that we applied for the alcohol license so that we can serve it to customers in the lounge alongside snacks and hopefully food as well. Either way you would be glad to know that we do not entertain any vertical drinking. With that in mind I propose the following conditions, which the police are in agreement with;  
Sale of alcohol will be between the following times Sunday – Thursday 1500-2200, Friday – Saturday 1500 – 2300 hours (plus 45 Minutes drink up time to cover customers waiting/receiving treatments) on terms with Islington police licencing.

Please let me be clear that we are not trying to be a nightclub, what we are trying to convert this place to is restaurant/lounge.

**Concerns related to the Prevention of Crime and Disorder**

4. **Drug Paraphernalia outside the barbershop** – Just because there is Drug Paraphernalia outside the barbershop, it does mean that my clients or my business is responsible for it. There are shops, cafés, off-licence on the same strip. You would be glad to know that, at D&D Grooming we have a no drug policy, and I can confidently say that my clientele do not take drugs such as laughing gas canisters or cocaine, outside or inside of the business which are mentioned in the objection. Nevertheless, we have CCTV installed at all locations and will increase their presence where required. However, I would like to be clear that D&D Grooming Lounge should not be held liable for what happens on Holloway Road.
5. **No Cameras monitoring** – We have recorded cameras monitoring 24/7 in the premises.
6. **No Connection with the police** – We have never had an incident in the premises that ever required the police and if we did try to open a nightclub, I completely agree we will have to hire security guards, but all we are is a lounge with no aspiration to be a club.

### **Concerns related to the Public Safety and the Protection of Children from Harm**

7. **The building is poorly constructed** – I can reassure you the building work is safe, and materials used are fire retardant; however, this structure is only temporary and will be refurbished within the next few months. During this refurbishment, we will be implementing methods to insure it reduces sound and pollution, to ensure we do not continue to disturb you.

### **Other Concerns**

8. **Late Night Raves before lockdown, big private parties despite no distancing** – I would have to disagree with this, since we never have allowed vertical drinking plus, we only allow table booking service. So each group of customers stay within their table.
9. **People at the party come out screaming and laughing** – Although we do not hold parties, we will definitely put up notices and take every care to tell our clientele to not disturb our neighbours whilst leaving the premises.

In closing, I do appreciate your concerns as they are mostly valid under the assumption that our planning permission may have hinted that we wanted to run a nightclub due to the late night openings, but I would like to reassure you that is not in our plans and will never happen.

Furthermore, as I have only had 1 instance of a noise complaint since we opened earlier this year. I was not aware that the noise travelled all the way to your homes after that 1 incident, so I was surprised to read it here more concerns related to noise and lights.

In summary the main concerns really boil down to the following 3.

**Public Safety** – We have a list of terms that we agreed with the Islington Police to carry out to ensure we are doing our best to promote a safe place for business and residents. (See terms attached).

**Noise and Light Pollution** – We will remove the current structure and erect a building with correct sound and light insulation.

As much as I need to run my business and try to have a livelihood during these tough times, I need to also ensure it is not at anybody's cost.

I look forward to hearing from you, either through the council Daniel Whitton or feel free to come down for us for a tea or coffee so you can see how we manage the place.

Kind regards,

Dawit  
Owner  
D&D Grooming Lounge
