SUBJECT: Annual Fraud Report - 2019/20

1. Synopsis

- 1.1. This report is intended to support Committee in obtaining assurance that the Council has a sound framework of governance, risk management and internal control. It does this by providing an update surrounding the Council's counter fraud activity.
- 1.1. An update on Corporate Investigations and Housing Investigations has been provided. The report covers the period 1st April 2019 to 31st March 2020. In the interest of timely reporting to Committee, information relating to Corporate Investigations has been extended to cover the period to 31st August 2020.

2. Recommendation

- 2.1 Committee is asked to note the contents of the report.

3. Background

- 3.1 The Local Government Transparency Code 2015 (published by the Department for Communities and Local Government - now the Ministry for Housing, Communities and Local Government) requires local authorities to publish details of their counter fraud activity.
- 3.2 The report summarises the work that has been taken by Internal Audit (Investigations) and Housing Investigations.

4. Implications

4.1 Financial implications

The programme of work has been met from within the existing Internal Audit budget. The financial implications of individual mitigating actions are met by local budgets.

4.2 Legal Implications

There are no legal implications arising from this report. Legal advice and support will be provided, where necessary, in relation to individual investigations.

4.3 Environmental implications

There are no environmental implications arising from the recommendations in this report.

4.4 Resident Impact Assessment

The Council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

A Resident Impact Assessment has not been completed because the decision currently being sought does not have direct impacts on residents.

5. Conclusion and reasons for recommendations

- 5.1 To note the detail of the counter-fraud activity carried out by Internal Audit (Investigations) and Housing Investigations.
