SUBJECT: Constitution Update

1. Synopsis

- 1.1 This report proposes a number of changes to the Council's Constitution to ensure it reflects changes in legislation and council policy and remains fit for purpose.

2. Recommendations

- 2.1 To approve the amendments to the Constitution set out in the appendices.

3. Background

- 3.1 The appendices contain extracts from the Constitution in which proposed changes are marked, by crossing through in the case of deletions and by underlining in the case of additions. The main changes proposed are described below.

4. Main proposed changes

Terms of Reference and Committee Memberships

- 4.1 Following the merger of Clinical Commissioning Groups in North Central London, the membership of the Health and Wellbeing Board has been revised to take into account the new NHS CCG governance structure.

Other minor amendments to terms of reference and committee memberships are proposed. Council is asked to note that the Policy and Performance Scrutiny Committee has agreed to disband its sub-committees and therefore their terms of reference do not feature in Part 5 of the Constitution.

Non-Executive Functions

- 4.2 Pavement Licensing has been added to the list of non-executive functions at Appendix 2 following the introduction of the Business and Planning Act 2020.

Access to Information Procedure Rules

- 4.3 Amendments are proposed to the Access to Information Procedure Rules to clarify and explain the rights of members to exempt information. This does not alter the rights of members to exempt information, which are set out in statutory regulations.

References to the European Union

- 4.4 In line with United Kingdom's departure from the European Union, it is proposed to remove references to European Law.

Members' Allowances Scheme

- 4.5 It is proposed to amend the Members' Allowances Scheme following the local government pay settlement for 2020/21. A number of changes are also proposed to simplify and update the scheme. The amendments proposed to the document are set out at Appendix B.

5. Implications

5.1 Financial implications:

There are no direct material financial implications associated with the amendments to the Constitution as set out in this report.

5.2 Legal Implications:

The Council must keep its Constitution up to date (section 9P Local Government Act 2000).

5.3 Environmental Implications and contribution to achieving a net zero carbon Islington by 2030:

There are no direct environmental implications resulting as a result of this report.

5.4 Resident Impact Assessment:

The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.

An initial assessment has been undertaken and it has been concluded that a full assessment is not required as there are no direct impacts on residents.

5. Reason for recommendations

- 5.1 This report proposes a number of changes to the Constitution to ensure that the document remains up to date and fit for purpose.
