**SUBJECT: PREMISES LICENCE NEW APPLICATION

3. Background

- 3.1 This property has not previously been licensed.
- 3.2 A new premises licence application was submitted on 23 October 2020 for the sale of alcohol from 23:00 to 00:00, and late night refreshment from 23:00 to 00:00, the application has been amended and the terminal hour for alcohol is 23:00 and late night refreshment is no longer being applied for.
- 3.3 The Licensing Authority received two letter of representations in opposition to this application. The Licensing Authority also received representations from the Metropolitan Police and Islington's Noise Service, however, the applicant accepted their conditions and they withdrew their representations.
- 3.4 On receipt of the representations, the applicant wrote an email to the representors advising of new proposed hours and the removal of the application for late night refreshment.

4. Planning Implications

- 4.1 The Planning & Development Section have the following comments to make in relation to the above application.
- 4.2 The ground floor unit of the property has been used as a hot food take away/delivery (A5 use class) for in excess of nine and a half years, based on historic street view images, the change from the former café use happened between 2009 and 2011 and is therefore potentially lawful through time immunity. Under the changes to Use Class Order from 1st September 2020, this A5 use would be classified as 'sui generis'. There are no planning records of planning permission having been sought or approved for this use.
- 4.3 The last confirmed lawful use of the ground floor unit is as a café (A3 use class/new Class E(b)). There are no conditioned hours of operation.
- 4.4 Changes to Use Classes from 1 September 2020: Generally:
 From 1 September 2020, for purposes of Use Class, A1/2/3 & B1 to be treated as Class E.
 For any planning applications submitted before 1 September 2020, the Use Classes in effect when the application was submitted will be used to determine the application.

For any reference to Permitted Development rights, and for restrictions to them or applications for Prior Approval, the Use Classes in effect prior to 1 September 2020 will be the ones used until the end of July 2021 (this is defined as the 'material period' in legislation so may be referred to as such).

- 4.5 The property is not statutorily listed, but is located within the St John's Grove Conservation Area (CA28).

Planning History

- 981878 - Certificate of Lawfulness in respect of an existing use of the ground floor as a cafe (Class A3) – Approved with no conditions 22/10/1998
- There are no open enforcement cases in relation to the property.
- In order to regularise the use Planning have advised that a certificate of existing lawful use be submitted.

5. Recommendations

- 5.1 To determine the application for a new premises licence under Section 17 of the Licensing Act 2003.
- 5.2 These premises are located in the Archway Cumulative Impact Area therefore the Licensing Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 5.3 If the Committee grants the application it should be subject to:
- i. conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 4); and
 - ii. any conditions deemed appropriate by the Committee to promote the four licensing objectives.(see appendix 4)

6. Reasons for recommendations

- 6.1 The Council is required to consider this application in the light of all relevant information, and if approval is given, it may attach such conditions as appropriate to promote the licensing objectives.

Appendices:

- Appendix 1: application form;
- Appendix 2: representations;
- Appendix 3: applicant response to representations;

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Re: Premises Licence Application: Holy Cow

Dear Mr Williams,

Thank you for informing me about this application.

I wish to object on the following grounds:

Archway is one of the crime hotspots in the area.

I believe, therefore, that granting this application for a licence the sale of alcohol will be against the objectives of the Licensing Policy: prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm.

Our current Licensing Policy also points out that the Archway area has one of the highest concentrations of off licences of any ward in the Borough, with an average of one off-licence per 317 residents. The Policy therefore has designated it an area of cumulative impact and saturation. As such there should not be another licence granted. It is widely recognised that as the density of licensed premises increases, so does the number of alcohol related ambulance call outs and incidents of alcohol related crime and disorder.

I believe also that the requested hours of operation would be more than the Council's permitted hours in its current policy anyway.

Best wishes,

Councillor Janet Burgess M.B.E.

Subject: Re: Premises Licence Application: Holy Cow

I am responding from the Better Archway Forum regarding this application.

For some considerable time the Forum was receiving complaints about the number of licensed premises around the centre of Archway and the resulting anti-social behaviour, particularly at night. There was therefore considerable relief when the Archway Alcohol Saturation Zone was introduced, allowing these issues to be taken into consideration when assessing any further licence applications.

Holy Cow has operated in the area successfully for some years now offering both delivery and collection options. However, while customers might like to order alcohol to be delivered with their meal, under the proposed terms alcohol could also be purchased to consume as a takeaway, ie on the street. And given the proposed hours of operation up to midnight, that would appear to be contrary to the expectations of the Saturation Zone order.

We therefore believe that as proposed the application would be contrary to the terms of the Saturation Order and should be either amended or refused.

Regards,

Kate Calvert
