

Resident Impact Assessment

Title of policy, procedure, function, service activity or financial decision: Social Care System Support and Hosting Services

Service Area: Islington Digital Services

1. What are the intended outcomes of this policy, function etc?

Award of a contract to provide IT support and maintenance services, and IT hosting services for the Social Care case management applications and associated technical components.

2. Resident Profile

Who is going to be impacted by this change i.e. residents/service users/tenants? Please complete data for your service users. If your data does not fit into the categories in this table, please copy and paste your own table in the space below. Please refer to **section 3.3** of the guidance for more information.

		Borough profile	Service User profile
		Total: 206,285	Total: N/A
Gender	Female	51%	
	Male	49%	
Age	Under 16	32,825	
	16-24	29,418	
	25-44	87,177	
	45-64	38,669	
	65+	18,036	
Disability	Disabled	16%	
	Non-disabled	84%	
Sexual orientation	LGBT	No data	
	Heterosexual/straight	No data	
Race	BME	52%	
	White	48%	
Religion or belief	Christian	40%	
	Muslim	10%	
	Other	4.5%	
	No religion	30%	
	Religion not stated	17%	

No impact to Resident profile. This contract arrangement will maintain the use of an existing IT service provision. The Social Care system's primary use is to support operational council staff in the recording of day-to-day activities. The proposed changes through this contract will affect technical components of the system.

3. Equality impacts

With reference to the [guidance](#), please describe what are the equality and socio-economic impacts for residents and what are the opportunities to challenge prejudice or promote understanding?

- Is the change likely to be discriminatory in any way for people with any of the protected characteristics?

No impact

- Is the proposal likely to have a negative impact on equality of opportunity for people with protected characteristics? Are there any opportunities for advancing equality of opportunity for people with protected characteristics?

- **No impact**

- Is the proposal likely to have a negative impact on good relations between communities with protected characteristics and the rest of the population in Islington? Are there any opportunities for fostering good relations?

No impact

- Is the proposal a strategic decision where inequalities associated with socio-economic disadvantage can be reduced?

No

4. Safeguarding and Human Rights impacts

a) Safeguarding risks and Human Rights breaches

Please describe any safeguarding risks for children or vulnerable adults AND any potential human rights breaches that may occur as a result of the proposal? Please refer to **section 4.8** of the [guidance](#) for more information.

There is no enhanced safeguarding risk to children or vulnerable adults. Data processing will remain as per the current arrangements. A privacy impact assessment will be considered as part of the implementation of the arrangement.

There is no impact on Human Rights because of this new arrangement.

If potential safeguarding and human rights risks are identified then **please contact equalities@islington.gov.uk to discuss further:**

5. Action

How will you respond to the impacts that you have identified in sections 3 and 4, or address any gaps in data or information?

For more information on identifying actions that will limit the negative impact of the policy for protected groups see the [guidance](#).

Action	Responsible person or team	Deadline
Privacy Impact Assessment	Digital Services	30 Sep. 2021

Please send the completed RIA to equalities@islington.gov.uk and also make it publicly available online along with the relevant policy or service change.

This Resident Impact Assessment has been completed in accordance with the guidance and using appropriate evidence.
