2. Recommendations

- 2.1 To appoint a candidate to the post of Director of Environment & Commercial Operations;
- 2.2 To note the advertised salaries for the posts and to agree the final salary at which, or the parameters within which, the successful candidate should be offered the post;
- 2.3 To note that the offer of employment will be subject to completion of the Executive notification procedure.

3. Background

- 3.1 Following the member interview panel carried out on 23 June 2021, the Personnel Sub-Committee is asked to make an appointment to the role.

4. Implications

4.1 Financial implications:

The salary for the post is included within existing budgets. The salary range for the role has been advertised as £106,497 to £120,447 (Grade CO2).

The posts are also subject to any pay award negotiated nationally for 2021/22 by the Joint Negotiating Committee (JNC) for Chief Officers of Local Authorities.

4.2 Legal Implications:

The recruitment process is being conducted in accordance with the Council’s Constitution, Part 4 Procedure Rules – Officer Employment Rules. Appointments must be made on merit (Section 7, Local Government and Housing Act 1989).

4.3 Environmental Implications and contribution to achieving a net zero carbon Islington by 2030:

None.

4.4 Resident Impact Assessment:

The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding. Following an initial review, it has been concluded that a full Resident Impact Assessment is not required as the appointment does not have direct impact on residents.
