### 3. Background

- 3.1 This premises licence application was originally submitted for consideration on 11<sup>th</sup> February 2021 but was placed on hold at the request of the applicant to allow them to satisfy planning matters at the premises.
- 3.2 2<sup>nd</sup> February 2022, I was advised by the applicant's representative that they wished to recommence the application. The hours being sought for the sale of alcohol were amended to those detailed at 1.2 of this report and an updated layout plan was submitted which can be found at Appendix 1a.
- 3.3 Once advised of the applicant's intention to recommence the application the Metropolitan Police officer responding to the application submitted a supplementary statement to their original representation. This can be found at Appendix 2 and is numbered Rep 1a.

### 4. Planning Implications

- 4.1 The applicant's representative has maintained that planning matters at the site have all been satisfied however, on contacting the Council's Planning Enforcement service I was advised as detailed below:
- "Regarding the unauthorised rear extension, I am due to serve an enforcement notice for its removal, as what has been built is not in accordance with the approved plans (and materials) of planning permission reference P2019/2824/FUL. The owner, also informed me that he was intending to create a mixed use of barbers, bar, and shisha smoking area, the mixed use does not benefit from planning permission and will be subject to a second enforcement notice."

### 5. Recommendations

- 5.1 To determine the application for a new premises licence under Section 17 of the Licensing Act 2003.
- 5.2 These premises are located in the Holloway Road and Finsbury Park Cumulative Impact Area therefore the Licensing Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 5.3 If the Committee grants the application it should be subject to:
- i. conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and

- ii. any conditions deemed appropriate by the Committee to promote the four licensing objectives.

## **6. Reasons for recommendations**

- 6.1 The Council is required to consider this application in the light of all relevant information, and if approval is given, it may attach such conditions as appropriate to promote the licensing objectives.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Licensing Authority,

Please accept this as my representation.

Premises Licence Application – DEEZ Lounge, 347 Holloway Road, N7 0RN

As you will be aware, police hold responsibility for ensuring that with any application the licensing objectives are adhered to, and that proposals do not invite any heightened risk or likelihood of crime, disorder or anti-social behaviour.

With reference to the above application the Metropolitan Police as a Responsible Authority are objecting to the Premises Licence Application. It is our belief that if granted the application would undermine the Licensing Objectives .The prevention of Crime & Disorder & the prevention of Public Nuisance

On 06<sup>th</sup> August 2020 Mr Dawit submitted an application for an alcohol licence to supplement his Barber/Salon business he stated for the benefit of his grooming and hairdressing customers. On the 12<sup>th</sup> August 2020 I visited the premises and spoke to Mr Dawit with Teri Lane from the licensing authority. After discussing at length with Mr Dawit the application and based on the intended business he had proposed an agreement was reached regarding suitable Police conditions.

On Tuesday 22<sup>nd</sup> September the matter was heard in front of a committee and the application was refused. Mr Dawit had failed to rebut the presumption against granting the licence and had failed to

demonstrate that there would be no negative cumulative impact on the licensing objective of prevention of public nuisance.

On Tuesday 08<sup>th</sup> December 2020 I visited the premises with trading standard officers as part of Covid 19 compliance patrols on the borough. It was evident the layout to the premises had changed with a significant reduction in floor space dedicated to the Barber/Salon area. The number of barber chairs had also been reduced and the salon area had been removed. A stud wall had been erected to separate the barber section from the newly enclosed rear area which had its own entrance. Planning permission for this was unclear.

During the visit I asked Mr Dawit if we could go and inspect the rear of the premises to ensure no one was present. He insisted that we could enter the rear area of the premises via a separate side entrance located at the front of the premises. I reminded Mr Dawit I had visited the premises before and it would be much quicker if we used the door he was stood in front of. He eventually opened the door where we found four males sat the rear smoking shisha. This can be seen in a photograph that was taken by the trading standards officer at the time. Mr Dawit was issued a penalty notice for this offence. He stated he was not aware it was an offence and stated he had received no warnings despite letters being sent out to businesses and being covered extensively in news. It was also highlighted to him at the time the lack of ventilation in the room which had already been discussed in August when I visited the premises.

In his first application Mr Dawit failed to convince committee members that the premises would not be alcohol led and would operate as a café with hairdressing usage.

In this latest submission the floor plan shows the area dedicated to the restaurant and smoking has increased while the hairdressing area has substantially been reduced, suggesting that the main focus for the business is for a restaurant/shisha lounge, therefore any conditions previously agreed would not be suitable. At the previous hearing the Sub-Committee heard evidence from residents that there had been late night parties in the premises causing a disturbance. Mr Dawit indicated these had been private rather than commercial or events held for financial gain at the premises. It is therefore concerning that Mr Dawit has increased the space and partitioned it off from his hairdressing business where these issues could potentially arise or reoccur and it gives concern that this would be a bar or shisha café away from relevant authority view, monitoring or scrutiny.

The Holloway/Seven Sisters area is already saturated with licensed premises that are similar to that Mr Dawit is proposing and has failed to show any evidence that having such a premises would not have a negative impact in the Finsbury Park Cumulative Impact Area.

Mr Dawit has failed to demonstrate that he would ensure the venue operates in a way that would uphold the licensing objectives which was evident in December 2020 when he was caught breaching Covid 19 guidelines by allowing/facilitating customers to smoke on the premises.

The Metropolitan Police have no confidence that Mr Dawit if granted a licence for this premises application would adhere to any conditions stipulated or observe and promote the Licensing Objectives and therefore we request the licensing authority not to grant the licence.

Very best regards,

PC Petros Loizou

This statement is in addition to my representation for the premises Deez Lounge, 347 Holloway Road, Islington, London, N7 0RN. The statement documents the visit I conducted on Saturday 15<sup>th</sup> January 2022.

On Saturday 15<sup>th</sup> January 2022 at 2210 hours I attended Deez Lounge, 347 Holloway Road, Islington, London, N7 0RN. At the time of the visit I had in my company Dan Whitton and Nial Forde from the Islington Licensing team. Also present was Police officer Darren Emanuel. As I arrived at the front of the premises I saw Mr Dawit stood outside who recognised me due to previous visits at the venue.

Mr Dawit was keen to explain and show me the layout of the premises so we entered via the side door located at the front. We proceeded down the corridor where I could smell a sweet aroma which I recognised to be smoke from shisha pipes. The smell was quite sweet and distinctive. We entered the rear of the premises in what appeared to be another room/bar area. The room was enclosed with a roof and sides covering it from any external elements. I immediately saw groups of people sat around tables and noticed some of the males within the group were smoking from shisha pipes.

I pointed out to Mr Dawit that this was the second time I had visited where persons have been found smoking indoors.

Mr Dawit and another male who I have seen previously at the venue explained that the sides could be removed and in their opinion would comply with the regulations. Mr Dawit and the male explained that the sides could be taken down, However at time of the visit the sides were up which enclosed the room.

Whilst outside at the rear of the property I also noticed a skip full of rubble. The skip had been positioned almost in from of the only rear door of the venue which could cause issues if it was used during an emergency. I informed Mr Dawit that it was unacceptable and the skip should be removed/repositioned as a matter of urgency.

It is very disappointing that despite the warnings/visits that Mr Dawit still continues to breach rules and regulations. I urge the committee not to grant an alcohol licence as there is no confidence that Mr Dawit would adhere to any of the licence conditions.

## Licensing Act 2003 - Licensing Authority Representation

### **New Premises Licence Application:**

#### **Deez Lounge, 347 Holloway Road, Islington, London, N7 0RN**

I am submitting a representation on behalf of the Licensing Authority with respect to the new premises licence application, submitted by **Mr Dawit Nigussied Zewuge**.

The application is seeking to:

- allow the premises to provide the sale by retail of alcohol, on supplies only, Mondays to Saturdays from 15:00 until 23:00 and Sundays from 15:00 until 22:00;
- allow the premises to be open to public, Mondays to Sundays from 09:00 until 23:00.

#### **The grounds for the representation are:**

- Prevention of Crime & Disorder; and
- Prevention of Public Nuisance.

#### **Licensing Policy Considerations:**

- *Licensing Policies 2 & 3*      *Location, cumulative impact and saturation;*
- *Licensing Policy 7*      *Operating schedule; and*
- *Licensing Policy 8*      *Management Standards*

#### **Background**

- The applicant, Mr Zewuge, previously submitted a premises licence application for this address on 6<sup>th</sup> August 2020. This application was subject to a number of representations and was subsequently refused before a licensing sub-committee on 22<sup>nd</sup> September 2020.

#### **Issues of Concern**

- The premises is situated within the Holloway and Finsbury Park Cumulative Impact Area (CIA), therefore the onus is on the applicant to demonstrate that the application will not add to the cumulative impact. The Licensing Authority therefore expects the applicant to consider **LP's 2&3** and tailor their application accordingly. The applicant has not acknowledged that the premises is situated within a CIA and no supporting information has been included within the application in this regard.
- The Operating Schedule (**LP7**), does not include the level of detail the Licensing Authority would expect for a business seeking a premises licence within a CIA. The fact that an earlier application has recently been refused should have given the applicant a clear idea of what is expected when submitting this new application.
- On 8<sup>th</sup> December 2020, the applicant, Mr Zewuge, was served a Fixed Penalty Notice for an offence under the Health Protection (Coronavirus, Restrictions)(All Tiers)(England) Regulations 2020. The Licensing Authority is committed to promoting the highest standards of management (**LP8**) in all licensed premises. The applicant has not demonstrated this through

their operating schedule and a poor compliance history raises significant concerns in relation to upholding the licensing objectives.

### **Summary**

The Licensing Authority is frustrated to have had to assess an application that is deficient in terms of the Council's Licensing Policy and expects the applicant to respond to the issues raised within this representation in good time prior to the expected Licensing Sub-Committee meeting where this matter will be determined. If these matters are not addressed, the Licensing Authority must recommend that the application is refused in line with the Council's Licensing Policy.

**Name and address of premises:**

**D&D Grooming, 347 Holloway Road, London, N7 0RN**

I am submitting additional information relating to my representation made on 2<sup>nd</sup> March 2021 on behalf of Trading Standards in respect of an application for a new premises licence for the sale of alcohol for consumption on and off the premises:

- Sunday - Thursday 15:00 - 22:00
- Friday & Saturday 15:00 - 23:00
- Opening hours Monday - Sunday 09:00 - 23:00

**The grounds for this representation**

*Prevention of Crime and Disorder*

**Licensing Policy Considerations**

*Licensing Policies 7 & 8*

*Operating Schedule & Management Standards*

**Issues of Concern**

1. On 8<sup>th</sup> December 2020, the applicant, Dawit ZEWAGE, sole director of D&D Grooming Lounge Ltd (company number: 11955451) was served with a £1,000 fixed penalty notice by Trading Standards at D&D Grooming Lounge, 347 Holloway Road, N7 0RN. The fixed penalty notice was issued under the Health Protection (Coronavirus, Restrictions)(All Tiers)(England) Regulations 2020 for failing, without reasonable excuse, to cease carrying on the business or providing the service of a shisha smoking bar. This is a criminal offence under the Regulations.
2. Please see attached as **item 1**, a photograph taken at the premises by Simon Martin, Senior Trading Standards Officer on 8<sup>th</sup> December 2020, showing four males smoking shisha.

**Recommendation**

As the applicant continued to run his shisha smoking business at a time when coronavirus restrictions were in place, it is questionable whether they are able to run their businesses lawfully and in accordance with good business practices. As the applicant has committed a clear criminal offence, for which a fixed penalty notice was issued, this demonstrates a complete lack of compliance with legal requirements. The Trading Standards Service is

therefore of the opinion that this application undermines the Licensing Policy and objectives and should subsequently be refused.

Dear Licensing,

**THIS REPRESENTATION IS MADE ANONYMOUSLY.** [REDACTED]

I wish to make a representation against Licensing application WK/200057372.

I have concerns around public nuisance based on previous experience with this business owner having late night parties which saw members of the public in a rear alleyway talking and shouting loudly which kept

me awake and also very loud music being played into the night; the building has a plastic roof which is not adequate for soundproofing and the prevention of noise pollution.

I do not see why a customer waiting room needs such late night licensing; also I would request proof that this building has been constructed safely and with soundproofing in mind to prevent sound pollution from the lounge to the surrounding residential areas.

Furthermore this owner built this and held parties without Council sign off which makes me believe that they will continue to bend Council rules and, once lockdown is over, conduct late night parties that will disturb residents, as they did in 2020.

This is a residential area and this property needs to be appropriately soundproofed. The current construction has what appear to be bin liners on the roof; this is not a proper construction and will not offer any greater soundproofing than the previous poorly constructed plastic see through roof.

To conclude I believe there will be nuisance caused to the public by late night noise and also a risk to public safety from this poorly constructed roof and building. I expect that the council will review and check this construction. I believe it's intention is for a late night bar which is not welcome in such a tightly packed residential area.

Kind Regards

Dear sir/ madam,

My name is [REDACTED]

I'd like to start this email by stating that I wish my name and address to be anonymous.

[REDACTED] the back of the applicant's barber shop. The only good thing about the lockdown has been that we have been able to get some peace and quiet at nights and have been able to fall asleep without having to listen to loud music until late at night from this place. I have noticed the opening hours for the premises and I have to say that there has been loud music as late as 2 am on most nights. It's not only the music that is loud, but also the people from inside the shop, it sounds more like a nightclub after party spot. Moreover, I find it very strange that a barber shop has the need to hold a liquor and music license, let alone have the need to be open so late.

There are some other issues which I'd like to highlight; the area is already quite unsafe with lots of people under the influence of alcohol and drugs roaming the streets and I don't think this establishment will help things. Drunk people roaming the streets will only increase violence in the area and entice young people to drink and participate in anti-social behaviour.

I really think that as a resident of this area who has been respectful to my neighbours and has been paying regular fees in council taxes, My flatmates and I deserve to be treated with respect in return. This place was open before and they didn't manage to show any respect. They caused a public nuisance by being too loud at night.

I strongly suggest that this place should not be allowed to open again.

Kind regards
