### **37 MID-YEAR HOUSING SERVICE CHARGES REVIEW**

#### **RESOLVED:**

- (i) That the revised 2022-23 heating and hot water charges set out in 3.12 of the report be agreed, based on the assumed saving arising from the reduction in service to communally heated homes and the assumed model of implementation of the Governments energy cap, effective from the 28 November 22.
- (ii) That authority be delegated to the Corporate Director of Homes and Neighbourhoods, in consultation with the Executive Member for Housing and Corporate Director of Resources, to amend the energy charges, in year, between annual budget setting cycles.
- (iii) That the application of the updated methodology for calculating tariffs for communally heated sites, using pay as you go meters, and that site-by-site charges will be signed-off as and when required by the Service Director, Housing Needs and Strategy, be agreed.
- (iv) That the revised 2022-23 charges for communal electricity set out in 4.5 of the report, effective from the 28 November 2022, be agreed;
- (v) That the application of the full heat reserve of £1.126m in 2022/23 to keep costs down for residents be agreed.

Reasons for the decision – to respond to the increase in energy prices

Other options considered – Further consultation with residents will take place later this year with fully priced options

Conflicts of interest / dispensations granted – none

### **38 ISLINGTON'S RESPONSE TO THE COST OF LIVING CRISIS**

#### **RESOLVED:**

- (i) That Islington's collective response to the cost of living crisis be noted, including:
- a comprehensive programme of activity and support;

## Executive - 13 October 2022

- mechanisms to monitor the impacts of this activity to ensure it makes a difference;
  - a communications campaign to ensure everyone is aware of what's on offer and how to access;
  - a cost of living summit, drawing together key partners in a collective call to action, to start an ongoing dialogue with key local organisations;
  - a Cost of Living Board to coordinate the range of activity, and to ensure the Council and partners are doing everything possible to support residents and businesses.
- (ii) It be noted that a Winter Resilience Board is also being established with responsibility for oversight of the enhanced winter plan (social care and physical & mental health) as well as ensuring business continuity given the risks of potential energy shortages, industrial action, and supplier failure.

Reasons for the decision – to set out the strong offer of support to help those most impacted by the Cost of Living crisis.

Other options considered – none

Conflicts of interest / dispensations granted – none

### 39 **PUTTING CHILDREN FIRST - AN EDUCATION PLAN FOR ISLINGTON 2023-2030**

#### **RESOLVED:**

- (i) To support the development and implementation of The Education Plan;
- (ii) That the feedback from engagement with key stakeholders including children and young people, parents and carers, governors, schools and settings, be noted, as attached as an appendix to The Education Plan;
- (iii) That authority to finalise the visual presentation of the Education Plan document be delegated to the Corporate Director of Children's Services following consultation with the Executive Member for Children, Young People and Families.

Reasons for the decision – to set out the ambition for education in Islington

**40**      **SCHOOL ORGANISATION PLAN**

**RESOLVED:**

- (i) That the School Organisation Plan be approved, as attached at Appendix A to the report;
- (ii) That the confidential Part B of the School Organisation Plan attached as Exempt Appendix B to the report be approved.

Reasons for the decision – to support the financial sustainability of Islington schools, to preserve and offer a broad and balanced curriculum.

Other options considered – none

Conflicts of interest / dispensations granted – none.

**41**      **SPECIAL EDUCATIONAL NEEDS AND DISABILITIES STRATEGY**

Councillor Ngongo introduced the report. A member of the public asked if the council was able to increase the number of specialist placements for young people with special educational needs and disabilities to meet the increased demand in the borough. In response, the Executive Member advised that the council wanted to support and meet the needs of all young people and would continue to work with schools and parents to address this.

**RESOLVED:**

That the SEND Strategy be approved, as attached at Appendix A to the report.

Reasons for the decision - to build resilience to meet an increasing complexity of need among children with SEND

Other options considered – none

Conflicts of interest / dispensations granted – none

**42**      **AFTER-SCHOOL CHILDCARE FUNDING MODEL, CONSULTATION RESPONSES AND RECOMMENDATIONS**

**RESOLVED:**

That the after-school childcare funding model be approved, with the following adjustments:

- Raise the low-income household threshold to £34,999
- The top charging rate should be a recommendation, rather than being mandatory; the recommendation is that provider charges do not exceed inner London averages.
- To approve the consultation report to allow for implementation of the model in the second half of autumn 2022.

Reasons for the decision – to introduce a fairer funding model across the borough

Other options considered – none

Conflicts of interest / dispensations granted – none

**43**      **PROCUREMENT STRATEGY FOR MULTI-DISCIPLINE AND ARCHITECTURAL CONSULTANT SERVICES**

**RESOLVED:**

That the strategy for procuring the professional and technical services required to support the delivery of the council's capital programme for the reasons outlined in this report be approved.

Reasons for the decision - to provide the council with professional services required to deliver its capital programme.

Other options considered – other options included insourcing and to procure a new framework.

**44**      **PROCUREMENT STRATEGY FOR LIFT RENEWALS AT HARVIST ESTATE AND ST LUKE'S ESTATE**

**RESOLVED:**

(i) That the procurement strategy for lift renewals at the Harvist Estate and St Luke's Estate be approved as outlined in the report.

(ii) It be noted that these works are to be procured as one project package with a single specialist lift contractor undertaking these works.

Reasons for the decision - to ensure the compliance of the lifts, increase their availability and reduce maintenance shutdowns.

Other options considered – other options included carrying out the work in-house, a standalone tender process, or joining an alternative framework.

Conflicts of interest / dispensations granted – none

**45**      **ISLINGTON GREENER TOGETHER - UPDATE ON FIRST YEAR AND APPROVAL OF FUTURE PROGRAMME**

**RESOLVED:**

(i) That the direction and development of the Islington Greening Together (IGT) Programme be approved, where the Environment Department will work in partnership with Homes and Communities and Fairer Together departments to develop a further two-year programme of community led greening projects, up to the value of £1m, based on the year 1 pilot, which will be informed by engagement with residents, and elected members.

(ii) That the feasibility process be noted, which includes adopting an evidence-led approach and prioritising projects according to need/where issues have been highlighted including: areas of
