### **3. Background**

- 3.1 The new premises licence application was received by the licensing service on 21<sup>st</sup> March 2022.
- 3.2 The applicant has also sought a Special Treatment Premises Licence so as to allow the provision of nail services at the premises. The application was deemed granted on the 20<sup>th</sup> April 2022 subject to an inspection by the licensing service.
- 3.3 There were four outstanding representations at the end of the consultation period however, after discussions with the Met. Police conditions have now been agreed and their representation has been withdrawn. These conditions can be found at Appendix 3 of this report.
- 3.4 At the time of writing this report there are three outstanding representations. These are from the Licensing Authority, the Council's Noise Service and the Council's Trading Standards Service. These representations can be found at Appendix 2 of this report.

### **4. Planning Implications**

- 4.1 While this application is seeking the sale of alcohol, the primary use remains that of a hairdresser. This use falls under Class E, which the premises currently benefits from.
- 4.2 Hours operation within the development were only restricted for units that were A3 (restaurant).
- 4.3 There are no outstanding planning enforcement investigations in relation to this site.
- 4.4 As such, planning has no further comments to make.

### **5. Recommendations**

- 5.1 To determine the application for a new premises licence under Section 17 of the Licensing Act 2003.
- 5.2 These premises are located in the Angel and Upper Street Cumulative Impact Area therefore the Licensing Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.

5.3 If the Committee grants the application it should be subject to:

- i. conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and
- ii. any conditions deemed appropriate by the Committee to promote the four licensing objectives.

## 6. Reasons for recommendations

6.1 The Council is required to consider this application in the light of all relevant information, and if approval is given, it may attach such conditions as appropriate to promote the licensing objectives.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

**Continued from previous page...**

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,

  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**Licensing Authority Representation****Licensing Act 2003**

Application for a new premises licence in respect of:

**Bebop, Unit 9-10, 8 Hornsey Street, N7 8EL**

Licensable activities and timings applied for are the sale of alcohol, for consumption on the premises, from 0800 to 2300 each day.

**The grounds for the representation are:**

Public nuisance

**Licensing Policy Considerations**

Licensing Policy 22 Noise Associated with Licensable Activities

**Background**

The application states that the premises is a Hair and Nail Salon and the licence is to provide clients of the business alcohol for consumption on the premises only.

They applied on 22/3/22 for a special treatments licence to provide nail services, which to date has not received any objections. Hairdressing services do not require a licence.

**Issues of Concern**

The applicant informed Police they wish to hold music/community/arts events in the premises and also have a standing audience.

The premises is part of a mixed residential and business development, in a highly residential area, therefore it would not be suitable for live music or recorded music played at a high volume.

The applicant informed the Noise Team that the premises is a retail concept and they want to run collaborations with businesses and people in the community. They also offered to reduce the hours for providing alcohol to either 12pm to 10pm or 12pm to 9pm.

**Recommendations**

The Licensing Authority recommends that if the Licensing Sub Committee is minded to grant the application, the offer of reduced hours should be considered and the licence should be subject to the conditions recommended by the Licensing Police Team and Council's Pollution Team, in particular:

- 1) No vertical drinking.
- 2) Alcohol shall not be sold or supplied on the premises otherwise than to persons receiving treatments or waiting to receive treatments and the supply of alcohol will be ancillary to their treatment.

- 3) Alcohol to be consumed on the premises only and not to be taken outside of the premises.

Dear Potenciano Smith,

I am in receipt of the application for a premises license at Bebop, Unit 10, 8 Hornsey Street, Islington, London, N7 8EG. I act on behalf of Pollution Team who are the responsible authority for the prevention of public nuisance and are consulted on all premises license applications in the borough.

I have reviewed your application and how you intend to prevent nuisance. I have incorporated this with some further suggested conditions for the above premises:

- Noise or vibration must not emanate from the premises so as to cause a nuisance to nearby properties.
- In the event of a noise/nuisance complaint substantiated by an authorised officer, the licensee shall take appropriate measures in order to prevent any recurrence.
- Prominent, clear and legible notices must be displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly.
- The delivery of licensable goods to the premises shall be restricted to the hours between 07:00 and 23:00 Monday-Saturday. No deliveries of licensable goods to the premises shall be made on a Sunday or Bank Holiday.
- The collection of refuse shall be restricted to the hours between 07:00 and 23:00 Monday-Saturday. No waste collections shall be made on a Sunday or Bank Holiday.
- The outside frontage shall be swept and cleared of any rubbish and smoking litter associated with the business towards the end of trade each evening.
- Any music shall be restricted to ambient background levels of sound.
- The last sale of alcohol for consumption on the premises shall be 30 minutes before the stated closing time.
- All speakers will be positioned as to face away from doors or windows.
- All speakers will be mounted away from walls adjacent to residential properties.
- No more than 5 patrons, at any one time, shall use the frontage of the premises to smoke after 21:00hrs until closing. Signage shall be displayed to advise customers of this.
- No vertical drinking.
- Alcohol shall not be sold or supplied on the premises otherwise than to persons receiving treatments or waiting to receive treatments and the supply of alcohol will be ancillary to their treatment.
- Customers will not be permitted to take drinks outside of the premises onto the steps or the pavement in open containers.

- Exterior lighting shall be directed away from residential properties.
- In the event of noise nuisance being established, the licensee shall appoint an acoustic consultant accredited by the Institute of Acoustics or the Association of Noise Consultants to install an entertainment noise control system and come to agreements with the Council regarding maximum levels of amplified sound at the premises.
  - If the above licence condition is required, the agreed maximum levels of amplified sound shall be expressed on the premises licence.
  - If the above licence condition is required, the entertainment noise control system shall be monitored, checked and calibrated as necessary, so that the levels approved by the Council, are not exceeded.
- The controls for the entertainment noise control system shall be located in a secure, lockable cupboard or similar location. The entertainment noise control system is to be independent of control by persons other than the licensee. Access to the entertainment noise control system is to be restricted to the Licensee or a designated manager.

Given that you are only applying for an on licence I would normally expect around 30 minutes between the last sale of alcohol and the closure of the premises to the public to allow drinking up time and have suggested a condition to this effect. The Councils licensing policy 25 deals with drinking up time.

Whilst live and recorded music is currently deregulated before 23:00hrs, I am concerned that you have indicated that you intend to run a nail/hair salon as a live and recorded music venue and run at volumes that would require sound limiters etc. Given that the building was not designed with this in mind I would recommend that you seek advice from an acoustic consultant accredited by the Institute of Acoustics or the Association of Noise Consultants who can advise on the refurbishment and sound insulation required. Otherwise it is highly likely that you cause a noise nuisance and be served with an abatement notice. Fines for a breach of an abatement notice are currently unlimited.

Could you please let me know by the 11/04/2022 if you accept these conditions so I can approve your application.

Kind regards,

Andrew

Hey Andrew,

Thank you for your patience.

I can see that the main issues raised are around noise and public nuisance which revolve around the opening times as its potentially seen as a live music venue and not a retail concept.

What I can suggest is to amend our alcohol hours from 8am-11pm to either 12pm-10pm or 12pm-9pm to help our application along.

We intend the space not as a music venue or bar but as a retail concept as we are wanting to run collaborations with businesses and people in the community.

As an example, we are currently working with Councillor Jason Jackson and his team to help promote better Mental Health practises within the community, which would include hosting an event within our space.

We are currently seeking advise from an acoustic consultant accredited by the Association of Noise Consultants.

Thanks,

**Pont Smith**
