NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Continued from previous page...

- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

The costs associated with these licences will be met by central Government. If, however, the licence also authorises the use of the premises for the supply of alcohol or the provision of late night refreshment, a fee will be required.

Schools and sixth form colleges are exempt from the fees associated with the authorisation of regulated entertainment where the entertainment is provided by and at the school or college and for the purposes of the school or college.

If you operate a large event you are subject to ADDITIONAL fees based upon the number in attendance at any one time

13th April 2022

Dear Nida,

PREMISES – A to Z Nidz , 29 Seven Sisters Road , Islington , London N7 6AN

Thank you for your new premises licence application regarding the above premises following the revocation of the previous licence there.

Having met with you on site on the 6th April 2022 and spoken in regard to the application and your previous link to the last licence holder I have included relevant conditions to evidence best practice.

Please accept this e-mail as my initial representation.

As you will be aware, police hold responsibility for ensuring that with any application the licensing objectives are promoted, supported and adhered to, and that proposals for premises licences do not invite any heightened risk or likelihood of crime, disorder or anti-social behaviour which should always be prevented wherever possible .

These conditions should not affect the intended use or operating policy I believe and should be considered as good practice in line with police expectations and the Statement of Licensing Policy 2018-2022 as published by Islington Council on their own website if you aren't already familiar with it:

1)In the event that crime or serious disorder is, or appears to have been, committed on the premises, the management will immediately ensure that:

- (a) The police and, where appropriate, the London Ambulance Service, are called immediately;
- (b) As far as is safe and reasonable practicable, all measures will be taken to

apprehend any identified suspects pending the arrival of the police;
(c) As far as is safe and reasonable practicable, all measures will be taken to preserve any identified crime scene pending the arrival of the police;
(d) Any and all appropriate measures are taken to fully protect the safety of all persons present on the premises at all times during operating hours.

2) An incident log shall be kept at the premises, and made available on request to the police or an authorised officer, which will record:

- (a) Any and all allegations of crime or disorder reported at the venue
- (b) Any and all complaints received by any party
- (c) Any faults in the CCTV system
- (d) Any visit by a relevant authority or emergency service
- (e) Any and all ejections of patrons
- (f) Any and all seizures of drugs or offensive weapons
- (g) Any refusal of the sale of alcohol.

2a. The refusals log part of the incident book shall be checked and signed monthly by the designated premises supervisor.

3) CCTV shall be installed, operated, and maintained, to function all times that the premises are open for licensable activities. This CCTV shall comply with the following criteria:

- (a) The licensee will ensure that the system is checked every two weeks to ensure that the system is working properly and that the date and time are correct.
- (b) A record of these checks, showing the date and name of the person checking, will be kept and made available to the police or other authorised officer on request;
- (c) The Police will be informed if the system will not be operating for longer than one day of business for any reason;
- (d) One camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering;
- (e) The system will provide full coverage of the interior of the premises and any exterior part of the premises accessible to the public;
- (f) The system will record in real time and recordings will be date and time stamped;
- (g) At all times during operating hours, there will be at least 1 member of staff on the premises who can operate the system sufficiently to allow Police or authorised Council officers to view footage on request.
- (h) Recordings will be kept for a minimum of 31 days and downloaded footage will be provided free of charge to the police or other authorised officers on request (subject to the Data Protection Act 1998) within 24 hours of any request.
- (i) Signage stating that CCTV is in operation will be clearly and prominently displayed at the premises.

4) Challenge 25 shall be operated as the proof of age policy and only a valid passport, photo driving licence, HM forces photographic iD card or proof of age card with the PASS logo or hologram on it may be accepted as proof of age.

5) A physical notice or an electronic till prompt shall be used to ask the staff to carry out proof of age checks on items that are age restricted.

6) The licensee shall ensure that all staff are trained on relevant matters, including the conditions of the premises licence, age restricted products and [if they are ever left in charge of the shop] the operation of the CCTV system and how to deal with visits from authorised officers . The licensee shall keep written records of training and instructions given to each member of staff , detailing the areas covered to include the Licensing Objectives , identifying persons under 25, making a challenge, acceptable proof of age & checking it, making & recording a refusal, avoiding conflict & responsible alcohol retailing.

Staff shall sign to confirm that they have received and understood the training.

All staff who work at the till will be trained for their role on induction and be given refresher training every six months.

The written training records kept for each staff member will be produced to police & authorised council officers on request.

7) No high strength beer, lager or cider of 6.5% ABV or above shall be sold.

8) Outside of the hours authorised for the sale of alcohol, all alcohol within the trading area is to be secured behind locked grills, locked screens or locked cabinet doors so as to prevent access to the alcohol by either customers or staff.

9) The premises will not sell/supply miniature bottles of spirits of 50ml or less.

10) Alcohol shall not be sold in any open container or be consumed in the licensed premises.

11) The premises licence holder shall endeavour to eliminate or minimise any nuisance arising out of its licensable activities. In doing so the premises licence holder will work with enforcement authorities where any issues are identified. A complaints procedure will be maintained in order that local residents have a means of contact if necessary. A direct telephone number for the manager at the premises shall be publically available at the times the premises is open. The telephone number is to be made available to residents and businesses in the vicinity.

12) A phone number for the premises shall be made available if required upon request to the police, any other responsible authority or any local resident to express any concerns caused by the operation of the premises. Any complaints and the outcome will be recorded in the incident book.

13) Notices will be prominently displayed by the entry/ exit.

A) That CCTV is in use & a Challenge 25 proof of age policy is in operation;

B) Advising customers of the provisions of the licensing act regarding underage & proxy sales;

C) Of the permitted hours for licensable activities & the opening times of the premises;

D) Not to drink in the street;

E) To respect residents, to leave quietly, and not to loiter outside the premises or in the vicinity and to dispose of litter legally.

14) A Fire Risk assessment and emergency plan will be prepared and regularly reviewed. All staff will receive appropriate fire safety training and refresher training.

15) A stock control system will be operated, so that the licensee can quickly identify where and when alcoholic goods or tobacco products have been purchased.

16) Invoices [or copies] for all alcoholic goods or tobacco products on the premises will be kept at the shop and made available to officers from the council , police or HMRC upon request .

17) An ultra-violet light will be available at the premises for the purpose of checking the UK Duty Stamp on spirits as soon as practical after they have been purchased,

18) If any spirits bought by the business have UK Duty Stamps that do not fluoresce under ultra-violet light, or are otherwise suspicious, the licensee shall identify the supplier to Islington Trading Standards and HMRC as soon as possible.

19) No alcoholic goods or tobacco products will ever be purchased or taken from sellers calling to the shop.

20) No spirits shall be purchased in a resealed box.

21) The licensee will immediately report to Trading Standards any instance of a caller to the shop attempting to sell alcohol or tobacco products.

22) The licence holder and staff will attend any offered Trading Standards training in the sale and supply of alcohol .The licensee and designated premises supervisor will not unreasonably refuse to attend and free or low-cost training for off-licence managers or staff put on by the Council.

23) Mr Taranjeet Singh Gulati will have no involvement in the day to day running or management of the premises and will not be the premises licence holder or the designated premises supervisor or as part of any company acting as premises licence holder [if any].

24) At any given time, no more than 15% of the sales area shall be used for the sale or display of alcohol.

25) The premises will adopt a zero tolerance to drugs and the stocking of products, paraphernalia and materials intended to promote or facilitate the taking of illegal drugs [as advised by the Licensing police].

26) No spirits or other alcohol greater than 18% ABV shall be displayed anywhere other than behind the till, to be selected from the shelf by a member of staff only .

27) There shall be no advertising or marketing of alcohol products in the store windows.

I hope that you are happy with the proposed conditions and the reasoning for them after our meeting and the wordings given.

I will be in liaison with the current council licensing officer for the premises area Niall Forde, who I have copied in so that they are aware of my visit and initial police representations. I have copied in your solicitor also as requested.

Please reply by e-mail with your agreement to these police initial representations should that be your wish once you have considered them and sought any advice or clarification that you wish

I would of course be very happy to discuss or clarify any queries or reservations you may have.

I would also be happy to meet with you again on site if required.

This application is obviously time sensitive so a prompt response would be appreciated. The date for last representations is 25/04/22.

I look forward to your response.

20th April 2022

Dear Licensing Authority,

Re A to Z Nidz Ltd, 29 Seven Sisters Road, Islington, London N7 6AN

The Police object to the granting of the licence for the new application received for this address where the premises licence was previously confirmed at Court as revoked after a lengthy period of appeal in accordance with section 150 of the Islington Licensing policy [p44] which states;

150. Where a licence is revoked, any new application for the premises will be considered against the policy – there will be a full consideration of the applicant and the operating schedule with no assumption that a licensed premise can continue in that location.

The applicant was linked to the previous licence holder company {Singhsburys Superstores Ltd} as a director until she resigned in November 2017 so has a link to the management at the premises where there were substantial licensing issues and non compliance with licence conditions in place . There were serious concerns in regard to crime and disorder as dealt with by the previous licence review and poor management judgement in the stocking of knives and drugs paraphernalia at the time and during the period while awaiting the appeal hearing .

Should the committee be minded after a hearing having considered the application and background of the applicant's links to the previous licence holder and deem that the grant of a new licence is correct then the Police would ask that the 27 conditions that have been established after the Police visit onsite and subsequent engagement and emails with the applicant be considered and adopted for this application.

Kind regards,

Tim

Licensing Authority Representation

Licensing Act 2003

Application for a new premises licence in respect of:

A to Z NIDZ Ltd, 29 Seven Sisters Road, N7 6AN

Licensable activities and timings applied for are to provide off sales of alcohol from 0800 to 2300 each day.

The grounds for the representation are:

Prevention of Crime and Disorder

Licensing Policy Considerations

Licensing Policy 4	Off sales of Alcohol from Shops and other premises
Licensing Policy 8	Management Standards
Licensing Policy 14	Alcohol induced crime, disorder and anti-social behaviour
Licensing Policy 17	Illicit Goods
Licensing Policy 29	Reviews

Issues of Concern

Under **Licensing Policy 29**, where a licence for the premises has previously been revoked, any new application for the premises will be considered against the policy – there will be a full consideration of the applicant and the operating schedule with no assumption that a licensed premise can continue in that location.

As the Police and Trading Standards have stated in their representations, the applicant was linked to the previous licence holder company Singhsburys Superstores Ltd as a director until she resigned in November 2017, so has a link to the management at the premises, where there were substantial licensing issues and non-compliance with licence conditions, very poor management and serious concerns as to crime and disorder. These issues lead to the premises licence being reviewed by the Licensing Authority in 2019 and subsequent revocation by the Licensing Sub-Committee.

Licensing Policy 4 - The Licensing Authority has adopted a special policy relating to shops and other premises selling alcohol for consumption off the premises. This special policy creates a rebuttable presumption that applications for premises licences, which are likely to add to the existing cumulative impact of a very high number of alcohol outlets in the area, will normally be refused or subject to certain limitation, following the receipt of representations, unless the applicant can demonstrate that there will be no negative impact on one or more of the licensing objectives.

The premise is close to a drug and alcohol treatment centre in Seven Sisters Road and off licences in the area attract users of the centre and members of the street community. As

such, the premises operator must be aware of these issues and endeavour to manage the premises so as not to be attractive to these vulnerable people.

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises. The Licensing Authority will seek to impose appropriate restrictions and controls on the premises licence to prevent anti-social behaviour and undue disturbance to local residents from licensed premises.

Licensing Policy 8 - When assessing the applicant's or licensee's ability to demonstrate a commitment to high standards of management the Licensing Authority will take into account amongst other things, whether the applicant:

- can demonstrate comprehensive knowledge of best practice
- has sought advice from the responsible authorities
- has implemented any advice given by the responsible authorities
- is able to understand verbal and written advice and legal requirements
- can demonstrate knowledge of the licensing objectives, relevant parts of the Licensing Policy and their responsibilities under the Licensing Act 2003
- is able to run their businesses lawfully and in accordance with good business practices.

The Licensing Authority is committed to promoting high standards of management in all licenced premises and expects applicants and licensees to demonstrate this through their operating schedule and management practices. Experience indicates that where these requirements are not adhered to the licensing objectives are likely to be undermined.

Licensing Policy 14 - The Licensing Authority expects licensees to prevent alcohol induced crime, disorder and antisocial behaviour inside, outside and in the vicinity of the premises and include measures to prevent:

- the sale of alcohol to underage children
- serving alcohol to customers who are drunk
- irresponsible drinks promotions
- street drinking in the local vicinity
- sale of illicit goods

Specific measures, depending on the nature of the venue, may include:

- The use of CCTV, as recommended in the Police representation
- Operational policies underpinned by staff training and management support
- Refrain from selling high strength beers, lagers and ciders above 6.5%
- Restrict the display area for alcohol in the store to less than 15%

Where the Licensing Authority receives representations from responsible authorities that the management of a premise is supporting illegal activities, or that there is strong evidence

linking patrons with alcohol related crime, disorder or antisocial behaviour, the Licensing Authority will consider reviewing the licence to impose appropriate sanctions.

Where appropriate the Licensing Authority will consider imposing controls on products sold where representations indicate localised problems. This provision could include banning the sale of super strength beer, larger and cider in premises or banning specific promotions, as part of a package of measures to deal with problems associated with drinking in the street.

Recommendations

The Licensing Authority recommends that the Licensing Sub Committee consider the application and, if minded to grant, take into account the recommendations and conditions suggested by the Trading Standards Officer and Licensing Police.

Licensing Policies 7 & 8

Operating Schedule & Management Standards

Issues of Concern

1. The applicant, Nida BHATTI is the sole director of A to Z Nidz Ltd, company number 13910025, registered office address 29 Seven Sisters Road, N7 6AN. Please see attached as Item 1 a copy of the certificate of incorporation. Nida BHATTI is also a resigned director of Singhsburys Superstores Ltd, having been appointed on 1st February 2016 and resigned on 29th November 2017. Please see attached as Item 2 the Companies House appointments for Nida BHATTI. There is therefore a strong link between the current proposed applicant and the previous premises licence holder / legal entity that has previously had their premises licence revoked.
2. Trading Standards have made checks with business rates and Taranjeet Singh GULATI, the previous PLH holder and director of Singhsburys Superstores Ltd, is still registered as paying the business rates at 29 Seven Sisters Road, N7 6AN, indicating that no change of business owner has occurred.
3. A Trading Standards officer, Bengu SOLAK, visited the premises along with the licensing police on Wednesday 6th April 2022 and discovered that the two members of staff that were previously employed at the business were still working there.

BHATTI informed Trading Standards that she intends to retain the same members of staff, albeit with training. Clearly, this demonstrates strong links to the previous PL and even with the proposed additional training; the same issues are likely to still occur on the premises, and indeed are still occurring. For example, during an illicit tobacco search with a tobacco detection dog on 9th March 2022, a packet of illicit Marlboro Gold cigarettes were found behind the counter at the premises, of which the cashier claimed were his. These were seized by Trading Standards.

4. BHATTI has been unable to produce any paperwork or documentation to prove that there has been a change of hands of the business, lease or stock. Trading Standards therefore have no confidence that a significant change over in the business has occurred.

Recommendation

The applicant demonstrates strong links to the previous PLH, being a resigned director of the previous legal entity. No documentation to prove any change of hands has been produced; the business rates are still being paid by the previous PLH; the same staff are employed and will indeed be retained and illicit goods are still being discovered on the premises, even following the licence revocation. This therefore demonstrates a strong link to the previous PL and therefore demonstrates no confidence that the new applicant is significantly removed from the previous business. Consequently, it may be presumed that the same problems of poor management standards and possession of illicit goods will still occur under the management of new applicant. The Trading Standards Service is therefore of the opinion that this application completely undermines the Licensing Policy and objectives and should subsequently be refused.

Public Nuisance

When selling alcohol, there was a constant presence of street drinkers hanging around the bus stop outside 29. They were there from dawn until dusk, sometimes playing loud, portable music,

Crime and Disorder

The presence of drunks, attracted crack dealers and users, who sold drugs openly on the corner, outside 29, and they would use the porches of houses and gardens on EBURNE RD, to use drugs. There is a primary school on EBURNE RD.

Protection of Children from Harm

The shop at 29 in the past sold drug paraphernalia
bongs etc, openly in the window. Children have to
pass through the groups of users, dealers and
drinkers to get to the school on Elvane Rd
these people often fight among themselves.

Public Safety

The attraction of alcohol ^{being} sold, + the bus shelter,
attracts a louche and law breaking element -
drug dealers, shop lifters etc. of which we have
been clear, since the shop has had no
licence

Objection to Application for 29 Seven Sisters Road

[External]

Hi,

We wish to submit comment in relation to the licence application of 29 seven sisters road, Islington, London, N7 6AN to sell alcohol. Our purpose is to object to a license being granted.

Crime and Disorder:

There is a bus shelter directly outside of 29 Seven Sisters Road, where there is frequently a group of people drinking alcohol throughout the day. We think that the shop has been serving these people alcohol up until very recently and that this has been attracting this group of people to hang around the bus stop. There are fairly frequently fights at the bus stop, which we have called the police for on at least 2 recent occasions. The people who drink in the bus stop frequently use our front garden to deal and use drugs, usually crack – we have video footage of people doing this, and they are the same people we frequently see at the bus stop drinking. We have reported the drug use and drug dealing to the police on numerous occasions. The shop at 29 Seven Sisters Road also sells drug paraphernalia.

It should be noted that since 29 Seven Sisters Road has recently stopped selling alcohol and submitted this application, there has been a massive and rapid decline in the above mentioned behaviour.

Public Nuisance:

The shop submitting an application for the licence at 29 Seven Sisters road has been serving alcohol for as long as we have lived here (10 years). People drinking alcohol have been frequenting the bus stop outside this shop and causing a public nuisance for a number of years. Although we do not have evidence this shop has been serving them, it is quite likely the reason the drinkers are using this bus stop for their activities is because they have somewhere sheltered to sit, right outside a place that has been selling low cost, high strength alcohol. They are loud (often arguing and fighting), often playing excessively loud music from a boom box and block the path and the bus shelter. Additionally they urinate and occasionally defecate along Eburne road – we have video footage from our ring doorbell of people urinating in our front garden.

It should be noted that since 29 Seven sisters road has recently stopped selling alcohol and submitted this application, there has been a massive and rapid decline in the above mentioned behaviour.

Protection of Children from Harm:

We live next door to a primary school (The Grafton Primary School), all of the behaviour mentioned in the previous objectives are happening during school hours, this includes very obvious drug dealing and drug use. We have 2 young children who are regularly witnessing

people who are drunk, arguing and taking drugs. There have been many occasions where we have had to keep windows shut because people are smoking crack outside our property. We believe that if people weren't using the bus stop outside 29 Seven Sisters Road as a place to drink alcohol, then the instances of this behaviour on our road would massively reduce, as has been seen since the shop has recently stopped selling alcohol.

Best Regards,
