History:

The venue was called in to an Officer Panel IN April 2014 after one of the Police licensing Officers witnessed staff opening a bottle of alcohol for a customer. The following is an account of the events on that night.

On Saturday 12th April 2014 at 23:50hrs I attended THE GREEN SHOP 237 UPPER STREET. I visited the premises to buy a snack on my way back to the office. Whilst I was being served I noticed two young women also being served. One bought a bottle of beer which was placed in a bag. She then asked if they had a bottle opener and the person who served her produced one from under the counter and opened the bottle for her. Islington has a Designated Public Place Order which means that you may not drink alcohol on the street. I did not say anything at the time as wanted to check their license conditions first. None of the customers served before me or after me were asked to leave the shop and area quietly which is a breach of license condition Annex 2 Condition 11 All customer will be asked to leave quietly.

Having returned to the Office I checked the License for the premises and found the following condition thereon:

ANNEX 2 CONDITION 8 States: There shall be displayed on the exit doors and immediately inside the premises a sign stating, 'You are entering a drinking control area and no open alcohol drinks are to be drunk in the street'.

At 08:55hrs on Sunday 13th April 2014 I visited the shop again and completed a full license visit, completing a form 695. I found a total of eight (8) breaches of the license conditions and found the attitude of the staff to be very poor. Ms Julsum DEMIR, the sister of the premises license holder, told me. 'We know you can't drink on the street but we always open the bottles for them', and seemed to find this very amusing as she was continually laughing whilst telling me. I explained that they should not be doing this but the message appeared to be ignored.

The following license conditions were being breached at the time of my visit:

1. Annex 2 Condition 3 (f) Provide a linked record of the date, time and place of any image. No date /time stamp on CCTV.
2. Annex 2 Condition (L) Have signage displayed in the customer area to advise that CCTV is in operation. No signs advising customers that CCTV is in use.
3. Annex 2 Condition 8 There shall be displayed on the exit doors and immediately inside the premises a sign stating 'You are entering a drinking control area and no open alcohol drinks are to be drunk in the street'. No signs advising customers that they are entering a drinking controlled area and no open alcohol drinks are to be drunk in the street.
4. Annex 2 Condition 11 All customer will be asked to leave quietly.
5. Annex 2 Condition 12 Notices shall be prominently displayed at exits requesting customers to

respect the needs of the local residents and to leave the premises and area quietly. No signs requesting customers to leave quietly.

6. Annex 2 Condition 17 Same as above.
7. Annex 2 Condition 27 the licensee shall ensure that staff are trained about age restricted products and ensure that they sign to confirm that they have understood the training. The licensee shall keep records of training and instruction given to staff. No staff training or records of training available.
8. Annex 2 Condition 29 The licensee shall require staff to note any refusals to sell to young people in a refusals log. The refusals log shall be checked and signed monthly by the Designated Premises Supervisor. The refusals log shall be made available for inspection by the licensing Team, Police or Trading Standards. No refusals log was available and the staff did not know where it was kept.

In late November Pc Paul Hoppe, one of the Police licensing officers visited the venue and found that the CCTV was still not operating as per the conditions on the premises License.

I feel that the Management are still not reaching the standards expected and required by the Council Licensing Policy and the Police Licensing Team. The venue is licensed to sell alcohol until 0200hrs. Police and emergency services will already be stretched on what is historically a very busy night for all emergency services and we will be trying to disperse people from this very busy area. Having an Off -license premises selling alcohol at this time will not assist in the dispersal of people. By 0200hrs a lot of the people out will already have consumed high levels of alcohol making them vulnerable to becoming involved in crime, either as a perpetrator or as a victim. I have concerns that persons who attend the shop after 0200hrs will already have consumed a large amount of alcohol and that they will be far more difficult to reason with thus making it very difficult for the staff to tell people that they can't drink the alcohol on the street. This could lead to conflict between the staff and customers.

It is for these reasons that we are objecting to the application.
