Adult Social Services	CCT	Adult Social Services	Meals in Day Care Centres			£ 3.50	£ 3.50	£ -	Islington Provider Services have 5 Day services – currently only Alsen and New Park provide hot meals to residents. The total of people in scope and affected by the proposal are 47 – 47 people aged 65+ and 50% aged 80+ with complex needs. Provider Services are not in agreement with the proposed 10% uplift for day service meals from £3.50 to £3.85. All people who use services have protected characteristics and will be disproportionately affected by the proposal, with existing reduced financial incomes and impact of cost of living crisis. Some residents may choose not to have a meal due to the increased costs which will impact on their physical well-being needs being met as for some this is their main meal of the day.
