2. Recommendations

- 2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;
- 2.2. These premises are located in the Holloway Road and Finsbury Park Cumulative Impact Area therefore the Licensing Sub-Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Sub-Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 2.3. If the Licensing Sub-Committee grants the application it should be subject to:
 - i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and
 - ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

3. Background

- 3.1. This premises licence application was received by the licensing service on 28th February 2023.

- 3.2. The application was subject to representations from the Council's noise service and the Metropolitan Police however, these were withdrawn on receipt of agreement to conditions of approval. These conditions can be found at Appendix 3 of this report
- 3.3. At the time of writing this report there is one outstanding representation. This can be found at appendix 2.

4. Implications

4.1. **Financial Implications**

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190.00. Should the application be refused, the fee is not refundable.

4.2. **Legal Implications**

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. **Environmental Implications and contribution to achieving a net zero carbon Islington by 2030**

- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

- 4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.
- 4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

4.5.1. None

4.5.2. The property is not a listed building but is located in Rosebery Avenue Conservation area.

4.5.3. **Relevant Planning History**

Planning permission was granted on 29/03/1984 for the “Construction of new shopfront.” ref: (840086). There are no relevant conditions restricting the use and opening hours.

4.5.4. There are no open enforcement cases.

4.5.5. As such, no objection is raised.

5. **Conclusion and reasons for recommendations**

5.1. That the Licensing Sub-Committee determines this application.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hello Eleanor, today side hoardings have appeared, this seems like encroachment and isn't necessary. It will make getting my bike in (which I have to angle) a bit more difficult than it is already, but at least I can push a chair easily, as there's a tree on the edge it also means we now have to walk all the way round to walk to the left down Holloway road, it's not neighbourly, not a good start, I look forward to hearing back from you

yes I do oppose a drinking licence

If you give a licence to this place it will mean that every evening when I come home, on both sides of my front door there will be a particular type of intimidating person drinking outside. These places that are on the ground floor of our block do not attract, families or young people, they attract groups of sneering, staring men on non match days, and more on match days making it even harder to get to the door.

They have made a mess of our yard, they encroach and know that we can do nothing about it as it costs money to write letters/court orders etc, they leave huge amounts of rubbish that we have to pay to remove. A quiet word is impossible with these shops, they don't care.

If people have to carry shopping, suitcases, moving furniture etc it's not easy. The last people that ran Yefsis were not good neighbours, and as they seem to know them, I don't think Triple 777 will be any different, same with AMOR (who you gave a licence to, you told us it was drinking with food, that never happens as no one eats there, only drinks)

This area of Highbury/Holloway is where football fans come to drink pre- and post-match and always has public safety issues from crime, disorderly conduct from the drinking public. Drinking directly below our flats would add to this. There are many pubs and restaurants where people can drink on Holloway Road and more than 5 within a 5-minute walk of our block.

Our block is [REDACTED] most of which are owner occupied, but our side, [REDACTED] will be most effected by this, [REDACTED] and we already have AMOR, who you gave a drinking licence to, [REDACTED]. In our block, [REDACTED], all the others are rentals and therefore will not be opposing this as they won't think it's to do with them, and the landlords who own the property won't know about this. The people that live here range from families with young children, professionals, married couples and retirees, we want a peaceful and respectful life in our homes, another drinking spot directly below our block would not give us this.
