

Appendix 10 Summary of additional modifications

In the process of finalising the plan minor corrections (e.g. for grammar, correcting capitalisation, typos and missing words), factual updates, changes needed for consistency with other modifications, presentational amendments and amendments needed for accessibility reasons were identified and have been incorporated into the different Local Plan documents. These changes are not considered to materially affect the policies in the Local Plan. These changes include:

Strategic and Development Management Policies

- Update to Table 1.1 to reflect removal of Policy SC4: Promoting Social Value
- Additional updates to respond to changes the Use Classes Order (e.g. supporting text to Policy SP5 and glossary definition of 'Function'.)
- Updates to Figures 2.8 and 2.9 to reflect removal of Gypsy and Traveller sites.
- Updates to text referring to Elizabeth Line to reflect that it is now in operation.
- Correction to Policy H1, Part K to cross refer to Policy H9 rather than Policy H7.
- An update for consistency to remove the supporting text of Policy H3 (paragraph 3.41) to reflect modifications to Part I of the policy and approach to off-site provision or financial contributions for affordable housing.
- Updates to supporting text of Policy H10 to remove text that is factually incorrect (paragraph 3.127) and to make a correction to a drafting error to a modification (paragraph 3.129).
- Update to modification to supporting text of Policy SC1 to be consistent with glossary definition of social infrastructure.
- Update to supporting text to Policies B1 and R1 (paragraphs 4.7 and 4.85) to reference updated office floorspace need figure for consistency with other modifications.
- Update to modification to Policy B4 supporting text to reflect that policy applies to all LSISs.
- Updates to supporting text to Policies B5 and S7 (paragraphs 4.60 and 6.91) for consistency to reflect changes in thresholds in Policies in modifications.
- Updates to supporting text to Policy B3 (Paragraph 4.35) to reflect a change in permitted development rights.

- References to other clauses in Policy R4 Part E updated to reflect modifications to other parts of the policy.
- Update to format of Policy R7 to remove unnecessary bullet list and make continuous text.
- Policy DH1, Part C updated to reflect wording of corresponding policy modification in DH3 – part J in relation to Strategic Views replacing ‘should’ with ‘must’ for consistency.
- Updates to glossary definitions for Protected Views, Entertainment Uses, and Affordable Workspace for consistency with other modifications and other Local Plan documents.
- Update to glossary definition of Energy Hierarchy to reflect policy.
- Update to improve format of table A4.1 cycle parking standards.
- Update to improve format of housing trajectory table at appendix 10.
- Changes made to paragraph number references and policy clauses to reflect updates as a result of other modifications.
- Updates to hyperlinks to make them accessible.

Site Allocations

- Updates to Figures 1.2, 7.1, 8.1 and 9.1 to reflect removal of Gypsy and Traveller sites.
- Updates to site allocations KC1 and AUS14 to identify specific names of constraints (viewing corridor and SINC) for consistency with other modifications.
- Update to modifications to Site Allocations ARCH2, FP12 and HC3 and glossary definition of ‘Function’ to reflect changes to the Use Classes Order.
- Update to Site Allocation NH8 to refer to the name of the relevant Priority Employment Location for consistency.
- Updates to glossary definitions for Affordable Workspace, Entertainment uses, Leisure Uses, Protect Views and Tall buildings for consistency with other modifications and other documents.

Bunhill and Clerkenwell Area Action Plan

- Updates to modifications to Figures 3.2 to 3.7 and Figure 4.1 to remove text that was included for consultation purposes.
- Updates to text referring to Elizabeth Line to reflect that it is now in operation.
- Minor corrections to some of the total figures in Table 4.2.
- Updates to Table 10.1, paragraph 1.59 and 2.6 to reference updated office floorspace need figure for consistency with other modifications.

- Update to Site Allocation BC12 name as a factual correction to reflect a recent change in site name.
- Correction to the address of Site Allocation BC31.
- Factual update to references to Clerkenwell Fire Station to reflect that it is now Grade II* listed.
- Update to glossary definitions for Affordable Workspace, Protected views and Tall buildings for consistency with other modifications and other documents.
- Updates to hyperlinks to make them accessible.

Policies Map

- Updates to correct errors in the Essex Road and New North Road Local Shopping Area (LSA) boundaries. The correction to the Essex Road LSA is to fix a database error and to reflect the current boundary. The correction to the New North Road LSA is to remove one address that was included in error and to reflect the current boundary. No changes were proposed to either Local Shopping Area boundary as part of the Local Plan process.
