Finsbury Park	LBI Community Partnerships (Andover Community Centre)	A late Eid based celebration, working with their tenants and users from Muslim communities – Middle Eastern Women's Social Organisation (MEWSO), One True Voice (Somali), Islington Turkish and Kurdish Women's Welfare Group, Refugees in B&Bs, Henna (South Asian) and local Islamic organisations like Jannaty, Finsbury Park Mosque and Muslim Welfare House. The event will take the form of an Eid party, but be open to all, with some information to raise awareness of Muslim traditions and culture. The event will fall within the South Asian Heritage Month which runs from 18 July to 17 August every year and celebrates South Asian cultures and communities and will form Andover's contribution to that social inclusion event. It will help balance the work they do with local Christian parishes at Soul in the City and other events, and in the same way will celebrate partnerships and links and be open to everyone.
